- 9.2 Without limiting the generality of the foregoing, the Directors may take either of the following actions or any reasonable, additional or ancillary actions as they deem necessary in their absolute discretion to comply with FATCA and CRS: (a) require any Shareholder to provide such information or confirmations as necessary from time to time; or (b) share such information with the Inland Revenue Service, the Revenue Commissioners or any other relevant tax or other government authority. Where any Shareholder has failed to provide such information or confirmations as requested or is in any other respect deemed to be a recalcitrant account-holder for the purposes of FATCA and/or CRS or is for any other reason deemed not to be compliant with FATCA and/or CRS or would prejudice the Company's ability to comply with FATCA and/or CRS, the Company may repurchase and cancel the Shareholder's Participating Shares and/or compel or effect the sale of those Participating Shares or take any other such actions as may reasonably be deemed necessary to enable the Company to comply with FATCA and/or CRS.
- 9.3 The Directors shall be entitled to assume without enquiry that none of the Shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to Article 9.5 and/or 9.12 below provided that the Directors may upon an application for Shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated in Article 9.1 as they shall in their discretion deem sufficient.
- 9.4 If a person becomes aware that he is holding or owning Shares in contravention of Article 9.1 he shall forthwith in writing request the Company to redeem such Shares in accordance with Article 10 of these Articles or transfer such Shares to a person duly qualified to hold the same unless he has already received a notice under Article 9.5 and/or Article 9.12.
- 9.5 The Directors shall be entitled by service of a notice (a "Transfer Notice") to require the transfer of any Shares in the Company that are acquired or held directly or beneficially by any person of the kind referred to in Article 9.1 or if any other circumstances exist which are set out in the Prospectus as being circumstances entitling the Company to require the transfer of some or all of the Shares of one or more Members.

- 9.6 It shall be for the Directors in their absolute discretion to decide whether or not the provisions of the previous Article apply and this discretion shall be exercisable regardless of the date of the entry of a Member on the Register and the number of Shares held by a Member. The Directors shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this Article.
- 9.7 If the required transfer is not effected immediately after service of a Transfer Notice on the registered holder (the “Notified Holder”), the Directors are entitled to:
- 9.7.1 as agent of the Notified Holder, execute or authorise some person to execute and deliver on the Notified Holder’s behalf, an instrument of transfer in respect of the Shares held by the Notified Holder and the Company may sell the Shares as agent of the Notified Holder at a price determined in accordance with the provisions contained in the following Article, deduct therefrom any fiscal charges, fees and expenses incurred by the Company as a result of the compulsory transfer, receive the proceeds as agent of the Notified Holder and cause the transferee to be registered as the holder of such Shares subject to the provisions of these Articles. The receipt of the Company for the proceeds shall be a good discharge to the transferee (who shall not be bound to see the application thereof) and after the transferee has been registered in exercise or purported exercise of the aforesaid powers, the validity of the proceedings shall not be questioned by any person;
- 9.7.2 compulsorily redeem the Shares in accordance with Article 9.
- Until such transfer or redemption is effected, the holder of such Shares shall not be entitled to any rights or privileges attached to such Shares.
- 9.8 In the event of a compulsory transfer, the sale price of the Shares shall be such price as is reasonably obtainable by selling such Shares in any available market.
- 9.9 The sale proceeds of a compulsory transfer, after deduction of the amounts set out in these Articles, will be deposited by the Company in a bank for payment to the holder of the Shares subject to compulsory transfer against the proffering of such evidence as to title as the Directors may require. Upon the deposit of the sale proceeds, the holder shall have no further interest in the Shares or any of them or any claim against the Company in respect thereof except the right to receive the sale proceeds of redemption or transfer so deposited (without interest) upon proffering such evidence. Subject thereto, the Company may make payment of the sale proceeds to the relevant former holder in such manner as it thinks fit.
- 9.10 In order to give effect to the foregoing restrictions and provisions, the Company may require any Member at any time to furnish such information and declarations as the Directors may require. Any Member who fails to provide such information or declarations within a reasonable time (not being less than 21 days after service of the request for the same) may be deemed to be holding Shares to which the compulsory transfer provisions above apply.
- 9.11 If a Member becomes aware (otherwise than as a result of receiving a Transfer Notice) that he is holding Shares in circumstances that would entitle the Directors to give a Transfer Notice in respect thereof, he shall forthwith inform the Directors and take such steps as necessary so as to ensure that such Participating Shares cease to be held in such circumstances.
- 9.12 If it shall come to the notice of the Directors or if the Directors shall have reason to believe that any Shares are owned directly or beneficially by any person or persons in breach of

any restrictions imposed by the Directors pursuant to this Article 9, the Directors shall be entitled to at any time (i) give notice (in such form as the Directors deem appropriate) to such person requiring him to (a) transfer such Shares to a person who is qualified or entitled to own the same without contravening any restriction imposed by the Directors, or (b) request in writing the redemption of such Shares in accordance with Article 10 and/or (ii) as appropriate, compulsorily redeem and/or cancel such number of Shares held by such person as is required in the discharge of any taxation or withholding tax arising as a result of the holding or beneficial ownership of Shares by such person.

