You are advised to read it so you can make an informed decision about whether to invest.

LO Funds - Alpha Japan, (JPY), MA

(the "Sub-Fund") a Sub-Fund of Lombard Odier Funds (the "SICAV")

Category M, Class accumulated, Currency JPY, ISIN LU0866412918 (the "Class")

This Sub-Fund is managed by Lombard Odier Funds (Europe) S.A., part of Lombard Odier Group

Objectives and Investment Policy

Objectives and Investment Policy

The Sub-Fund is actively managed. The Topix TR is used for performance and internal risk indicators comparison, without implying any particular constraints to the sub-fund investments.

The Sub-Fund aims to generate capital growth over the long term. It mainly invests in equity securities issued by companies incorporated or exercising a prominent part of their business activity in Japan. In selecting the individual stocks, the Investment Manager is guided by its own fundamental analysis of companies. The Sub-Fund is actively managed and targets mispriced companies showing strong fundamentals

and a bright future not recognized by the market. The result is a relatively concentrated portfolio made up of shares in 60 to 80 different companies. The use of derivatives is part of the investment strategy.

Risk and Reward Profile

What does it mean?

This indicator (SRRI) represents the annualized historical volatility of the Sub-Fund over a 5-year period. Where there are less than 5 years worth of data, missing returns are simulated using an appropriate benchmark. The SRRI may change over time and should not be used as an indicator of future risk or returns. Even the lowest risk classification does not imply that the Sub-Fund is risk-free or that capital is necessarily guaranteed or protected.

Category

The Sub-Fund invests in a diversified portfolio of shares, at least two-thirds of which have been issued by companies incorporated or exercising a prominent part of their business activity in Japan.

Are there any other particular risks?

The following risks may be materially relevant but may not always be

adequately captured by the synthetic risk indicator and may cause additional loss:

- Operational risk and risks related to asset safekeeping: In specific circumstances, there may be a material risk of loss resulting from human error, inadequate or failed internal systems, processes or controls, or from external events.
- Concentration risk: To the extent that the fund's investments are concentrated in a particular country, market, industry, sector or asset class, the fund may be susceptible to loss due to adverse occurrences affecting that country, market, industry, sector or asset class.
- Financial, economic, regulatory and political risks: Financial instruments are impacted by various factors, including, without being exhaustive, the development of the financial market, the economic development of issuers who are themselves affected by the general world economic situation, and economic, regulatory and political conditions prevailing in the relevant country.

For more details about risk, see appendix B "Risk Factors" of the prospectus.

Charges

One-off charges taken before or after you invest	
Entry charge	Up to 5.00%
Exit charge	0.00%
This is the maximum that might be taken out of your money before it is invested and before the proceeds of your investment are paid out.	
Charges taken from the Class over a year	
Ongoing charge	1.23%
Charges taken from the Class under certain specific conditions	
Performance fee	20.00%

Performance fee: 20.00% a year of any returns the fund achieves the TOPIX TR JPY. The Sub-Fund must recoup any prior losses before the investment manager may take a performance fee.

The charges you pay are used to pay the costs of running the Sub-Fund,

including the costs of marketing and distributing it.

These charges reduce the potential growth of your investment.

The entry and exit charges shown are maximum figures. In case of a switch between sub-funds, a maximum charge of 0.50% of the value of the shares being switched will apply.

In some cases you might pay less – you can find this out from your financial adviser or distributor.

The ongoing charges figure is based on expenses for the 12-month period ending on the date of this document. This figure may vary from year to year.

For more information about charges, see "Charges and Expenses" in section 10 of the prospectus. The prospectus is available at www.loim.com.
