STATUTS COORDONNES

Au 18 décembre 2013

Article 1.-

There exists among the subscribers and all those who may become holders of shares, a company in the form of a "société anonyme" qualifying as a "société d'investissement à capital variable" under the name of "**ABERDEEN GLOBAL II**" (the "Company").

Article 2.-

The Company is established for an unlimited duration. The Company may be dissolved at any time by a resolution of the shareholders adopted in the manner required for amendment of these Articles of Incorporation as prescribed in Article 30.

Article 3.-

The exclusive object of the Company is to place the funds available to it in transferable securities, money market instruments and other permitted assets to an undertaking for collective investment under Part I of the law of 17 December 2010 relating to undertakings for collective investment, as amended (the "Law") with the purpose of spreading investment risks and affording its shareholders the results of the management of its portfolios.

The Company may take any measures and carry out any operation which it may deem useful in the accomplishment and development of its purpose to the full extent permitted by Part I of the Law.

The Company qualifies as an undertaking for collective investment in transferable securities ("UCITS").

Article 4.-

The registered office of the Company is established in Luxembourg City, in the Grand Duchy of Luxembourg. If permitted by and under the conditions set forth in Luxembourg laws and regulations, the board of directors may decide to transfer the registered office of the Company to any other place in the Grand Duchy of Luxembourg. Branches or other offices may be established either in the Grand Duchy of Luxembourg or abroad by resolution of the board of directors.

In the event that the board of directors determines that events of force majeure have occurred or are imminent that would interfere with the normal activities of the Company at its registered office, or with the ease of communication between such office and persons abroad, the registered office may be temporarily transferred abroad until the complete cessation of these abnormal circumstances; such temporary measures shall have no effect on the nationality of the Company which, notwithstanding the temporary transfer of its registered office, will remain a Luxembourg company.

Article 5.-

The capital of the Company shall be represented by shares of no par value and shall at any time be equal to the total net assets of the Company as defined in Article 22 hereof.

The minimum capital of the Company shall be the equivalent in U.S. dollars of the minimum provided for by the Law.

The board of directors is authorised without limitation to issue fully paid shares at any time in accordance with Article 24 hereof at the Share Price or at the respective Share Prices per share determined in accordance with Article 22 hereof without reserving to the existing shareholders a preferential right to subscription of the shares to be issued.

The board of directors may delegate to any director of the Company (a "Director") or to any officer of the Company or to any other duly authorised person, the duty to accept subscriptions and receive payment for such new shares, remaining always within the provisions of the Law.

Such shares may, as the board of directors shall determine, be of different sub-funds corresponding to separate portfolios of assets (each a "Fund") (which may, as the board of directors shall determine, be denominated in different currencies) and the proceeds of the issue of the shares of each Fund shall be invested pursuant to Article 3 hereof in transferable securities, money market instruments or other permitted assets corresponding to such geographical areas, industrial sectors or monetary zones, or to such specific types of equity or debt securities and other permitted assets, as the board of directors shall from time to time determine.

The board of directors may further decide to create within each such Fund two or more classes of shares ("Class(es)"), the issue proceeds of which will be commonly invested pursuant to the specific investment policy of the Fund concerned but where among others a specific distribution policy (such as entitling to dividends or as not entitling to dividends) or a specific sales and redemption charge structure or hedging policy or other specific feature is applied to each Class.

For the purpose of determining the capital of the Company, the net assets attributable to each Fund shall, if not expressed in U.S. Dollar, be converted into U.S. Dollar and the capital shall be the aggregate of the net assets of all the Funds. When the context so requires, references in these Articles of Incorporation to Fund(s) shall mean references to Class(es) and vice-versa.

Article 6.-

The Company will issue shares in registered form only. Shareholders will receive a confirmation of their shareholding.

Shares shall be issued only upon acceptance of the subscription and subject to payment of the price as set forth in Article 24 hereof. The subscriber will, upon acceptance of the subscription and receipt of the purchase price, receive title to the shares purchased by him and obtain a confirmation of shareholding.

Payments of dividends will be made to registered shareholders at their mandated addresses in the register of shareholders or to the Manager (as defined below) on the shareholder's behalf.

All issued registered shares of the Company shall be registered in the register of shareholders, which shall be kept by the Company or by one or more persons designated therefore by the Company and such register of shareholders shall contain the name of each holder of registered shares, his residence or elected domicile so far as notified to the Company and the number, Class and Fund of which the shares are held by him. Every transfer of a share shall be entered in the register of shareholders without payment of any fee and no fee shall be charged by the Company for registering any other documents relating to or affecting the title to any share.

Transfer of registered shares shall be effected by inscription of the transfer to be made by the Company upon receipt by the Company of instruments of transfer satisfactory to the Company.

Every registered shareholder must provide the Company with an address to which all notices and announcements from the Company may be sent. Such address will be entered in the register of shareholders free of charge. In the event of joint holders of shares, only one address will be inserted and any notices will be sent to that address only.

In the event that such shareholder does not provide such address or that such address is incorrect or becomes invalid, the Company may permit a notice to this effect to be entered in the register of shareholders and the shareholder's address will be deemed to be at the registered office of the Company, or such other address as may be so entered by the Company from time to time, until another address shall be provided to the Company by such shareholder. The shareholder may, at any time, change his address as entered in the register of shareholders by means of a written notification to the Company at its registered office, or at such other address as may be set by the Company from time to time. The shareholder shall be responsible for ensuring

that its details, including its address, for the register of shareholders are kept up to date and shall bear any and all responsibility should any details be incorrect or invalid.

