Seilern World Growth - EUR H R Class, a sub-fund of Seilern International Funds PLC

ISIN: IE0031724234

This fund is managed by Seilern Investment Management (Ireland) Limited.

Objectives and Investment Policy

The fund seeks to achieve growth of your investment by investing mainly in shares (equity) and similar securities issued by high quality companies listed on the stock exchanges of countries within the Organisation for Economic Cooperation and Development (OECD) and, in particular, the U.S. and Western European OECD countries.

The fund will seek to invest in large, successful companies with proven track records and high predictability of future earnings growth. Such companies generally will have most or all of the following characteristics: (i) multinational businesses including exposure to the fast growing economies of the world; (ii) steady, non-cyclical demand for their products or services; (iii) unbroken earnings growth records over the last ten years; (iv) global branded products or services often sought after by developing market consumers; (v) the potential for long term consistent earnings growth; (vi) high returns on equity reflecting a technological advantage over their competitors or the uniqueness of their products or services; (vii) dynamic management; and (viii) internal resources sufficient to finance their global development and maintain their competitive position. The fund will not concentrate its investments in any one industry sector or country.

The Fund is actively managed and the MSCI World TR Index is the benchmark index against which the Fund's performance is compared. There can be no guarantee that the Fund's performance will match or exceed the performance of the benchmark index. While a proportion of the Fund's assets may be components of (and have similar weightings to the index), the Investment

Manager may use its discretion to invest a significant proportion of the Fund in assets which are not included in the benchmark index or with weightings different to that of the benchmark index.

For more information about the fund's investment policy, see "Investment Objectives and Policy of the Funds" in the fund's prospectus available at www.seilernfunds.com.

The fund is suitable for long term investors and may not be appropriate if you plan to withdraw your investment within 5 years.

Hedging: The Euro Class shares are denominated in Euro (EUR) and are hedged. The base currency of the fund is Sterling (GBP). The fund will enter into currency hedging in relation to this share class which aims to protect investors from movements in the EUR exchange rate in relation to the fund's assets denominated in currencies other than EUR.

You may redeem your shares on any working day on which retail banks are open for business in Dublin ("Business Day") by submitting your request to the administrator by 3.00 p.m. (Irish time) on the Business Day before a Dealing Day on which you wish to redeem.

The fund may declare dividends. If a dividend is declared, it will normally be paid by electronic transfer in March following the end of the prior financial year on 31 December.

Risk and Reward Profile

The fund is ranked at 6 because funds of this type have experienced high rises and falls in value in the past.

- The lowest category does not mean a "risk free" investment.
- Historical data, such as is used in calculating the risk and reward indicator, may not be a reliable indication of the future risk profile of this fund.

- The risk and reward category shown is not guaranteed to remain unchanged and the categorisation of this fund may shift over time.
- It should be appreciated that the value of shares may go down as well as up.
- Investing in the fund involves investment risks, including possible loss of the amount invested.
- For a more detailed explanation of the risks involved, please see "Risk Factors" in the fund's prospectus available at www.seilernfunds.com
- Hedging risk: The value of the fund's investment in derivatives depends primarily on the performance of the underlying asset. A small movement in the value of the underlying asset may cause a large movement in the value of the derivative. There is no guarantee that the fund's use of hedging to protect against changes in currency exchange rates will be successful.

Charges

One-off charges taken before or after you invest:

Entry charge	5%
--------------	----

Exit charge	NONE
-------------	------

This is the maximum that might be taken out of your money before it is invested or before the proceeds of your investment are paid out respectively.

Charges taken from the fund over a year:
