After due deliberation, the Meeting takes the following resolutions:

FIRST RESOLUTION

The entirety of the share capital of the Company being represented at the Meeting, the Meeting waives the convening notices, the Shareholders considering themselves as duly convened and declaring having perfect knowledge of the agenda which has been communicated to them in advance.

SECOND RESOLUTION

The Shareholders note the terms on the 2010 Act which recast the Luxembourg act of 20 December 2002 on "undertakings for collective investments" and consider the benefits for the Company to update its Articles and comply with the 2010 Act.

The Shareholders resolve to restate the Articles in their entirety in order to comply with the 2010 Act which shall henceforth read as follows:

THIRD RESOLUTION

"RESTATED ARTICLES OF SIITNEDIF TORDESILLAS SICAV"

1. ARTICLE 1. - NAME

1.1 There is hereby formed among the subscribers, and all other persons who shall become owners of the shares hereafter created, an investment company with variable capital (*société d'investissement à capital variable*) in the form of a public limited liability company (*société anonyme*) under the name "**Siitnedif Tordesillas SICAV**" (the **Company**).

1.2 Any reference to shareholders of the Company (**Shareholders**) in the articles of incorporation of the Company (the **Articles**) shall be a reference to one (1) Shareholder as long as the Company shall have one (1) Shareholder.

2. ARTICLE 2. - REGISTERED OFFICE

2.1 The registered office of the Company is established in the municipality of Mamer, Grand Duchy of Luxembourg. It may be transferred within the boundaries of the municipality of Mamer (or elsewhere in the Grand Duchy of Luxembourg if and to the extent permitted under the law of 10 August 1915 on commercial companies (the **1915 Act**), as amended) by a resolution of the board of directors (the **Board**) or the general meeting of Shareholders (the **General Meeting**).

2.2 The Board shall further have the right to set up offices, administrative centres and agencies wherever it shall deem fit, either within or outside of the Grand Duchy of Luxembourg.

2.3 If extraordinary events of political, economic or social nature, likely to impair the normal activity at the registered office or the easy communication between that office and foreign countries, shall occur or shall be imminent, the registered office may be provisionally transferred abroad until such time as circumstances have completely returned to normal. Such a transfer will have no effect on the nationality of the Company, which shall remain a Luxembourg company. The declaration of the provisional transfer abroad of the registered office will be made and brought to the attention of third parties by the officer of the Company best placed to do so in the circumstances.

3. ARTICLE 3. - DURATION

The Company is established for an unlimited duration.

4. ARTICLE 4. - OBJECT OF THE COMPANY

4.1 The exclusive purpose of the Company is to invest the assets of the Company in transferable securities and other assets permitted by law in accordance with the principle of risk diversification, within the limits of the investment policies and restrictions determined by the Board pursuant to article 19, and with the objective of paying out to Shareholders the profits resulting from the management of the assets of the Company, either through

distributions or through accumulation of income in the Company.

4.2 The Company may take any measures and execute any transactions that it considers expedient with regard to the fulfilment and implementation of the object of the Company to the full extent permitted by Part I of the act dated 17 December 2010 concerning undertakings for collective investment as well as subsequent amendments and laws in relation thereto (the **2010 Act**).

5. ARTICLE 5. - SHARE CAPITAL, SHARE CLASSES

5.1 The capital of the Company will at all times be equal to the total net assets of the Company and will be represented by fully paid-up shares of no par value.

5.2 The minimum capital, as provided by law, is fixed at EUR 1,250,000 (one million two hundred and fifty thousand euro) to be reached within a period of six months as from the authorisation of the Company by the Luxembourg supervisory authority. Upon the decision of the Board, the shares issued in accordance with these Articles may be of more than one share class. The proceeds from the issue of shares of a share class, less a sales commission (sales charge) (if any), are invested in transferable securities of all types and other legally permissible assets in accordance with the investment policy as set forth by the Board and taking into account investment restrictions imposed by law.

5.3 For the avoidance of doubt, the Shares of a Target Sub-Fund held by an Investing Sub-Fund will not be taken into account for the purpose of the calculation of the EUR 1,250,000 minimum capital requirement.

5.4 The Company has an umbrella structure, each compartment corresponding to a distinct part of the assets and liabilities of the Company (a **Sub-fund**) as defined in article 181(1) of the 2010 Act, and that is formed for one or more share classes of the type described in these Articles. Each Sub-fund will be invested in accordance with the investment objective and policy applicable to that Sub-fund, the investment objective policy (including, as the case may be, acting as a feeder Sub-fund or master Sub-fund), as well as the risk profile and other specific features of each Sub-fund are set forth in the prospectus of the Company (the **Prospectus**). Each Sub-fund may have its own funding, share classes, investment policy, capital gains, expenses and losses, distribution policy or other specific features.

5.5 Within a Sub-fund, the Board may, at any time, decide to issue one or more classes of shares the assets of which will be commonly invested but subject to different fee structures, distribution, marketing targets, currency or other specific features, including special rights as regards the appointment of directors in accordance with article 13. A separate net asset value per share, which may differ as a consequence of these variable factors, will be calculated for each class.

5.6 The Company may create additional classes whose features may differ from the existing classes and additional Sub-funds whose investment objectives may differ from those of the Sub-funds then existing. Upon creation of new Sub-funds or classes, the Prospectus will be updated, if necessary.

5.7 The Company is one single legal entity. However, the rights of the Shareholders and creditors relating to a Sub-fund or arising from the setting-up, operation and liquidation of a Sub-fund are limited to the assets of that Sub-fund. The assets of a Sub-fund are exclusively dedicated to the satisfaction of the rights of the Shareholder relating to that Sub-fund and the rights of those creditors whose claims have arisen in connection with the setting-up, operation and liquidation of that Sub-fund, and there shall be no cross liability between Sub-funds, in derogation of article 2093 of the Luxembourg Civil Code.

5.8 The Board may create each Sub-fund for an unlimited or limited period of time; in the latter case, the Board may, at the expiration of the initial period of time, extend the duration of that Sub-fund one or more times. At the expiration of the duration of a Sub-fund, the Company shall redeem all the shares in the class(es) of shares of that Sub-fund, in accordance with article 8, irrespective of the provisions of article 23. At each extension of the duration of a Sub-fund, the registered Shareholders will be duly notified in writing, by a notice sent to their address as recorded in the Company's register of Shareholders. The Company will inform the bearer Shareholders by a notice published in newspapers to be determined by the Board, if these investors and their addresses are not known to the Company. The Prospectus shall indicate the duration of each Sub-fund and, if applicable, any extension of its duration.

5.9 For the purpose of determining the capital of the Company, the net assets attributable to each class of shares will, if not already denominated in euro, be converted into euro. The capital of the Company equals the total of the net assets of all the classes of shares.

6. ARTICLE 6. - SHARES

6.1 Individual, collective and global certificates may be issued; no claim can be made on the issue of physical securities. The Board determines whether the Company issues shares in bearer and/or in registered form. If bearer share certificates are issued, they will be issued in such denominations as the Board prescribes, and they may be imprinted with a notice that they may not be transferred to any Restricted Person (as defined in article 10) or entity established by or for a Restricted Person. The applicability of the regulations of article 10 does not, however, depend on whether certificates are imprinted with such a notice.

6.2 All registered shares issued by the Company are entered in the register of Shareholders, which is kept by the Company or by one or more persons designated by the Company. This register contains the names of the owners of registered shares, their permanent residence or elected domicile as indicated to the Company, and the number of registered shares held by them.

6.3 The entry of the Shareholder's name in the register of shares evidences the Shareholder's right of ownership to such registered shares. The Company decides whether a certificate for such entry is delivered to the Shareholder or whether the Shareholder receives a written confirmation of its shareholding.

6.4 If bearer shares are issued, registered shares may be converted into bearer shares

and bearer shares may be converted into registered shares at the request of the Shareholder. An exchange of registered shares into bearer shares will be effected by cancellation of the registered share certificates, if any, after confirming that the transferee is not a Restricted Person and by issuance of one or more bearer share certificates to replace the cancelled registered share certificates. An entry will be made in the register of Shareholders to evidence such cancellation. An exchange of bearer shares into registered shares will be effected by cancellation of the bearer share certificates, and, if applicable, by issuance of registered share certificates in lieu thereof. An entry will be made in the register of Shareholders to evidence such issuance. At the discretion of the Board, the costs of any such exchange may be charged to the Shareholder requesting it.