If a conversion or a payment made by any subscriber results in the issue of a share fraction, such fraction shall be entered into the register of shareholders. It shall not be entitled to vote but shall, to the extent the Company shall determine, be entitled to a corresponding fraction of the dividend.

Article 7.-

The board of directors shall have power to impose or relax such restrictions on any Fund or Class (other than any restrictions on transfer of shares) (but not necessarily on all Classes within the same Fund) as it may think necessary for the purpose of ensuring that no shares in the Company or no shares of any Fund in the Company are acquired or held by or on behalf of (a) any person in breach of the law or requirements of any country or governmental or regulatory authority (if the Directors shall have determined that any of them, the Company, any manager of the Company's assets, any of the Company's investment managers or advisers or any Connected Person (as defined below) of any of them would suffer any disadvantage as a result of such breach) or (b) any person in circumstances which in the opinion of the board of directors might result in the Company incurring any liability to taxation or suffering any other pecuniary disadvantage which the Company might not otherwise have incurred or suffered, including a requirement to register under any securities or investment or similar laws or requirements of any country or authority.

More specifically, the Company may restrict or prevent the ownership of shares in the Company by any person, firm or corporate body, and without limitation, by any "U.S. person", as defined hereafter. For such purpose, the Company may:

(a) decline to issue any share where it appears to it that such registration would or might result in such share being directly or beneficially owned by a person, who is precluded from holding shares in the Company;

(b) at any time require any person whose name is entered in the register of shareholders to furnish it with any information, supported by affidavit, which it may consider necessary for the purpose of determining whether or not beneficial ownership of such shareholder's shares rests in a person who is precluded from holding shares in the Company; and

(c) where it appears to the Company that any person, who is precluded pursuant to this Article from holding shares in the Company, either alone or in conjunction with any other person is a beneficial or registered owner of shares, compulsorily redeem from any such shareholder all shares held by such shareholder in the following manner:

(1) The Company shall serve a notice (hereinafter called the "redemption notice") upon the shareholder appearing in the register of shareholders as the owner of the shares to be redeemed, specifying the shares to be redeemed as aforesaid, the price to be paid for such shares, and the place at which the Redemption Price (as hereinafter defined) in respect of such shares is payable. Any such notice may be served upon such shareholder by posting the same in a prepaid registered envelope addressed to such shareholder at his last address known to or appearing in the books of the Company. The said shareholder shall cease to be a shareholder and the shares previously held by him shall be cancelled;

(2) the price at which the shares specified in any redemption notice shall be redeemed (herein called the "Redemption Price") shall be an amount equal to the Share Price of shares of the relevant Class in the given Fund, determined in accordance with Article 22 hereof, less any redemption charge payable in respect thereof and/or any applicable dilution levy and/or less any applicable contingent deferred charge as disclosed in the sales documents of the Company.

(3) payment of the Redemption Price will be made to the shareholder appearing as the owner thereof in the currency of denomination of the relevant Class in the given Fund and will be deposited by the Company in Luxembourg or elsewhere (as specified in the redemption notice) for payment to such person. Upon deposit of such price as aforesaid no person interested in the shares specified in such redemption notice shall have any further interest in such shares or any of them, or any claim against the Company or its assets in respect thereof, except the right of the shareholder appearing as the owner thereof to receive the price so deposited (without interest) from such bank as aforesaid; or

(4) the exercise by the Company of the powers conferred by this Article shall not be questioned or invalidated in any case, on the ground that there was insufficient evidence of ownership of shares by any person or that the true ownership of any share was otherwise than appeared to the Company at the date of any redemption notice, provided that in such case the said powers were exercised by the Company in good faith; and

(d) decline to accept the vote of any person who is precluded from holding shares in the Company at any meeting of shareholders of the Company.

Whenever used in these Articles, the term "U.S. person" shall include a national or resident of the United States of America or any of its states, territories, possessions or areas subject to its jurisdiction (the "United States") and any partnership, corporation or other entity organised or created under the laws of the United States or any political subdivision thereof.

In addition to the foregoing, the board of directors may restrict the issue and transfer of shares of a Class/Fund to institutional investors within the meaning of the Law ("Institutional Investor(s)"). The board of directors may, at its discretion, delay the acceptance of any subscription application for shares of a Class/Fund reserved for Institutional Investors until such time as the Company has received sufficient evidence that the applicant qualifies as an Institutional Investor. If it appears at any time that a holder of shares of a Class/Fund reserved to Institutional Investors is not an Institutional Investor, the board of directors will convert the relevant shares into shares of a Class/Fund which is not restricted to Institutional Investors (provided that there exists such a Class/Fund with similar characteristics) or compulsorily redeem the relevant shares in accordance with the provisions set forth above in this Article. The board of directors will refuse to give effect to any transfer of shares and consequently refuse for any transfer of shares to be entered into the register of shareholders in circumstances where such transfer would result in a situation where shares of a Class/Fund restricted to Institutional Investors would, upon such transfer, be held by a person not qualifying as an Institutional Investor. In addition to any liability under applicable law, each shareholder who does not qualify as an Institutional Investor, and who holds shares in a Class/Fund restricted to Institutional Investors, shall hold harmless and indemnify the Company, the board of directors, the other shareholders of the relevant Class/Fund and the Company's agents for any damages, losses and expenses resulting from or connected to such holding circumstances where the relevant shareholder had furnished misleading or untrue documentation or had made misleading or untrue representations to wrongfully establish its status as an Institutional Investor or has failed to notify the Company of its loss of such status.

