Such sum may be increased by such amount as the Directors may consider represents an appropriate provision for Duties and Charges which would have been incurred by the relevant Fund in the acquisition of the Investments by purchase for cash or decreased by such amount as the Directors may consider represents any Duties and Charges to be paid to the relevant Class Fund as a result of the direct acquisition by the Fund of the Investments.

  - (i) the redemption of Shares of any class pursuant to this Article shall be made on the Dealing Day on which a written request in a form prescribed by the

Company ("Redemption Form") is received if it is received by the Administrator before the Relevant time on such Business Day and, if received after the Relevant Time, the request shall be treated as having been received on the Dealing Day following receipt;

- (ii) the Directors may (at their discretion) refuse a request for redemption if as a result of the implementation of such request the Member would hold less than the Minimum Holding. If the Directors refuse such a request, they shall notify the Member of such refusal and the reason therefor and invite the Member either to discontinue with a request for redemption or to require redemption of the Member's entire holding. If any request for redemption is pursued by the Member which, if implemented, would result in the Member holding less than the Minimum Holding, the Directors shall have power to compulsorily redeem the whole of that Member's holding of Shares;
  - (iii) in the event that the determination of the Net Asset Value per Share has been suspended in accordance with Article 22, the right of the Applicant to have his Shares repurchased or redeemed pursuant to this Article, shall be similarly suspended and during the period of suspension he may withdraw his request for redemption and his certificate (if applicable). If Shares are held in certificated form the Shareholder must send the original Share Certificate(s) (duly endorsed by each joint shareholder if applicable) to the Administrator. The Directors may, at their option, dispense with the production of any certificate which shall have become defaced, lost, stolen or destroyed upon compliance by the Applicant with the like requirements to those applying in the case of an application by him for replacement of a defaced, lost, stolen or destroyed under Article 27.

- (d) Upon the redemption of a Share being effected pursuant to these Articles, the applicant shall cease to be entitled to any rights in respect thereof (excepting

always the right to receive a dividend (if any) which has been declared in respect thereof prior to such redemption being effected) and accordingly his name shall be removed from the Register with respect thereto, the relevant Shares shall be treated as cancelled and the amount of issued share capital in respect of Shares shall be reduced by the appropriate amount of the Redemption Price paid by the Company.

- (e) Where the Company receives in respect of any Dealing Day requests for redemptions which in the aggregate amount to more than 10% of the Shares of any Fund in issue, the Directors, if in their sole discretion acting in good faith believe it shall be necessary or desirable in order not to prejudice the interests of the shareholders not making such request, or on the grounds of liquidity or other like reason, may reduce each such request for redemption of Shares of the relevant Fund pro rata so that all such requests cover no more than 10% of the Shares of the relevant Fund in issue. Any part of a redemption request to which effect is not given by reason of the exercise of this power by the Directors shall be treated as if a request had been made in respect of the next Dealing Day and each succeeding Dealing Day (in relation to which the Directors shall have the same power) until the original requests have been satisfied in full provided always that requests for redemption that remain to be satisfied by reason of the exercise of this power by the Directors shall be complied with in priority to later requests. - (f) (i) If it shall come to the notice of the Directors that any Shares are owned directly or beneficially by any person in breach of the restrictions imposed by Article 14 above, the Directors may give notice to such person requiring him to transfer such Shares to a person who is qualified or entitled to own such Shares or to give a request in writing for the redemption of such Shares in accordance with paragraph (a) above. - (ii) A person who becomes aware that he is holding or owning Shares in breach of any such restrictions as aforesaid shall forthwith unless he has already received a notice pursuant to sub-paragraph (i) above either transfer all his Shares to a person qualified to own such Shares or give a request in writing for the redemption of all his Shares pursuant to paragraph (a) above.
  - (iii) Payment of any amount due to such person pursuant to sub-paragraph (i) or (ii) above will be deposited by the Company in a bank for payment to such person against surrender of the certificate(s), representing the Shares previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such Shares or any of them or any claim against the Company in respect of such Shares except the right to receive such amounts so deposited (without interest).
- (g) Where, in any case involving a redemption of less than the entire of an Applicant's holding of Shares, any amount representing the redemption monies for such Shares is not an exact multiple of their Redemption Price:-

The shortfall (if any) between the value of the Investments transferred on a repurchase in specie and the repurchase proceeds which would have been payable on a cash redemption shall be satisfied in cash.

