Objectives and investment policy

Objective

To maximise absolute returns with moderate volatility.

Investment policy

The Fund invests both long and synthetically short in listed equities of companies in Asia Pacific ex-Japan. Volatility is managed by the use of long and synthetically short equity positions as well as index futures.

Dealing

You may sell your investment on any business day by submitting an application to the Administrator before the dealing deadline.

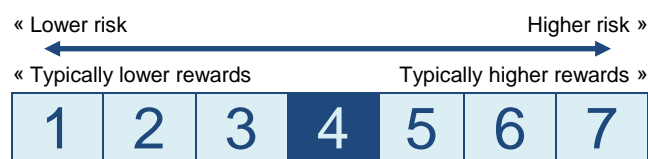

Investment term

The Fund may not be appropriate if you plan to withdraw your money within 5 years.

Dividends

Dividends may be paid out of the net income of the Fund. However, it is not currently expected that the Fund will pay any dividends.

Risk and reward profile

Further information about the rating

The rating is based on the historical volatility of the Fund and may not be a reliable indication for the future.

The rating is not guaranteed to remain unchanged over time.

The lowest rating does not mean a risk free investment.

Why is the Fund in this category?

The Fund has a high risk rating because it invests in equities the value of which can move up and down over time to a greater extent than some other investments.

Additional risk factors not captured by the rating

Emerging market risk: Investing in emerging economies involves a higher level of risk. The markets may have lower levels of regulation and investments can be illiquid.

Operational risk: This includes the risks relating to the safe keeping of the assets. The custodian who holds the Fund's assets is subject to independent external audit and is supervised by regulators.

Charges

One-off charges taken before or after you invest

Entry charges	5.00%
Exit charges	3.00%

This is the maximum that might be taken out of your money before it is invested or before the proceeds of your investments are paid out.

Charges taken from the Fund over a year

Ongoing charges	2.54%
-----------------	-------

Charges taken from the Fund under certain specific conditions

Performance fee	20% subject to a high watermark.
-----------------	----------------------------------

The charges you pay are used to pay the costs of running the Fund, including marketing and distribution costs. These charges reduce the potential growth of your investment.

The entry and exit charges shown are maximum figures. In some cases you might pay less. You can find this out from your financial adviser.

The ongoing charges figure is based on expenses for the twelve months to end of 31st December 2016. This figure may vary from year to year.

For more information about charges, see "Fees and Expenses" in the relevant supplement to the Umbrella Fund's prospectus, which is available on request via email from investorservices@tiburon.co.uk