9.13 Any person or persons to whom Articles 9.1 or 9.2 shall apply shall indemnify the Company, the Manager, the Directors, the Investment Manager the Administrator, the Distributors, the Depositary, any sub-investment manager or investment adviser to the Company and any Shareholder for any loss suffered by any or all of them as a result of such person or persons acquiring or holding Shares of any Fund or, Class in the Company.

9.14 The Company shall be entitled to redeem any Share of a Shareholder or any Share to which a person is entitled by transmission provided that:

- (a) for a period of six years no cheque, share certificate or confirmation of ownership of Shares sent by the Company through the post in a pre-paid letter addressed to the Shareholder or to the person entitled by transmission to the Share at his address on the Register or the last known address given by the Shareholder or the person entitled by transmission to which cheques, share certificates or confirmations of the ownership of Shares are to be sent has been cashed or acknowledged and no communication has been received by the Company from the Shareholder or the persons entitled by transmission;
- (b) at the expiration of the said period of six years the Company has given notice of its intention to redeem such Share or Shares by notice sent by pre-paid letter addressed to the Shareholder or to the person entitled by transmission to the Share at his address on the Register or to the last known address given by the Shareholder or the person entitled by transmission or by advertisement in a national daily newspaper published in Ireland or in a newspaper circulating in the area in which the address of the Shareholder is located;
- (c) during the period of three months after the date of the giving of such notice and prior to the exercise of the power of redemption the Company has not received any communication from the Shareholder or person entitled by transmission; and
- (d) if the Shares are quoted on a stock exchange the Company has first given notice in writing to the appropriate section of such stock exchange of its intention to redeem such Shares, if it is required to do so under the rules of such stock exchange.

The Company shall account to the Shareholder or to the person entitled to such Shares for the net proceeds of such redemption by carrying all monies in respect thereof as a permanent debt of the Company provided however that no amount payable to any such Shareholder shall bear interest against the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such Shareholder or other person.

9.15 Shares compulsorily redeemed in accordance with this Article 9 will be redeemed on a Valuation Day determined by the Directors taking due account of the interests of the

remaining Shareholders at a price per Share equal to the Redemption Price per Share as determined in accordance with the provisions of the Prospectus.

10. REDEMPTION OF SHARES

- 10.1 As is more specifically described herein below, the Company has the power to redeem its own outstanding fully paid Shares on or with effect on any relevant Dealing Day. A Shareholder may at any time, request the Company to redeem all or any of his Shares in the relevant Fund or Class in accordance with the terms of the Prospectus and Articles in such manner as the Directors may from time to time decide. Subject to Article 10.17 any such request shall be irrevocable save with the consent in writing of the Company or its authorised agent. The Directors may at their discretion impose a minimum redemption amount in relation to any particular Fund or Class.
- 10.2 Subject to Articles 10.12 and 9.14 hereof, a redemption request shall not be processed until the Company or its authorised agent has received a completed redemption request in accordance with the terms of the Prospectus and Articles and, if applicable, any share certificate or evidence satisfactory to the Company of succession or assignment from the Shareholder and such other information as the Company may reasonably require by such time as may from time to time be specified in the Prospectus. Any such request shall be irrevocable save with the consent in writing of the Directors or their delegate.
- 10.3 In the event of receipt of a valid redemption request by such time as may from time to time be specified by the Company, the Company shall redeem the Shares the subject of the request subject to the provisions of the Prospectus and these Articles including any restrictions imposed pursuant to Article 10.13 or any suspension of this redemption obligation pursuant to Article 13.4 hereof PROVIDED THAT the Directors may, in their discretion, accept a redemption request for processing on a Dealing Day notwithstanding that such request may have been received after the time specified from time to time by the Directors for the receipt of redemption requests for such Dealing Day so long as such redemption is received prior to the Valuation Point for such Dealing Day. Shares in the capital of the Company which are redeemed by the Company shall be cancelled.
- 10.4 Following the processing of a redemption request the Shareholder will be paid the Redemption Price per Share which is ascertained by:
- 10.4.1 determining the Net Asset Value per Share as at the Valuation Point for the relevant Dealing Day in accordance with the provisions of Article 13 hereof;
 - 10.4.2 deducting therefrom any Duties and Charges, if the Directors so determine;
 - 10.4.3 in the case of Currency Hedged Share Classes, adding thereto or deducting therefrom (as the case may be) the sum calculated in accordance with Article 13 the cost and gains/losses of any currency hedging transaction effected in respect of such Class; and
 - 10.4.4 in the event of requests for redemption exceeding subscription applications for the relevant Fund on any Dealing Day and if the Directors so determine, deducting therefrom such provision representing an Anti-Dilution Levy to provide for market spreads, dealing costs and preserve the value of the underlying assets of the relevant Fund as the Directors determine.
- 10.5 In calculating the Redemption Price the Directors may at their discretion adjust the valuation basis of the Net Asset Value attributable to a particular redemption to reflect the value of the relevant Fund's Investments, by valuing the Investments using "bid" or