- (j) If the discretion conferred upon the Manager by paragraph (i) is exercised, the Directors shall notify the Custodian and shall supply to the Custodian particulars of the Investments to be transferred and the amount of cash to be paid to the Shareholder. Subject to the provisions of the Acts, the Secretary shall be appointed by the Directors for such term, at such remuneration and upon such conditions as they may think fit and any Secretary so appointed may be removed by them.

### **94. Assistant or Acting Secretary.**

Anything required or authorised by the Acts or these Articles to be done by the Secretary may be done, if the office is vacant or there is for any other reason no Secretary readily available and capable of acting, by or to any assistant or acting secretary or, if there is no assistant or acting secretary readily available and capable of acting, by or to any officer of the Company authorised generally or specially in that behalf by the Directors.

## **PART XXI - THE SEAL**

### **95. Use of Seal.**

The Directors shall ensure that the Seal (including any official securities seal kept pursuant to the Acts) shall be used only by the authority of the Directors or of a committee authorised by the Directors.

### **96. Seal for Use Abroad.**

The Company may exercise the powers conferred by the Acts with regard to having an official seal for use abroad and such powers shall be vested in the Directors.

### **97. Signature of Sealed Instruments.**

Every instrument to which the Seal shall be affixed shall be signed by a Director and shall also be signed by the Secretary or by a second Director or by some other person appointed by the Directors for the purpose. The Company may have, for use for sealing certificates, an official seal which is a facsimile of the Seal with the addition on its face of the word "Securities" and certificates on which the Securities Seal is used shall not require to be signed by any person.

## **PART XXII - DIVIDENDS AND RESERVES**

### **98. Declaration of Dividends.**

Subject to the provisions of the Acts, the Company may by Ordinary Resolution declare such dividends on the Shares or on any class of Shares as appear to the Directors to be justified by the profits of the Company or the relevant Fund and no dividend shall

exceed the amount recommended by the Directors. No dividend shall be payable to the holders of Subscriber Shares.

**99. Interim Dividends.**

Subject to the provisions of the Acts, the Directors may from time to time if they think fit declare and pay such interim dividends on Shares of any class as appear to the Directors to be justified by the profits of the relevant Fund.

**100. Source of Dividends.**

No dividend shall be payable except out of such funds as may be lawfully distributed as dividends. Dividends may be paid out of the net revenue of the Company including interest and dividends earned by the Company, realised and unrealised profits on the disposal/valuation of investments and other assets and realised and unrealised losses of the Company.

**101. Receipts.**

If several persons are registered as joint holders of any Share, any one of them may give effectual receipts for any dividend or other moneys payable on or in respect of the Shares.

**102. Dividends in Specie.**

A general meeting declaring a dividend may direct, upon the recommendation of the Directors, that the Directors may satisfy any dividend or capital sum payable to holders of the Shares of any Class in whole or in part by distributing to them in specie any of the assets of the relevant Fund, and in particular any Investments to which the relevant Fund is entitled.

**103. Reinvestment of Dividends.**

(a)

- (i) Subject to the right of election provided for in paragraph (b) below dividends declared in accordance with the provisions of these Articles will be paid as provided in sub-paragraph (ii) below and used in payment for additional Shares (the “Additional Shares”) upon such terms and conditions and in such manner as the Directors shall determine. Each holder of Shares who has not made such election under sub-paragraph (b) below (a “Relevant Holder”) shall be entitled to receive an allotment of such number of Additional Shares credited as fully paid up, which, calculated by reference to the Net Asset Value of the Shares as at the Valuation Point immediately after said payment is nearly as possible equal to (but not in excess of) the cash amount of the relevant dividend.

The number of Additional Shares to which a Relevant Holder is entitled shall be such number of Additional Shares the aggregate Subscription Price of which (ruling at the Relevant Period) is equal as nearly as may be to the amount of the dividend (less any fees due to distributing agents pursuant to

the relevant Prospectus) to which that Holder is entitled. For the purposes of this Article 103 “Relevant Period” means the Valuation Point preceding the date of payment of the relevant dividend.

