

## Key Investor Information

This document provides you with key investor information about this Sub-Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Sub-Fund. You are advised to read it so you can make an informed decision about whether to invest.

# CROSSOVER CREDIT (the "Sub-Fund"), a Sub-Fund of EDMOND DE ROTHSCHILD FUND (the "Fund")

Share Class B USD H (the "Class") - LU1080013722

Management Company : Edmond de Rothschild Asset Management (Luxembourg)

## Objectives and Investment Policy

**Investment objective:** The Sub-Fund's objective is to achieve optimum long-term capital growth by investing in debt securities traded on regulated capital and money markets. In particular, the Sub-Fund aims to outperform its benchmark.

**Benchmark index:** The benchmark index of the Classes denominated in USD Classes hedged against currency risk (H Classes) is a composite of four component indices made up as follows:

two EUR index hedged in USD as follows:

- 1/3 of ICE BOFA BBB Euro Corp Index

- 1/6 of ICE BOFA BB Euro High Yield Non-Financial Constrained Index

and

two USD index unhedged as follows:

- 1/3 of ICE BOFA BBB US Corp Index 1-10 years

- 1/6 of ICE BOFA BB US Non-Financial Constrained Index

The benchmark index serves only for comparison purposes. The Sub-Fund is actively managed.

**Investment policy:** A minimum of 50% of the Sub-Fund's net assets will be invested on regulated capital and money markets in debt securities

A minimum of 50% of the Sub-Fund's net assets will be invested on regulated capital and money markets in "investment grade" debt securities.

A maximum of 50 % of the Sub-Fund's total assets may be invested in "Non-investment-grade" debt securities. These securities will be mainly denominated in developed market currencies including but not limited to the EUR and the USD. The currency risk may not exceed 10% of the Sub-Fund's total assets.

Subject to a limit of 10% of the Sub-Fund's net assets, the Sub-Fund may be exposed to equity markets through its potential exposure to convertible bonds and in exceptional cases resulting from the restructuring of securities held in the portfolio.

The Sub-Fund may use financial derivative instruments to achieve its investment objective.

The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities.

Under exceptional circumstances and/or where financial market conditions so require, the Sub-Fund may, with the aim of protecting shareholders' interests, invest all of its assets in term deposits, Money Market Instruments or short term debt securities.

The Class will be hedged against the EUR/USD exchange rate fluctuation.

The Sub-Fund's modified duration will be comprised between 0 to 8.

**The recommended investment period is at least 3 years.**

**Frequency of share buying or selling:** Every Luxembourg and France bank business day except for Good Friday, 24 December (Christmas Eve) and the days on which the French markets are closed (official calendar of Euronext Paris S.A.) for orders received by the transfer agent on each NAV calculation day before 12:30 p.m. and processed on the basis of that day's net asset value.

**Income allocation:** Distribution

## Risk and Reward Profile

The definition of the risk and reward category is based on the historical performance data and/or the risk limit indicated in the Sub-Fund's investment policy. It may not be a reliable indication of the future risk profile of the Sub-Fund. The risk and reward category shown may change over time. Category 1 does not mean that an investment is risk-free. Investors should note that the Sub-Fund is not guaranteed or capital protected.

This Sub-Fund is rated in category 4, in line with the type of securities and geographic regions detailed under the heading "Objectives and investment policy", as well as the currency of the unit.

### Significant risks not taken into account in this indicator:

**Credit risk :** When a significant level of investment is made in debt securities.

**Liquidity risk :** The markets for some securities and instruments may have limited liquidity. This limited liquidity could be a disadvantage to the Sub-Fund, both in the realisation of the prices quoted and the execution of orders at desired prices.

**Impact of techniques such as derivative contracts :** The use of derivatives instruments can infer a decrease of the asset more significant than the decrease of the invested underlying assets or markets.

**Counterparty risk :** Where a Fund is backed by collateral or has significant investment exposure through contracts with a third party.

**Operational risk :** The Sub-Fund may suffer losses due to the failure of operational processes, including those related to the safekeeping of assets.

The occurrence of any of these risks may negatively impact the net asset value.

The latest price of the shares is available online at <https://funds.edram.com/en>.

This document describes the Class of the Sub-Fund. The prospectus, the annual reports and the semi-annual reports are prepared for the Fund as a whole. The assets and liabilities of the various sub-funds are segregated. The assets of any particular Sub-Fund will only be available to satisfy the debts, liabilities, and obligations which relate to that Sub-Fund. Shareholders are allowed to convert all or part of their shares into shares of another class of the Sub-Fund, or into shares of the same or of another sub-fund. For more details about how to switch shares, please refer to the dedicated section of the prospectus "Share conversion".

Detailed information concerning the remuneration policy of the Management company, namely, but not limited to a description of how remuneration and benefits are calculated, the identity of the persons responsible for awarding the remuneration and benefits, including the composition of the remuneration committee, where such a committee exists, are available on the website: <https://www.edmond-de-rothschild.com/fr/Pages/legal.aspx>.

A paper copy of the summarised remuneration policy is available free of charge, upon request to shareholders.

Charges and fees are paid to cover the operating costs of the Sub-Fund, including the cost of marketing and distributing share classes. These costs reduce the potential growth of your investment.

Investors may obtain the actual amount of entry and exit charges from their advisor or distributor. In certain cases you might pay less.

The ongoing charges figure is based on the last year's expenses, for the year ending in December 2021. This figure may vary from year to year. It excludes performance fees and intermediary fees except entry and exit charges paid by the Sub-Fund when buying or selling units and/or shares of another UCI.

For more information about charges, including information on performance fees and their calculation, please refer to the Sub-Fund's data sheet in the Fund prospectus.

Past performance is not an indication of future performance. It may vary over time. The performance indicated does not take into account costs and fees on issues and redemptions of units, but does include ongoing charges and intermediary fees as well as any performance fees collected.

Past performances are calculated in USD, net dividends reinvested.
