General information

KBL Key Fund (hereinafter the "Sicav") is a Luxembourg variable capital investment company (Sicav), incorporated in accordance with the legislation of the Grand Duchy of Luxembourg on undertakings for collective investment under Part I of the amended Law of 20 December 2002, whose investment policy makes provision for the net assets to be invested in other undertakings for collective investment in transferable securities (UCITS).

KBL Key Fund was originally constituted in 1990 as an investment fund by KB LUX KEY FUND MANAGEMENT S.A. ("Management Company"). On 13 March 1998 the shareholders of the investment fund, pursuant to Article 110 (2) of the amended Law of 30 March 1988 on undertakings for collective investment, decided to transform the collective investment fund into a variable capital investment company (Sicav).

Its Articles of Association were filed with the Registrar of the Luxembourg Municipal Court on 27 March 1998 and were published in the *Mémorial, Recueil des Sociétés et Associations* on 27 April 1998.

The complete and simplified prospectus, annual reports and unaudited half-yearly reports, as well as the list of the purchases and sales effected by the Sicav are available at the Sicav's registered office, at the office of the representative and paying agents in the different countries of distribution of the Sicav, at the office of the information and paying agent in Germany and at the office of the financial services of the Sicav in Belgium.

Notices of general meetings and other notices are published in accordance with Luxembourg law in Luxemburger Wort.

The subscription and redemption price are held at the registered office of the Sicav.

Additional information for investors in Switzerland :

Supplementary information for Swiss investors concerning the SFA guidelines of 7 June 2005 on the transparency with regard to management fee :

We received from the Sicav's Board of Directors the description of the following inducements included in the distribution and the sub-agency agreements signed by the two exclusive distributors and their sub-agents :

- "Loyalty commission" paid to the distribution sub-agents, out of the management fee received by the Management Company, proportional to the average amount invested and held in the Sicav by these sub-agents;
- "Trading commission" paid to the distribution sub-agents, subsidiaries of KBL EUROPEAN PRIVATE BANKERS S.A., out of the income generated by the transactions transmitted to the KBL EUROPEAN PRIVATE BANKERS S.A. Trading Room, pro rata to the amounts held in the Sicav by the related party sub-agents.

Information on the right of withdrawal pursuant to § 126 of the Investment Law (InvG) (only applies to clients domiciled in Germany) :

If the shares are purchased through oral negotiation away from the permanent business premises of the person who is selling the shares or who has arranged the sale, the buyer may cancel his purchase within a period of two weeks by writing to the investment company (right of withdrawal); the same applies when the person who is selling the shares or who has arranged the sale, has no permanent business premises. If it is distance selling within the meaning of § 312b of the Civil Code (Bürgerlichen Gesetzbuch), there is no right of withdrawal for the purchase of financial services, the price of which is subject to financial market fluctuations (§ 312d Abs. 4 Nr. 6 BGB). To meet the deadline it is enough to send the notice of cancellation in due time. The cancellation should be made in writing to KBL Key Fund specifying the person cancelling and signed by the same; no reason need be given.

The withdrawal period shall begin to run, when the copy of the application is presented to the buyer on signature of the contract or a statement of purchase is sent to him containing an explanation of the right of withdrawal like the present one. If the beginning of the withdrawal period is debatable, the burden of proof shall lie with the seller.

There is no right of withdrawal if the seller can prove that, either the buyer has purchased the shares in the framework of his business or that he sought out the buyer for the negotiations, which led to the sale of the shares, on the basis of a preceding order pursuant to § 55 Abs. 1 of the Industrial Code.

If the purchase is cancelled and the buyer has already made payment, then the investment company must refund the buyer, if necessary step by step against retrocession of the purchased shares, the sum paid and a further sum corresponding to the value of the paid up shares on the day after notification of the cancellation.

The right of withdrawal may not be waived.

2. Summary of significant accounting policies

a) Presentation of the financial statements

The financial statements of the Sicav are drawn up in accordance with the Luxembourg legal and regulatory requirements concerning undertakings for collective investment.

b) Conversion of foreign currencies for each sub-fund

The accounts for the various sub-funds are kept in the following currencies :

Sub-funds	Currencies
- KBL Key Fund - Far East	in USD
- KBL Key Fund - Europe	in EUR
- KBL Key Fund - European Small Companies	in EUR
- KBL Key Fund - Eastern Europe	in EUR
- KBL Key Fund - Major Emerging Markets	in USD
- KBL Key Fund - Natural Resources Equities	in EUR
- KBL Key Fund - North America	in USD

The financial statements for the sub-funds are drawn up in the above mentioned currencies.

