management.	
Parties Involved	
WHO ARE YOU INVESTING WITH? <ul style="list-style-type: none"> The Sub-Fund is a sub-fund of the Singapore constituted umbrella fund First State Global Growth Funds (the "Scheme"). The Manager of the Sub-Fund is First State Investments (Singapore). The investment manager of the Underlying Sub-Fund is First State Investments (Hong Kong) Limited. The investment manager may appoint one or more approved sub-investment managers to manage all or a portion of the assets of the Underlying Sub-Fund. The Trustee of the Sub-Fund is HSBC Institutional Trust Services (Singapore) Limited and the Custodian of the Sub-Fund is The Hongkong and Shanghai Banking Corporation Limited. 	Refer to "Management", "The Trustee and the Custodian" and "Other Parties" sections of the Prospectus for further information on the role and responsibilities of these entities.
KEY RISKS	
WHAT ARE THE KEY RISKS OF THIS INVESTMENT? Investment in the Sub-Fund is designed to produce returns over the long term and is not suitable for short term speculation. The value of the Sub-Fund and its dividends or coupons (if any) may rise or fall. These risk factors may cause you to lose some or all of your investment.	Refer to Schedule 2 of the Prospectus for further information on risks of the product.
Market and Credit Risks	
<ul style="list-style-type: none"> You are exposed to market risk in China, Hong Kong and Taiwan Certain situations may have a negative effect on the price of shares within a particular market. These may include regulatory changes, political changes, economic changes, technological changes and changes in the social environment. You are exposed to currency risk The Sub-Fund and Underlying Sub-Fund may buy shares in various currencies. The value of shares held by the Sub-Fund and Underlying Sub-Fund may be impacted due to changes in the exchange rates. 	
Liquidity Risks	
<ul style="list-style-type: none"> The Sub-Fund is not listed and you can redeem only on Dealing Days as described in the Prospectus. You may not be able to redeem on a Dealing Day if a redemption limit is imposed <ul style="list-style-type: none"> There may be a 10 per cent limit on the number of units that can be redeemed on any Dealing Day. You are exposed to the liquidity risk of the Sub-Fund and its Underlying Sub-Fund's investments <ul style="list-style-type: none"> The Sub-Fund and its Underlying Sub-Fund may not be able to sell their assets in a timely manner and/or at a reasonable price. If this is the case, you may not be able to get your money back when you want it. 	
Product-Specific Risks	
<ul style="list-style-type: none"> You are exposed to investment risk Investment in the Sub-Fund involves risk and you may not get back the full amount you invested. Past performance is no guarantee of future performance. You are exposed to China market risk Investing in shares in China may involve greater risk than investing in shares in developed markets. The value of the Sub-Fund's assets may be affected by uncertainties such as political developments, changes in government policies, taxation, foreign exchange controls, currency repatriation restrictions, restrictions on foreign investment in China and other adverse liquidity, legal or regulatory events affecting the Chinese market. These factors may cause the value of the Sub-Fund to rise or fall more than it would if it invested in developed markets. You are exposed to emerging market risk Investing in shares in emerging markets (countries considered to have social or business activity in the process of rapid growth and development) may involve a greater risk than investing in shares in developed markets. You are exposed to small capitalisation/mid-capitalisation companies risk 	

The stock of small-capitalisation/mid-capitalisation companies may have lower liquidity and their prices are more volatile to adverse economic developments than those of larger capitalisation companies in general.

- **You are exposed to single country risk / specific region risk**
The value of the Sub-Fund may be more volatile than a fund having a more diversified portfolio of investments covering multiple countries.
- **You are exposed to single sector risk**
The Sub-Fund's investments may be concentrated in a single sector and the value of the Sub-Fund may be more volatile than a fund having a more diversified portfolio of investments.
- **You are exposed to concentration risk**
The Sub-Fund invests in a relatively small number of companies and may be subject to greater risk of suffering proportionately higher losses should the shares in a particular company decline in value or otherwise be adversely affected than a Sub-Fund that invests in a large number of companies.
- **You are also exposed to RMB currency and conversion risk, equity linked notes risk, the risks of investing in China A Shares and other eligible PRC securities via QFII and RQFII and risks specific to investment in eligible China A Shares via the Stock Connects.**
- **The Underlying Sub-Fund will be subject to risks associated with its investment into other collective investment schemes.**

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

The actual issue price and realisation price of units are normally published 1 Business Day after the relevant Dealing Day on the Manager's website (www.firststateinvestments.com).

