Performance & Calendar Year Returns

Past performance is not necessarily a guide to the future. Returns may increase or decrease as a result of currency fluctuations. Performance is net of fees and representative of the USD Ord Inc. Share Class and shows a maximum of five previous calendar years and current year (computed on a NAV to NAV basis). Where share class inception begins prior to the five previous years the chart has been rebased to 100. Source: EFG Asset Management, Bloomberg. As at 30 November 2017.
