**Important Information:** North American Equities is a sub-fund of RAM (Lux) Systematic Funds (the "Fund"), a SICAV incorporated under Luxembourg law and constituting an OPCVM in accordance with EC Council Directive of 13 July 2009 (DIR 2009/65/EC). Past performance is not a guide to current or future results. The performance data do not take into account fees and expenses charged on issuance and redemption of the shares nor any taxes that may be levied. Changes in exchange rates may cause the NAV per share in the investor's base currency to go up or down. Investors are invited to carefully read the risk warnings and the regulations set out in the prospectus and/or in any appendices thereto, applicable in the country of distribution, and to seek professional counsel from their financial, legal and tax advisors. The Fund's prospectus, simplified prospectus, constitutive documents and financial statements are freely available at the head offices of the fund's representative and distributor in Switzerland, RAM Active Investments S.A., at Credit Suisse Geneva, paying agent in Switzerland, and its branch offices; and Banque CIC Paris, the Fund's centralizing agent in France. All rights reserved. This document is confidential and is intended only for the use of the person to whom it was delivered; it may not be reproduced or distributed. The present document constitutes neither an offer nor a solicitation to subscribe for shares in the funds in any jurisdiction where such an offer or solicitation would not be authorised, or to any person to whom it would be unlawful to make such an offer or invitation. RAM Active Investments SA is authorised and regulated in Switzerland by the Swiss Financial Market Supervisory Authority (FINMA).
