SHARE TYPES AND CLASSES

- 27.1 The Company may from time to time issue Shares of different Classes in respect of a Fund. The rights attaching to each Class of Shares shall be as set out in this Instrument and in the Regulations. In addition, the Prospectus makes further provision as regards various matters concerning each Fund. The rights attaching to a Class of Shares or Shares of a Fund shall not be varied except with the sanction of an extraordinary resolution passed at a Class or Fund meeting of the holders concerned.
- 27.2 The Types of Share which may presently be issued in any Fund are:
- 27.2.1 Gross Accumulation Shares;
 - 27.2.2 Gross Income Shares;
 - 27.2.3 Net Accumulation Shares;
 - 27.2.4 Net Income Shares
 - 27.2.5 Limited Issue Shares

and, for the avoidance of doubt each or any of the above may be further classified as Classes between "1" and "100" (inclusive) and/or " Classes between "A/a" and "Z/z" (inclusive) and/or "IPA Shares". and/or as a "Hedged Share Class". In addition, each of the above may be denominated in currencies other than the Base Currency, including, but not limited to "GBP", "Euro" or "USD to form further Classes of Share as the Directors shall by resolution from time to time decide.

The Company may issue Limited Issue Shares in respect of any Fund, and such Shares will be one of the types of Share set out in clause 27.2. The issue of such Shares shall be confined to the times and circumstances specified in the Prospectus. At no point may there be in issue Shares of any Fund which are Limited Issue Shares if at the same time there are in issue Shares which are not Limited Issue Shares in respect of that Fund unless the FCA Rules permit the same.

- 27.3 The Classes of Shares (in respect of such Funds) available for issue at any time are those set out in the Prospectus at that time.

- 27.4 The Directors may by resolution from time to time create Classes of Share in respect of a Fund additional to those set out in the Prospectus (whether or not falling within one of the Classes described above).
- 27.5 Where a Class is denominated in a currency which is not the Base Currency Shares shall be issued and redeemed and distributions paid on Shares of that Class in accordance with the Regulations, in the currency of that Class. Votes at meetings of the Fund of which the Class forms part will be determined in accordance with the proportionate interests in the Fund ascertained in accordance with Part 3 of the Schedule and the FCA Rules. Where for any purpose not specifically covered by the Regulations or this Instrument it is necessary to convert one currency into another, conversions shall be made at a rate of exchange decided by the ACD as being a rate that is not likely to result in any material prejudice to the interests of Shareholders or potential Shareholders.
28. For the avoidance of doubt, the rights attaching to a Class of Shares shall (unless otherwise expressly provided by the conditions of issue of such Shares) be deemed not to be varied by:
- 28.1 the creation, allotment or issue of further Shares of any Class ranking *pari passu* therewith;
 - 28.2 the switching of Shares of any Class into Shares of another Class (whether or not the Classes are issued in respect of different Funds);
 - 28.3 the creation, allotment, issue or redemption of Shares of another Class within the same Fund, provided that the interests of that other Class in the Fund represent fairly the financial contributions and benefits of Shareholders of that Class;
 - 28.4 the creation, allotment, issue or redemption of Shares of another Fund (whether a Limited Issue Fund or otherwise);
 - 28.5 the exercise by the Directors of their powers under clause 24.4 or clause 25;
 - 28.6 the passing of any resolution at a meeting of holders of Shares in another Fund which does not relate to the Fund in which the Class is interested; or
 - 28.7 any agreement by the ACD or the investment manager for the time being of any Fund to suffer a reduction in its fees, in respect of that Fund, for any period.

ISSUE AND CANCELLATION OF SHARES IN THE COMPANY

29. The ACD will issue or cancel shares in the Company by making a record of the issue or cancellation of such shares and the number of shares in each class concerned. Subject to and in accordance with the FCA Rules, the issue or cancellation of shares may take place through the Company directly.

SALE AND REDEMPTION

30. In accordance with the Regulations, the arrangements for and any restrictions that apply to the sale and redemption of Shares in the Company are set out in the Prospectus. The deferral of any redemptions at a valuation point to the next valuation point is permitted and will be undertaken in accordance with the procedures for deferred redemption as detailed in the Prospectus.

VALUATION

31. The Net Asset Value of the Company and each Fund shall be determined in accordance with the FCA Rules and, subject thereto, in accordance with Part 2 of the Schedule to this Instrument. Subject to the FCA Rules and in the absence of bad faith, negligence or manifest error, such determination of the Net Asset Value by the ACD shall be definitive.

SWITCHING SHARES

32. Subject to the provisions of this Instrument and any limitations on issue of any Shares in any Fund, including but not limited to Limited Issue Shares any Shareholder may give notice to the Company in such form as the Directors may from time to time determine ("a switching notice") of his desire to switch all or some of his Shares of one Class issued in respect of any Fund (the "Original Shares") for Shares of another Class issued in respect of the same Fund or for Shares issued in respect of a different Fund (the "New Shares"). For the avoidance of doubt, no Shareholder may switch any Shares to Limited Issue Shares unless at the time of the switching notice given by him there is no limitation on the issue of such Shares in force.
33. Upon receipt by the Company of a switching notice the ACD shall arrange for the Company to cancel (or, at its discretion, the ACD shall itself redeem) the Original Shares and issue (or, at its discretion, the ACD shall sell to the Shareholder) such number of New Shares as is arrived at by reference to clause 37 provided that, so far as the Regulations allow and subject to clause 38, the Directors may impose such restrictions as to the Classes for which switching may be effected, and may make switching subject to such charge, as they shall determine. The Directors may refuse to give effect to a switch in any case where they would be entitled by the Regulations to refuse to give effect to a request by the Shareholder for the redemption or cancellation of the Original Shares or the issue of New Shares.
34. Where a switching notice relates to a desired switch of Shares between Classes issued in respect of different Funds, the Directors shall not impose restrictions as to the Classes of New Shares for which switching may be effected unless there are reasonable grounds relating to the circumstances of the Shareholder concerned for refusing to issue or sell Shares of a particular Class to him.
35. Switching of the Original Shares specified in a switching notice shall take place at the first valuation point after the switching notice is received or deemed to have been received by the Company or at such other valuation point as the Directors at the request of the Shareholder giving the relevant switching notice may determine. Where the switch is between Shares of Funds that have different valuation points the cancellation or redemption of the Original Shares shall take place at the next valuation point of the relevant Fund following receipt (or deemed receipt) of the switching notice by the Company and the issue or sale of New Shares shall take place at the next subsequent valuation point of the different Funds.