6.5 Before shares are issued in bearer form and before registered shares are converted into bearer shares, the Company may require evidence, satisfactory to the Board, that such issuance or exchange will not result in such shares being held by a Restricted Person.

6.6 The share certificates will be signed by two members of the Board. The signatures may be handwritten, printed or in the form of a facsimile. One of these signatures may be made by a person duly authorised to do so by the Board; in this case, it must be handwritten. The Company may issue temporary share certificates in such form as the Board may determine.

6.7 If bearer shares are issued, the transfer of bearer shares will be effected by delivery of the corresponding share certificates. The transfer of registered shares is effected:

(a) if share certificates have been issued, by delivery of the certificate or certificates representing these shares to the Company along with other instruments of transfer satisfactory to the Company, and

(b) if no share certificates have been issued, by a written declaration of transfer to be entered in the register of Shareholders, dated and signed by the transferor and transferee, or by persons holding suitable powers of attorney to act on their behalf. Any transfer of registered shares will be entered in the register of Shareholders. This entry will be signed by one or more members of the Board or by one or more other persons duly authorised to do so by the Board.

6.8 Shareholders entitled to receive registered shares must provide the Company with an address to which all notices and announcements may be sent. This address will also be entered into the register of Shareholders.

6.9 In the event that a Shareholder does not provide an address, the Company may have a notice to this effect entered into the register of Shareholders. The Shareholder's address will be deemed to be at the registered office of the Company, or at such other address as may be determined by the Company from time to time, until another address is provided to the Company by that Shareholder. A Shareholder may, at any time, change the address entered in the register of Shareholders by means of a written notification to the registered office of the Company or to such other address as may be determined by the Company from time to time.

6.10 If a Shareholder can prove to the satisfaction of the Company that his share certificate has been lost, damaged or destroyed, then, at the Shareholder's request, a duplicate share certificate may be issued under such conditions and guarantees as the Company may determine, including but not restricted to a bond issued by an insurance company. With the issuance of the new share certificate, which will be marked as a duplicate, the original share certificate being replaced shall become void.

6.11 Damaged share certificates may be cancelled by the Company and replaced by new certificates.

6.12 The Company may, at its discretion, charge the costs of a duplicate or of a new share certificate and all reasonable expenses incurred by the Company in connection with the issue and registration thereof or in connection with the cancellation of the original share certificate, to the Shareholder.

6.13 The Company recognises only one owner per share. If one or more shares are jointly owned or if the ownership of a share or shares is disputed, all persons claiming a right to those shares will appoint one owner to represent those shares towards the Company. The failure to appoint such an attorney results in the suspension of the exercise of all rights attached to such shares.

6.14 The Company may decide to issue fractional shares. Such fractional shares do not carry voting rights, except where their number is so that they represent a whole share, but are entitled to participate in the net assets attributable to the relevant class of shares on a pro rata basis. Certificates for bearer shares will only be issued for whole shares.

7. ARTICLE 7. - ISSUE OF SHARES

7.1 The Board is authorised, without limitation, to issue an unlimited number of fully paid up shares at any time without reserving a preferential right to subscribe for the shares to be issued for the existing Shareholders.

7.2 The Board may impose restrictions on the frequency at which shares of a certain class are issued; the Board may, in particular, decide that shares of a particular class will only be issued during one or more offering periods or at such other intervals as provided for in the Prospectus.

7.3 Shares in Sub-funds will be issued at the subscription price. The subscription price for shares of a particular share class of a Sub-fund corresponds to the net asset value per share of the respective share class (see articles 11 and 12) plus any subscription fee, if applicable. Additional fees may be incurred if distributors and paying agents are involved in a transaction. The relevant subscription price may be rounded up or down to the nearest unit of the currency in which it is to be paid, as determined by the Board.

7.4 A process determined by the Board and described in the Prospectus shall govern the chronology of the issue of shares in a Sub-fund.

7.5 The subscription price is payable within a period determined by the Board, which may not exceed 3 (three) business days from the relevant valuation day, determined as

every such day on which the net asset value per share for a given class of shares or Sub-fund is calculated (the **Valuation Day**).

7.6 The Board may confer the authority upon any of its members, any managing director, officer or other duly authorised representative to accept subscription applications, to receive payments for newly issued shares and to deliver these shares.

7.7 The Company may agree to issue shares as consideration for a contribution in kind of assets, in accordance with Luxembourg law, in particular in accordance with the obligation to deliver a valuation report from an auditor (réviseur d'entreprises agréé), and provided that such assets are in accordance with the investment objectives and policies of the relevant Sub-fund. All costs related to the contribution in kind are borne by the Shareholder acquiring shares in this manner.

7.8 Applications for subscription are irrevocable, except - for the duration of such suspension - when the calculation of the net asset value has been suspended in accordance with article 12.

8. **ARTICLE 8. - REDEMPTION OF SHARES**

8.1 Any Shareholder may request redemption of all or part of his shares from the Company, pursuant to the conditions and procedures set forth by the Board in the Prospectus and within the limits provided by law and these Articles.

8.2 Subject to the provisions of article 12, the redemption price per share will be paid within a period determined by the Board which may not exceed 3 (three) business days from the relevant Valuation Day, as determined in accordance with the current policy of the Board, provided that any share certificates issued and any other transfer documents have been received by the Company.

8.3 The redemption price per share for shares of a particular share class of a Sub-fund corresponds to the net asset value per share of the respective share class less any redemption fee, if applicable. Additional fees may be incurred if distributors and paying agents are involved in a transaction. The relevant redemption price may be rounded up or down to the nearest unit of the currency in which it is to be paid, as determined by the Board.

8.4 A process determined by the Board and described in the Prospectus shall govern the chronology of the redemption of shares in a Sub-fund.

8.5 If as a result of a redemption application, the number or the value of the shares held by any Shareholder in any class of shares falls below the minimum number or value that is then determined by the Board in the Prospectus, the Company may decide to treat such an application as an application for redemption of all of that Shareholder's shares in the given share class.

8.6 If, in addition, on a Valuation Day or at some time during a Valuation Day, redemption applications as defined in this article and conversion applications as defined in article 9 exceed a certain level set by the Board in relation to the shares of a given share

class, the Board may resolve to reduce proportionally part or all of the redemption and conversion applications for a certain time period and in the manner deemed necessary by the Board, in the best interest of the Company. The portion of the non-proceeded redemptions will then be proceeded by priority on the Valuation Day following this period, these redemption and conversion applications will be given priority and dealt with ahead of other applications (but subject always to the foregoing limit).

8.7 The Company may satisfy payment of the redemption price owed to any Shareholder, subject to such Shareholder's agreement, in specie by allocating assets to the Shareholder from the portfolio set up in connection with the share class(es) equal in value to the value of the shares to be redeemed (calculated in the manner described in article 11) as of the Valuation Day or the time of valuation when the redemption price is calculated if the Company determines that such a transaction would not be detrimental to the best interests of the remaining Shareholders of the relevant Sub-fund. The nature and type of assets to be transferred in such case will be determined on a fair and reasonable basis and without prejudicing the interests of the other Shareholders in the given share class or classes, as the case may be. The valuation used will be confirmed by a special report of the auditor of the Company. The costs of any such transfers are borne by the transferee.

8.8 All redeemed shares may be cancelled.

8.9 All applications for redemption of shares are irrevocable, except - in each case for the duration of the suspension - in accordance with article 12, when the calculation of the net asset value has been suspended or when redemption has been suspended as provided for in this article.

9. ARTICLE 9. - CONVERSION OF SHARES

9.1 A Shareholder may convert shares of a particular share class of a Sub-fund held in whole or in part into shares of the corresponding share class of another Sub-fund; conversions from shares of one class of a Sub-fund to shares of another class of either the same or a different Sub-fund are also permitted, except otherwise decided by the Board.