The expression "Connected Person" means:

(i) in relation to the Administrator (as defined in Article 27), any Manager (as defined in Article 27), any investment adviser appointed by any Manager (an "Investment Adviser") or any company appointed for the purpose of distributing shares (a "Distributor") (the relevant such company being referred to below as "the relevant company"):

(a) any person, or company beneficially owning, directly or indirectly, 20 per cent or more of the ordinary share capital of the relevant company, or able to exercise, directly or indirectly 20 per cent or more of the total votes of the relevant company;

(b) any person or company controlled by a person who falls within (a) above;

(c) any company 20 per cent or more of whose ordinary share capital is beneficially owned, directly or indirectly, by the relevant company and each of the others of the Administrator and each Manager, Investment Adviser and Distributor taken together and any company 20 per cent or more of the total votes of which can be exercised, directly or indirectly, by the relevant company and each of the others of the Administrator and each Manager, Investment Adviser and Distributor taken together; and

(d) any director or officer of the relevant company or of any Connected Person of the relevant company as defined in (a), (b) or (c) above; and

(ii) in relation to the Custodian:

(a) any person or company beneficially owning, directly or indirectly, 20 per cent or more of the ordinary share capital of the Custodian or able to exercise, directly or indirectly, 20 per cent or more of the total votes in the Custodian;

(b) any person or company controlled by a person who falls within (a) above;

(c) any company 20 per cent or more of whose ordinary share capital is beneficially owned, directly or indirectly, by the Custodian and any company 20 per cent or more of the total votes of which can be exercised, directly or indirectly, by the Custodian; and

(d) any director or officer of the Custodian or of any Connected Person of the Custodian as defined in (a), (b) or (c) above.

Article 8.-

Any regularly constituted meeting of the shareholders of the Company shall represent the entire body of shareholders of the Company. Its resolutions shall be binding upon all shareholders of the Company regardless of the Fund of which shares are held by them. It shall have the broadest powers to order, carry out or ratify acts relating to the operations of the Company.

Article 9.-

The annual general meeting of shareholders shall be held, in accordance with Luxembourg law, at the registered office of the Company, or at such other place in the Grand Duchy of Luxembourg as may be specified in the notice of meeting, at 11 a.m. on the twenty-first (21st) day of November. If such day is not a bank business day in Luxembourg, the annual general meeting shall be held on the next following bank business day in Luxembourg. The annual general meeting may be held abroad if, in the absolute and final judgement of the board of directors, exceptional circumstances so require.

If permitted by and under the conditions set forth in Luxembourg laws and regulations, the annual general meeting of shareholders may be held at another date, time or place than those set forth in the preceding paragraph, which date, time and place are to be decided by the board of directors.

Other meetings of shareholders may be held at such place and time as may be specified in the respective notices of meeting.

Article 10.-

The quorum and delays required by law shall govern the notice for and conduct of the meetings of shareholders of the Company, unless otherwise provided herein.

Each whole share of whatever Fund or Class and regardless of the Net Asset Value per share of the Fund or Class is entitled to one vote, subject to the limitations imposed by these Articles. A shareholder may act at any meeting of shareholders by appointing another person as his proxy in writing or by telefax message.

Except as otherwise required by law or as otherwise provided herein, resolutions at a meeting of shareholders or at a Class meeting or Fund meeting duly convened will be passed by a simple majority of the votes cast. Votes cast shall not include votes in relation to shares represented at the meeting but in respect of which the shareholders have not taken part in the vote or have abstained or have returned a blank or invalid vote.

The board of directors may determine all other conditions that must be fulfilled by shareholders for them to take part in any meeting of shareholders. Where there is more than one Class or Fund and the resolution of the general meeting is such as to change the respective rights thereof, such resolution must, in order to be valid, be approved separately by shareholders of such Class or Fund in accordance with the quorum and majority requirements provided for by Article 10.

Two or more Classes of shares or Funds may be treated as a single Class or Fund if such Funds or Classes would be affected in the same way by the proposals requiring the approval of holders of shares relating to the separate Funds or Classes.

Article 11.-

Shareholders will meet upon call by the board of directors, pursuant to notice setting forth the agenda, sent to the shareholder's address in the register of shareholders, in accordance with the Luxembourg law.

The notice of any general meeting of shareholders may provide that the quorum and the majority at this general meeting shall be determined according to the shares issued and outstanding at a certain date and time preceding the general meeting (the "Record Date"). The right of a shareholder to participate at a general meeting of shareholders and to exercise voting rights attached to his/its/her shares shall be determined by reference to the shares held by this shareholder as at the Record Date.

Article 12.-

The Company shall be managed by a board of directors composed of not less than three members. Members of the board of directors need not be shareholders of the Company. A majority of the board of directors shall at all times comprise persons not resident in the United Kingdom.

The Directors shall be appointed by the shareholders at a general meeting for a period ending at the next annual general meeting and until their successors are elected and qualify, provided, however, that a Director may be removed with or without cause and/or replaced or an additional director appointed at any time by resolution adopted by the shareholders.

No person, other than a Director retiring at the meeting (whether by rotation or otherwise), shall be appointed or re-appointed as Director at any general meeting unless:

- (a) he is recommended by the board of directors; or
- (b) not less than six nor more than thirty-five clear days before the day of the meeting, notice executed by a shareholder qualified to vote at the meeting (not being the person to be proposed) has been given to the chairman of the board of directors of the intention to propose that person for appointment or reappointment together with notice executed by that person of his willingness to be appointed or re-appointed.

In the event of a vacancy in the office of a Director because of death, retirement or otherwise the remaining Directors may meet and may elect, by majority vote, a Director to fill such vacancy until the next meeting of shareholders.

