NB - EUROPEAN EQUITY, distribution I
LU0401482053

a sub-fund of NB

This sub-fund is managed by GNB - International Management S.A..

Objectives and investment policy

Objectives

To generate long-term growth of capital through investments in European equity securities. Current income is not a consideration.

Investment policy

Diversified portfolio (among issuers and countries) composed mainly by equity securities of issuers located in an EU Member State and Switzerland.
Financial derivatives such as options, swaps, forward exchange contracts and futures may be used for hedging purpose and/or for the purpose of efficient portfolio management.

Typically, the income of this unit class is reinvested. However the Board of Directors may decide the payment of dividends depending on the profits realized by the sub-fund (distribution units).

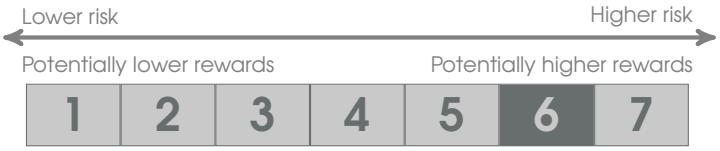

The investor may in principle subscribe, convert and redeem units on each bank business day in Luxembourg.

The NAV of this unit class is denominated in EUR.

Recommendation

The sub-fund is suitable for investors who want to achieve long-term capital growth and who can afford to set aside the capital for at least 5 years.

Risk and reward profile

What does this synthetic indicator mean?

- The calculation of the risk indicator is based on estimated and historical data which may not be a reliable indication of the future risk profile of the sub-fund.
- The risk category shown is not guaranteed to remain unchanged. The sub-fund's risk indicator may shift over time.
- The lowest category of the risk indicator does not mean a risk-free investment.