9.2 The Board may make the conversion of shares dependent upon additional conditions.

9.3 A conversion application will be considered as an application to redeem the shares held by the Shareholder and as an application for the simultaneous acquisition (issue) of the shares to be acquired. The conversion ratio will be calculated on the basis of the net asset value per share of the respective share class; a conversion fee may be incurred. Additional fees may be incurred if distributors and paying agents are involved in a transaction. The prices of the conversion may be rounded up or down to the nearest unit of the currency in which they are to be paid, as determined by the Board. The Board may determine that balances of less than a reasonable amount to be set by the Board, resulting from conversions will not be paid out to Shareholders.

9.4 As a rule, both the redemption and the acquisition parts of the conversion

application should be calculated on the basis of the values prevailing on one and the same Valuation Day. If there are different order acceptance deadlines for the Sub-funds in question, the calculation may deviate from this, in particular depending on the sales channel. In particular either:

(a) the sales part may be calculated in accordance with the general rules on the redemption of shares (which may be older than the general rules on the issue of shares), while the purchase part would be calculated in accordance with the general (newer) rules on the issue of shares; or

(b) the sales part is not calculated until a time later in relation to the general rules on share redemption together with the purchase part calculated in accordance with the newer (in relation to the sales part) rules on the issue of shares.

9.5 Conversions may only be effected if, at the time, both the redemption of the shares to be converted and the issue of the shares to be acquired are simultaneously possible; there will be no partial execution of the application unless the possibility of issuing the shares to be acquired ceases after the shares to be converted have been redeemed.

9.6 All applications for the conversion of shares are irrevocable, except - in each case for the duration of the suspension - in accordance with article 12, when the calculation of the net asset value of the shares to be redeemed has been suspended or when redemption of the shares to be redeemed has been suspended as provided for in article 8. If the calculation of the net asset value of the shares to be acquired is suspended after the shares to be converted have already been redeemed, only the acquisition part of the conversion application can be revoked during this suspension.

9.7 If, in addition, on a Valuation Day or at some time during a Valuation Day redemption applications as defined in article 8 and conversion applications as defined in this article exceed a certain level set by the Board in relation to the shares issued in the share class, the Board may resolve to reduce proportionally part or all of the redemption and conversion applications for a certain period of time and in the manner deemed necessary by the Board, in the best interest of the Company. The portion of the non-proceeded redemptions will then be proceeded by priority on the Valuation Day following this period, these redemption and conversion applications will be given priority and dealt with ahead of other applications (but subject always to the foregoing limit).

9.8 If as a result of a conversion application, the number or the value of the shares held by any Shareholder in any class falls below the minimum number or value that is then - if the rights provided for in this sentence are to be applicable - determined by the Board in the Prospectus, the Company may decide to treat the purchase part of the conversion application as a request for redemption for all of the Shareholder's shares in the given share class; the acquisition part of the conversion application remains unaffected by any additional redemption of shares.

9.9 Shares that are converted to shares of another share class will be cancelled.

10. ARTICLE 10. - RESTRICTIONS ON OWNERSHIP OF SHARES

10.1 The Company may restrict or prevent the ownership of shares in the Company by any individual or legal entity,

- (a) if in the opinion of the Company such holding may be detrimental to the Company,
- (b) if it may result in a breach of any law or regulation, whether Luxembourg law or other law, or
- (c) if as a result thereof the Company may become exposed to tax disadvantages or other financial disadvantages that it would not have otherwise incurred (such Individual or legal entities are to be determined by the Board and are defined herein as **Restricted Persons**).

10.2 For such purposes the Company may:

- (a) decline to issue any shares and decline to register any transfer of shares, where such registration or transfer would result in legal or beneficial ownership of such shares by a Restricted Person; and
- (b) at any time require any person whose name is entered in the register of Shareholders or who seeks to register the transfer of shares in the register of Shareholders to furnish the Company with any information, supported by affidavit, which it may consider necessary for the purpose of determining whether or not beneficial ownership of such Shareholder's shares rests with a Restricted Person, or whether such registration will result in beneficial ownership of such shares by a Restricted Person; and
- (c) decline to accept the vote of any Restricted Person at the General Meeting; and
- (d) instruct a Shareholder to sell his shares and to demonstrate to the Company that this sale was made within ten (10) business days of the sending of the relevant notice if the Company determines that a Restricted Person is the sole beneficial owner or is the beneficial owner together with other persons.
- (e) If the investor does not comply with the notice, the Company may, in accordance with the procedure described below, compulsorily redeem all shares held by such a Shareholder or have this redemption carried out:
 - (i) The Company provides a second notice (**Purchase Notice**) to the investor or the owner of the shares to be redeemed, in accordance with the entry in the register of Shareholders; this Purchase Notice designates the shares to be redeemed, the procedure under which the redemption price is calculated and the name of the acquirer.

Such Purchase Notice will be sent by registered mail to the last known address or to the address listed in the Company's books. This Purchase Notice obliges the investor in question to send the share certificate or share certificates that represent the shares to the Company in accordance with the information in the Purchase Notice.

Immediately upon close of business on the date designated in the purchase notification, the

Shareholder's ownership of the shares which are designated in the Purchase Notice ends. For registered shares, the name of the Shareholder is deleted from the register of Shareholders; for bearer shares, the certificate or certificates that represent the shares are cancelled.

(ii) The price at which these shares are acquired (**Sales Price**) corresponds to an amount determined on the basis of the share value of the corresponding share class on a Valuation Day, or at some time during a Valuation Day, as determined by the Board, less any redemption fees incurred, if applicable. The purchase price is, less any redemption fees incurred, if applicable, the lesser of the share value calculated before the date of the purchase notification and the share value calculated on the day immediately following submission of the share certificate(s).

(iii) The purchase price will be made available to the previous owner of these shares in the currency determined by the Board for the payment of the redemption price of the corresponding share class and deposited by the Company at a bank in Luxembourg or elsewhere (corresponding to the information in the purchase notification) after the final determination of the purchase price following the return of the share certificate(s) as designated in the purchase notification and their corresponding coupons that are not yet due. After the purchase notification has been provided and in accordance with the procedure outlined above, the previous owner no longer has any claim related to all or any of these shares and the previous owner also has no further claim against the Company or the Company's assets in connection with these shares, with the exception of the right to receive payment of the purchase price without interest from the named bank after actual delivery of the share certificate(s). All income from redemptions to which Shareholders are entitled in accordance with the provisions of this paragraph may no longer be claimed and is forfeited as regards the respective share class(es) unless such income is claimed within a period of five years after the date indicated in the purchase notification. The Board is authorised to take all necessary steps to return these amounts and to authorise the implementation of corresponding measures for the Company.

(iv) The exercise of the powers by the Company in accordance with this article may in no way be called into question or declared invalid on the grounds that the ownership of shares was not sufficiently proven or that the actual ownership of shares did not correspond to the assumptions made by the Company on the date of the purchase notification, provided that the Company exercised the above-named powers in good faith.

10.3 Restricted Persons as defined in these Articles are neither persons who subscribe shares for the duration of their shareholding in connection with the formation of the Company nor securities dealers who subscribe shares in the Company for distribution.

11. ARTICLE 11. - CALCULATION OF NET ASSET VALUE PER SHARE

11.1 The net asset value of each Sub-fund and each class of shares shall be expressed in the reference currency, as a per share figure, and shall be determined in respect of each Valuation Day by dividing the net assets of the Company corresponding to the relevant Sub-fund and class of shares, being the value of the assets of the Company corresponding to such Sub-fund and class of shares less the liabilities attributable to such Sub-fund and

class of shares, by the number of outstanding shares of the relevant Sub-fund and class of shares.

11.2 The valuation of the net asset value of each Sub-fund and each class of shares shall be made in the following manner:

The assets of the Company shall be deemed to include:

- (a) all cash on hand or receivable or on deposit, including accrued interest;
- (b) all bills and notes payable on demand and any amounts due (including the proceeds of securities sold but not yet collected);
- (c) all securities, shares, bonds, debentures, swaps, options or subscription rights and any other investments and securities belonging to the Company;
- (d) all dividends and distributions due to the Company in cash or in kind to the extent known to the Company provided that the Company may adjust the valuation for fluctuations in the market value of securities due to trading practices such as trading ex-dividend or ex-rights;
- (e) all accrued interest on any interest bearing securities held by the Company except to the extent that such interest is comprised in the principal thereof;
- (f) the preliminary expenses of the Company insofar as the same have not been written off; and
- (g) all other permitted assets of any kind and nature including prepaid expenses.

