VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

- Daily valuations are available on Dealing Days. HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- To exit the Fund you should complete the relevant sale form, together with such other documents as may be required and submit it to the Singapore representative or through the financial advisor or distributor from whom you purchased the Fund, the Internet or any other sales channels, if applicable.
- Please note that the sale of Class B and C shares maybe subject to exit charges.
- Some appointed distributors may offer a cancellation policy whereby you will not incur the sales charges if you sell during the relevant period (the Fund does not offer such cancellation policy). You will however take the risk of a decline in the Fund's NAV since you purchased it and certain administrative fees may apply.
- Sale proceeds will be paid within three Singapore Business Days following the Dealing Day of the receipt and acceptance of the sale request. Sale proceeds from investments using CPF or SRS monies will be returned to your respective CPF or SRS accounts.
- Your exit price is determined as follows:
 - If the Singapore representative receives and accepts the sale request on or before 4 p.m. on a Dealing Day, you will be paid a price based on the net asset value of the Shares applicable on that day.
 - If the Singapore representative receives and accepts the sale request after 4 p.m. on a Dealing Day, you will be paid a price based on the net asset value of the Shares at the close of the next Dealing Day.
- The following illustrates the sales proceeds on a sale of 1,000 Class A SGD share class shares at an exit price of S\$12.50 and assuming no Contingent Deferred Sales Charge:

| Exit price x Number of shares sold | = Gross Sales Proceeds |