36. For the purposes of this clause and for the avoidance of doubt, the ACD shall be construed as the Shareholder of all Shares in the Company which are in issue and in respect of which no other person's name is entered on the Register.
37. Subject to clauses 38 and 42 the Directors shall determine the number of New Shares to be issued or sold to the Shareholder on a switch in accordance with the following formula:

$$N = O \times \frac{(CP \times ER)}{SP}$$

where:

- N is the number of New Shares to be issued or sold (rounded down to the nearest whole number of smaller denomination Shares);
- O is the number of Original Shares specified (or deemed to be specified) in the switching notice which the holder has requested to switch;
- CP is the price at which a single Original Share may be cancelled or redeemed as at the valuation point applicable to the cancellation or redemption as the case may be;
- ER is 1, where the Original Shares and the New Shares are designated in the same currency and, in any other case, is the exchange rate determined by the Directors in their absolute discretion (subject to the FCA Rules) as representing the effective rate of exchange between the two relevant currencies as at the date the switching notice is received (or deemed to have been received) by the Company having adjusted such rate as may be necessary to reflect any costs incurred by the Company in making any transfer of assets as may be required as a consequence of such a switch being effected; and
- SP is the price at which a single new Share may be issued or sold as at the valuation point applicable to the cancellation or redemption as the case may be.
38. The Directors may adjust the number of New Shares to be issued or sold in accordance with clause 37 to reflect the imposition of the charge on switching referred to in clause 33 together with any other charges or levies in respect of the issue or sale of the New Shares or cancellation or redemption of the Original Shares as may be made without infringement of the Regulations.
39. Where a switching of Shares would, if effected in accordance with the terms of any switching notice, result in a Shareholder holding less than the permitted minimum holding (by number or value) of either Original Shares or New Shares as set out in the Prospectus of the Company from time to time, then the Directors may (at their discretion) decide either to:
- 39.1 treat the Shareholder in question as having served a switching notice in respect of their entire holding of Original Shares; or
- 39.2 refuse to give effect to the switching notice in question.
40. For the avoidance of doubt:

- 40.1 each switching notice shall relate only to the switching of Shares of a single Class; and
- 40.2 a switching notice may be given in respect of a desired switch of Shares between a Class issued in respect of a different Fund as well as a switch of Shares between a different Class issued in respect of the same Fund.
41. When the holder of any Gross Paying Shares fails or ceases for whatever reason to be entitled to receive distributions or have allocations made in respect of his holding of such Shares without deduction of United Kingdom tax he shall, without delay, give notice thereof to the Company and the Company shall, upon receipt of such notice, treat the Shareholder concerned as if he had served on the Company a switching notice or notices pursuant to clause 32 requesting switching of all of the Gross Paying Shares owned by such holder for Net Paying Shares of the Class or Classes which in the opinion of the Directors most nearly equates to the Class or Classes of Gross Paying Shares held by that Shareholder and the provisions of clauses 31 to 39 inclusive shall be applied accordingly.
42. If at any time the Company or the Directors become aware that the holder of any Gross Paying Shares has failed or ceased for whatever reason to be entitled to receive distributions or have allocations made in respect of his holding of such Shares without deduction of United Kingdom tax, then the Company shall, without delay, treat the Shareholder concerned as if he had served on the Company a switching notice or notices pursuant to clause 32 requesting switching of all of the Gross Paying Shares owned by such holder for Net Paying Shares of the Class or Classes which in the opinion of the Directors most nearly equates to the Class or Classes of Gross Paying Shares held by that Shareholder and the provisions of clauses 32 to 39 inclusive shall be applied accordingly.
43. An amount equal to any tax charge incurred by the Company or for which the Company may be held liable as a result of a switch pursuant to clauses 31 to 39 inclusive shall be recoverable from the Shareholder concerned and may be accounted for in any adjustment made of the number of New Shares to be issued pursuant to clause 37.
44. If at any time the ACD is not entitled to receive distributions or have income allocations made in respect of Shares held by it without deduction of United Kingdom tax and has redeemed any Gross Paying Shares pursuant to the FCA Rules, the ACD shall forthwith following such redemption arrange for the Company to cancel any such Gross Paying Shares or (at its discretion) the ACD shall forthwith sell such Gross Paying Shares to a person who is (or appears to the ACD to be) entitled to hold the same.

RESTRICTIONS AND COMPULSORY TRANSFER AND REDEMPTION

45. The ACD may from time to time impose such restrictions as it thinks necessary for the purpose of ensuring that no Shares in the Company are acquired or held by any person in circumstances ("relevant circumstances"):
- 45.1 which constitute a breach of the law or governmental regulation (or any interpretation of a law or regulation by a competent authority) of any country or territory; or
- 45.2 which would (or would if other Shares were acquired or held in like circumstances) result in the Company incurring any liability to taxation which the Company is not able to recoup itself or suffering any other adverse consequence (including a requirement to register under any

securities or investment or similar laws or governmental regulation of any country or territory);

and, in this connection, the ACD may, inter alia, reject at its discretion any subscription for, redemption or transfer of, Shares or any switching notice given pursuant to clause 32.