- (ii) The cash amount of the dividend on or in respect of Shares held by the Relevant Holders shall be paid to the Custodian who shall apply the same in paying up in full the appropriate number of Additional Shares for allotment and distribution credited as fully paid to the Relevant Holders. The Directors may do all acts and things considered necessary or expedient to give effect to any such allotment.
  - (iii) The Additional Shares allotted to the Relevant Holders shall rank *pari passu* in all respects with the Shares then in issue save only as regards participation in the relevant dividend.
  - (iv) No share certificate will be issued in respect of the Additional Shares unless specifically requested by a Holder, and in such a case the provisions of these Articles in relation to the issue of share certificates shall apply. Confirmation of ownership in writing will be issued by the Company in respect of Additional Shares.
- (b)
  - (i) Notwithstanding the generality of the foregoing, when making an application for Shares, or otherwise on the acquisition of Shares, each applicant or transferee shall be entitled to elect by service of notice in writing on the Company to receive cash in satisfaction of the whole of any dividends that may be payable on the Shares for which application is made or which are acquired (save in respect of dividends amounting to less than US\$100 or its foreign currency equivalent).
  - (ii) Where any such election referred to in sub-paragraph (i) above is in force a holder of Shares may, by serving notice in writing on the Company, revoke that election, which revocation must be received at the Office at least 10 days before the next following Relevant Period to be effective in respect of dividends declared in respect of that date.
  - (iii) An election shall be personal to the holder of Shares concerned in his capacity as a holder and, in respect of any Shares transferred, shall automatically cease to have effect upon registration of the transfer or transmission of the relevant Shares but shall continue in effect in respect of Shares retained.
- (c) A holder of Shares who has made an election in accordance with paragraph (b)(i) shall be deemed to have made an election in respect of any further such Shares registered in his name in the Register in relation to all dividends declared on such Shares, until he revokes such election.
- (d) Without prejudice to but notwithstanding the foregoing provisions of this Article, the Directors may on occasion determine that such right of election to have dividends paid in cash shall be subject to such exclusions or other arrangements

as the Directors may deem necessary or expedient in relation to any legal or fiscal problems under the laws of, or the requirements of, any regulatory or taxation authority in any territory.

**104. Ranking of Dividends.**

If any Share is issued on terms providing that it shall rank for dividend as and from or after a particular date, or to a particular extent, such Share shall rank for dividend accordingly.

**105. Payment of Dividends.**

Any dividend in respect of any Share will be paid by telegraphic transfer (less expenses) or cheque to the bank account indicated on the Shareholder's most recent form for application for Shares or other written instructions to the Company or its authorised agents. If no such instructions have been given, dividends will be sent by cheque, by post (at the Shareholder's risk) to the relevant Shareholder's address as set out in the Shareholders' Register and, in the case of joint holders, the joint holder whose name stands first in the Shareholders' Register. Every such cheque shall be made payable to the order of the person to whom it is sent and payment of the cheque shall be a good discharge to the Company. Any joint holder or other person jointly entitled to a Share as aforesaid may give receipts for any dividend or other moneys payable in respect of the Share.

**106. Dividends not to bear Interest.**

No dividend or other moneys payable in respect of a Share shall bear interest against the Company unless otherwise provided by the rights attached to the Share.

**107. Payment to Holders on a Particular Date.**

Any resolution declaring a dividend on Shares of any class, whether a resolution of the Company in general meeting or a resolution of the Directors, may specify that the same may be payable to the persons registered as the holders of such Shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se of transferors and transferees of any such Shares in respect of such dividend. The provisions of this Article shall apply, mutatis mutandis, to capitalisations to be effected in pursuance of these Articles.

**108. Unclaimed Dividends.**

If the Directors so resolve, any dividend which has remained unclaimed for six years from the date of its declaration shall be forfeited and cease to remain owing by the Company and become the property of the Company. The payment by the Directors of any unclaimed dividend or other moneys payable on or in respect of a Share into a separate account shall not constitute the Company a trustee in respect thereof.

**109. Payment from Equalisation Account.**

The holder of a Share in respect of whom an equalisation payment has been made out of the relevant Equalisation Account, shall, subject to Article 126, be entitled to have such equalisation payment returned to him by the Company on the occasion of the payment of a dividend and the amount payable to him by way of dividend shall be reduced by the amount so returned to him.

**110. Currency of Payment and Foreign Exchange Transactions.**

Where payments in respect of subscription or redemption of Shares or dividend payments are tendered or requested in a major currency other than the Base Currency of the relevant Fund, any necessary foreign exchange transactions will be arranged by the Administrator for the account of, and at the risk and expense of, the applicant at the time, in the case of subscriptions at the time cleared funds are received, in the case of redemptions at the time the request for redemption is received and accepted, and in the case of dividends at the time of payment.

