- \*\* Source: Janus Henderson Investors (Singapore) Limited, calculated as at 29 February 2020 on a NAV to NAV basis, net of 5% initial charge, with gross income reinvested at NAV price, in Singapore dollars.
- \*\*\* The Benchmark administrator, MSCI Limited, restructured the Benchmark on 30 November 2018, meaning the constituents of the Benchmark will change with the reclassification of certain companies in it to another benchmark. As a result, the Management Company and the Investment Manager have jointly concluded that the Benchmark will no longer be appropriate for the calculation of the Performance Fee going forward and may be potentially disadvantageous to Shareholders. Accordingly, in advance of being able to identify a more appropriate benchmark for the Performance Fee calculation, the Underlying Managers will waive any Performance Fees that may accrue and be payable for the Luxembourg Fund as of 1 December 2018 until further notice.

Note: The performance calculation is based on a maximum initial sales charge of 5%. The actual initial sales charge paid by the unitholder may be different based on the discount, if any, applied by distributors. As such, the performance return may differ based on the discount, if any, applied by distributors.