redemption prices for relevant underlying long positions or of “offer” or purchase prices for relevant underlying short positions.

- 10.6 Payment of redemption proceeds shall be made in the same currency (unless otherwise requested in writing) as the currency in which they were invested (subject to Article 23) within 14 calendar days after the date on which redemption requests are required to be received by the Company or its delegate.
- 10.7 An Exit Charge not exceeding three per cent (3%) of the Net Asset Value of Shares being redeemed may be imposed for the absolute use and benefit of the Company or as the Company may direct and the Directors may at their discretion waive, either wholly or partially, such exit charge or differentiate between Shareholders as to the amount of such exit charge, if any, within the permitted limit.
- 10.8 Subject to Article 28.9 any amount payable to a Shareholder under this Article shall be paid in the Base Currency or the denominated currency of the relevant Class or such other currency or currencies as the Directors shall have determined as appropriate and shall be dispatched no later than such period of time after the latest time for receipt of redemption requests for the relevant Dealing Day as determined by the Directors and set out in the Prospectus in accordance with the requirements of the Central Bank.
- 10.9 Any request for redemption of Shares shall not be valid and effective unless, in the case of Shares for which a certificate has been issued, the certificate or certificates for such Shares in proper form accompanies such request.
- 10.10 On redemption of part only of the Shares comprised in any certificate the Directors shall procure that a balance certificate be issued for the balance of such Shares free of charge.
- 10.11 If a redemption of part only of a Shareholder's holding of Shares of the Company, Fund, Class would leave the Shareholder holding less than the Minimum Holding the Company may redeem the whole of that Shareholder's holding.
- 10.12 Where a certificate has been issued the Directors may at their option dispense with the production of any certificate which shall have become lost or destroyed upon compliance by the holder of Shares to be redeemed with the like requirements to those applying in the case of an application by him for replacement of a lost or destroyed certificate under Article 6 hereof.
- 10.13 If the number of Shares of a particular Fund in respect of which redemption requests have been received on any Dealing Day is equal to 10% or more of the Net Asset Value of the relevant Fund the Directors may, in their discretion, refuse to redeem any Shares in that Fund in excess of 10% of the Net Asset Value of that Fund and, if they so refuse, the requests for redemption on such Dealing Day shall be reduced Pro-Rata, in accordance with the provisions of the Prospectus, and the Shares to which each request relates which are not redeemed by reason of such reduction shall be treated as if a request for redemption had been made in respect of each subsequent Dealing Day until all the Shares to which the original request related have been redeemed. Requests for redemption which have been carried forward from an earlier Dealing Day shall (subject always to the foregoing limits) be reduced rateably and shall be treated as if they were received on each subsequent Dealing Day until all Shares to which the original request related have been redeemed. The Directors may set limits on the number of Shares that a Fund will be obliged to redeem on a Dealing Day lower than the prescribed levels outlined above, from time to time, in accordance with the requirements of the Central Bank.
- 10.14 Where relevant, if a redeeming Shareholder owns Shares of more than one Series within a Class, Shares will be redeemed on a “first in-first out basis” for the purposes of

determining the price for the Shares redeemed. Accordingly, Shares of the earliest issued Series owned by the Shareholder will be redeemed first, at the relevant Redemption Price for Shares of such Series, until the redeeming Shareholder no longer owns any Shares attributable to such Series.