46. If it comes to the notice of the Directors that any Shares ("affected Shares") have been acquired or are being held in each case whether beneficially or otherwise in any of the relevant circumstances referred to in clause 45 or if they reasonably believe this to be the case the Directors may give notice to the holder of the affected Shares requiring the transfer of such Shares to a person who is qualified or entitled to own the same without causing the adverse consequences as set out in clause 45 or to give a request in writing for the redemption or cancellation of such Shares in accordance with the FCA Rules. If any person upon whom such a notice is served pursuant to this clause does not within thirty days after the date of such notice transfer his Shares to a person qualified to hold the same without causing the adverse consequences as set out in clause 45, or establish to the satisfaction of the ACD (whose judgement shall be final and binding) that he and any person on whose behalf he holds the affected Shares are qualified and entitled to own the Shares without causing the adverse consequences as set out in clause 45 he shall be deemed upon the expiration of that thirty day period to have given a request in writing for the redemption or cancellation (at the discretion of the ACD) of the affected Shares pursuant to the FCA Rules.
47. A person who becomes aware that he has acquired or holds Shares whether beneficially or otherwise ("affected Shares") in any of the relevant circumstances referred to in clause 45 shall forthwith, unless he has already received a notice pursuant to clause 46, either transfer or procure the transfer of all the affected Shares to a person qualified to own the same without causing the adverse consequences as set out in clause 45 or give a request in writing or procure that a request is so given for the redemption or cancellation of all the affected Shares pursuant to the FCA Rules.

IN SPECIE ISSUE AND CANCELLATION OF SHARES

48. The ACD may arrange for the Company to issue Shares in exchange for assets other than cash, but will only do so where the Depositary has taken reasonable care to determine that the Company's acquisition of those assets in exchange for the Shares concerned is not likely to result in any material prejudice to the interests of the Shareholders or potential Shareholders, and where the holding of the assets will not be inconsistent with the investment objective of the relevant Fund.
49. If a Shareholder requests the redemption or cancellation of Shares the ACD may, where it considers the deal to be substantial in relation to the total size of the Fund concerned, arrange for the transfer of Scheme Property or the net proceeds of the sale of Scheme Property, in place of a payment of the price of the Shares in cash.

DESIGNATED PERSON

50. The person designated for the purposes of paragraph 4 of Schedule 4 to the OEIC Regulations shall be the person who is for the time being the ACD of the Company.

DENOMINATIONS OF SHARES

51. The rights attaching to the Shares of all Classes may be expressed in two denominations and, in each of those Classes, the proportion of a larger denomination Share represented by a smaller denomination Share shall be one ten thousandth of the larger denomination Share.

TRANSFER AND TRANSMISSION OF SHARES

52. All transfers of registered Shares (not being participating securities) shall be effected by transfer in writing in any usual or common form or in any other form as may be approved by the Directors. The signature on the instrument of transfer may be affixed manually or electronically and may be an actual signature or a facsimile signature or any form of signature approved by the Directors. Subject to the FCA Rules and the OEIC Regulations, the Directors shall not be bound to enquire as to the genuineness of any signature. The transferor shall remain the holder of the Shares concerned until such time as the name of the transferee is entered in the Register in respect thereof.
53. No instrument of transfer may be given in respect of more than one Class of Shares.
54. In the case of a transfer to joint holders, the number of joint holders to whom a Share is to be transferred may not exceed four.
55. Unless the ACD in its discretion decides otherwise, no transfer may result in either the transferor or the transferee holding fewer Shares of the Class concerned or Shares of such Class having a lesser aggregate value than any number or value as is stated in the Prospectus as the minimum number or value of Shares of that Class which may be held.
56. The Company may refuse to register a transfer of Shares unless there has been paid for the account of the Company, an amount determined by the ACD not exceeding the amount that would be derived by applying the rate of stamp duty reserve tax to the market value of the Shares being transferred. This clause shall not apply to transfers excluded law.
57. Any person becoming entitled to a Share or Shares in consequence of the death or bankruptcy of a Shareholder or otherwise by operation of law may, subject as provided below and upon such evidence being produced as may from time to time be lawfully required by the Directors as to his entitlement, either be registered himself as the holder of the Share or Shares or elect to have some person nominated by him registered as the transferee thereof. If the person so becoming entitled elects to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to have his nominee registered, he shall signify his election by signing and delivering or sending to the Company an instrument of transfer of such Share or Shares in favour of his nominee.
58. All the limitations, restrictions and provisions of this Instrument relating to the right to transfer and the registration of transfers of Shares shall be applicable to any notice or instrument of transfer given or made pursuant to clause 57 as if the death or bankruptcy of the Shareholder or other event giving rise to the transmission had not occurred and the notice or instrument of transfer were an instrument of transfer signed by that Shareholder.
59. A person becoming entitled to a Share or Shares in consequence of the death or bankruptcy of a Shareholder or otherwise by operation of law shall (upon such evidence being produced as may from time to time be lawfully required by the

Directors as to his entitlement) be entitled to receive and may give a discharge for any income distributions or other monies payable in respect of the Share or Shares, but he shall not be entitled in respect of the Share or Shares to receive notices of or to attend or vote at general meetings of the Company or, save as stated above, to exercise in respect of the Share or Shares any of the rights or privileges of a Shareholder until he shall have become registered as the holder thereof. The Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share or Shares in question and if the notice is not complied with within sixty days the Directors may then withhold payment of any income distributions and other monies payable in respect of the Share or Shares until the requirements of the notice have been complied with.

GENERAL MEETINGS

60. All general meetings shall be called Extraordinary General Meetings and may be called by the ACD at any time or by the Shareholders in the circumstances set out in the Prospectus. A general meeting shall be quorate if two or more Shareholders are present, in person or by proxy.

