Investment strategy

The objective of the Sub-Fund is to achieve high-dividend income and capital appreciation via investments in equity securities of REITs and other real estate companies in developed and emerging markets. These investments are supported by strong fundamental analysis of return and risk and selected from an independent universe assembled by the Investment Manager of about 700 global real estate companies. It is intended to achieve an outperformance of the dividend yield offered by the benchmark (as indicated below) on annual basis.
