EURO CORPORATE SHORT TERM BOND, a compartment of GENERALI INVESTMENTS SICAV

Class: E, Share: X (Accumulation) ISIN: LU0438548520

This SICAV is managed by Generali Investments Luxembourg S.A.

Objectives and Investment Policy

The objective of the Fund is to outperform its Benchmark investing in quality short term corporate debt securities denominated in Euro.

The Fund shall essentially invest in short term corporate bonds with a maturity up to 3 years, denominated in Euro.

The Fund shall mainly invest in securities with Investment Grade Credit Rating. Investment Grade Credit Rating is credit rating from AAA to BBB- for Standard & Poors or from Aaa to Baa3 for Moody's or from AAA to BBB- for Fitch or an equivalent credit rating by a recognised credit rating agency or an equivalent credit rating as deemed by the Investment Manager.

A maximum of 25% of the net assets of the Fund may be invested in convertible bonds. Investment in contingent convertible bonds ("CoCos") is allowed up to 10% of the Fund's net assets. The Fund may hold equities following the conversion up to 10% of its net assets.

The Fund may use standardized credit default swaps ("CDS") and the total obligation may not exceed 25% of the Fund's net assets.

The Fund is actively managed and references the Benchmark by seeking to outperform it. The Investment Manager has full discretion over the composition of the Fund's portfolio and there are no restrictions on the extent to which the Fund's portfolio and performance may deviate from the ones of the Benchmark.

The Fund may use financial instruments and derivatives for hedging purposes, for efficient portfolio management purposes and for investment purposes.

The Fund is open-ended. You may redeem shares of the Fund on any Luxembourg business day.

The Share Class makes no dividend payment.

The Benchmark of the Fund is the Barclays Capital Euro Corporate 1-3 Year Index.

Risk and Reward Profile

Potentially lower rewards — **Potentially higher rewards**

1	2	**3**	4	5	6	7

This indicator represents the annual historical volatility of the Fund over a 5-year period. Its aim is to help investors understand the uncertainties attached to gains and losses that may have an impact on their investment.

The Fund's exposure to interest rate risk explains its classification in this category.

Historical data such as that used to calculate the synthetic indicator cannot be considered as a reliable indication of the Fund's future risk profile.

The risk category associated with the Fund is not guaranteed and may change over time. The lowest risk category does not mean "risk free". Your initial investment is not guaranteed.

Significant risk(s) for the Fund not taken into account in this indicator include the following:

Credit Risk: The Fund invests a substantial portion of its assets in bonds. The issuers may become insolvent, whereby the bonds may lose a major part of their value or their value entirely.

Liquidity Risk: Risk related to a limited market activity that could not allow the Fund to sell or buy underlying investments in suitable conditions.

Counterparty Risk: The Fund primarily concludes derivatives trades with various contracting parties. There is a risk that counterparties may no longer be able to honour their payment or settlement obligations.

Operational Risk and Depositary Risk: The Fund may fall victim to fraud or other criminal acts. It may also incur losses due to misunderstandings or errors by employees of the management company, the depositary or external third parties. Finally, its' management or the custody of its' assets can be adversely affected by external events such as fires, natural disasters etc.

For more information about the risks of the Fund, please refer to the risk section of the prospectus.

Charges for this Fund

The charges and commissions are used to cover the Fund's operating costs, including marketing and distribution of shares. These charges reduce the potential growth of your investment.

One-off charges that may be taken before or after you invest	
Entry charge	**5 %**
Exit charge	**3 %**

The percentage shown is the maximum amount that can be paid out of your investment. Your financial advisor or distributor can inform you of the associated entry and exit charges.

Charges taken from the Fund over a year	
Ongoing charge	**1.48 %**
Charges taken from the Fund under certain specific conditions	
Performance fee	**Not Applicable**

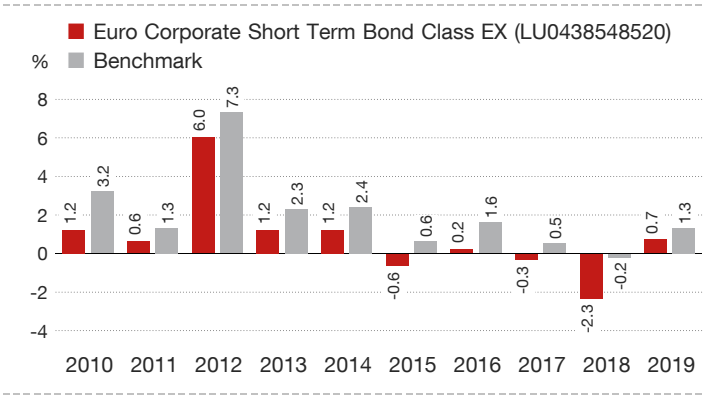

The entry and exit charges shown are maximum rates. In certain cases, the charges paid may be lower.

Ongoing charges are based on the charges for the previous 12 months, ending on 31 December 2019. This percentage may vary from year to year. It excludes performance fees, if applicable, and portfolio trade-related costs, with the exception of costs paid to the custodian and any entry/exit charge paid to an underlying collective investment scheme.

A conversion commission of up to 5.00% maximum of the net asset value per share class to be converted may be charged.

For more information about Fund charges, please refer to the relevant parts of the prospectus, which is available at **www.generali-investments.lu**.

Past Performance

The performance figures shown in the bar chart are not a reliable indication of future performance.

Annualised performance is calculated after deducting all charges taken from the Fund, taking into consideration the reinvested net dividends.

Fund creation date: 15 July 2009.
Share class launch date: 12 October 2009.
Past performance has been calculated in EUR.

Benchmark: Barclays Capital Euro Corporate 1-3 Year Index. As the Fund is actively managed, it is not intended that the performance of this share class will track the performance of the Benchmark.