11.3 The net asset value of the Sub-funds shall be determined in accordance with the following rules:

(a) the value of any cash in hand or on deposit, notes and bills payable on demand and accounts receivable (including reimbursements of fees and expenses payable by any undertaking in collective investments (**UCI**) in which the Company may invest), prepaid expenses and cash dividends declared and interest accrued but not yet collected, shall be deemed the nominal value of these assets unless it is improbable that it can be paid and collected in full; in which case, the value will be arrived at after deducting such amounts as the Board may consider appropriate to reflect the true value of these assets.

(b) securities and instruments normally dealt in on a money market which are liquid and have a value which can be accurately determined at any time (**Money Market Instruments**) listed on an official stock exchange or dealt on any other regulated market (**a Regulated Market**) will be valued at their last available price in Luxembourg on the Valuation Day and, if the security or Money Market Instrument is traded on several markets, on the basis of the last known price on the main market of this security. If the last known price is not representative, valuation will be based on the fair value at which it is expected it can be sold, as determined with prudence and in good faith by the Board.

- (c) *unlisted securities and securities or Money Market Instruments not traded on a stock exchange or any other Regulated Market as well as listed securities and securities or Money Market Instruments listed on a Regulated Market for which no price is available, or securities or Money Market Instruments whose quoted price is, in the opinion of the Board, not representative of actual market value, will be valued at their last known price in Luxembourg or, in the absence of such price, on the basis of their probable realisation value, as determined with prudence and in good faith by the Board.*

- (f) *the liquidation value of futures, spot, forward or options contracts that are not traded on stock exchanges or other Regulated Markets will be equal to their net liquidation value determined in accordance with the policies established by the Board on a basis consistently applied to each type of contract. The liquidation value of futures, spot, forward or options contracts traded on stock exchanges or other Regulated Markets will be based on the latest available price for these contracts on the stock exchanges and Regulated Markets on which these options, spot, forward or futures contracts are traded by the Company; provided that if an options or futures contract cannot be liquidated on the date on which the net assets are valued, the basis for determining the liquidation value of said contract shall be determined by the Board in a fair and reasonable manner.*
- (g) *swaps are valued at their fair value based on the last known closing price of the underlying security.*
- (h) *UCIs are valued on the basis of their last available net asset value in Luxembourg. As indicated below, this net asset value may be adjusted by applying a recognised index so as to reflect market changes since the last valuation.*
- (i) *liquid assets and Money Market Instruments are valued at their nominal value plus accrued interest, or on the basis of amortised costs.*
- (j) *any other securities and assets are valued in accordance with the procedures put in place by the Board and with the help of specialist valuers, as the case may be, who will be instructed by the Board to carry out the said valuations.*

11.4 *The liabilities of the Company shall be deemed to include:*

- (a) *all borrowings, bills and other amounts due;*
- (b) *all administrative expenses due or accrued including but not limited to the costs of its constitution and registration with regulatory authorities, as well as legal, audit, management, custodial, paying agency and corporate and central administration agency fees and expenses, the costs of legal publications, prospectuses, financial reports and*

other documents made available to Shareholders, translation expenses and generally any other expenses arising from the administration of the Company;

(c) all known liabilities, due or not yet due including all matured contractual obligations for payments of money or property, including the amount of all dividends declared by the Company for which no coupons have been presented and which therefore remain unpaid until the day these dividends revert to the Company by prescription;

(d) any appropriate amount set aside for taxes due on the date of the valuation and any other provisions of reserves authorised and approved by the Board; and

(e) any other liabilities of the Company of whatever kind towards third parties.

11.5 The Board shall establish a portfolio of assets for each Sub-fund in the following manner:

(a) the proceeds from the issue of each Share are to be applied in the books of the relevant Sub-fund to the pool of assets established for such Sub-fund and the assets and liabilities and incomes and expenditures attributable thereto are applied to such portfolio subject to the provisions set forth hereafter;

(b) where any asset is derived from another asset, such asset will be applied in the books of the relevant Sub-fund from which such asset was derived, meaning that on each revaluation of such asset, any increase or diminution in value of such asset will be applied to the relevant portfolio;

(c) where the Company incurs a liability which relates to any asset of a particular portfolio or to any action taken in connection with an asset of a particular portfolio, such liability will be allocated to the relevant portfolio;

(d) where any asset or liability of the Company cannot be considered as being attributable to a particular portfolio, such asset or liability will be allocated to all Sub-funds prorata to the Sub-fund's respective net asset value at their respective launch dates;

(e) upon the payment of dividends to the Shareholders in any Sub-fund, the net asset value of such Sub-fund shall be reduced by the gross amount of such dividends.

(b) all investments, cash balances and other assets of any Sub-fund expressed in currencies other than the currency of denomination in which the net asset value of the relevant Sub-fund is calculated, shall be valued after taking into account the market rate or rates of exchange in force at the date and time for determination of the net asset value of shares;

(c) effect shall be given on any Valuation Day to any purchases or sales of securities contracted for by the Company on such Valuation Day, to the extent practicable; and

(d) where the Board is of the view that any conversion or redemption which is to be effected will have the result of requiring significant sales of assets in order to provide the required liquidity, the value may, at the discretion of the Board be effected at the actual bid prices of the underlying assets and not the last available prices. Similarly, should any subscription or conversion of shares result in a significant purchase of assets in the Company, the valuation may be done at the actual offer price of the underlying assets and not the last available price.

12. ARTICLE 12. - FREQUENCY AND TEMPORARY SUSPENSION OF THE CALCULATION OF SHARE VALUE AND OF THE ISSUE, REDEMPTION AND CONVERSION OF SHARES

12.1 The net asset value of shares issued by the Company shall be determined with respect to the shares relating to each Sub-fund by the Company from time to time, but in no instance less than twice monthly, as the Board may decide.

12.2 During the existence of any state of affairs which, in the opinion of the Board, makes the determination of the net asset value of a Sub-fund in the reference currency either not reasonably practical or prejudicial to the Shareholders of the Company, the net asset value and the subscription price and redemption price may temporarily be determined in such other currency as the Board may determine.

12.3 The Company may suspend the determination of the net asset value and/or the issue and redemption of shares in any Sub-fund as well as the right to convert shares of any Sub-fund into shares relating to another Sub-fund:

(a) when one or more stock exchanges or markets, which provide the basis for valuing a substantial portion of the assets of the Sub-fund or of the relevant class of shares, or when one or more foreign exchange markets in the currency in which a substantial portion of the assets of the Sub-fund or of the relevant class of shares are denominated, are closed otherwise than for ordinary holidays or if dealings therein are restricted or suspended;

(b) when, as a result of political, economic, military or monetary events or any circumstances outside the responsibility and the control of the Board, disposal of the assets of the Sub-fund or of the relevant class of shares is not reasonably or normally practicable without being seriously detrimental to the interests of the Shareholders;

(c) in the case of a breakdown in the normal means of communication used for the valuation of any investment of the Sub-fund or of the relevant class of shares or if, for any reason beyond the responsibility of the Board, the value of any asset of the Sub-fund or of the relevant class of shares may not be determined as rapidly and accurately as required;

(d) if, as a result of exchange restrictions or other restrictions affecting the transfer of funds, transactions on behalf of the Company are rendered impracticable or if purchases and sales of the Sub-fund's assets cannot be effected at normal rates of exchange;

(e) when the Board so decides, provided that all Shareholders are treated on an equal footing and all relevant laws and regulations are applied (i) upon publication of a notice convening the General Meeting of the Company or of a Sub-fund for the purpose of deciding on the liquidation, dissolution, the merger or absorption of the Company or the relevant Sub-fund and (ii) when the Board is empowered to decide on this matter, upon their decision to liquidate, dissolve, merge or absorb the relevant Sub-fund;

(f) in case of the Company's liquidation or in the case a notice of termination has been issued in connection with the liquidation of a Sub-fund or a class of shares;

(g) where, in the opinion of the Board, circumstances which are beyond the control of the Board make it impracticable or unfair vis-à-vis the Shareholders to continue trading the shares.