Cash at banks, other net assets and also the valuation value of the securities' portfolios expressed in currencies other than that of the sub-fund are converted into this currency at the exchange rate in force on the day of the date of the carry-over. Income and costs shown in currencies other than the sub-fund's own currency are converted into this currency at the exchange rate prevailing on the date of the transaction.

c) Valuation of securities

- 1) The value of any transferable securities traded or listed on a stock exchange is made on the basis of the closing price on the Valuation Day.
- 2) The value of any transferable securities traded on another regulated market is made on the closing price on the Valuation Day in question.
- 3) UCITS and other UCI are valued on the basis of their last available net asset value.
- 4) To the extent that the securities held in portfolio on the Valuation Day are not traded or listed on a stock exchange or on another regulated market, or if the price determined according to (1) or (2) for securities listed or traded on a stock exchange or on another regulated market is not representative of the real value of these securities, these are valued on the basis of the probable value of sales, which must be estimated prudently and in good faith.
- 5) Options and "financial futures" are valued at the last known price on the relevant stock exchanges or regulated markets.

- 6) If, as a result of particular circumstances, valuation based on the preceding rules becomes impractical or inaccurate, other valuation criteria, which are generally accepted and verifiable will be applied in order to obtain a fair valuation.
- 7) Forward foreign exchange contracts are valued by reference to the forward rate of exchange applicable to the outstanding life of the contract.

d) Net realised gain/(loss) on sales of securities

The net realised gain/(loss) on sales of securities is determined on the basis of the average cost of securities sold.

e) Purchase price of securities in the portfolio

The purchase price of the securities in each sub-fund denominated in currencies other than that of the sub-fund is converted into this currency at the average exchange rate in force on the day of the purchase.

f) Incorporation costs

The costs of organisation and incorporation were depreciated on a straight-line basis at 20% per year.

3. Consolidation

The different items in the Sicav's consolidated financial statements are equal to the sum of the corresponding items of each sub-fund in the financial statements and are expressed in EUR.

Items in the statement of net assets and in the statement of operations and other changes in net assets of each sub-fund not expressed in EUR are converted at the following exchange rates at the date of the report :

1 EUR = 1.2251500 USD US Dollar

4. Subscription duty ("taxe d'abonnement")

The Sicav is governed by Luxembourg law.

Pursuant to the legislation and regulations in force, the Sicav is subject to an annual subscription duty ("taxe d'abonnement") of 0.05% which is payable quarterly and calculated on the basis of the net assets of each sub-fund on the last day of each quarter.

Pursuant to Article 129 (3) of the amended Law of 20 December 2002 the net assets invested in undertakings for collective investment already subject to the *"taxe d'abonnement"* are exempt from this tax.

5. Belgian subscription tax

Belgian law (Inheritance Tax code, Volume IIa) imposes an annual tax on undertakings for collective investment subject to Luxembourg law, which are authorised to market their shares publicly in Belgium. This tax amounts to 0.08% on the total of the net sums invested in Belgium as at 31 December of the previous year, starting from their registration with the *Commission Bancaire, Financière et des Assurances* (Banking, Finance and Insurance Commission).

The Sicav pays the tax on 31 March each year.

6. Management fee

The Sicav's Board of Directors appointed KREDIETRUST LUXEMBOURG S.A. as Management Company by means of a contract dated 28 April 2006 to provide management, administration and marketing services. The Management Company is registered as a management company pursuant to the stipulations of Chapter 13 of the amended Law of 20 December 2002.

For its intellectual management services KREDIETRUST LUXEMBOURG S.A. receives an annual fee of 1.15%, payable guarterly on the average net asset value of each sub-fund for the guarter in guestion.

7. Management fee receivable

Taking into consideration the regulation regarding the retrocession of management fees in certain countries of registration ("*pays d'enregistrement*") of the Sicav, the Board of Directors decided by circular way on 11 December 2006 to include in the Sicav's accounts a receivable provision (on the basis of total net assets of each sub-fund).

This provision is included each month on the basis of the end of month net assets of each sub-fund.

The following annual rates are accrued per sub-fund :

- KBL Key Fund - Far East	0.50%
- KBL Key Fund - Europe	0.50%
- KBL Key Fund - European Small Companies	0.30%
- KBL Key Fund - Eastern Europe	0.35%

8. Commissions on issue and redemption of shares

Shares are issued at a price equal to the net asset value per share. The agents involved in the placing of the shares are free to set their own commissions, which may not, however, exceed 5% of the applicable net asset value. The price thus obtained may be rounded up to the nearest hundredth in the currency of the sub-fund in question.

Redemptions are made at net asset value less a maximum commission of 0.5% in favour of the professional intermediary.

9. Costs and expenses

The Sicav's investment policy is to invest in UCI, which duplicates some costs that are charged to both the underlying UCI and the Sicav, by their respective service providers. These expenses include, among other things, creation, deposit and domiciliation costs, management commissions, audit costs and other associated costs.

However, in any case, no commissions are charged in duplicate if the Sicav invests in UCI managed by KBL EUROPEAN PRIVATE BANKERS S.A. or in one of its affiliated companies. Consequently, the Sicav bears no fees or costs payable to such UCI.

10. Distribution in Switzerland
