FUND RATINGS

An S&P Capital IQ fund grading represents an opinion only and should not be relied upon when making an investment decision. Past performance is not indicative of future results. Currency exchange rates may affect the value of investments. A long-term grading denotes a fund that has achieved an S&P Capital IQ fund grading for five or more consecutive years and continues to hold a grading. INVESTMENT OBJECTIVE

A total return comprised of income and capital growth by investing in local currency denominated bonds and similar debt investments issued in emerging markets.

PERFORMANCE NOTE

Past performance is not a guide to future performance. The value of investments and the income from them is not guaranteed and can fall as well as rise due to stock market and currency movements. When you sell your investment you may get back less than you originally invested. For a full list of risks applicable to this fund please refer to the Prospectus or the Key Investor Information Document (KIID).
