RISK AND REWARD PROFILE

The following risks may not be fully captured by the risk and reward indicator:

- The Sub-Fund is ranked 6 on the synthetic risk and reward indicator scale due to its exposure to equity markets.
- Historical data may not be a reliable indication for the future.
- The risk category shown is not guaranteed and may shift over time. There is no capital guarantee or protection on the value of the Sub-Fund.
- The lowest category does not mean "risk free".

- Liquidity risk represents the price reduction which the UCITS should potentially accept to have to sell certain securities for which there is one insufficient request on the market.

Further Investment risks are set out in the "Principle Risks" section of the Prospectus.

CHARGES OF THE FUND

One-off charges taken before or after you invest

Entry charge	4.00%
Exit charge	None

This is the maximum that might be taken out of your money before it is invested.
Please refer to your financial advisor or the distributor for the actual charges.

Charges taken from the Fund over a year

Ongoing charges	1.80%
-----------------	-------

Charges taken from the Fund under certain specific conditions

Performance fee	20% of the performance above the reference index; None for the previous exercise.
-----------------	---

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

As the share class has not had a full year of performance, the ongoing charges figure is an estimated figure. This figure may vary from year to year.

Ongoing charges do not include the following:

- Performances fees.
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling units in another collective investment undertaking.

For more information on charges, please refer to the "Charges and Expenses" section of the Prospectus, which is available at <http://www.nam.natixis.com>.