**111. Reserves.**

Before recommending any dividend, whether preferential or otherwise, the Directors may carry to reserve out of the profits of the Company such sums as they think proper. All sums standing to reserve may be applied from time to time in the discretion of the Directors for any purpose to which the profits of the Company may be properly applied and at the like discretion may be either employed in the business of the Company or invested in such Investments as the Directors may lawfully determine. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they may lawfully determine. Any sum which the Directors may carry to reserve out of the unrealised profits of the Company shall not be mixed with any reserve to which profits available for distribution have been carried. The Directors may also carry forward, without placing the same to reserve, any profits which they may think it prudent not to divide.

**PART XXIII - CAPITALISATION OF PROFITS OR RESERVES**

**112. Distributable Profits and Reserves.**

The Company in general meeting may resolve, upon the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts (including capital reserves) or to the credit of the profit and loss account or which is otherwise available for distribution and not required for payment of dividend on any shares with a preferential right to dividend amongst the Members who would have been entitled thereto if distributed by way of dividend and in the same proportion on condition that the same be not paid in cash but be applied either in or towards paying up in full unissued shares of the Company to be allotted and distributed credited as fully paid up to and amongst such Members in the proportion aforesaid, or partly in one way and partly in the other, and the Directors shall give effect to such resolution.

**113. Non-Distributable Profits and Reserves.**

Without prejudice to any powers conferred on the Directors as aforesaid, the Company in general meeting may resolve, on the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the profit and loss account which is not available for distribution by applying such sum in paying up in full unissued shares to be allotted as fully paid bonus shares to those members of the Company who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions) and the Directors shall give effect to such resolution.

**114. Implementation of Capitalisation Issues.**

Whenever such a resolution is passed in pursuance of either of the two immediately preceding Articles, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid shares, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provisions as they shall think fit for payment in cash or otherwise for the case of shares becoming distributable in fractions and to authorise any person to enter on behalf of all the Members entitled thereto into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further shares to which they may become entitled upon such capitalisation or (as the case may require) for the payment up by the Company on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares, and any agreement made under such authority shall be effective and binding on all such Members.

**PART XXIV - NOTICES**

**115. Notices in Writing.**

Any notice to be given, served or delivered pursuant to these Articles shall be in writing.

**116. Service of Notices.**

- (a) A notice to be given in pursuance of these Articles may be given to, served on or delivered to any Member:-
  - (i) by handing same to him or his authorised agent;
  - (ii) by leaving the same at his registered address;

- (iv) by sending the same by telefax or electronic means to such telefax number or electronic address as may have been provided by the Member to the Company
- (b) Where a notice or document is given pursuant to sub-paragraph (a)(i) or (a)(ii) of this Article, the giving thereof shall be deemed to have been effected at the time the same was handed to the Member or his authorised agent, or left at his registered address (as the case may be).
- (c) Where a notice is given pursuant to sub-paragraph (a)(iii) of this Article, the giving thereof shall be deemed to have been effected at the expiration of one day after the cover containing it was posted. In proving service or delivery it shall be sufficient to prove that such cover was properly addressed, stamped and posted.
- (d) Where a notice is given pursuant to sub-paragraph (a)(iv) of this Article, the giving thereof shall be deemed to have been effected at the time of termination of the transmission.
- (e) Every legal personal representative, committee, receiver, curator bonis or other legal curator, assignee in bankruptcy or liquidator of a Member shall be bound by a notice given as aforesaid if sent to the last registered address of such Member, notwithstanding that the Company may have notice of the death, lunacy, bankruptcy, liquidation or disability of such Member.
- (f) Without prejudice to the provisions of sub-paragraphs (a)(i), (a)(ii) and (a)(iv) of this Article, if at any time by reason of the suspension or curtailment of postal services within the State, the Company is unable effectively to convene a general meeting by notices sent through the post, a general meeting may be convened by a notice advertised on the same day in at least one leading national daily newspaper published in the State and such notice shall be deemed to have been duly served on all Members entitled thereto at noon on the day on which the said advertisement or advertisements shall appear.
- (g) Notwithstanding anything contained in this Article the Company shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction or other area other than the State.

#### **117. Service on Joint Holders.**

A notice may be given by the Company to the joint holders of a share by giving the notice to the joint holder whose name stands first in the Register in respect of the share and notice so given shall be sufficient notice to all the joint holders.