PROCEEDINGS AT GENERAL MEETINGS

61. The provisions of this Instrument which relate to proceedings at meetings shall apply mutatis mutandis to Class meetings and Fund meetings as they apply to general meetings.
62. The chairman of a general meeting shall be nominated by an authorised representative of the Depositary. If the nominated chairman is not present within fifteen minutes (which shall be deemed a reasonable time) after the time appointed for holding the meeting and willing to act as the chairman, the Shareholders present shall choose one of their number to be chairman of the meeting.
63. The chairman of any general meeting at which a quorum is present may with the consent of the meeting (and shall if so directed by the meeting) adjourn the meeting from time to time (or without date) and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. Where a meeting is adjourned without date, the time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for thirty days or more or without date, not less than seven days' notice of the adjourned meeting shall be given in like manner as in the case of the original meeting.
64. Subject to clause 63 above, in the case of an adjournment of a meeting at which a quorum is present, it shall not be necessary to give any notice of such an adjournment or of the business to be transacted at the adjourned meeting.
65. A meeting of Shareholders or a Fund meeting or a Class meeting (as the case may be) duly convened and held shall have the power by the passing of the appropriate resolution to decide any matter (including, without limitation, the suspension or curtailment of the powers of the Directors), subject to the Regulations and (in the case of Fund meetings and Class meetings) subject also to any rights in relation to that matter which Shareholders of other Funds or Classes may have.

66. The Depositary shall be entitled to appoint a representative to attend and speak on its behalf at each general meeting, Fund meeting and Class meeting and shall be entitled to convene any such meeting.
67. In addition to the Shareholders' rights under the Regulations to demand a poll, a poll may be demanded by the chairman of the meeting or the ACD on any resolution put to the vote of a general meeting or Class or Fund meeting.
68. A demand for a poll may be withdrawn only with the approval of the chairman of the meeting. Unless a poll is required, a declaration by the chairman of the meeting that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minute book or computer record of proceedings, shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded for or against such resolution. If a poll is required, it shall be taken in such a manner (including the use of ballot papers or electronic or computer voting systems) as the chairman of the meeting may direct and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The chairman of the meeting may (and, if so directed by the meeting, shall) appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
69. A poll demanded on the choice of the chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either immediately or at such subsequent time (not being more than thirty days from the date of the meeting) and at such place and in such manner or by such other means (including by post) as the chairman may direct. No notice need be given of a poll not taken immediately. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.
70. The chairman of a general meeting may take any action he considers appropriate for, for example, the safety of people attending a general meeting, the proper and orderly conduct of the general meeting or in order to reflect the wishes of the majority. He may, for example, require any people to prove who they are, carry out security searches, and stop certain things being taken into the meeting. The chairman may on reasonable grounds refuse to allow any person into a meeting, or may arrange for any person who refuses to comply with any reasonable requirements imposed under this clause to be removed from a meeting. The Directors may arrange for any people whom they consider cannot be seated in the main meeting room (where the chairman will be) to attend and take part in a general meeting in an overflow room or rooms. Any overflow room will have a live video link from the main room, and a two-way sound link. The notice of the meeting need not give details of any arrangements under this clause. The Directors may decide how to divide people between the main room and any overflow room. If any overflow room is used, the meeting will be treated as being held, and taking place, in the main room.

VOTING RIGHTS

71. The entitlement to vote at any general meeting of Shareholders or Class meeting or Fund meeting attaching to each Share shall be in accordance with the FCA Rules. On a show of hands each Shareholder who (being an individual) is present in person or (being a corporation) is present by its representative properly authorised in that regard, has one vote. On a poll vote, votes may be given personally or by proxy (as per clauses 74 to 77 below). The voting rights attaching to each Share are such proportion of the voting rights attached to all the Shares in issue that the price of the Share bears to the aggregate prices(s) of all the Shares in issue at the date seven days before the notice of meeting is sent out. In respect of joint Shareholders, only the vote of the first named in the Register can be taken.
72. Where a receiver or other person (by whatever name called) has been appointed by any court claiming jurisdiction in that behalf to exercise powers with respect to the property or affairs of any Shareholder on the ground (however formulated) of mental disorder, the Directors may in their absolute discretion upon or subject to production of such evidence of the appointment as the Directors may require, permit such receiver or other person on behalf of such Shareholder to vote on a poll in person or by proxy at any general meeting or Class meeting or Fund meeting or to exercise any right other than the right to vote on a show of hands conferred by ownership of Shares in relation to such a meeting.
73. No objection shall be raised as to the admissibility of any vote except at the meeting or adjourned meeting at which the vote objected to is or may be given or tendered and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.

PROXIES

74. An instrument appointing a proxy shall be in writing in any usual or common form or in any other form which the Directors may approve and:
 - 74.1 in the case of an individual shall be signed by the individual or his attorney; and
 - 74.2 in the case of a corporation shall be either given under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation.
75. The signature on such instrument need not be witnessed. Where an instrument appointing a proxy is signed on behalf of the appointor by an attorney, the letter or power of attorney or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the instrument appointing the proxy pursuant to the next following clause, failing which the instrument may be treated as invalid.
76. An instrument appointing a proxy must be left or delivered to such place or one of such places (if any) as may be specified for the purpose in or by way of note to or in any document accompanying the notice convening the meeting (or, if no place is so specified, at the head office of the Company) by the time which is forty-eight hours before the time appointed for the holding of the meeting or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) for the taking of the poll at which it is to be used, and in default may be treated as invalid. The instrument appointing a proxy shall, unless the contrary is stated thereon, be valid for any adjournment of the meeting as well as for the meeting to which it relates.

77. A vote cast by proxy shall not be invalidated by the previous death or incapacity or bankruptcy of the principal or by other transmission by operation of law of the title to the Shares concerned or by the revocation of the appointment of the proxy or of the authority under which the appointment of the proxy was made provided that no intimation in writing of such death, incapacity, bankruptcy, transmission or revocation shall have been received by the Company at the head office by the time which is two hours before the commencement of the meeting or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) the time appointed for the taking of the poll at which the vote is cast.