- 10.15 The Company may, at the discretion of the Directors, satisfy any request for redemption of Shares by the transfer in specie or in kind to a Shareholder requesting redemption of assets of the relevant Fund having a value (calculated in accordance with Article 14) equal to the Redemption Price less any Exit Charge and other expenses of the transfer as the Directors may determine provided that the Shareholder requesting redemption consents to such transfer in specie or in kind. A determination to provide redemption in specie or in kind may be solely at the discretion of the Company where the redeeming Shareholder requests redemption of a number of Shares that represents five per cent (5%) or more of the Net Asset Value of the relevant Fund. In this event, the Company will, if requested, sell any asset or assets proposed to be distributed in specie or in kind and distribute to such Shareholder the cash proceeds less the costs of such sale which shall be borne by the relevant Shareholder. The nature and type of assets to be transferred in specie to each Shareholder shall be determined by the Directors on such basis as the Directors in their sole discretion shall deem equitable and not prejudicial to the interests of the remaining Shareholders in the relevant Fund or Class and shall be subject to the approval of the Depositary. The Directors may disapply the preceding conditions regarding the satisfaction of redemptions in specie from time to time, in accordance with the requirements of the Central Bank.
- 10.16 If the Company is required to deduct, withhold or account for tax including any penalties and interest thereon upon the occurrence of certain events such as the encashment, redemption, disposal or deemed disposal of Shares by or payment of a distribution to a Shareholder (whether upon a redemption, transfer or deemed disposal of Shares or payment of a dividend or otherwise) the Directors may deduct or arrange for the deduction from the proceeds due to be paid to a Shareholder of a cash amount equal to the liability, or in accordance with the procedures in Article 9 hereof arrange for the compulsory redemption and cancellation of such number of Shares of such Shareholder as is sufficient after the deduction of any exit charges to discharge any such liability and the relevant Shareholder shall indemnify and keep indemnified the Company against any loss suffered by it in connection with any obligation or liability to so deduct, withhold or account.
- 10.17 If the determination of the Net Asset Value of any Fund or Class and/or the issue, redemption and conversion of Shares in any Fund or Class has been suspended pursuant to Article 13.4 hereof, a Shareholder may withdraw any request for redemption of his Shares. Any withdrawal of a request for redemption under the provisions of this Article shall be made in writing and shall only be effective if actually received by the Company or its duly authorised agent before termination of the suspension. If the request is not withdrawn during the period of suspension, the redemption of Shares shall be effected on the Dealing Day next following the end of the suspension subject to Article 10.13.
- 10.18 Where all the Shares in a Class or Fund have been redeemed, the Directors may subsequent to such redemption make a subsequent issue of Shares in that Class or Fund at a Subscription Price per Share determined by the Directors. Any such issue of Shares pursuant to this Article shall be in accordance with the requirements of the Central Bank.

11. TOTAL REDEMPTION

- 11.1 The Company may by not less than two nor more than twelve weeks' notice to Members expiring on a Valuation Day, redeem at the Redemption Price less interest accrued or costs or penalties, if any, all of the Shares in any Fund or Class or all Funds or Classes not

previously redeemed if the Net Asset Value of the Fund is less than such amount as the directors deem appropriate in the relevant circumstances.

- 11.2 If all of the Shares in a particular Fund or Class are to be redeemed as aforesaid the Directors, in accordance with the requirements of the Central Bank, may divide amongst the Shareholders in specie all or part of the assets of the relevant Fund or Class according to the Net Asset Value of the Shares then held by each Shareholder in the relevant Fund or Class in accordance with Article 13 hereof provided that any Shareholder shall be entitled to request, at the expense of such Shareholder, the sale of any asset or assets proposed to be so distributed and the distribution to such Shareholder of the cash proceeds of such sale.
- 11.3 If all of the Shares of the Company are to be redeemed as aforesaid, the Company, with the approval of the Shareholders by Ordinary Resolution and in accordance with the requirements of the Central Bank, may divide amongst the Shareholders in specie all or part of the assets of the Company according to the Net Asset Value of the Shares then held by each Shareholder as determined in accordance with Article 13 hereof.
- 11.4 If all the Shares in the Company or a Fund or Class are to be redeemed as aforesaid and the whole or any part of the business or property of the relevant Fund or any of the assets of the Company are proposed to be transferred or sold to another company (hereinafter called "the Transferee") the Directors may, with the sanction of a Special Resolution of the Company or the relevant Fund or Class conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale shares, units, policies or other like interests or property in or of the Transferee for distribution among the said Shareholders, or may enter into any other arrangement whereby the said Shareholders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee.
- 11.5 The Non-Participating Shares (or any of them) may be redeemed by the Company at any time after the first issue of Shares is effected after the initial offer period. The Redemption Price for each Non-Participating Share shall be €1.

