This Sub-Fund is managed by AXA Funds Management S.A., part of the AXA IM Group

Objective and Investment Policy

Investment Objective

The Sub-Fund seeks to achieve long-term capital growth measured in USD by investing in equities issued by worldwide companies of all capitalisations.

Investment Policy

The Sub-Fund is actively managed in order to capture opportunities in worldwide equity markets. Investment decisions are based on a combination of macroeconomic, sector and company specific analysis. The share selection process relies mainly on a rigorous analysis of the companies' business model, quality of management, growth prospects and overall risk return profile, driven by sector specialists.
The Sub-Fund invests in equities and equity related instruments issued by international companies of all capitalisations.
The Sub-Fund may also invest up to 10% of its assets in convertible securities.
The Sub-Fund applies AXA IM Environment, Social and Governance (ESG) Standards available on www.axa-im.com/en/responsible-investing.
Within the limit of 200% of the Sub-Fund's net assets, the investment strategy may be achieved by direct investments and/or through derivatives. Derivatives may also be used for hedging purposes.

Income

For Capitalisation share classes (Cap), the dividend is reinvested.

Sub-Fund Currency

The reference currency of the Sub-Fund is USD.

This Sub-Fund may not be suitable for investors who plan to withdraw their contribution within 8 years.

Processing of subscription and redemption orders

The subscription, conversion or redemption orders must be received by the Registrar and Transfer Agent on any Valuation Day no later than 3 p.m. Luxembourg time. Orders will be processed at the Net Asset Value applicable to such Valuation Day. The investor's attention is drawn to the existence of potential additional processing time due to the possible involvement of intermediaries such as Financial Advisers or distributors.

The Net Asset Value of this Sub-Fund is calculated on a daily basis.

Risk and Reward Profile

Lower risk ← → **Higher risk**

Potentially lower reward — Potentially higher reward

1	2	3	4	5	**6**	7

The risk category is calculated using historical performance data and may not be a reliable indicator of the Sub-Fund's future risk profile.

The risk category shown is not guaranteed and may shift over time.

The lowest category does not mean risk free.

Why is this Sub-Fund in this category?

The capital of the Sub-Fund is not guaranteed. The Sub-Fund is invested in financial markets and uses techniques and instruments which may be subject to sudden and significant variation, which may result in substantial gains or losses.

Additional Risks

Counterparty Risk: Risk of bankruptcy, insolvency, or payment or delivery failure of any of the Sub-Fund's counterparties, leading to a payment or delivery default.

Geopolitical Risk: investments in securities issued or listed in different countries may imply the application of different standards and regulations. Investments may be affected by movements of foreign exchange rates, changes in laws or restrictions applicable to such investments, changes in exchange control regulations or price volatility.

Impact of any techniques such as derivatives: Certain management strategies involve specific risks, such as liquidity risk, credit risk, counterparty risk, legal risk, valuation risk, operational risk and risks related to the underlying assets.
The use of such strategies may also involve leverage, which may increase the effect of market movements on the Sub-Fund and may result in significant risk of losses.
