### Cumulative Return (%)

Past performance is no guarantee of future results. Performance is on a net of fees basis. Source: Morningstar. Basis: total returns, NAV to NAV in USD, with income reinvested. The ongoing charge figure is a single figure that represents the charges you'll pay over a year for the length of time you hold your investment. It is usually stated as a percentage of the fund value. It can typically range from 0.25% to 2.5% each year. The entry charges shown are the maximum figures. In some cases you might pay less. You can find out your actual charges from your financial adviser.
