FRAMLINGTON EQUITIES

AXA World Funds - Framlington Emerging Markets

A Sub-Fund of AXA World Funds SICAV
Share class: AXA World Funds - Framlington Emerging Markets F Capitalisation USD (ISIN : LU0327690631)
This Sub-Fund is managed by AXA Funds Management S.A., part of the AXA IM Group

Objective and Investment Policy

Investment Objective

The Sub-Fund seeks to achieve long-term capital growth measured in USD by investing mainly in equities issued companies domiciled or operating predominantly in emerging markets.

Investment Policy

The Sub-Fund is actively managed in order to capture opportunities in emerging market equities worldwide. Investment decisions are based on a combination of macroeconomic, sector and company specific analysis.
The share selection process relies on a rigorous analysis of the companies' business model, quality of management, growth prospects and overall risk return profile.
Emerging market countries cover countries generally considered low or middle income countries by the World Bank and countries included in any recognised emerging market index.
The Sub-Fund invests:
- at least two thirds of its total assets in equities and equities related instruments issued by companies domiciled or operating predominantly in the emerging market countries. The Sub-Fund may invest in equity securities of any market capitalisation (including small and micro-sized companies)
- up to 10% of its assets in convertible or straight bonds and not more than one third in money market instruments.

The Sub-Fund applies AXA IM ESG Standards available on www.axaim.com/en/responsible-investing.
Within the limit of 200% of the Sub-Fund's net assets, the investment strategy may be achieved by direct investments and/or through derivatives. Derivatives may also be used for hedging purposes.

Income

For Capitalisation share classes (Cap), the dividend is reinvested.

Sub-Fund Currency

The reference currency of the Sub-Fund is USD.

Investment Horizon

This Sub-Fund may not be suitable for investors who plan to withdraw their contribution within 8 years.

Processing of subscription and redemption orders

The subscription, conversion or redemption orders must be received by the Registrar and Transfer Agent on any Valuation Day no later than 3 p.m. Luxembourg time. Orders will be processed at the Net Asset Value applicable to the following Valuation Day. The investor's attention is drawn to the existence of potential additional processing time due to the possible involvement of intermediaries such as Financial Advisers or distributors.
The Net Asset Value of this Sub-Fund is calculated on a daily basis.

Risk and Reward Profile

Lower risk ← → **Higher risk**

Potentially lower reward — Potentially higher reward

1	2	3	4	**5**	6	7

The risk category is calculated using historical performance data and may not be a reliable indicator of the Sub-Fund's future risk profile.

The risk category shown is not guaranteed and may shift over time.

The lowest category does not mean risk free.

Why is this Sub-Fund in this category?

The capital of the Sub-Fund is not guaranteed. The Sub-Fund is invested in financial markets and uses techniques and instruments which are subject to some levels of variation, which may result in gains or losses.

Additional Risks

Counterparty Risk: Risk of bankruptcy, insolvency, or payment or delivery failure of any of the Sub-Fund's counterparties, leading to a payment or delivery default.

Geopolitical Risk: investments in securities issued or listed in different countries may imply the application of different standards and regulations. Investments may be affected by movements of foreign exchange rates, changes in laws or restrictions applicable to such investments, changes in exchange control regulations or price volatility.

Operational Risk: Risk that operational processes, including those related to the safekeeping of assets may fail, resulting in losses.

Liquidity Risk: risk of low liquidity level in certain market conditions that might lead the Sub-Fund to face difficulties valuing, purchasing or selling all/part of its assets and resulting in potential impact on its net asset value.

Credit Risk: Risk that issuers of debt securities held in the Sub-Fund may default on their obligations or have their credit rating downgraded, resulting in a decrease in the Net Asset Value.

Impact of any techniques such as derivatives: Certain management strategies involve specific risks, such as liquidity risk, credit risk, counterparty risk, legal risk, valuation risk, operational risk and risks related to the underlying assets.
The use of such strategies may also involve leverage, which may increase the effect of market movements on the Sub-Fund and may result in significant risk of losses.

Charges

The charges you pay are used to pay the cost of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry Charge	2.00%
Exit Charge	none
This is the maximum that might be taken out of your money before it is invested.	
Charges taken from the fund over a year	
Ongoing charge	1.14%
Charges taken from the fund under certain specific conditions	
Performance fees	none

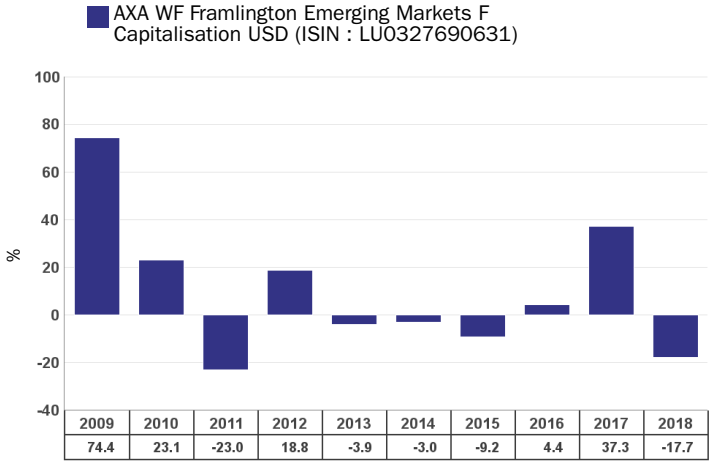

The entry and exit charges shown are maximum figures. In some cases, you might pay less - you can find this out from your Financial Adviser.

The ongoing charges figure is based on expenses for the twelve month period ending December 2018. This figure is adjusted with implemented budget changes for 2018. This figure may vary from year to year. It excludes:

- Performance fees
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Sub-Fund when buying or selling units in another collective investment undertaking

For more information about charges, please refer to the Fees and Expenses section of the prospectus which is available at www.axa-im.com.

Past Performance

Past performance is not a reliable indicator of future results.

Past performance is shown after the deduction of ongoing charges. Any entry/exit fees are excluded from the calculation.

The Sub-Fund was launched on 27/11/2007 and the share class in 2007.

Past performance has been calculated in USD and is expressed as a percentage change of the Sub-Fund's Net Asset Value at each year end.
