This marketing document is issued by Pictet Asset Management (Europe) S.A. It is neither directed to, nor intended for distribution or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation. Only the latest version of the fund's prospectus, regulations, key Investor Information Document annual and semi-annual reports may be relied upon as the basis for investment decisions. These documents are available on www.assetmanagement.pictet or at Pictet Asset Management (Europe) S.A., 15 Avenue J.F. Kennedy, L-1855 Luxembourg.

The information and data presented in this document are not to be considered as an offer or solicitation to buy, sell or subscribe to any securities or financial instruments.

Information, opinions and estimates contained in this document reflect a judgment at the original date of publication and are subject to change without notice. Pictet Asset Management (Europe) S.A. has not taken any steps to ensure that the securities referred to in this document are suitable for any particular investor and this document is not to be relied upon in substitution for the exercise of independent judgment. Tax treatment depends on the individual circumstances of each investor and may be subject to change in the future. Before making any investment decision, investors are recommended to ascertain if this investment is suitable for them in light of their financial knowledge and experience, investment goals and financial situation, or to obtain specific advice from an industry professional.

In case the fund has ever changed its benchmark, all historical benchmarks will be indicated in this document and the Index performances shown in the table will be chain-linked performances of all historical benchmarks of the fund. The value and income of any of the securities or financial instruments mentioned in this document may fall as well as rise and, as a consequence, investors may receive back less than originally invested. Risk factors are listed in the fund's prospectus and are not intended to be reproduced in full in this document.

Past performance is neither guarantee nor a reliable indicator of future results. Performance data does not include the commissions and fees charged at the time of subscribing for or redeeming shares. Historical statistics are calculated over 3 years. NAVs relating to dates on which shares are not issued or redeemed ("non-trading NAVs") may be published here. They can only be used for statistical performance measurements and calculations or commission calculations and cannot under any circumstances be used as a basis for subscription or redemption orders. This marketing material is not intended to be a substitute for the fund's full documentation or for any information which investors should obtain from their financial intermediaries acting in relation to their investment in the fund or funds mentioned in this document. For hedged shareclasses, only the compartment's consolidation currency is hedged into the shareclass currency. Foreign exchange exposure, resulting from assets in the portfolio which are not denominated in the consolidation currency, can remain.
