DISCLAIMER

(*) The performance figures correspond with the total performance of the fund, including dividends, coupons and price increases or decreases. The performance figures take into account the management fee and other recurrent costs, but not the entry, exit fee and the tax on exit. Annualised performance are calculated on an actuarial base and are expressed as a percentage versus the net asset value at the beginning of the period. Unless stated otherwise, the performances are calculated in the same currency as the sub-fund's net asset value. Performances are based on results obtained in the past and are no guarantee for future performances. Applications to invest in any fund referred to in this document can only validly be made on the basis of the Key Investor Information (KIID), the prospectus and the latest available annual and semi-annual reports. These documents are available on the website funds.degroofpetercam.com.