12.4 The suspension in respect of a Sub-fund will have no effect on the calculation of the net asset value and the issue, redemption and conversion of the shares of any other Sub-fund.

12.5 Any such suspension may be notified by the Company in such manner as it may deem appropriate to the persons likely to be affected thereby. The Company shall notify Shareholders requesting redemption of their shares of such suspension.

The Representative is subject to the same conditions and obligations, and incurs the same liability as if he was performing this task for his own account and on his own behalf, without prejudice to the joint liability of him and the Legal Entity. The Legal Entity cannot revoke the Representative unless it simultaneously appoints a new permanent representative.

This notice may be waived by consent in writing, by telegram, telex, telefax or other similar means of communication. No separate invitation is necessary for meetings whose date and location have been determined by a prior resolution of the Board.

- 14.6 Any director may act at any meeting of the Board by appointing in writing or by telefax or telegram or telex another director as his proxy.
- 14.7 A director may represent more than one of his colleagues, under the condition however that at least two directors are present at the meeting.
- 14.8 Any director may participate in any meeting of the Board by conference call or by other similar means of communication allowing all the persons taking part in the meeting to hear and speak to one another. The participation in a meeting by these means is equivalent to a participation in person at such meeting and is deemed to be held at the registered office of the Company.
- 14.9 The Board can validly debate and take decisions only if the majority of its members (and at least one Class A Director and one Class B Director) is present or duly represented.
- 14.10 All resolutions of the Board shall require a majority of the directors present or represented at the Board meeting and at least the positive votes of a Class A Director and a Class B Director, in which the quorum requirements set forth in the present article are met. In case of a tied vote the chairman will have a casting vote.
- 14.11 Resolutions signed by all directors shall be valid and binding in the same manner as if they were passed at a meeting duly convened and held. Such signatures may appear on a single document or on multiple copies of an identical resolution and may be evidenced by letter or telefax.

14.12 The decisions of the Board will be recorded in minutes to be inserted in a special register and signed by the chairman or by any two other directors. Any proxies will remain attached thereto.

14.13 Copies or extracts of such minutes which may be produced in judicial proceedings or otherwise will be signed by the chairman or by any two other directors.

14.14 No contract or other transaction between the Company and any other company, firm or other entity shall be affected or invalidated by the fact that any one or more of the directors or officers of the Company have a personal interest in, or are a director, associate, officer or employee of such other company, firm or other entity. Any director who is director or officer or employee of any company, firm or other entity with which the Company shall contract or otherwise engage in business shall not, merely by reason of such affiliation with such other company, firm or other entity be prevented from considering and voting or acting upon any matters with respect to such contract or other business.

14.15 In the event that any director of the Company may have any personal and opposite interest in any transaction of the Company, such director shall make known to the Board such personal and opposite interest and shall not consider or vote upon any such transaction, and such transaction, and such director's interest therein, shall be reported to the next following annual general meeting of the Shareholders of the Company.

14.16 The preceding paragraph does not apply to resolutions of the Board concerning transactions made in the ordinary course of business of the Company which are entered into on arm's length terms.

14.17 If, a quorum of the Board cannot be reached due to a conflict of interest, resolutions passed by the required majority of the other members of the Board present or represented at such meeting and voting will be deemed valid.

15. ARTICLE 15. - POWERS OF THE BOARD OF DIRECTORS

15.1 The Board is vested with the broadest powers to perform all acts of disposition and administration within the Company's purpose, in compliance with the investment policy as determined in article 19, to the extent that such powers are expressly reserved by law or by these Articles to the General Meeting.

15.2 All powers not expressly reserved by law or by these Articles to the General Meeting lie in the competence of the Board.

17.1 The Board may delegate its powers to conduct the daily management and affairs of

the Company and its powers to carry out acts in furtherance of the corporate policy and purpose, to physical persons or corporate entities which need not be members of the Board, acting under the supervision of the Board. The Board may also delegate certain of its powers, authorities and discretions to any committee, consisting of such person or persons (whether a member of the Board or not) as it thinks fit, provided that the majority of the members of the committee are directors of the Company and that no meeting of the committee shall be quorate for the purpose of exercising any of its powers, authorities or discretions unless a majority of those present are directors of the Company.

18.2 In the event of a settlement, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Company is advised by counsel that the person to be indemnified did not commit such a breach of duty.

19. ARTICLE 19. - INVESTMENT POLICIES AND RESTRICTIONS

19.1 The Board is vested with the broadest powers to perform all acts of administration and disposition in the Company's interest. All powers not expressly reserved by law or by these Articles to the General Meeting may be exercised by the Board.

19.2 The Board has, in particular, the power to determine the corporate policy. The course of conduct of the management and business affairs of the Company shall fall under such investment restrictions as may be imposed by the 2010 Act or be laid down in the laws and regulations of those countries where the shares are offered for sale to the public or as shall be adopted from time to time by resolutions of the Board and as shall be described in any prospectus relating to the offer of shares.

19.3 In the determination and implementation of the investment policy the Board may cause the Company to comply with the following general investment restrictions and invest in

(vi) *deposits with credit institutions which are repayable on demand or have the right to be withdrawn, and maturing in no more than 12 months, provided that the credit institution has its registered office in an EU Member State or, if the registered office of the credit institution is situated in a non-EU Member State, provided that it is subject to prudential rules considered by the CSSF as equivalent to those laid down in EU law;*

derivative transactions and the techniques and instruments relating to Transferable Securities and Money Market Instruments (**First Class Institutions**), and

(C) the OTC derivatives are subject to reliable and verifiable valuation on a daily basis and can be sold, liquidated or closed by an offsetting transaction at any time at their fair value at the Company's initiative;

(b) However, each Sub-fund may:

(i) invest up to 10% of its net assets in Transferable Securities and Money Market Instruments other than those referred to under article 19.4(a); and

(ii) hold liquid assets on an ancillary basis.

19.5 Risk diversification

(a) In accordance with the principle of risk diversification, the Company is not permitted to invest more than 10% of the net assets of a Sub-fund in Transferable Securities or Money Market Instruments of one and the same issuer. The total value of the Transferable Securities and Money Market Instruments in each issuer in which more than 5% of the net assets are invested, must not exceed 40% of the value of the net assets of the respective

Sub-fund. This limitation does not apply to deposits and OTC derivative transactions made with financial institutions subject to prudential supervision.

(b) The Company is not permitted to invest more than 20% of the net assets of a Sub-fund in deposits made with the same body.

(c) The risk exposure to a counterparty of a Sub-fund in an OTC derivative transaction may not exceed:

(i) 10% of its net assets when the counterparty is a credit institution referred to under article 19.4(a)(vi), or

(ii) 5% of its net assets, in other cases.

(d) Notwithstanding the individual limits laid down under articles 19.5(a), 19.5(b) and 19.5(c), a Sub-fund may not combine:

(i) investments in Transferable Securities or Money Market Instruments issued by a single body,

(ii) deposits made with a single body, and/or

(iii) exposures arising from OTC derivative transactions undertaken with a single body,

in excess of 20% of its net assets.

(e) The 10% limit set forth under article 19.5(a) can be raised to a maximum of 25% in case of certain bonds issued by credit institutions which have their registered office in an EU Member State and are subject by law, in that particular country, to specific public supervision designed to ensure the protection of bondholders. In particular the funds which originate from the issue of these bonds are to be invested, in accordance with the law, in assets which sufficiently cover the financial obligations resulting from the issue throughout the entire life of the bonds and which are allocated preferentially to the payment of principal and interest in the event of the issuer's failure. Furthermore, if investments by a Sub-fund in such bonds with one and the same issuer represent more than 5% of the net assets, the total value of these investments may not exceed 80% of the net assets of the corresponding Sub-fund.

(f) The 10% limit set forth under article 19.5(a) can be raised to a maximum of 35% for Transferable Securities and Money Market Instruments that are issued or guaranteed by an EU Member State or its local authorities, by another OECD Member State, or by public international organisations of which one or more EU Member States are members.

