¹ The Prospectus is available for collection from First Sentier Investors (Singapore), (*prior to 19 October 2020*) 38 Beach Road, #06-11 South Beach Tower, Singapore 189767 (*with effect from 19 October 2020*) 79 Robinson Road, #17-01 and #17-04, Singapore 068897 or its distributors during normal business hours on any Business Day or accessible at <u>www.firstsentierinvestors.com</u>.

 $^{\rm 2}$ Distributions will be made on 29 February should that be the last Business Day in the month of February in the relevant year.

 both sub-funds under the Dublin registered umbrella fund known as First Sentier Investors Global Umbrella Fund plc. For equities: The Equity Underlying Sub-Fund invests primarily (at least 70% of its net asset value) in equity securities or equity-related securities of companies that are listed, or have their registered offices in, or conduct a majority of their economic activity in the Asia Pacific region (excluding Japan). Such companies will be selected on the basis of their potential dividend growth and long term capital appreciation. For fixed income: The Bond Underlying Sub-Fund invests primarily (at least 70% of its net asset value) in debt securities of governments or quasigovernment organisation issuers in Asia and/or issuers organised, headquartered or having their primary business operations in Asia. The Bond Underlying Sub-Fund invests at least 70% of its net asset value or having their primary business operations in Asia. The Bond Underlying Sub-Fund invests at least 70% of its net asset value in investment grade debt securities and convertible securities (rated as Baa3 or above by Moody's or BBB- or above by S&P or other recognised rating agencies) or if unrated, of comparable quality as determined by the investment manager of the Bond Underlying Sub-Fund. The Sub-Fund's target asset allocation will be 50% equity and 50% fixed income. The Manager will rebalance to the target allocation so that the exposure to each asset class does not exceed 60% at any time. The Sub-Fund and the Underlying Sub-Fund may use financial derivative 	strategy of the product.
instruments for the purpose of hedging or for efficient portfolio management.	
Parties Involved	
 WHO ARE YOU INVESTING WITH? The Sub-Fund is a sub-fund of the Singapore constituted umbrella fund First Sentier Investors Global Growth Funds (the "Scheme"). The Manager of the Sub-Fund is First Sentier Investors (Singapore). The Trustee of the Sub-Fund is HSBC Institutional Trust Services (Singapore) Limited and the Custodian of the Sub-Fund is The Hongkong and Shanghai Banking Corporation Limited. 	Refer to "Management", "The Trustee and the Custodian" and "Other Parties" sections in Paragraphs 2, 3 and 4 of the Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.
KEY RISKS	
WHAT ARE THE KEY RISKS OF THIS INVESTMENT?	Refer to Schedule
Investment in the Sub-Fund is designed to produce returns over the long term and is not suitable for short term speculation. The value of the Sub-Fund and its dividends or coupons (if any) may rise or fall. These risk factors may cause you to lose some or all of your investment and your principal may be at risk.	2 of the Prospectus for further information on risks of the product.
Market and Credit Risks	
 You are exposed to market risk in the Asia Pacific ex Japan region – Certain situations may have a negative effect on the price of shares within a particular market. These may include regulatory changes, political changes, economic changes, technological changes and changes in the social environment. You are also exposed to credit risk and currency risk. 	
Liquidity Risks	
 The Sub-Fund is not listed and you can redeem only on Dealing Days. You may not be able to redeem on a Dealing Day if a redemption limit is imposed – There may be a 10 per cent limit on the number of units that can be redeemed on any Dealing Day.

APPENDIX: GLOSSARY OF TERMS

Anti-Dilution Adjustment: A percentage charge determined by the investment manager of the Underlying Sub-Fund that is charged:-

- a) on a Dealing Day where there are net subscriptions into the Underlying Sub-Fund and which will be included in the net asset value per share of the Underlying Sub-Fund which is the subscription price. This charge reflects the costs incurred by the Underlying Sub-Fund in purchasing additional portfolio securities upon the subscription for shares in the Underlying Sub-Fund; or
- b) on a Dealing Day where there are net redemptions from the Underlying Sub-Fund and which will be included in the net asset value per share of the Underlying Sub-Fund which is the redemption price. This charge reflects the costs incurred by the Underlying Sub-Fund in disposing of portfolio securities to meet the redemption requests.

The charge shall not exceed in any event 2% of the subscription or redemption monies, as the case may be, and in both cases the charge shall be paid into or retained by the Underlying Sub-Fund, as the case may be, in order to discharge the typical costs of dealing in the underlying investments of the Underlying Sub-Fund, such as dealing spreads, dealing charges, fees and taxes.

Business Day: Any day other than a Saturday, Sunday, or gazetted public holiday on which commercial banks in Singapore are generally open for business, or where the context expressly requires, any day other than Saturday or Sunday on which commercial banks in Singapore or elsewhere are generally open for business or any other day that the Manager and the Trustee agree in writing.

Dealing Day: Such day or days as the Manager may from time to time with the approval of the Trustee determine, but so that

- a) unless and until the Manager (with the approval of the Trustee) otherwise determines, each Business Day after the commencement date of the Sub-Fund shall be a Dealing Day in relation to the Sub-Fund; and
- b) without prejudice to the generality of the foregoing, if on any day which would otherwise be a Dealing Day in relation to Units of the Sub-Fund the recognised market on which investments or other property comprised in, and having in aggregate values amounting to at least 50% of the net asset value (as of the immediately preceding valuation point) of the Sub-Fund are quoted, listed or dealt in is or are not open for normal trading, or (ii) on any day where any of the Underlying Sub-Funds is not normally traded, the Manager may determine that day shall not be a Dealing Day in relation to Units of the Sub-Fund.