Article 13.-

The board of directors shall choose from among its members a chairman, and may appoint from among its members one or more vice-chairmen. It may also choose a secretary, who need not be a Director, who shall be responsible for keeping the minutes of the meetings of the board of directors and of the shareholders. The board of directors shall meet upon call by any two Directors, at the place indicated in the notice of meeting but so that no meetings may take place in the United Kingdom.

The chairman shall preside at all meetings of shareholders and at the board of directors, but failing a chairman or in his absence the shareholders or the board of directors may appoint any person as chairman pro tempore by vote of the majority present at any such meeting.

Written notice of any meeting of the board of directors shall be given to all Directors at least twenty-four hours (24) in advance of the hour set for such meeting, except in circumstances of emergency, in which case the nature of circumstances shall be set forth in the notice of meeting. This notice may be waived by the consent in writing or by telefax, email or other means capable of evidencing such consent of each Director. Separate notice shall not be required for individual meetings held at times and places prescribed in a schedule previously adopted by resolution of the board of directors.

Any Director may act at any meeting of the board of directors by appointing in writing or by telefax or email or other means capable of evidencing such consent another Director as his proxy. Directors may also cast their vote in writing or by telefax, email or other means capable of evidencing such vote.

Any Director may also participate at any meeting of the board of directors by videoconference or any other means of telecommunication permitting the identification of such Director. Such means must allow the Director(s) to participate effectively at such meeting of the board of directors. The proceedings of the meeting must be retransmitted continuously.

The Directors may only act at duly convened meetings of the board of directors. Directors may not bind the Company by their individual acts, except as specifically permitted by resolution of the board of directors.

The board of directors can deliberate or act validly only if at least a majority of the Directors are present or represented at a meeting of the board of directors and only if the majority of the Directors so present or represented are persons not resident in the United Kingdom. Decisions shall be taken by a majority of the votes of the Directors present or represented at such meeting. The chairman of the meeting shall not have a casting vote in any circumstances.

Resolutions of the board of directors may also be passed in the form of consent resolution in identical terms which may be signed on one or more counterparts by all the Directors.

The board of directors from time to time may appoint the officers of the Company, including a general manager, a secretary, and any assistant general managers, assistant secretaries or other officers considered necessary for the operation and management of the Company. Any such appointment may be revoked at any time by the board of directors. Officers need not be Directors or shareholders of the Company. The officers appointed, unless otherwise stipulated in these Articles, shall have the powers and duties given them by the board of directors.

The board of directors may delegate its powers to conduct the daily management and affairs of the Company and its powers to carry out acts in furtherance of the corporate policy and purpose, to physical persons or corporate entities which need not be members of the board. The board may also delegate any of its powers, authorities and discretions to any committee, consisting of such person or persons (whether a member or members of the board or not) as it thinks fit, provided that the majority of the members of the committee are Directors of the Company and that no meeting of the committee shall be quorate for the purpose of exercising any of its

powers, authorities or discretions unless a majority of those present are directors of the Company, provided further that no delegations may be made to a committee of the board of directors, the majority of which consists of Directors who are resident in the United Kingdom. No meeting of any committee of the board of directors may take place in the United Kingdom and no such meeting will be validly held if the majority of the Directors present or represented at that meeting are persons resident in the United Kingdom.

Article 14.-

The minutes of any meeting of the board of directors shall be signed by the chairman pro tempore who presided such meeting.

Copies or extracts of such minutes which may be produced in judicial proceedings or otherwise shall be signed by such chairman, or by the secretary, or by two Directors.

Article 15.-

The board of directors may decide that investments of the Company be made in financial derivative instruments, including equivalent cash settled instruments, dealt in on a regulated market as referred to in the Law and/or financial derivative instruments dealt in over-the-counter provided that, among others, the underlying consists of instruments covered by the Law, financial indices, interest rates, foreign exchange rates or currencies, in which the Company may invest according to its investment objectives as disclosed in the sales documents of the Company.

The board of directors may invest and manage all or any part of the pools of assets established for two or more Funds on a pooled basis, as described in Article 23, where it is appropriate with regard to their respective investment sectors to do so.

When investments of the Company are made in the capital of subsidiary companies which, exclusively on its behalf carry on only the business of management, advice or marketing in the country where the subsidiary is located, with regard to the redemption of units at the request of unitholders, paragraphs (1) and (2) of Article 48 of the Law do not apply. As from 1st July 2011 and under the conditions set forth in Luxembourg laws and regulations, the board of directors may, at any time it deems appropriate and to the widest extent permitted by applicable Luxembourg laws and regulations, but in accordance with the provisions set forth in the sales documents of the Company, (i) create any Fund qualifying either as a feeder UCITS or as a master UCITS, (ii) convert any existing Fund into a feeder UCITS or (iii) change the master UCITS of any of its feeder UCITS Funds.

Redemption requests that have not been dealt with in case of such deferral will be given priority as if the request had been made for the next following Valuation Date or dates until completion of full treatment of the original request, subject always to the limit set out under (ii) above. The redemption proceeds shall normally be paid within seven days which are business days in Luxembourg following the date on which the applicable Share Price was determined and shall be based on the Share Price for the relevant Class of the relevant Fund as determined in accordance with the provisions of Article 22 hereof, less any redemption charge in respect thereof and/or less any applicable dilution levy and/or less any contingent deferred charge and/or less any other charge as foreseen by the sales documents of the Company. If in exceptional circumstances the liquidity of the portfolio of assets maintained in respect of the Class of a given Fund being redeemed is not sufficient to enable the payment to be made within such a period, such payment shall be made as soon as reasonably practicable thereafter but without interest.