(g) Transferable Securities and Money Market Instruments which fall under the special ruling given under articles 19.5(e) and 19.5(f) are not counted when calculating the 40% risk diversification ceiling mentioned under article 19.5(a).

(h) The limits provided for under articles 19.5(a) to 19.5(f) may not be combined, and thus investments in Transferable Securities or Money Market Instruments issued by the same

body or in deposits or derivative instruments with this body shall under no circumstances exceed in total 35% of the net assets of a Sub-fund.

(i) Companies which are included in the same group for the purposes of consolidated accounts, as defined in accordance with Directive 83/349/EEC or in accordance with recognised international accounting rules, are regarded as a single body for the purpose of calculating the limits contained under article 19.5.

(j) A Sub-fund may invest, on a cumulative basis, up to 20% of its net assets in Transferable Securities and Money Market Instruments of the same group.

19.6 Exceptions which can be made

(a) Without prejudice to the limits laid down under article 19.9 the limits laid down under article 19.5 are raised to a maximum of 20% for investment in shares and/or bonds issued by the same body if, according to the relevant Special Section, the investment objective and policy of that Sub-fund is to replicate the composition of a certain stock or debt securities index which is recognised by the CSSF, on the following basis:

- (i) its composition is sufficiently diversified,
- (ii) the index represents an adequate benchmark for the market to which it refers,
- (iii) it is published in an appropriate manner.

The above 20% limit may be raised to a maximum of 35%, but only in respect of a single body, where that proves to be justified by exceptional market conditions in particular in Regulated Markets where certain Transferable Securities or Money Market Instruments are highly dominant.

(b) The Company is authorised, in accordance with the principle of risk diversification, to invest up to 100% of the net assets of a Sub-fund in Transferable Securities and Money Market Instruments from various offerings that are issued or guaranteed by an EU Member State or its local authorities, by another OECD Member State, or by public international organisations in which one or more EU Member States are members. These securities must be divided into at least six different issues, with securities from one and the same issue not exceeding 30% of the total net assets of a Sub-fund.

19.7 Investment in UCITS and/or other UCIs

(a) A Sub-fund may acquire the units of UCITS and/or other UCIs referred to under article 19.4(a)(v) provided that no more than 20% of its net assets are invested in units of a single UCITS or other UCI. If a UCITS or other UCI has multiple compartments (within the meaning of article 181(1) of the 2010 Act) and the assets of a compartment may only be used to satisfy the rights of the investors relating to that compartment and the rights of those creditors whose claims have arisen in connection with the setting-up, operation and liquidation of that compartment, each compartment is considered as a separate issuer for the purposes of applying the above limit.

- (b) Investments made in units of UCIs other than UCITS may not exceed, in aggregate, 30% of the net assets of the Sub-fund.
- (c) When a Sub-fund has acquired units of UCITS and/or other UCIs, the assets of the respective UCITS or other UCIs do not have to be combined for the purposes of the limits laid down under article 19.5.
- (d) When a Sub-fund invests in the units of UCITS and/or other UCIs that are managed, directly or by delegation, by the same management company or by any other company with which the management company is linked by common management or control, or by a substantial direct or indirect holding, (regarded as more than 10% of the voting rights or share capital), that management company or other company may not charge subscription, conversion or redemption fees on account of the Sub-fund's investment in the units of such UCITS and/or other UCIs.
- (e) If a Sub-fund invests a substantial proportion of its assets in other UCITS and/or other UCIs, the maximum level of the management fees that may be charged both to the Sub-fund itself and to the other UCITS and/or other UCIs in which it intends to invest, shall be disclosed in the relevant Special Section.
- (f) In the annual report of the Company it shall be indicated for each Sub-fund the maximum proportion of management fees charged both to the Sub-fund and to the UCITS and/or other UCIs in which the Sub-fund invests.
- (g) The above provisions of this section 19.7 do not apply to a feeder Sub-fund as defined in article 77 of the 2010 Act. In this case, the Board may create one or more feeder Sub-funds, with each such feeder Sub-fund being authorised to invest at least 85% of its assets in units of another eligible master UCITS (or sub-fund thereof) under the conditions set out by applicable law and such other conditions as set out in the Prospectus.

19.8 Investments between Sub-funds

A sub-fund (the **Investing Sub-Fund**) may invest in one or more other Sub-Funds. Any acquisition of shares of another Sub-Fund (the **Target Sub-Fund**) by the Investing Sub-Fund is subject to the following conditions (and such other conditions as may be applicable in accordance with the terms of the Prospectus):

- (a) The Target Sub-Fund may not invest in the Investing Sub-Fund;
- (b) The Target Sub-Fund may not invest more than 10% of its net assets in UCITS (including other Sub-Fund) or other UCIS;
- (c) The voting rights attached to the shares of the Target Sub-Fund are suspended during the investment by the Investing Sub-Fund;
- (d) The value of the share of the Target Sub-Fund held by the Investing Sub-Fund are not taken into account for the purpose of assessing the compliance with the EUR 1,250,000 minimum capital requirement; and

(e) A duplication of management, subscription or redemption fees is prohibited.

19.9 Master UCITS-feeder Sub-funds

The Board may create one or more feeder Sub-funds, with each such feeder Sub-fund being authorised to invest at least 85% of its assets in units of another eligible Master UCITS (or sub-fund thereof) under the conditions set out by applicable law and such other conditions as set out in the Prospectus.

19.10 Tolerances and multiple compartment issuers

(a) If, because of reasons beyond the control of the Company or the exercising of subscription rights, the limits mentioned in this article are exceeded, the Company must have as a priority objective in its sale transactions to reduce these positions within the prescribed limits, taking into account the best interest of the Shareholders.

(b) Provided that they continue to observe the principles of risk diversification, newly established Sub-funds may deviate from the limits mentioned under articles 19.5 to 19.7 for a period of six months following the date of their initial launch.

(c) If an issuer of eligible investments is a legal entity with multiple compartments and the assets of a compartment may only be used to satisfy the rights of the investors relating to that compartment and the rights of those creditors whose claims have arisen in connection with the setting-up, operation and liquidation of that compartment, each compartment is considered as a separate issuer for the purposes of applying the limits set forth under articles 19.5, 19.6(a) and 19.7.

19.11 Investment prohibitions

The Company is prohibited from:

(a) acquiring equities with voting rights that would enable the Company to exercise a significant influence on the management of the issuer in question;

(i) 10% of the non-voting equities of one and the same issuer,

(ii) 10% of the debt securities issued by one and the same issuer,

The limits laid down in (ii), (iii), and (iv) may be disregarded at the time of acquisition if at that time the gross amount of the debt securities or of the Money Market Instruments, or the net amount of the securities in issue, cannot be calculated.

Transferable Securities and Money Market Instruments which, in accordance with article 48

(1), paragraph 2 of the 2010 Act are issued or guaranteed by an EU Member State or its local authorities, by another Member State of the OECD or which are issued by public international organisations of which one or more EU Member States are members are exempted from the above limits.

(c) selling short Transferable Securities, Money Market Instruments and other eligible investments mentioned under articles 19.4(a)(v), (vii) and (viii);

(d) acquiring precious metals or related certificates;

(g) granting credits or acting as guarantor for third parties. This limitation does not refer to the purchase of Transferable Securities, Money Market Instruments and other eligible investments mentioned under articles 19.4(a)(v), (vii) and (viii) that are not fully paid up.

19.12 Risk management and limits with regard to derivative instruments

(a) The Company must employ (i) a risk-management process which enables it to monitor and measure at any time the risk of the positions and their contribution to the overall risk profile of the portfolio and (ii) a process for accurate and independent assessment of the value of OTC derivatives.

(b) Each Sub-fund shall ensure that its global exposure relating to derivative instruments does not exceed the total net value of its portfolio.

(c) The exposure is calculated taking into account the current value of the underlying assets, the counterparty risk, future market movements and the time available to liquidate the positions. This shall also apply to the following paragraphs.

(d) A Sub-fund may invest, as a part of its investment policy, in Financial Derivative Instruments provided that the exposure to the underlying assets does not exceed in aggregate the investment limits laid down in under article 19.5. Under no circumstances shall these operations cause a Sub-fund to diverge from its investment objectives as laid down in the Prospectus and the relevant Special Section.

