VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

The issue price and realisation price of Units will be available on the Business Day following each Dealing Day. You may check such prices at the Managers' website (www.nikkoam.com.sg).

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

Cancellation of Units

If applicable to you, you may cancel your subscription for Units by sending a cancellation request to the Managers through the approved distributor from whom you purchased your Units within 7 calendar days from the date of your subscription or purchase of the Units. Any Initial Sales Charge paid will be refunded to you. However, you will have to take the risk for any price changes in the NAV of the Fund or the relevant Class since you purchased the Units.

Realisation of Units

You can exit the Fund by submitting a written realisation request to the Managers through the approved distributor from whom you purchased your Units. If you are an institutional investor who had purchased your Units directly from the Managers, you may submit your realisation request to the Managers.

If your realisation request is received and accepted by 5 p.m. Singapore time on a Dealing Day, your Units will be realised at the realisation price for that Dealing Day. If your realisation request is received and accepted after 5 p.m. Singapore time, your Units will be realised at the realisation price for the next Dealing Day.

The realisation proceeds that you will receive are calculated by multiplying the number of Units to be realised by the realisation price, less any applicable charges. There is currently no realisation charge imposed. An example is as follows:

Units to be realised	x	Realisation Price	=	Realisation Proceeds
1,000	x	\$1.05000	=	\$1,050.00

The cancellation or realisation proceeds will normally be paid within seven Business Days after the relevant Dealing Day on which the cancellation or realisation request is received unless realisation of Units has been suspended in accordance with the Prospectus.

Refer to Para 8.9, 11 and 14 of the Prospectus for further information on valuation and exiting from the product.