With the consent of or upon request of the shareholder(s) concerned, the board of directors may (subject to the principle of equal treatment of shareholders) satisfy redemption requests in whole or in part in kind by allocating to the redeeming shareholders investments from the portfolio in value equal to the Net Asset Value attributable to the shares to be redeemed as described in the Company's sales documents. Such redemption will, if required by law or regulation, be subject to a special audit report by the approved statutory auditor of the Company confirming the number, the denomination and the value of the assets which the board of directors will have determined to be contributed in counterpart of the redeemed shares. The costs for such redemptions in kind, in particular the costs of the special audit report, will be borne by the shareholder requesting the redemption in kind or by a third party, but will not be borne by the Company unless the board of directors considers that the redemption in kind is in the interest of the Company or made to protect the interests of the Company. The nature and type of assets to be transferred in such case shall be determined on a fair and reasonable basis and without prejudicing the interests of the other holders of shares in the relevant Fund.

Any such request must be filed or confirmed by such shareholder in written form at the registered office of the Company in Luxembourg or with any other person or entity appointed by the Company as its agent for redemption of shares. Proper evidence of transfer or assignment must be received by the Company or its agent appointed for that purpose before the redemption proceeds may be paid.

Shares of the capital stock of the Company redeemed by the Company shall be cancelled.

Any shareholder may in principle request switching of the whole or part of his shares of one Class into shares of another Class based on a switching formula as determined from time to time by the board of directors and disclosed in the sales documents of the Company provided that the

board of directors may impose such restrictions as to, inter alia, the availability of a share class for switching, frequency of switching, and may make switching subject to payment of such charge, as it shall determine and disclose in the Company's sales documents.

In the event that for a period of 30 consecutive days, for any reason the Net Asset Value of any Fund is lower than US\$10,000,000 or in the case of a Fund denominated in a currency other than U.S. dollars, the equivalent in that currency of such amount, or in case the board of directors deems it appropriate because of changes in the economic or political situation affecting the Company or the relevant Fund, or because it is in the best interests of the relevant shareholders, the board of directors may redeem all shares of the Fund at a price reflecting the anticipated realisation and liquidation costs and closing of the relevant Fund, free of charge, or may, merge that Fund with another Fund of the Company or with another Luxembourg undertaking for collective investment governed by the Law.

Termination of a Fund by compulsory redemption of all relevant shares or its merger with another Fund of the Company or with another Luxembourg undertaking for collective investment governed by the Law, in each case for reason other than those mentioned in the preceding paragraph, may be effected only upon its prior approval by the shareholders of the Fund to be terminated or merged, at a duly convened Fund meeting which may be validly held without a quorum and decided by a simple majority of the votes cast.

A merger so decided by the board of directors or approved by the shareholders of the affected Fund will be binding on the holders of shares of the relevant Fund upon 30 days prior notice given to them, during which period shareholders may redeem their shares, free of charge.

In the case of a merger with a "fonds commun de placement", the decision will be binding only on those shareholders having voted in favour of the merger.

As from 1 July 2011, the provisions set forth in the preceding 4 paragraphs which are applicable to the mergers of Funds and, where appropriate to the merger of the Company, shall no longer be applicable and the provisions on mergers of UCITS set forth in the Law and any implementing regulation shall apply. Thereupon, any merger of a Fund shall be decided by the board of directors unless the board of directors decides to submit the decision for a merger to a meeting of shareholders of the Fund concerned. No quorum is required for this meeting and decisions are taken by a simple majority of the votes cast. In case of a merger of a Fund where, as a result, the Company ceases to exist, the merger shall be decided by a meeting of shareholders resolving in accordance with the quorum and majority requirements for changing these Articles of Incorporation.

The board directors may decide to consolidate or split a Class of any Fund. The board of directors may also submit the question of the consolidation of a Class to a meeting of holders of such Class. Such meeting will resolve on the consolidation with a simple majority of the votes cast. Liquidation proceeds not claimed by the shareholders at the close of the liquidation of a Fund will be deposited at the Caisse de Consignation in Luxembourg. If not claimed they shall be forfeited in accordance with Luxembourg Law.

Article 21.-

The Net Asset Value and the Share Price of shares in the Company shall be determined as to the shares of each Class of each Fund by the Company from time to time, but in no instance less than twice monthly or, subject to regulatory approval, no less than once a month, as the board of directors by regulation may direct (every such day or time for determination thereof being referred to herein as a "Valuation Date"), but so that no day observed as a holiday by banks in Luxembourg shall be a Valuation Date.

The Company may suspend the determination of the Net Asset Value and the Share Price of shares of any particular Fund and the issue, switching and redemption of the shares in such Fund:

(a) during any period when any market or stock exchange, on which a material part of the investments of the relevant Fund for the time being is quoted, is closed (otherwise than for ordinary holidays), or during which dealings are substantially restricted or suspended;

(b) during the existence of any state of affairs as a result of which disposal or valuation of assets owned by the Company attributable to such Fund would be impracticable;

(c) during any breakdown in or restriction in the use of the means of communication normally employed to determine the price or value of any of the investments attributable to such Fund or the current prices or values of any stock exchange;

(d) during any period when the Company is unable to repatriate funds for the purpose of making payments on the redemption of such shares or during which any transfer of funds involved in the realisation or acquisition of investments or payments due on redemption of such shares cannot in the opinion of the Directors be effected at normal rates of exchange;

(e) during any period when in the opinion of the Directors of the Company there exist unusual circumstances where it would be impracticable or unfair towards the shareholders to continue dealing with shares of any Fund of the Company or any other circumstance or circumstances where a failure to do so might result in the shareholders of the Company, a Fund or a Class incurring any liability to taxation or suffering other pecuniary disadvantages or other detriment which the shareholders of the Company, a Fund or a Class might not otherwise have suffered; or

(f) if the Company, a Fund or a Class is being or may be wound-up, on or following the date on which such decision is taken by the board of directors or notice is given to shareholders of the general meeting of shareholders at which a resolution to wind-up the Company, a Fund or a Class is to be proposed.

