The CPF interest rate for the Ordinary Account (OA) is based on the 12-month fixed deposit and month-end savings rates of the major local banks. Under the CPF Act, the Board pays a minimum interest of 2.5% per annum when this interest formula yields a lower rate. The government will maintain the 4% per annum minimum rate for interest earned on all Special and Medisave Accounts (SMA) and Retirement Account (RA) monies until 31 December 2018, subject to updates from the CPF board. The CPF Board will pay an extra interest rate of 1% per annum on the first S\$60,000 of a CPF member's combined balances, including up to S\$20,000 in the OA. In addition, CPF members aged 55 and above will also earn an additional 1% extra interest on the first \$30,000 of their combined balances (with up to \$20,000 from the OA). Only monies in excess of S\$20,000 in the OA and S\$40,000 in the Special Account can be invested.