CORPORATIONS ACTING BY REPRESENTATIVES

78. Any corporation which is a Shareholder of the Company may by resolution of the directors or other governing body of such corporation and in respect of any Share or Shares in the Company of which it is the holder authorise such individual as it thinks fit to act as its representative at any general meeting of the Shareholders or of any Class meeting or Fund meeting. The individual so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise in respect of such Share or Shares if it were an individual Shareholder of the Company and such corporation shall for the purposes of this Instrument be deemed to be present in person at any such meeting if an individual so authorised is so present.
79. Any corporation which is a Director of the Company may by resolution of its directors or other governing body authorise such individual as it thinks fit to act as its representative (but not the Depository's representative) at any general meeting of the Company, Class meeting or Fund meeting or at any meeting of the Directors. The person so authorised shall be entitled to exercise the same powers at such meeting on behalf of such corporation as the corporation could exercise if it were an individual director and such corporation shall be deemed for the purposes of this Instrument to be present in person at any such meeting if an individual so authorised is so present.

DIRECTORS

80. Except as otherwise prescribed by the Regulations, the business of the Company shall be managed by the Directors. They may arrange payment by the Company of all expenses incurred in forming and registering the Company and may exercise all powers of the Company (whether relating to the management of the business of the Company or otherwise) which are not required by the Regulations or this Instrument to be exercised by any other person or by the Company in general meeting. The general powers given by this clause shall not be limited or restricted by any special authority or power given to the Directors by any other clause.
81. Unless otherwise determined by the ACD the number of Directors shall not at any time exceed one. Where there is only one Director, that Director shall be the ACD.
82. If, and for so long as, the ACD is the sole Director of the Company, the ACD shall have authority to exercise all the powers, authorities and discretions expressed in this Instrument to be vested in the Directors generally.
83. If, and for so long as, there is no ACD acting in respect of the Company, the Directors shall (subject to the FCA Rules) have authority to exercise all the powers, authorities and discretions expressed in the Regulations to be vested in the ACD.

84. A Director is not required to hold any Shares in the Company by way of qualification.
85. A Director is entitled to attend and speak at any general meeting, at any Fund meeting and at any Class meeting.
86. The Directors may from time to time appoint one or more of their number to be the holder of any office executive or otherwise (including, where considered appropriate, the office of chairman or deputy chairman) on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may at any time revoke any such appointment.
87. The appointment of any Director to any office (including that of chairman and deputy chairman) shall automatically end if he ceases to be a Director but without prejudice to any claim for damages for breach of any contract of service between him and the Company.
88. No resolution made by the Company in general meeting or by the holders of the Shares of any Fund or Class at a Fund or Class meeting shall invalidate any prior act of the Directors which would have been valid if such resolution had not been made.
89. Subject to the FCA Rules, the Directors may appoint agents and delegate any of the powers, authorities and discretions vested in or exercisable by them, with or without power to subdelegate. Any such appointment or delegation may be made upon such terms and subject to such conditions as the Directors may think fit, and the Directors may remove any such appointee, and may revoke or vary such delegation, but no person dealing in good faith and without notice of any such revocation or variation shall be affected by their doing so.
90. Subject to the FCA Rules, the Directors may by power of attorney appoint any company, firm or person or any fluctuating body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under this Instrument) and for such period and subject to such conditions as they may think fit, and any such power of attorney may contain such provisions for the protection and convenience of persons dealing with any such attorney as the Directors may think fit, and may also authorise any such attorney to subdelegate all or any of the powers, authorities and discretions vested in him.

REMUNERATION OF DIRECTORS

91. The Directors shall be entitled to remuneration for their services as Directors. Such remuneration shall (unless otherwise determined by the Directors) be deemed to accrue from day to day and the amount of such remuneration shall (subject to the FCA Rules) be determined by the Directors and shall be on a periodic, fixed or ad valorem basis and shall include any performance related remuneration where this is disclosed in the Prospectus.
92. Any Director who holds any executive office including that of ACD (and including for this purpose the office of chairman or deputy chairman whether or not such office is held in an executive capacity), or who serves on any committee of the Directors, or who otherwise performs services which, in the opinion of the Directors, are outside the scope of the ordinary duties of a Director, may (subject to the FCA Rules) be paid such fees and charges as are specified from time to

time in the Prospectus and such extra remuneration by way of fees, salary, commission or otherwise as the Directors may determine.

DIRECTORS' EXPENSES

93. The Directors may (subject to the FCA Rules) be paid by the Company all travelling, hotel and other expenses properly incurred by them (or, being a corporation, by their duly authorised representative(s)) in connection with their attendance at and return from meetings of the Directors, committees of such meetings, general meetings, Fund meetings or Class meetings of the Company or otherwise in connection with the business of the Company.

MEETINGS AND PROCEEDINGS OF DIRECTORS

94. Clauses 94 to 102 shall not apply at any time when the ACD is the sole Director of the Company. Any decision which is required by the Regulations or by this Instrument to be taken by the Directors shall, if and for so long as the ACD is the sole director, be valid and effective if made by the ACD.
95. Subject to the provisions of this Instrument, the Directors may meet together for the despatch of business, adjourn and otherwise regulate their meetings as they think fit. At any time any Director may summon a meeting of the Directors by at least five days' notice in writing. Any Director may waive notice of any meeting (and any such waiver may be retroactive) and any Director who is present at a meeting of the Directors shall be deemed to have waived notice of such meeting.
96. The quorum necessary for the transaction of the business of the Directors may be fixed from time to time by the Directors and, unless so fixed at any other number, shall be two.
97. Any or all of the Directors, or members of a committee, can take part in a meeting of the Directors or of a committee by way of a conference telephone or similar equipment designed to allow everybody to take part in the meeting. The meeting shall be treated as being held at the place where the chairman is calling from whether or not two or more Directors are in the same place. All Directors participating in that way shall be counted in the quorum of the meeting and any resolution passed at the meeting shall be as valid and effective as if passed at a meeting of the board of Directors duly convened and held.
98. Questions arising at any meeting of the Directors shall be determined by a majority of votes cast. In the case of an equality of votes the chairman of the meeting shall have a second or casting vote.
99. The continuing Directors or a sole continuing Director may act notwithstanding any vacancy in their number but if and so long as the number of Directors is reduced below the minimum number fixed as the quorum, the continuing Directors or Director may (notwithstanding the provisions of clause 96) act for the purpose of filling such vacancies or of calling a general meeting but not for any other purpose. If there are no Directors able and willing to act, then any two Shareholders may summon a general meeting for the purpose of appointing one or more Directors subject to any maximum number provided for in this Instrument.
100. Unless he is unwilling to do so, the Director (if any) appointed as chairman shall preside at every meeting at which he is present or, failing which, the deputy chairman (if any) shall so preside. If no chairman or deputy chairman shall have been appointed or if at any meeting of the Directors no chairman or deputy

chairman shall be present within five minutes after the time appointed for holding the meeting, the Directors present may choose one of their number to be chairman of the meeting.