(e) When a Transferable Security or Money Market Instrument embeds a derivative, the latter must be taken into account when complying with the requirements under article 19.10.

20. ARTICLE 20. - AUDITOR

20.1 The accounting data reported in the annual report of the Company will be examined by an auditor (*réviseur d'entreprises agréé*) appointed by the General Meeting and remunerated by the Company.

20.2 The auditor fulfils all duties prescribed by the 2010 Act.

21. ARTICLE 21. - GENERAL MEETING OF SHAREHOLDERS OF THE COMPANY

21.1 The General Meeting represents, when properly constituted, the entire body of Shareholders of the Company. Its resolutions are binding upon all the Shareholders, regardless of the class of shares held by them. It has the broadest powers to order, carry out or ratify acts relating to the operations of the Company.

21.2 The General Meeting meets when called by the Board. It shall be necessary to call a General Meeting within a month whenever a group of Shareholders representing at least one tenth of the subscribed capital requires so by written notice. In such case, the concerned Shareholders must indicate the agenda of the meeting.

21.3 The Annual General Meeting shall be held at the registered office of the Company or at such other place in the municipality of its registered office as may be specified in the notice of meeting, on the last Thursday of April of each year at 12.00 (Luxembourg time). If this day is a legal or banking holiday in Luxembourg, the Annual General Meeting will be held on the next business day.

21.4 Other general meetings of Shareholders may be held at such places and times as may be specified in the respective notices of meeting.

21.5 Shareholders meet when called by the Board pursuant to a notice setting forth the agenda sent at least eight days prior to the meeting to each registered Shareholder at the Shareholder's address in the register of Shareholders. It is not necessary to provide proof at the meeting that such notices were actually delivered to registered Shareholders. The agenda is prepared by the Board, except when the meeting is called on the written request of the Shareholders, in which case the Board may prepare a supplementary agenda.

21.6 If bearer shares were issued, the notice of meeting will also be published as provided for by law in the *Mémorial, Recueil des Sociétés et Associations*, in one or more Luxembourg newspapers, and in such other newspapers as the Board may decide.

21.7 If all shares are in registered form and if no publications are made, notices to Shareholders may be sent by registered mail only.

21.8 If all Shareholders are present or represented and consider themselves as being duly convened and informed of the agenda, the General Meeting may take place without notice of meeting.

21.9 The convening notices to general meetings of Shareholders may provide that the quorum and the majority at the general meeting shall be determined according to the

shares issued and outstanding at midnight (Luxembourg time) on the fifth day prior to the general meeting (the **Record Date**). The rights of a Shareholder to attend a general meeting and to exercise a voting right attached to his share are determined in accordance with the shares held by this Shareholder at the Record Date.

21.10 The Board may determine all other conditions that must be fulfilled by Shareholders in order to attend any meeting of Shareholders.

21.11 The business transacted at any meeting of the Shareholders will be limited to the matters on the agenda and transactions related to these matters.

21.12 Each share of any class is entitled to one vote, in accordance with Luxembourg law and these Articles, excepted for shares held in the Target Sub-Fund by the Investing Sub-Fund in case of investments as provided for in section 19.8 (c). A Shareholder may act at any meeting of Shareholders through a written proxy to another person, who need not be a Shareholder and who may be a member of the Board of the Company.

21.13 Unless otherwise provided by law or herein, resolutions of the General Meeting are passed by a simple majority vote of the Shareholders present or represented.

22. ARTICLE 22. - GENERAL MEETINGS OF SHAREHOLDERS IN A SUB-FUND OR IN A CLASS OF SHARES

22.1 The Shareholders of the classes issued in a Sub-fund may hold, at any time, general meetings to decide on any matters which relate exclusively to that Sub-fund.

22.2 In addition, the Shareholders of any class of shares may hold, at any time, general meetings for any matters which are specific to that share class.

22.3 The provisions of article 21 apply to such general meetings.

22.4 Each share is entitled to one vote in accordance with Luxembourg law and these Articles. Shareholders may act either in person or through a written proxy to another person who need not be a Shareholder and may be a director.

22.5 Unless otherwise provided for by law or in these Articles, the resolutions of the General Meeting of Shareholders of a Sub-fund or of a class of shares are passed by a simple majority vote of the Shareholders present or represented.

23. ARTICLE 23. - DISSOLUTION OF THE COMPANY

23.1 The duration of the Company is not limited by the Articles. The Company may be wound up by a decision of an extraordinary general meeting of Shareholders. If the total net assets of the Company falls below two-thirds of the minimum capital prescribed by law (i.e. EUR 1,250,000), the Board must submit the question of the Company's dissolution to a general meeting of Shareholders for which no quorum is prescribed and which shall pass resolutions by simple majority of the Shares represented at the meeting.

23.2 If the total net assets of the Company fall below one-fourth of the minimum capital

prescribed by law, the Board must submit the question of the Company's dissolution to a general meeting of Shareholders for which no quorum is prescribed. A resolution dissolving the Company may be passed by Shareholders holding one-fourth of the Shares represented at the meeting.

23.3 The meeting must be convened so that it is held within a period of forty days from the date of ascertainment that the net assets have fallen below two-thirds or one-fourth of the legal minimum, as the case may be.

23.4 If the Company is dissolved, the liquidation shall be carried out by one or several liquidators appointed in accordance with the provisions of the 2010 Act. The decision to dissolve the Company will be published in the Mémorial and two newspapers with adequate circulation, one of which must be a Luxembourg newspaper. The liquidator(s) will realise each Sub-Fund's assets in the best interests of the Shareholders and apportion the proceeds of the liquidation, after deduction of liquidation costs, amongst the Shareholders of the relevant Sub-Fund according to their respective prorata. Any amounts unclaimed by the Shareholders at the closing of the liquidation of the Company will be deposited with the Caisse de Consignation in Luxembourg for a duration of thirty (30) years. If amounts deposited remain unclaimed beyond the prescribed time limit, they shall be forfeited.

23.5 As soon as the decision to wind up the Company is made, the issue, redemption or conversion of Shares in all Sub-Funds will be prohibited and shall be deemed void.

24. ARTICLE 24. – DISSOLUTION, LIQUIDATION OR MERGER OF SUB-FUNDS OR SHARE CLASSES

24.1 Liquidation of Sub-Funds or Classes

(a) If, for any reason, the net assets of a Sub-Fund or of any Class fall below the equivalent of EUR 5,000,000, or if a change in the economic or political environment of the relevant Sub-Fund or Class may have material adverse consequences on the Sub-Fund or Class's investments, or if an economic rationalisation so requires, the Board may decide on a compulsory redemption of all Shares outstanding in such Sub-Fund or Class on the basis of the Net Asset Value per Share (after taking account of current realisation prices of the investments as well as realisation expenses), calculated as of the day the decision becomes effective. The Company will serve a notice to the holders of the relevant shares at the latest on the effective date for the compulsory redemption, which will indicate the reasons of and the procedure for the redemption operations. Registered Shareholders will be notified in writing. Unless the Board decides otherwise in the interests of, or in order to keep equal treatment between the Shareholders, the Shareholders of the Sub-Fund or Class concerned may continue to request redemption or conversion of their Shares free of redemption or conversion charge. However, the liquidation costs will be taken into account in the redemption and conversion price. Liquidation proceeds which could not be distributed to the Shareholders upon the conclusion of the liquidation of a Sub-Fund or Class will be deposited with the custodian for a period of 6 months after the conclusion of the liquidation. After the expiry of such a period, the assets will be deposited with the custodian on behalf of such beneficiaries.

(b) Notwithstanding the powers granted to the Board as described in the previous paragraph, a general meeting of Shareholders of a Sub-Fund or Class may, upon proposal of the Board, decide to repurchase all the shares in such Sub-Fund or Class and to reimburse the Shareholders on the basis of the Net Asset Value of their shares (taking account of current realisation prices of the investments as well as realisation expenses) calculated as of the Valuation Day on which such decision shall become effective. No quorum shall be required at this general meeting and resolutions shall be passed by a simple majority of the shareholders present or represented, provided that the decision does not result in the liquidation of the Company.

(c) All the shares redeemed will be cancelled.