(g) in the case of a merger of the Company or a Fund, if the board of directors deems this to be necessary and in the best interest of shareholders; or

(h) in the case of a suspension of the calculation of the net asset value of one or several funds in which a Fund has invested a substantial portion of assets.

Any such suspension shall be promptly notified to shareholders requesting redemption or switching of their shares by the Company at the time of the filing of the written request for such redemption as specified in Article 20 hereof. The board of directors may also make public such suspension in such a manner as it deems appropriate

Such suspension as to any Fund will have no effect on the calculation of the Net Asset Value, Share Price or the issue, redemption and switching of the shares of any other Fund.

Article 22.-

The Net Asset Value of a share of any Class in each Fund shall be expressed in the currency of expression of the relevant Fund (or Class) or in such other currency as the board of directors shall in exceptional circumstances temporarily determine as a per share figure and shall be determined in respect of any Valuation Date to be equal to the Net Asset Value of that Class on that day, adjusted to reflect any dealing charges, dilution levies or fiscal charges which the board of directors feels it is appropriate to take into account in respect of that Class, divided by the number of shares of that Class then in issue or deemed to be in issue and by rounding the total to such figure as the board of directors may determine from time to time and disclose in the sales documentation. The board of directors may also apply a dilution adjustment as disclosed in the offering documents of the Company.

The board of directors may resolve to operate equalisation arrangements in relation to the Company. Such arrangements shall constitute equalisation arrangements for the purposes of

Regulation 72 of the Offshore Funds (Tax) Regulations 2009 or any subsequent amendments or replacements thereof.

The valuation of the Net Asset Value of the respective Class of shares of the different Funds shall be made in the following manner:

A. The assets of the Company shall be deemed to include:

(a) all cash in hand or on, or instructed to be placed on deposit, including any interest accrued or to be accrued thereon;

(b) all bills and demand notes and accounts receivable (including proceeds of securities sold but not delivered);

(c) all bonds, time notes, shares, stock, debenture stocks, units/shares in undertakings for collective investment, subscription rights, warrants, options and other investments and securities owned or contracted for by the Company;

(d) all stock, stock dividends, cash dividends and cash distributions receivable by the Company to the extent information thereon is reasonably available to the Company (provided that the Company may make adjustments with regard to fluctuations in the market value of securities caused by trading ex-dividends, ex-rights, or by similar practices);

(e) all interest accrued on any interest-bearing securities owned by the Company except to the extent that such interest is included or reflected in the principal amount of such securities;

(f) the preliminary expenses of the Company insofar as the same have not been written off; and

(g) all other permitted assets of every kind and nature, including prepaid expenses.

The value of such assets shall be determined as follows:

(1) The value of any cash on hand or on deposit, bills and demand notes and accounts receivable, prepaid expenses, cash dividends and interest declared or accrued as aforesaid and not yet received shall be deemed to be the full amount thereof, unless in any case the same is unlikely to be paid or received in full, in which case the value thereof shall be arrived at after making such discount as the Company may consider appropriate in such case to reflect the true value thereof;

(2) the value of securities and/or financial derivative instruments which are listed on any official stock exchange or traded on any other organised market at the last available stock price. Where such securities or other assets are quoted or dealt in or on more than one stock exchange or other organised markets, the Directors shall select the principal of such stock exchanges or markets for such purposes;

(3) in the event that any of the securities held in the Company's portfolio on the relevant day are not listed on any stock exchange or traded on any organised market or if with respect to securities listed on any stock exchange or traded on any other organised market, the price as determined pursuant to sub-paragraph (2) is not, in the opinion of the board of directors, representative of the fair market value of the relevant securities, the value of such securities will be determined prudently and in good faith based on the reasonably foreseeable sales price or any other appropriate valuation principles;

(4) the financial derivative instruments which are not listed on any official stock exchange or traded on any other organised market will be valued in a reliable and verifiable manner on a daily basis and verified by a competent professional appointed by the Company;

(5) units or shares in underlying open-ended investment funds shall be valued at their last available Net Asset Value reduced by any applicable charges;

(6) liquid assets and money market instruments may be valued at market value plus any accrued interest or on an amortised cost basis as determined by the board of directors. All other assets, where practice allows, may be valued in the same manner. If the method of valuation on an amortised cost basis is used, the portfolio holdings will be reviewed from time to time under the direction of the board of directors to determine whether a deviation exists between the Net Asset Value calculated using the market quotation and that calculated on an amortised cost basis. If a deviation exists which may result in a material dilution or other unfair result to investors or existing shareholders, appropriate corrective action will be taken including, if necessary, the calculation of the Net Asset Value by using available market quotations; and

(7) in the event that the above mentioned calculation methods are inappropriate or misleading, the board of directors may adjust the value of any investment or permit some other method of valuation to be used for the assets of the Company if it considers that the circumstances justify that such adjustment or other method of valuation should be adopted to reflect more fairly the value of such investments.