12. CONVERSION OF SHARES

- 12.1 Subject to any restrictions imposed pursuant to these Articles and in accordance with the provisions of the Prospectus, a Shareholder of any Fund or Class thereof may request the convert of all or any Shares held by him into Shares of another Fund or Class thereof or another Class in the same Fund either existing or established on such terms as may be provided in the Prospectus.
- 12.2 A conversion charge not exceeding three per cent (3%), calculated as a percentage of the Net Asset Value of the Shares in the original Fund or Class may be deducted from the amount being converted for the absolute use and benefit of the Company or as the Company may direct and the Directors may at their discretion waive, either wholly or partially, such conversion charge or differentiate between Shareholders as to the amount of such conversion charge, if any, within the permitted limit.

13. DETERMINATION OF NET ASSET VALUE

- 13.1 The Directors shall on or with respect to each Valuation Day determine the Net Asset Value of the Company and each Fund or, if there are different Classes within a Fund, attributable to each Class and/or Series and the Net Asset Value per Share in accordance with the following provisions.

- 13.2 The Net Asset Value of each Fund shall be determined as at each Valuation Point by ascertaining the value of the assets of the Fund pursuant to Article 14.1 hereof, having regard to the principles specified in, and making such additions, deductions and adjustments as are appropriate pursuant to Article 14.4 hereof. The Net Asset Value of the Company shall be equal to the Net Asset Value of all the Funds. The Net Asset Value attributable to a Class shall be determined as at each Valuation Point by calculating that portion of the Net Asset Value of the relevant Fund attributable to the relevant Class as at the Valuation Point by reference to the number of Shares in issue or deemed to be in issue in each Class on the relevant Valuation Day subject to adjustment to take account of any increase or decrease, entitlements, costs or liabilities attributable to one Class only, which will only be allocated to that Class including the gains/losses on and costs of financial instruments employed in the currency hedging of a particular Class – such transactions to be clearly attributable to the particular Class then allocating any increase or decrease in the Net Asset Value of the relevant Class of Shares for such period among each Series of Shares of the Class Pro-Rata in accordance with the Net Asset Value of each Series as at the immediately preceding Valuation Day and then dividing the Net Asset Value of each such Series by the number of outstanding Shares thereof and rounding the resulting total to such number of decimal places as the Directors may determine and subject to such adjustment thereto as the Directors may make from time to time.
- 13.3 The Net Asset Value per Share shall be determined as at each Valuation Point by dividing the Net Asset Value of the relevant Fund or attributable to a Class by the number of Shares in issue or deemed to be in issue in such Fund or Class at the Valuation Point and rounding the resulting total to such number of decimal places as the Directors may determine. Shares within a Series will have the same Net Asset Value per Share. Any performance fee accrued with respect to a particular Series will be debited against the Net Asset Value of such Series.
- 13.4 The Directors may at any time and from time to time temporarily suspend the determination of the Net Asset Value of a Fund or attributable to a Class and/or the issue, redemption and conversion of Shares in any Fund or Class, in the following instances:
- 13.4.1 during any period (other than ordinary holiday or customary weekend closings) when any market or Regulated Market is closed which is the main market for a significant part of a Fund's Investments, or when trading thereon is restricted or suspended;
 - 13.4.2 during any period during which disposal or valuation of Investments which constitute a substantial portion of the assets of a Fund is not practically feasible or if feasible would be possible only on terms materially disadvantageous to Shareholders;
 - 13.4.3 during any period when for any reason the prices of any Investments of a Fund cannot be reasonably, promptly, or accurately ascertained by the Administrator;
 - 13.4.4 during any period when remittance of monies which will, or may, be involved in the realisation of, or in the payment for, Investments of a Fund cannot, in the opinion of the Directors, be carried out at normal rates of exchange;
 - 13.4.5 during any period when the volume of requests for the redemption of Shares on any Dealing Day would, in the opinion of the Directors, require the sale of a substantial proportion of the liquid assets of the portfolio of the Fund to the detriment of the remaining Shareholders;

- 13.4.6 during any period when, in the opinion of the Directors, for any reason the latest Net Asset Value preceding the notice of suspension is determined not to be reliable;
- 13.4.7 during any period when proceeds of the sale or redemption of the Shares cannot be transmitted to or from a Fund's account;
- 13.4.8 during any period the service on the Shareholders of a notice to consider a resolution to wind up the Company or close a Fund;
- 13.4.9 upon mutual agreement between the Company and the Depositary for the purpose of winding up the Company; or
- 13.4.10 any other reason makes it impossible or impracticable to determine the value of a substantial portion of the investments of the Company

and shall temporarily suspend the determination of the Net Asset Value of a Fund or attributable to a Class and/or the issue, redemption and conversion of Shares in any Fund or Class if directed to do so by the Central Bank.