101. If at any time there is more than one deputy chairman the right in the absence of the chairman to preside at a meeting of the Directors or of the Company shall be determined as between the deputy Chairmen present (if more than one) by seniority in length of appointment or otherwise as resolved by the Directors.
102. A resolution in writing signed by all the Directors entitled to vote at a meeting of Directors or of all members of a committee of Directors similarly entitled shall be as valid and effective as a resolution duly passed at a meeting of the Directors or (as the case may be) committee of Directors and may consist of several documents in the like form each signed by one or more Directors. An e-mail or other electronic communication sent by a Director which sets out the text of a resolution and contains a statement to the effect that the Director agrees to the resolution and which has been sent to and printed out by the secretary or such other person as the Directors may from time to time determine shall be deemed to be a resolution in writing signed by the Director who sent it.
103. Subject to the FCA Rules, all acts done by the Directors or by any committee or by any person acting as a Director or member of a committee shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any Director or such committee or that any Director was disqualified or had vacated office, be as valid as if every such person or committee had been duly appointed and that every person so acting was qualified and had continued to be a Director and had been entitled to vote.

INTERESTS OF DIRECTORS

104. Subject to the Regulations and to clauses 104 to 106 a Director may be party to, or in any way interested in, any contract or arrangement or transaction to which the Company is a party, or in which the Company is in any way interested. A Director may hold and be remunerated in respect of any office or place of profit (other than the office of auditor of the Company) under the Company or any other company in which the Company is in any way interested (or any firm of which he is a member) and may act in a professional capacity for the Company or any such other company and be remunerated therefore and in any such case as aforesaid (save as otherwise agreed) he may retain for his own absolute use and benefit all profits and advantages accruing to him thereunder or in consequence thereof. Subject to the Regulations no such contract, arrangement or transaction shall be avoided on the grounds of any such interest or benefit.
105. Subject to clause 106, any interest of a kind referred to in the last preceding clause of this Instrument must be declared by the Director who is so interested at the meeting of the Directors at which the question of entering into the contract or arrangement is first taken into consideration. A general notice in writing given to the Directors by any Director to the effect that he is a Shareholder, director, employee of, or might for any other reason to be regarded as having an interest in relation to, any specified company or firm, and is to be regarded as interested in any contract or arrangement which may thereafter be made with that company or firm, shall (if such Director shall give the same at a meeting of the Directors or shall take reasonable steps to secure that the same is brought up and read at the next meeting of the Directors after it is given) be deemed a sufficient declaration of interest in relation to any contract or arrangement made.

106. If and for so long as the ACD is the sole Director of the Company the last preceding clause of this Instrument shall have no effect and, in such event, any interest of a kind referred to in clause 104 must be properly recorded and minuted by the ACD as soon as practicable after it becomes so interested. Nothing in this clause shall absolve the ACD from its fiduciary duty to act in the best interests of the Company as a whole.
107. Notwithstanding the provisions of clauses 103 and 107, a Director shall not vote at a meeting of the Directors (or of a committee of the Directors) on any resolution concerning a matter in which he has, directly or indirectly, an interest or duty which is material and which conflicts or may conflict with the interests of the Company unless his interest or duty arises only because the case falls within one or more of the following subclauses:
 - 107.1 any proposal concerning the terms of the appointment or re-appointment of a Director as the ACD, or any ratification of the terms of such appointment or reappointment;
 - 107.2 any proposal concerning the terms of the appointment or re-appointment of a Director who is an associate of the ACD, or any ratification of the terms of such appointment or re-appointment;
 - 107.3 any proposal concerning any other company in which he is interested, directly or indirectly, and whether as an officer or Shareholder or otherwise howsoever provided that he is not the holder of or beneficially interested in one per cent. or more of the issued Shares of any Class of such company (or of any third company of which such company is a subsidiary) or of the voting rights available to members of the relevant company (any such interest being deemed for the purposes of this clause to be a material interest in all circumstances); or
 - 107.4 any proposal concerning any insurance which the Company is empowered to purchase and/or maintain for the benefit of and against any liability incurred by any Director(s) or persons who include or may include Directors.
108. If, and for so long as, the ACD is the sole Director of the Company or at any meeting of the Directors at which the terms of the appointment or reappointment of the ACD are considered there is no quorum of Directors present and entitled to vote, the last preceding clause shall have no effect and (for the avoidance of doubt), the ACD shall, subject to the Regulations and to its fiduciary duty to act in the best interests of the Company as a whole, be entitled at its own discretion to determine the terms of its appointment or reappointment as ACD. The terms shall be set out in writing, in a contract between the ACD and the Company.
109. A Director may be counted in the quorum at a meeting of the Directors or committee of the Directors in relation to any resolution on which he is debarred from voting.
110. Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employment with the Company or any body corporate in which the Company is interested such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not debarred from voting under clause 107) shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment.

