<sup>1</sup> Calculated at the net asset value, excl. front-end load, distributions reinvested. Calculation according to method as defined by BVI, the German Fund Companies Association. Past performance is not a reliable indicator of future results. **The applicable front-end load is deducted from the capital invested and the indicated performance, otherwise performance is calculated net of annual fees. Regarding abbreviations in the table heading: p.a. means Per Annum, s.inc means Since Inception.**

<sup>2</sup> Securities may be held directly or indirectly, for example via target fund investments.

<sup>3</sup> Bond ratings stated above are assigned by S&P and are not indication of an issuer's credit worthiness. Ratings range from AAA (highest) to CCC (lowest). The credit quality of the investments in the portfolio does not apply to the stability or safety of the portfolio itself.

<sup>4</sup> If the acquisition of Fund units is subject to a sales charge, up to 100% of such sales charge may be collected by the distributor; the exact amount shall be mentioned by the distributor as part of the investment advisory process. This also applies to any payment by the Management Company of an ongoing distribution fee from the all-in fee to the distributor. The all-in fee includes the expenses previously called management, administration and distribution fees.

<sup>5</sup> TER (Total Expense Ratio): Total cost (except transaction costs) charged to the fund during the last financial year.
