Important Information

All data contained herein are sourced by Lazard Asset Management or affiliates unless otherwise noted. This is a financial promotion and is not intended to constitute investment advice. The Lazard Emerging Markets Equity Fund is a sub-fund of Lazard Global Active Funds plc, an open-ended investment company with variable capital structured as an umbrella fund with segregated liability between sub-funds incorporated with limited liability and is authorised and regulated as UCITS by the Central Bank of Ireland. Lazard Global Active Funds plc are recognised by the Financial Conduct Authority (FCA) under section 264 of the Financial Services & Markets Act 2000 ("FSMA") and therefore regulates the marketing of the funds within the UK. The Central Bank of Ireland regulates all other aspects of the Fund's operations. There will be no right to cancel any agreement under the FCA cancellation rules. Compensation under the Financial Services Compensation Scheme will not be available. Copies of the full Prospectus, the relevant Key Investor Information Document (KIID) and the most recent Report and Accounts are available in English, and other languages where appropriate, on request from the address below or at www.lazardassetmanagement.com. Investors and potential investors should read and note the risk warnings in the prospectus and relevant KIID. There can be no assurance that the Fund's objectives or performance target will be achieved. Any views expressed herein are subject to change. Past performance is not a reliable indicator of future results. The value of investments and the income from them can fall as well as rise and you may not get back the amount you invested. The information provided herein should not be considered a recommendation or solicitation to purchase, retain or sell any particular security. It should also not be assumed that any investment in these securities was or will be profitable. The portfolio may be affected by changes in the exchange rate between the portfolio's base currency, the currency of your investments and your home currency. Any yield quoted is gross and is not guaranteed. It is subject to fees, taxation and charges within the Fund and the investor will receive less than the gross yield. Emerging and developing markets can face significant political, economic or structural challenges. The portfolio may experience delays in buying, selling and claiming ownership of investments and there is an increased risk that the portfolio may not get back the money invested.