111. If any question shall arise at any time as to the materiality of a Director's interest (other than the chairman of the meeting's interest) or as to the entitlement of any Director to vote (other than the chairman of the meeting) and such question is not resolved by his voluntarily agreeing to abstain from voting such question shall be referred to the chairman of the meeting and his ruling in relation to any other Director shall be final and conclusive except in a case where the nature or extent of the interests of such Director has not been fully and fairly disclosed.
112. If any question shall arise at any time as to the materiality of the interest of the chairman of the meeting or as to the entitlement of such person to vote or be counted in a quorum and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be decided by resolution of the Directors or a committee of the Directors (excluding the chairman) whose majority vote shall be final and conclusive.
113. For the purposes of clause 107, an interest or duty of a person who is an associate of a Director shall be treated as an interest of the Director.
114. The Company may by Ordinary Resolution suspend or relax any provision of this Instrument prohibiting a Director from voting at a meeting of Directors (or of a committee of Directors) or ratify any transaction not duly authorised by reason of a contravention of this Instrument.

MINUTES OF DIRECTORS' MEETINGS

115. The Directors shall cause minutes to be made and kept in permanent form:
 - 115.1 of all appointments of officers made by the Directors;
 - 115.2 of all proceedings at meetings of the Company, of the holders of any Fund or Class of Shares in the Company and of the Directors and committees of Directors, including the names of the Directors present at each such meeting; and
 - 115.3 of all resolutions made by the ACD otherwise than at a meeting and all other matters required by this Instrument to be formally recorded by the ACD.

APPOINTMENT, REMOVAL AND RETIREMENT OF DIRECTOR

116. The Directors shall have power, at any time and from time to time, to appoint any person to be a Director of the Company, either to fill a casual vacancy or as an addition to the existing Directors, but so that the total number of Directors shall not at any time exceed the maximum number, if any, fixed by or pursuant to this Instrument. Any such appointment shall take effect only upon the satisfaction of either of the conditions appearing in Regulation 21(3) of the OEIC Regulations and shall have no effect unless and until either of such conditions shall have been satisfied.
117. No person (other than the ACD or a person nominated by the Directors) shall be eligible for election to the office of Director at any general meeting unless not less than seven and not more than forty-two days before the date appointed for the meeting notice in writing has been left at the head office, signed by a member duly qualified to attend and vote at such meeting, of his intention to propose such person for election, together with notice in writing signed by that person of his willingness to be elected.

118. A single resolution for the appointment of two or more persons as Director shall not be put at any general meeting, unless a resolution that it shall be so put has first been agreed to by the meeting without any vote being given against it.
119. Subject to the provisions of the FCA Rules and Regulation 21 of the OEIC Regulations and notwithstanding any other provision of this Instrument, the office of Director shall be vacated in any of the following events, namely:
 - 119.1 if, not being a Director who is employed under a contract which precludes resignation, he resigns his office by notice in writing signed by him and left at the head office of the Company or if he offers in writing to resign and the Directors resolve to accept such offer; or
 - 119.2 if he becomes prohibited by law or regulation (including any provision of the Regulations) from acting as a Director (or, being the ACD, as ACD); or
 - 119.3 if he becomes bankrupt, has an interim receiving order made against him or compounds with his creditors generally or applies to the court for an interim order under section 253 of the Insolvency Act 1986 in connection with a voluntary arrangement under that Act or if, being a body corporate, a receiver or liquidator is appointed other than for the purpose of reconstruction or amalgamation in respect of the Director or a resolution is passed to wind up the Director or if an administrator or administrative receiver is appointed over all or any part of the Director's assets; or
 - 119.4 if an order is made anywhere in the world by any court claiming jurisdiction in that behalf on the ground (howsoever formulated) of mental disorder, for his detention or for the appointment of a guardian or receiver or other person (by whatever name called) to exercise powers with respect to his property or affairs; or
 - 119.5 if he is absent from meetings of the Directors (or of committees of Directors) continuously for six months without sanction of the Directors and the other Directors resolve that his office be vacated; or
 - 119.6 upon the expiry of any period or notice period stated in an agreement for the provision of services between the Company and the Director or if such agreement is summarily terminated in accordance with its terms.
120. The Company may by Ordinary Resolution remove any Director before the expiration of his period of office notwithstanding anything in this Instrument or in any agreement between the Company and such Director. Such removal shall take effect only upon the satisfaction of either of the conditions appearing in Regulation 21(3) of the OEIC Regulations and shall be without prejudice to any claim such Director may have for damages for breach of any such agreement.
121. Notice of the intention to move a resolution under clause 120 must be given to the Company at least 28 days before the meeting at which it is moved.
122. The Company shall give notice to Shareholders of any such resolution at the same time and in the same manner as it gives notice of the meeting or, if that is not practicable, shall give them notice by advertisement in a newspaper having an appropriate circulation at least 14 days before the meeting.
123. If, after notice of the intention to move such a resolution has been given to the Company, a meeting is called for a date 28 days or less after the notice has been

given, the notice is deemed properly given, though not given within the time required.

124. A vacancy created by the removal of a Director under clause 120, if not filled at the meeting at which he is removed, may be filled as a casual vacancy.

AMENDMENTS

125. Amendment may be made to this Instrument by resolution of the Directors to the extent permitted by the FCA Rules.

THE SEAL

126. If the Company has a seal (imprint or wax) the Directors shall provide for its safe custody. The Seal shall not be affixed to any instrument except by the authority of a resolution of the Directors or of a committee of the Directors authorised by the Directors in that behalf. The Directors may from time to time determine whether or not any instrument to which the Seal is affixed shall be signed and the person(s) and/or the number of such persons (if any) who are to sign such instrument. Until otherwise so determined, if at any time the Company shall have only one Director the Seal shall be affixed in the presence of that Director (or, if that Director is a body corporate, in the presence of a duly authorised representative of the Director) and, in any other event, the Seal shall be affixed in the presence of two Directors or of one Director and another person duly authorised by the Directors. Any documents or securities sealed with an official seal in use by the Company pursuant to the OEIC Regulations from time to time need not also be signed.