24.2 Merger of the Company or Sub-Funds with other UCITS

(a) The Company may, either as a merging UCITS or as a receiving UCITS, be subject to cross-border and domestic mergers;

(b) The Board of Directors is competent to decide on the effective date of the merger with another UCITS;

(c) For the sake of this Sections 24.2:

(i) a merger means an operation in the meaning of article 1(20) a) to b) of the 2010 Act;

(ii) the term unitholders/units also refers to the Shareholders/shares of the Company or a Sub-Fund;

(iii) the term UCITS may also refer to sub-funds of a UCITS; and

(iv) the term Company may also refer to a Sub-Fund of the Company.

*(d) Where the Company is merging with another UCITS (the **Other UCITS**), either as the merging UCITS or the receiving UCITS, the following general rules will apply:*

(i) The Company will provide appropriate and accurate information on the proposed merger to its Shareholders (which will include the particulars as set out in article 72(3), points a) to e) of the 2010 Act) so as to enable them to make an informed judgment of the impact of the merger on their investment. This information must be provided only after the CSSF has authorized the proposed merger and at least thirty (30) days before the last date for requesting redemption or, as the case may be, conversion of their shares without additional charge as set out under item (ii) below .

(ii) The Shareholders have the right to request, without any charge other than those retained by the Company to meet divestment costs, the redemption of their shares or, where possible, to convert them into shares or units of another UCITS with a similar investment policy and managed by the Management Company or by any other company with which the Management Company is linked by common management or control, or by a substantial direct or indirect holding. This right will become effective from the moment

that the Shareholders have been informed of the proposed merger in accordance with item (i) above, and will cease to exist five working days before the date for calculating the exchange ratio referred to under item (v) below.

(iii) Without prejudice to item (ii) above, by way of derogation from articles 11, paragraph (2), and 28, paragraph (1), point b) of the 2010 Act, the Company may decide to temporarily suspend the subscription or redemption of shares provided that any such suspension is justified for the protection of Shareholders.

(iv) The Company and the Other UCITS must draw up common draft terms of merger setting out the particulars as stipulated in article 69(1) of the 2010 Act.

(v) The common draft terms of the merger referred to under item (iv) above will determine the effective date of the merger as well as the date for calculating the exchange ratio of units of the merging UCITS into units of the receiving UCITS and, as the case may be, for determining the relevant net asset value for cash payments. Such dates will be after the approval, as the case may be, of the merger by the shareholders of the Company and/or the Other UCITS.

(e) Where the Company is the merging UCITS the following additional rules will apply:

(i) For any merger where the Company ceases to exist, such a merger will require the vote of Shareholders in the Company subject to the quorum and majority requirements provided for amendment to these Articles. This decision must be recorded by notarial deed.

(ii) The Company will entrust its statutory auditor to validate the following:

- the criteria adopted for valuation of the assets and, as the case may be, the liabilities on the date for calculating the exchange ratio, as referred to in Section (d)(v) above;
- where applicable, the cash payment per share; and
- the calculation method of the exchange ratio as well as the actual exchange ratio determined at the date for calculating that ratio, as referred to in Section (d)(v) above.

A copy of this reports shall be made available on request and free of charge to the shareholders of both the merging UCITS and the receiving UCITS and to their competent authorities.

(f) Where the Company is the receiving UCITS the following additional rules will apply:

(i) While ensuring observance of the principle of risk-spreading, the Company is allowed to derogate from articles 43, 44, 45 and 46 of the 2010 Act for six months following the effective date of the merger.

(ii) The Management Company will confirm in writing to the Custodian that the transfer of assets and, as the case may be, liabilities is complete.

(iii) The entry into effect of the merger will be made public through all appropriate means by the Company. The Company will further notify the CSSF and any other competent authority involved in the merger.

24.3 Merger and split of Sub-Funds and Classes

(a) Under the same circumstances as provided by Section 24.1., the Board may decide to allocate the assets of a Sub-Fund to those of another existing Sub-Fund within the Company and to repatriate the Shares of the Class or Classes concerned as Shares of another Class (following a split or consolidation, if necessary, and the payment of the amount corresponding to any fractional entitlement to Shareholders). This decision will be published one month before its effectiveness (and, in addition, the publication will contain information in relation to the new Sub-Fund) in the same manner as described under Section 24.1., to enable the Shareholders to request redemption of their Shares, free of charge, during this period.

(b) Notwithstanding the powers conferred to the Board under item (a) above, a contribution of the assets and of the liabilities attributable to any Sub-Fund to another Sub-Fund within the Company may in any other circumstances be decided upon by a General Meeting of the Class or Classes issued in the Sub-Fund concerned for which there will be no quorum requirements and which will decide upon such a merger by resolution taken by simple majority of those present or represented and voting at such meeting.

(c) In the interest of the Shareholders of the relevant Sub-Fund or in the event that a change in the economic or political situation relating to a Sub-Fund so justifies, the Board may proceed to the reorganisation of a Sub-Fund by means of a division into two or more Sub-Funds. This decision will be published one month before its effectiveness (and, in addition, the publication will contain information in relation to the new Sub-Fund) in the same manner as described under Section 24.1., to enable the Shareholders to request redemption of their Shares, free of charge, during this period.

26. ARTICLE 26. – APPLICATION OF INCOME

26.1 The General Meeting determines, upon proposal from the Board and within the limits provided by law, how the income from the Sub-fund will be applied with regard to each existing share class, and may declare, or authorise the Board to declare, distributions.

26.2 For any class of shares entitled to distributions, the Board may decide to pay interim dividends in accordance with legal provisions.

26.3 Payments of distributions to owners of registered shares will be made to such Shareholders at their addresses in the register of Shareholders. Payments of distributions to holders of bearer shares will be made upon presentation of the dividend coupon to the agent or agents more specifically designated by the Company.

26.4 Distributions may be paid in such a currency and at such a time and place as the Board determines from time to time.

26.5 The Board may decide to distribute bonus stock in lieu of cash dividends under the terms and conditions set forth by the Board.

26.6 Any distributions that has not been claimed within five (5) years of its declaration will be forfeited and revert to the share class(es) issued in the respective Sub-fund.

26.7 No interest will be paid on a dividend declared by the Company and kept by it at the disposal of its beneficiary.

27. ARTICLE 27. - CUSTODIAN

27.1 To the extent required by law, the Company will enter into a custodian agreement with the Custodian.

27.2 The Custodian will fulfil its obligations in accordance with the 2010 Act.

27.3 If the Custodian indicates its intention to terminate the custodial relationship, the Board will make every effort to find a successor custodian within two months of the effective date of the notice of termination of the custodian agreement. The Board may terminate the agreement with the Custodian but may not relieve the Custodian of its duties until a successor custodian has been appointed.

28. ARTICLE 28. - LIQUIDATION OF THE COMPANY

28.1 The Company may at any time be dissolved by a resolution of the General Meeting, subject to the quorum and majority requirements referred to in article 29.

28.2 If the assets of the Company fall below two-thirds of the minimum capital indicated in article 5, the question of the dissolution of the Company will be referred to the General Meeting by the Board. The General Meeting, for which no quorum will be required, will decide by simple majority of the votes of the shares represented at the General Meeting.

28.3 The question of dissolution of the Company will further be referred to the General Meeting whenever the share capital falls below one-fourth of the minimum capital indicated in article 5; in such event, the General Meeting will be held without any voting quorum requirements and the dissolution may be decided by Shareholders holding one-quarter of the votes of the shares represented at the meeting.

28.4 The meeting must be convened so that it is held within a period of forty (40) days from the ascertainment that the net assets of the Company have fallen below two-thirds or one-quarter of the legal minimum, as the case may be.

29. ARTICLE 29. - LIQUIDATION

29.1 If the Company is dissolved, the liquidation shall be carried out by one or several liquidators appointed in accordance with the provisions of the 2010 Act.

29.2 *The decision to dissolve the Company will be published in the Mémorial and two newspapers with adequate circulation, one of which must be a Luxembourg newspaper.*

29.3 *The liquidator(s) will realise each Sub-fund's assets in the best interests of the Shareholders and apportion the proceeds of the liquidation, after deduction of liquidation costs, amongst the Shareholders of the relevant Sub-fund according to their respective prorata.*