B. The liabilities of the Company shall be deemed to include:

(a) all loans, bills and accounts payable;

(b) all accrued or payable administrative expenses (including management fee, custodian fee and corporate agents' insurance premiums fee for and any other fees payable to representatives and agents of the Company), as well as the costs of incorporation and registration, legal publications and prospectus printing, financial reports and other documents made available to shareholders;

(c) all known liabilities, present and future, including all matured contractual obligations for payments of money or property, including the amount of any unpaid dividends declared by the Company where the date of valuation falls on the record date for determination of the persons entitled thereto or is subsequent thereto;

(d) an appropriate provision for future taxes based on capital and income as at the date of the valuation and any other reserves, authorised and approved by the board of directors; and

(e) all other liabilities of the Company of whatsoever kind and nature, actual and contingent, except liabilities represented by shares in the relevant Fund toward third parties. In determining the amount of such liabilities the Company shall take into account all expenses payable by the Company comprising formation expenses, fees payable to its investment advisers or investment managers, fees and expenses payable to its management company (if appointed), accountants, custodian and its correspondents, domiciliary, registrar and transfer agents, any paying agent and permanent representatives in places of registration, any other agent employed by the Company, fees and expenses incurred in connection with the listing of the shares of the Company at any stock exchange or to obtain a quotation on another regulated market, fees for legal or auditing services, promotional, printing, reporting and publishing expenses, including the cost of advertising or preparing and printing of the prospectuses, explanatory memoranda, registration statements, or of interim and annual reports, taxes or governmental charges, and all other operating expenses, including the cost of buying and selling assets, interest, bank charges and brokerage, postage, telephone and telex. The Company may calculate all administrative and other expenses of a regular or periodical nature on an estimated figure for yearly or other periods in advance, and may accrue the same in equal proportions over any such period.

C. The Directors shall establish a pool of assets for Fund in the following manner:

(a) the proceeds from the allotment and issue of each Class of such Fund shall be applied in the books of the Company to the portfolio of assets established for that Fund, and the assets and liabilities and income and expenditure attributable thereto shall be applied to such pool subject to the provisions of this Article;

(b) where any asset is derived from another asset, such derivative asset shall be applied in the books of the Company to the same pool as the assets from which it was derived and on each re-evaluation of an asset, the increase or diminution in value shall be applied to the relevant pool;

(c) where the Company incurs a liability which relates to any asset of a particular pool or to any action taken in connection with an asset of a particular pool, such liability shall be allocated to the relevant pool;

(d) in the case where any asset or liability of the Company cannot be considered as being attributable to a particular pool, such asset or liability shall be allocated to all the pools pro rata to the Net Asset Values of each pool; provided that all liabilities, attributable to a pool shall be binding on that pool; and

(e) upon the record date for the determination of the person entitled to any dividend declared on any class of shares, the Net Asset Value of such class of shares shall be reduced by the amount of such dividends.

The Company is incorporated with multiple compartments as provided for in the Law. The assets of a specific compartment are exclusively available to satisfy the rights of creditors whose claims have arisen in connection with the creation, the operation or the liquidation of that compartment.

D. For the purpose of valuation under this Article:

(a) shares of the Company to be redeemed under Article 20 hereof shall be treated as existing and taken into account until immediately after the time specified by the Directors on the Valuation Date on which such valuation is made, and, from such time and until paid, the price therefore shall be deemed to be a liability of the Company;

(b) shares of the Company in respect of which subscription has been accepted but payment has not yet been received shall be deemed to be existing as from the close of business on the Valuation Date on which they have been allotted and the price therefore, until received by the Company, shall be deemed a debt due to the Company;

(c) all investments, cash balances and other assets of any Fund expressed in currencies other than the currency of denomination in which the Net Asset Value per share of the relevant Fund is calculated shall be valued after taking into account the market rate or rates of exchange in force at the date and time for determination of the Net Asset Value of the relevant Fund;

(d) effect shall be given on any Valuation Date to any purchases or sales of securities contracted for by the Company on such Valuation Date, to the extent practicable; and

(e) the valuation referred to above shall reflect that the Company is charged with all expenses and fees in relation to the performance under contract or otherwise by agents for management company services (if appointed), asset management, custodial, domiciliary, registrar and transfer agency, audit, legal and other professional services and with the expenses of financial reporting, notices and dividend payments to shareholders and all other customary administration services and fiscal charges, if any.

Article 23.-

1. The board of directors may invest and manage all or any part of the pools of assets established for one or more sub-fund(s) (hereafter referred to as "Participating Funds") on a pooled basis where it is applicable with regard to their respective investment sectors to do so. Any such enlarged asset pool ("Enlarged Asset Pool") shall first be formed by transferring to it cash or (subject to the limitations mentioned below) other assets from each of the Participating Funds. Thereafter the Directors may from time to time make further transfers to the Enlarged Asset Pool.

They may also transfer assets from the Enlarged Asset Pool to a Participating Fund, up to the amount of the participation of the Participating Fund concerned. Assets other than cash may be allocated to an Enlarged Asset Pool only where they are appropriate to the investment sector of the Enlarged Asset Pool concerned.

2. The assets of the Enlarged Asset Pool to which each Participating Fund shall be entitled, shall be determined by reference to the allocations and withdrawals made on behalf of the other Participating Funds.

3. Dividends, interests and other distributions of an income nature received in respect of the assets in an Enlarged Asset Pool will be immediately credited to the Participating Funds, in proportion to their respective entitlements to the assets in the Enlarged Asset Pool at the time or receipt.