INCOME EQUALISATION

127. Save where the ACD determines in its sole discretion to the contrary, these following two clauses shall apply to the Shares in issue in respect of the Funds of the Company.

128. An allocation of income (whether annual or interim) to be made in respect of each Share to which this clause applies issued by the Company or sold by the ACD during the accounting period in respect of which that income allocation is made:

128.1 in the case of Net Paying Shares, shall be of the same amount as the allocation to be made in respect of the other Shares of the same Class issued in respect of the same Fund but shall include a capital sum ("income equalisation") representing the ACD's best estimate of the amount of net income included in the price of that Share and calculated in accordance with the following clause; or

128.2 in the case of Gross Paying Shares, may be of a lower amount than that allocated in respect of the other Shares of the same Class issued in respect of the same Fund as the proportion of the allocation attributable to income equalisation will have no associated tax amount that may be included in the allocation.

129. The amount of income equalisation in respect of any Share to which clause 127 applies shall be either:

131. Subject to clause 132, the provisions of Part 3 of the Schedule to this Instrument shall apply to each allocation of income made in respect of any Fund and to calculate the entitlement of each Shareholder to participate in the Scheme Property of the Fund at a time when more than one Class of Shares is in issue in respect of that Fund.
132. The Company may adopt a method of calculating the amount of income to be allocated between the Shares in issue (or the Shares in issue in respect of any Fund) which is different to that which appears in Part 2 of the Schedule to this Instrument provided that the Directors are satisfied that such method is fair to Shareholders and that it is reasonable to adopt such method in the given circumstances.

The Company shall not be responsible for any loss of any cheque, warrant or order or for any error in any transfer by direct credit or bank transfer, which in each case shall be sent or transferred at the risk of the person or persons entitled to the money thereby.
137. If two or more persons are registered as joint holders of any Share, or are entitled jointly to a Share in consequence of the death or bankruptcy of the holder or

138. No distribution or other monies payable on or in respect of a Share shall bear interest against the Company.
139. All distributions unclaimed for a period of six years after having become due for payment shall be forfeited and shall revert to the Company. The payment of any unclaimed distribution, interest or other sum payable by the Company on or in respect of a Share into a separate account shall not constitute the Company a trustee thereof.

6. Subject to paragraphs 7 and 8 below, agreements for the unconditional sale or purchase of property which are in existence but uncompleted shall be assumed to have been completed and all consequential action required to have been taken. Part 3: Proportionate Interests

1. If there is more than one Class in issue in a Fund, the proportionate interests of each Class in the assets and income of the Fund shall be ascertained as follows.
 - 1.1 A notional account will be maintained for each Class. Each account will be referred to as a "Proportion Account".
 - 1.2 The word "proportion" in the following paragraphs means the proportion which the balance on a Proportion Account at the relevant time bears to the balance on all the Proportion Accounts of a Fund at that time. The proportionate interest of a Class of Share in the assets and income of a Fund is its "proportion".
 - 1.3 There will be credited to a Proportion Account:
 - 1.3.1 the subscription money (excluding any initial charges¹) for the issue of Shares of the relevant Class and the return from hedging transactions;
 - 1.3.2 that Class's proportion of the amount by which the Net Asset Value of the Fund exceeds the total subscription money for all Shares in the Fund; and the return from hedging transactions where the Net Asset Value exceeds these;
 - 1.3.3 that Class's proportion of the Fund's income received and receivable; and
 - 1.3.4 any notional tax benefit under paragraph 1.5 below.
 - 1.4 There will be debited to a Proportion Account:
 - 1.4.1 the redemption payment for the cancellation of Shares of the relevant Class; and losses resulting from hedging transactions;
 - 1.4.2 the Class's proportion of the amount by which the Net Asset Value of the Fund falls short of the total subscription money for all Shares in the Fund; and the return from hedging transactions where the Net Asset Value falls short of these;
 - 1.4.3 all distributions of income (including equalisation if any) made to Shareholders of that Class;
 - 1.4.4 all costs, charges and expenses incurred solely in respect of that Class;
 - 1.4.5 that Class's Share of the costs, charges and expenses incurred in respect of that Class and one or more other Classes in the Fund, but not in respect of the Fund as a whole;
 - 1.4.6 that Class's share of the costs, charges and expenses incurred in respect of or attributable to the Fund as a whole;
 - 1.4.7 that Class's share of any SDRT charge; and
 - 1.4.8 any notional tax liability under paragraph 1.5.

¹ Under SSP the relevant class would be credited with the cost of its creation which would include the amount by which the price had been swung up, where appropriate.

- 1.5 Any tax liability in respect of the Fund and any tax benefit received or receivable in respect of the Fund will be allocated between Classes in order to achieve, so far as possible, the same result as not materially to prejudice any Class. The allocation will be carried out by the ACD after consultation with the Company's auditors.
- 1.6 Where a Class is denominated in a currency which is not the Base Currency of the Company, the balance on the Proportion Account shall be converted into the Base Currency of the Company in order to ascertain the proportions of all Classes. Conversions between currencies shall be at a rate of exchange decided by the ACD as being a rate that is not likely to result in any material prejudice to the interests of Shareholders or potential Shareholders.
- 1.7 The Proportion Accounts are memorandum accounts maintained for the purpose of calculating proportions. They do not represent debts from the Company to Shareholders or the other way round.
2. Each credit and debit to a Proportion Account shall be allocated to that account on the basis of that Class's proportion immediately before the allocation. All such adjustments shall be made as are necessary to ensure that on no occasion on which the proportions are ascertained is any amount counted more than once.
3. When Shares are issued thereafter each such Share shall represent the same proportionate interest in the property of the relevant Fund as each other Share of the same category and Class then in issue in respect of that Fund.
4. The Company shall allocate the amount available for income allocation (calculated in accordance with the FCA Rules) between the Shares in issue relating to the relevant Fund according to the respective proportionate interests in the property of the Fund represented by the Shares in issue at the valuation point in question.
