

QUAM 10 (the "Sub-Fund"), a Sub-Fund of EDMOND DE ROTHSCHILD FUND (the "Fund")

Share Class B EUR (the "Class") - LU1005540114

Management Company : Edmond de Rothschild Asset Management (Luxembourg)

Objectives and Investment Policy

Investment objective: The Sub-Fund follows a clearly defined strategy for the placement of assets based on controlling the portfolio's risk from annual volatility. Purchase and sale decisions are based upon directional quantitative systems over the medium term. The investment of assets is adjusted to the prevailing market conditions and has the objective of not exceeding a mean annual volatility of 10%. This objective does not constitute a guarantee of any sort that the mean annual volatility will never exceed 10%. The Sub-Fund is actively managed.

Benchmark index: none

Investment policy: The Sub-Fund invests its assets in securities from all over the world whether or not they are accepted for official quotation in any stock exchange and whether or not traded in any Regulated Market or Other Regulated Market, without restriction or limitation in terms of geographical, industrial, or sector diversification, whether shares, bonds with fixed, variable, revisable, floating, minimal, maximal, indexed or zero coupons, convertible, exchangeable or option bonds, and Money Market Instruments.

The Sub-Fund shall achieve this objective by investing in shares or units issued by Open-Ended Investment Funds with a policy of investing in such securities or whose portfolio is composed of such securities.

In order to achieve the investment objective of the Sub-Fund, and without prejudice to the foregoing, the Investment Manager may at any time decide to place all or part of the assets of the Sub-Fund on deposit at a financial institution including the Depositary, and it shall be understood that:

- deposits shall be reimbursable and may be withdrawn by the Sub-Fund upon maturity; and

- such financial institution shall have its registered office within the European Union or if the registered office of the financial institution is located in any third country it shall be subject to prudential regulation which is considered by the Luxembourg supervisory body to be equivalent to that provided under EU law.

In order to protect the assets of the Sub-Fund against fluctuations in exchange rates, the Sub-Fund may have recourse to financial derivative instruments.

The Sub-Fund will not use TRS or SFT.

Recommended holding period of 3 years

Frequency of share buying or selling: Every Luxembourg bank business day except for Good Friday and 24 December (Christmas Eve)

Income allocation: Distribution

Risk and Reward Profile

1	2	3	4	5	6	7
---	---	---	---	---	---	---

The definition of the risk and reward category is based on the historical performance data and/or the risk limit indicated in the Sub-Fund's investment policy. It may not be a reliable indication of the future risk profile of the Sub-Fund. The risk and reward category shown may change over time. Category 1 does not mean that an investment is risk-free. Investors should note that the Sub-Fund is not guaranteed or capital protected.

This Sub-Fund is rated in category 4, in line with the type of securities and geographic regions detailed under the heading "Objectives and investment policy", as well as the currency of the unit.

Significant risks not taken into account in this indicator:

Liquidity risk : The markets for some securities and instruments may have limited liquidity. This limited liquidity could be a disadvantage to the Sub-Fund, both in the realisation of the prices quoted and the execution of orders at desired prices.

Counterparty risk : Where a Fund is backed by collateral or has significant investment exposure through contracts with a third party.

Operational risk : The Sub-Fund may suffer losses due to the failure of operational processes, including those related to the safekeeping of assets.

The occurrence of any of these risks may negatively impact the net asset value.

Charges

One-off charges taken before or after you invest	
Entry charge	2.00%
Exit charge	0.50%
This is the maximum that might be taken out of your money before it is invested or paid out.	
Charges taken from the Fund over a year	
Ongoing charges	2.18%
Charges taken from the Fund under certain specific conditions	
Performance fee	
Until 31/12/2020: 15% per year of the outperformance of the Class compared to the benchmark index EURIBOR - 1 month. As of 01/01/2021 no performance fee will be charged.	

Charges and fees are paid to cover the operating costs of the Sub-Fund, including the cost of marketing and distributing share classes. These costs reduce the potential growth of your investment.

Investors may obtain the actual amount of entry and exit charges from their advisor or distributor. In certain cases you might pay less.

The figure is based on expenses calculated at the end of December 2020. This figure may vary from year to year. It excludes performance fees and intermediary fees except entry and exit charges paid by the Sub-Fund when buying or selling units and/or shares of another UCI.

For more information about charges, including information on performance fees and their calculation, please refer to the Sub-Fund's data sheet in the Fund prospectus.

Past Performance

A : The Sub-Fund and the Class were launched in January 2014 following the merger by acquisition of a sub-fund of the Luxembourg UCITS Edmond de Rothschild Prifund (the "Absorbed Sub-Fund"). The Sub-Fund and the Absorbed Sub-Fund have identical characteristics, in particular with regard to the investment manager, expenses and fees and the investment policy. Disclosed past performance figures in relation with periods before January 21st, 2014, are those of the Class B - EUR of the Absorbed Sub-Fund.

Past performance is not an indication of future performance. It may vary over time. The performance indicated does not take into account costs and fees on issues and redemptions of units, but does include ongoing charges and intermediary fees as well as any performance fees collected.

Past performances are calculated in EUR, net dividends reinvested.

QUAM 10 was launched on 21/01/2014