Article 24.-

Whenever the Company shall offer shares for subscription, the price per share at which such shares shall be offered and sold, shall be based on the Share Price as hereinabove defined for the relevant Class of the relevant Fund, plus any sales commission and/or any charge including but not limited to dealing charges or dilution levies as described in the sales documents. The price per share will be rounded upwards or downwards as the board of directors may resolve. The price so determined shall be payable within a period as determined by the directors and disclosed in the Company's sales documents after the date on which the application was accepted. The Share Price (not including the sales commission) may, upon approval of the board of directors, and subject to all applicable laws and regulations, namely with respect to a special audit report confirming the value of any assets contributed in kind (if legally required), be paid by contributing to the Company securities acceptable to the board of directors consistent with the investment policy and investment restrictions of the Company. The costs for such subscription in kind, in particular the costs of the special audit report, will be borne by the shareholder requesting the subscription in kind or by a third party, but will not be borne by the Company unless the board of directors considers that the subscription in kind is in the interest of the Company or made to protect the interests of the Company.

Article 25.-

The accounting year of the Company shall begin on the first of July of each year and shall terminate on the thirtieth of June of the following year.

The accounts of the Company shall be expressed in U.S. dollars or to the extent permitted by laws and regulations such other currency, as the board of directors may determine. Where there shall be different Funds as provided for in Article 5 hereof, and if the accounts within such Funds are expressed in different currencies, such accounts shall be converted into U.S. dollars and added together for the purpose of determination of the accounts of the Company.

Article 26.-

The Shareholders shall in a special Fund meeting, upon proposal from the Directors and within the limits provided by Luxembourg law, determine how the results of the Company shall be disposed of and other distributions shall be effected and may from time to time declare, or authorise the Directors to declare distributions. The Directors may decide to issue, on such terms as the Directors shall determine in their discretion, within each Fund and for each Class, shares on which income is either distributed ("distribution shares") or accumulated ("accumulation shares").

For any Fund or Class of shares, the Directors may decide to pay interim dividends in compliance with the conditions set forth by law. The annual general meeting resolving on the approval of the annual accounts shall also ratify interim dividends resolved by the Directors. Distribution shares confer in principle on their holders the right to receive dividends declared on the portion of the net assets of the Company attributable to the relevant Class in accordance with

the provisions below. Accumulation shares do not in principle confer on their holders the right to dividends. The portion of the net assets of the Company attributable to accumulation shares of the relevant class of shares in accordance with the provisions below shall automatically be reinvested within the relevant Class and shall automatically increase the Net Asset Value of these shares.

The Directors shall for the purpose of the calculation of the Net Asset Value of the shares as provided in Article 22 operate within each Fund and Class separate pool of assets corresponding to distribution and accumulation shares in such manner that at all times the portion of the total assets of the relevant Fund and Class attributable to the distribution shares and accumulation shares respectively shall be equal to the portion of the total of distribution shares and accumulation shares respectively in the total number of shares of the relevant Fund and Class.

Dividends may further, in respect of any Class, include an allocation from an equalisation account which may be maintained in respect of any such Class and which, in such event, will in respect of such Class, be credited upon issue of shares and debited upon redemption of shares, in an amount calculated by reference to the accrued income attributable to such shares.

Interim dividends may, subject to such further conditions as set forth by law, be paid out on the shares of any Class upon decision of the board of directors.

Dividends paid in cash will normally be paid in the currency in which the relevant class of shares is expressed or, in exceptional circumstances, in such other currency as selected by the board of directors and may be paid at such places and times as may be determined by the board of directors. The board of directors may make a final determination of the rate of exchange applicable to translate dividends into the currency of their payment.

The Board may decide that dividends be automatically reinvested for any Fund unless a shareholder entitled to receive cash distribution elects to receive payment of such dividends. However, no dividends will be paid if their amount is below an amount to be decided by the board of directors from time to time and published in the sales documents of the Company. Such dividends will automatically be reinvested.

No distribution shall be made if as a result thereof the capital of the Company becomes less than the minimum required by law.

Article 27.-

The Company may enter into an investment management agreement with an affiliate of Aberdeen Asset Management PLC (which affiliate is referred to herein as the "Manager") for the management of the assets of the Company. In the event of termination of such agreement in any manner whatsoever, the Company will change its name forthwith upon the request of Aberdeen Asset Management PLC to a name omitting the word "Aberdeen" and not resembling the one specified in Article 1.

The Company may enter into an administrative services agreement with a company licensed to provide the relevant services (the "Administrator"), whereunder the Administrator will carry out the administrative business of the Company. Alternatively or in addition, the Company may enter into a management services agreement with a management company authorised under the Law (the "Management Company") pursuant to which it designates such Management Company to supply the Company with investment management, administration and marketing services.

Article 28.-

In the event of a dissolution of the Company, liquidation shall be carried out by one or several liquidators (who may be physical persons or legal entities) named by the meeting of shareholders effecting such dissolution and which shall determine their powers and their compensation. The net proceeds of liquidation corresponding to each Class shall be distributed by the liquidators to the holders of shares of each Class of each Fund in proportion of their holding of shares in such Class

of each Fund either in cash or, upon the prior consent of the shareholder, in kind. Any funds to which shareholders are entitled upon the liquidation of the Company and which are not claimed by those entitled thereto prior to the close of the liquidation process shall be deposited for the persons entitled thereto to the Caisse de Consignation in Luxembourg in accordance with the Law. Amounts so deposited shall be forfeited in accordance with Luxembourg laws.

Article 29.-

These Articles of Incorporation may be amended from time to time by a meeting of shareholders, subject to the quorum requirements provided by the laws of Luxembourg and the majority requirements provided by Article 10. Any amendment affecting the rights of the holders of shares of any Fund or Class vis-à-vis those of any other Fund or Class shall be subject, to the said quorum and majority requirements in respect of each such relevant Fund or Class.

Article 30.-

All matters not governed by these Articles of Incorporation shall be determined in accordance with the law of 10th August 1915 on commercial companies, as amended, and the Law.
