We produce a glossary to assist you in case you find any of the investment terms we've used in this factsheet unfamiliar. This is available from our website.

UNCOMMITTED CASH POLICY

On a daily basis and subject to Fund restrictions / Investment Manager discretion, uncommitted cash may be placed overnight into money market funds (currently funds managed by Northern Trust). These money market funds are reviewed on an ongoing basis and the intention is only to use funds that are rated Aaa/MR1+ by Moody's (or an equivalent rating by another ratings agency). The money is placed in these funds to diversify risk on uncommitted cash. The money market funds are not guaranteed and their value may go down as well as up.