#### **118. Service on Transfer or Transmission of Shares.**

- (a) Every person who becomes entitled to a share shall be bound by any notice in respect of that share which, before his name is entered in the Register in respect of the share, has been duly given to a person from whom he derives his title.

- (b) Without prejudice to the provisions of these Articles allowing a meeting to be convened by newspaper advertisement a notice may be given by the Company to the persons entitled to a share in consequence of the death or bankruptcy of a Member by sending or delivering it, in any manner authorised by these Articles for the giving of notice to a Member, addressed to them at the address, if any, supplied by them for that purpose. Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.

**119. Signature to Notices.**

The signature to any notice to be given by the Company may be written or printed.

**120. Deemed Receipt of Notices.**

A Member present, either in person or by proxy, at any meeting of the Company or the holders of any class of shares in the Company shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.

**121. Entitlement to Notices.**

Notice of every general meeting shall be given in any manner herein authorised to:-

- (a) every Member;
- (b) every person upon whom the ownership of a share devolves by reason of his being a personal representative, or the Official Assignee in bankruptcy of a Member, where the Member but for his death or bankruptcy would be entitled to receive notice of the meeting;
- (c) the Directors;
- (d) the Administrator;
- (e) the Custodian;
- (f) the Investment Manager; and
- (g) the Auditors.

No other person shall be entitled to receive notices of general meetings.

**PART XXV - WINDING UP**

**122. Distribution on Winding Up.**

- (a) If the Company shall be wound up, the liquidator shall, subject to the provisions of the Acts, apply the assets of the Company on the basis that any liability incurred or attributable to a Fund shall be discharged solely out of the assets of that Fund.

- (b) The assets available for distribution among the Members shall then be applied in the following priority:-
- (i) firstly, in the payment to the holders of the Shares of each class of each Fund a sum in the currency in which that class is designated or in any other currency selected by the liquidator as nearly as possible equal (at a rate of exchange determined by the liquidator) to the Net Asset Value of the Shares held by such holders respectively as at the date of commencement to wind up provided that there are sufficient assets available in the relevant Fund to enable such payment to be made. In the event that, as regards any class of Shares, there are insufficient assets available in the relevant Fund to enable such payment to be made, recourse shall be had to the assets of the Company (if any) NOT comprised within any of the Funds and NOT (save as provided in the Acts) to the assets comprised within any of the Funds;
  - (ii) secondly, in the payment to the holders of the Subscriber Shares of sums up to the nominal amount paid thereon out of the assets of the Company not comprised within any Funds remaining after any recourse thereto under sub-paragraph (b)(i) above. In the event that there are insufficient assets aforesaid to enable such payment to be made, no recourse shall be had to the assets comprised within any of the Funds;
  - (iii) thirdly, in the payment to the holders of each class of Participating Shares of any asset remaining in the relevant Fund of any balance being made in proportion to the number of Participating Shares held; and
  - (iv) fourthly, in the payment to the holders of the Participating Shares of any balance then remaining and not comprised within any of the Funds such payment being made in proportion to the value of each Fund and within each Fund to the value of each class and in proportion to the number of Participating Shares held in each class.
- (c) A Fund may be wound up in accordance with the Acts and in such event the provisions of paragraph (b)(i) will apply mutatis mutandis in respect of that Fund.

#### **123. Distribution in Specie.**

If the Company shall be wound up (whether the liquidation is voluntary, under supervision or by the Court) the liquidator may, with the authority of a Special Resolution and any other sanction required by the Acts, divide among the Members in specie the whole or any part of the assets of the Company, and whether or not the assets shall consist of property of a single kind, and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the Members or different classes of Members. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Members as the liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Member shall be compelled to accept any assets in respect of which there is liability. At the request of any Member, the liquidator or his

agent shall agree to sell any such assets to which such member shall be entitled, at the cost and expense of the Member.

## **PART XXVI - MISCELLANEOUS**

### **124. Destruction of Records.**

The Company shall be entitled to destroy all instruments of transfer of shares which have been registered at any time after the expiration of six years from the date of registration thereof and all dividend mandates and notifications of change of address at any time after the expiration of two years from the date of recording thereof and all share certificates which have been cancelled at any time after the expiration of one year from the date of cancellation thereof. It shall conclusively be presumed in favour of the Company that every entry in the Register purporting to have been made on the basis of an instrument or transfer or other document so destroyed was duly and properly made and a valid and effective instrument duly and properly registered and every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and every other document hereinbefore mentioned in accordance with the recorded particulars thereof in the books or records of the Company. PROVIDED ALWAYS that:-

- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Article;
- (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

the amount available for allocation attributable to such holders of Shares upon such basis as the Directors in their discretion determine.