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the Sub-Fund at any time by submitting a duly signed written instruction or a completed redemption form to the Manager or its approved distributors.
- If you are a new subscriber, you have the right to cancel your subscription within 7 days from the date of purchase without incurring the initial service charge and fees stated above. However, you will have to take the risk for any price changes in the net asset value of the Sub-Fund since you purchased it and the Manager is entitled to deduct from the cancellation proceeds any related expenses incurred.
- Partial realisations are subject to the minimum class holding applicable to the Sub-Fund.
- You will receive the sale proceeds within 7 Business Days of receipt of your realisation request.
- Your exit price is determined as follows (please note that your distributor may impose a different cut-off time):
 - If your realisation request is received before 5 p.m. on a Dealing Day, the realisation price for that Dealing Day will apply.
 - If your realisation request is received after 5 p.m. on a Dealing Day or on a day which is not a Dealing Day, the realisation price for the next Dealing Day will apply.
- Your sale proceeds will be the realisation price multiplied by the number of units sold, less any charges (there is currently no realisation charge imposed).

Realisation price	X	Number of units to be realised	=	Gross realisation proceeds
\$1.0138	X	1,000	=	\$1,013.80
Gross realisation proceeds	-	realisation charge	=	Net realisation proceeds
\$1,013.80	-	\$0.00	=	\$1,013.80

Refer to "Obtaining Prices of Units" and "Realisation of Units" sections of the Prospectus for further information on valuation and exiting from the product.

APPENDIX: GLOSSARY OF TERMS

Anti-Dilution Adjustment:

A percentage charge determined by the investment manager of the Underlying Sub-Fund that is charged:-

- a) on a Dealing Day where there are net subscriptions into the Underlying Sub-Fund and which will be included in the net asset value per share of the Underlying Sub-Fund which is the subscription price. This charge reflects the costs incurred by the Underlying Sub-Fund in purchasing additional portfolio securities upon the subscription for shares in the Underlying Sub-Fund; or
- b) on a Dealing Day where there are net redemptions from the Underlying Sub-Fund and which will be included in the net asset value per share of the Underlying Sub-Fund which is the redemption price. This charge reflects the costs incurred by the Underlying Sub-Fund in disposing of portfolio securities to meet the redemption requests.

The charge shall not exceed in any event 2% of the subscription or redemption monies, as the case may be, and in both cases the charge shall be paid into or retained by the Underlying Sub-Fund, as the case may be, in order to discharge the typical costs of dealing in the underlying investments of the Underlying Sub-Fund, such as dealing spreads, dealing charges, fees and taxes.

Business Day:

Any day other than a Saturday, Sunday, or gazetted public holiday on which commercial banks in Singapore are generally open for business, or where the context expressly requires, any day other than Saturday or Sunday on which commercial banks in Singapore or elsewhere are generally open for business or any other day that the Manager and the Trustee agree in writing.

Dealing Day:

Such day or days as the Manager may from time to time with the approval of the Trustee determine, but so that

- a) unless and until the Manager (with the approval of the Trustee) otherwise determines, each Business Day after the commencement date of the Sub-Fund shall be a Dealing Day in relation to the Sub-Fund; and
- b) without prejudice to the generality of the foregoing, if on any day which would otherwise be a Dealing Day in relation to Units of the Sub-Fund the recognised market on which investments or other property comprised in, and having in aggregate values amounting to at least 50% of the net asset value (as of the immediately preceding valuation point) of the Sub-Fund are quoted, listed or dealt in is or are not open for normal trading, the Manager may determine that day shall not be a Dealing Day in relation to Units of the Sub-Fund.
