Investment objective

This Sub-Fund invests in a diversified portfolio consisting primarily of high yield fixed income / debt securities issued by Asian entities or their subsidiaries. This Sub-Fund's portfolio primarily consists of securities denominated in US dollars as well as the various Asian currencies and aims to maximize total returns through investing primarily in fixed income / debt securities rated below BBB-. This Sub-Fund may invest up to 20% of its net assets in ABS, MBS, Contingent Convertible Bonds ("CoCos"), Distressed Securities and Defaulted Securities, with a limit of 10% for Distressed Securities and Defaulted Securities. The Sub-Fund may invest less than 30% of its net assets in debt instruments with loss absorption features out of which up to 10% of its net assets may be invested in CoCos with loss absorption features and up to 20% of its net assets in non-preferred senior debt and other subordinated debts with loss absorption features. In addition, this Sub-Fund may invest up to 10% of its net assets respectively in synthetic fixed income instruments and in Chinese onshore debt securities through the China interbank bond market direct access program and/or China Hong Kong Bond Connect. It may also hold up to 10% of its net assets in equity securities to the extent that such securities result from the conversion or exchange of a preferred stock or debt obligation.

Distributions are not guaranteed. Distributions may be paid out of distributable income, capital or both. Important Notes: (i) Payment of distributions out of capital amounts to a return or withdrawal of part of an investor's original investment or from any capital gains attributable to that original investment; and (ii) Any distributions involving payment out of the Fund's capital may result in an immediate reduction of the net asset value per share. Funds with Monthly and Quarterly Distribution Frequency: Annualised Dividend yield = (Dividend per share / Reference NAV at start of distribution period) x (No. of calendar days in a year / No. of calendar days in distribution period) x 100%. Funds with Yearly Distribution Frequency: Annualised Dividend Yield = (Dividend amount / Total Net Assets) x (No. of calendar days in a year / No. of calendar days in distribution period) x 100%. "N.A." means that this share class does not distribute dividends.

Footnote #[1]: The benchmark for the hedged share classes, if any, is also calculated on a hedged basis. Calendar year returns are based on the share class performance for the year, and if the share class was inceptioned during a particular year, the returns shown relate to the performance of the share class since its inception to the end of that calendar year. Wef July 2018, the monthly fund and benchmark returns calculated are aligned to the last NAV date of the fund for the month.

Disclaimer

This document is issued by Eastspring Investments (Singapore) Limited (UEN: 199407631H). Eastspring Investments (Singapore) Limited is the appointed Singapore Representative and agent for service of process in Singapore. This advertisement has not been reviewed by the Monetary Authority of Singapore.

The Fund is a sub-fund of Eastspring Investments, an open-ended investment company with variable capital (Société d'Investissement à Capital Variable or SICAV) registered in the Grand Duchy of Luxembourg, which qualifies as an Undertaking for Collective in Transferable Securities ("UCITS") under relevant EU legislation. The Management Company of the SICAV is Eastspring Investments (Luxembourg) S.A., Grand-Duchy of Luxembourg.

All transactions into the Fund should be based on the Singapore Prospectus and Product Highlights Sheet ("PHS"). Such documents, together with the articles of incorporation of the SICAV and the most recent financial reports, may be obtained free of charge from Eastspring Investments (Luxembourg) S.A., or at relevant Eastspring Investments business units/website and their distribution partners.

This document is solely for information and does not have any regard to the specific investment objectives, financial or tax situation and the particular needs of any specific person who may receive this document. This document is not intended as an offer, a solicitation of offer or a recommendation, to deal in shares of securities or any financial instruments.

Please refer to the offering documents for details on fees and charges, dealing and redemption, product features, risk factors and seek professional advice before making any investment decision. An investment in the Fund is subject to investment risks, including the possible loss of the principal amount invested. The value of shares in the Fund and the income accruing to the shares, if any, may fall or rise. Where an investment is denominated in a currency other than the base currency of the Fund, exchange rates may have an adverse effect on the value price or income of that investment. Investors should not make any investment decision solely based on this document. Investors may wish to seek advice from a financial adviser before purchasing shares of the Fund. In the event that an investor may choose not to seek advice from a financial adviser, the latter should consider carefully whether the Fund in question is suitable for him.

Past performance and the predictions, projections, or forecasts on the economy, securities markets or the economic trends of the markets are not necessarily indicative of the future or likely performance of Eastspring Investments or any of the funds managed by Eastspring Investments. There are limitations to the use of indices as proxies for the past performance in the respective asset classes/sector.

The Fund may use derivative instruments for efficient portfolio management and hedging purposes.

Distributions are not guaranteed and may fluctuate. Past distributions are not necessarily indicative of future trends, which may be lower. Distribution payouts and its frequency are determined by the Board of Directors, and can be made out of (a) income; or (b) net capital gains; or (c) capital of the Fund or a combination of any of (a) and/or (b) and/or (c). The payment of distributions should not be confused with the Fund's performance, rate of return or yield. Any payment of distributions by the Fund may result in an immediate decrease in the net asset value per share.

The preceding paragraph is only applicable if the Fund intends to pay dividends / distributions.