**127. Maintenance of Books of Accounts.**

The books of account shall be kept at the Office, or at such other place as the Directors think fit, and shall always be open to inspection by the Directors. No Member (other than a Director) shall have the right of inspecting any account or book or document of the Company except as conferred by the Acts or authorised by the Directors or by the Company in general meeting.

**128. Approval of Accounts.**

- (a) The Directors shall from time to time in accordance with the provisions of the Acts and the Regulations, cause to be prepared and to be laid before the Company in general meeting such profit and loss accounts, balance sheets, group accounts (if any) and reports as are specified in the Acts and the Regulations made up to the Accounting Date in each year or such other date as the Directors may from time to time decide.
- (b) A printed copy of every account, balance sheet and report which are laid before the Company in general meeting in accordance with this Article 128 together with the Auditor's and Custodian's report thereon shall not less than 21 days previous to the Meeting be served on every person entitled under the provisions of the Acts to receive them PROVIDED THAT this Article shall not require a copy of these documents to be sent to more than one of the joint holders of any shares.

**129. Reports.**

- (a) The Company shall prepare an unaudited half yearly report for the first six months of each financial year. Such report shall be in a form approved by the Financial Regulator and shall contain the information required under the Regulations.

- (c) act as agent or principal in the sale or purchase of property to or from the Custodian for the account of the Company without that person having to account to any other such person, to the Members or to any of them for any profits or benefits made by or derived from or in connection with any such transaction, provided that such transactions are in the best interests of Shareholders and are carried out as if effected on normal commercial terms negotiated at arms length. Such transactions are subject to:-
  - (i) a certified valuation of a person approved by the Custodian as independent and competent;
  - (ii) the transaction being executed on best terms reasonably attainable on an organised investment exchange in accordance with the rules of such exchange; or
  - (iii) where (i) and (ii) are not practical, execution on terms which the Custodian is satisfied conforms with the principle that such transactions are in the best interests of Shareholders and are carried out as if effected on normal commercial terms negotiated at arm's length.

**132. Restriction on Modifications to Articles.**

No modification, recision, alteration or amendment shall be made to the Memorandum or Articles of Association of the Company which would result in the Company ceasing to be authorised under the Regulations and any such modification, recision, alteration or amendment made to the Memorandum or Articles of Association of the Company shall be subject to the prior approval of the Financial Regulator.

**133. Indemnity.**

- (a) Subject to the provisions of and insofar as may be permitted by the Acts and the Regulations, every Director, Secretary and other officer or servant of the Company shall be indemnified by the Company against, and it shall be the duty of the Directors out of the funds of the Company to pay all costs, losses and expenses which any such officer or servant may incur or become liable to by reason of any contract entered into, or act or thing done by him as such officer or servant or in any way in discharge of his duties (otherwise than in the case of fraud, negligence or wilful default), including travelling expenses, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the Company and have priority as between the Members over all other claims.

- (b) Subject to the provisions of and insofar as may be permitted by the Regulations, the Administrator, the Investment Manager and the Custodian shall be entitled to such indemnity from the Company under such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the Company with a view to meeting and discharging the costs thereof as shall be provided under the Administration Agreement, the Investment Management Agreement and the Custodian Agreement respectively.
- (c) A holder of Shares shall indemnify the Company for any loss incurred by the Company by virtue of the fact that the Holder acquired or held Shares in breach of these Articles.

**134. Overriding Provisions.**

**135. Disclaimer of Liability.**

Subject to the provisions of Section 200 of the Companies Act, 1963 no Director or other officer of the Company shall be liable for the acts, receipts, neglects or defaults of any other Director or officer or for joining in any receipt or other act for conformity or for any loss or expense happening to the Company through the insufficiency or deficiency of title to any property acquired for or on behalf of the Company or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Company shall be invested or for any loss or damage arising from the bankruptcy, insolvency or tortuous act of any person with whom any moneys securities or effects shall be deposited or any other loss, damage or misfortune whatever which shall happen in the execution of the duties of his office or in relation thereto.