- 13.5 Notice of any such suspension and notice of the termination of any such suspension shall be published by the Company in such manner as the Directors may deem appropriate to notify the persons likely to be affected thereby and given without delay and in any event within the same Business Day to the Central Bank. All reasonable steps will be taken to bring a period of suspension to an end as soon as possible.
- 13.6 The Directors shall ensure that the Net Asset Value per Share is made readily available for the relevant Shareholders.

14. VALUATION OF INVESTMENTS

- 14.1 The value of the assets of each Fund or attributable to a Class of Shares shall be as follows:
 - 14.1.1 the value of an investment which is quoted, listed or normally dealt in on a Regulated Market shall be the last traded price (or if no last traded price is available the latest mid-market price) on such Regulated Market as at the Valuation Point provided that:
 - (a) if an investment is quoted, listed or normally dealt in on more than one Regulated Market, the Directors may, in their absolute discretion, select any one of such markets for the foregoing purposes (provided that the Directors have determined that such market constitutes the main market for such investment or provides the fairest criteria for valuing such securities) and once selected a market shall be used for future calculations of the Net Asset Value with respect to that investment unless the Directors (with the approval of the Depositary) otherwise determine;
 - (b) in the case of any investment which is quoted, listed or normally dealt in on a Regulated Market but in respect of which for any reason, prices on that market may not be available at any relevant time, or, in the opinion of the Directors, may not be representative, the value thereof shall be the probable realisation value thereof estimated with care and in good faith by a competent person, firm or association (including the Investment Manager) appointed by the

Directors (approved for the purpose by the Depositary) or any other means provided the value is approved by the Depositary; and

- (c) in the case of any investment which is quoted, listed or normally dealt in on a Regulated Market but which was acquired at a premium or at a discount outside or off the relevant market, the level of premium or discount at the date of valuation may be taken into account when valuing such investment provided the Depositary ensures that the adoption of such procedure is justifiable in the context of establishing the probable realisation value thereof.
- 14.1.2 the value of any investment which is not quoted, listed or normally dealt in on a Regulated Market shall be the probable realisable value estimated with care and in good faith by a competent person, firm or association (including the Investment Manager) appointed by the Directors (approved for the purpose by the Depositary) or any other means provided the value is approved by the Depositary;
- 14.1.3 the value of prepaid expenses, cash dividends and interest declared or accrued as aforesaid and not yet received shall be deemed to be the full amount thereof unless in any case the Directors are of the opinion that the same is unlikely to be paid or received in full in which case the value thereof shall be arrived at after making such discount as the Directors (with the approval of the Depositary) may consider appropriate in such case to reflect the true value thereof;
- 14.1.4 the value of cash and other liquid assets shall be the principal amount plus accrued interest from the date on which the same were acquired or made;
- 14.1.5 the value of units or shares in collective investment schemes (other than those valued pursuant to Article 14.1.1 above) shall be valued at the latest available net asset value as published by the relevant collective investment scheme or (if bid and offer prices are published) the latest published bid price.
- 14.1.6 the value of exchange traded FDI" shall be the settlement price, as determined by the market in question, as at the Valuation Point, provided that where it is not the practice for the relevant market to quote a settlement price or such settlement price is not available for any reason as at the Valuation Point, such value shall be the probable realisation value thereof estimated with care and in good faith by a competent person, firm or association appointed by the Directors (approved for the purpose by the Depositary) or any other means provided the value is approved by the Depositary;
- 14.1.7 the value of forward foreign exchange contracts which are dealt on a Regulated Market shall be calculated by reference to freely available market prices at which a new forward contract of the same size, currency and maturity could be effected at the Valuation Point, provided that if such market price is not available for any reason, such value shall be calculated in the same manner as over the counter FDI outlined in Article 14.1.8 below;
- 14.1.8 the value of any over the counter ("OTC") FDI shall be:

- (a) the quotation from the counterparty provided that such quotation is provided on a daily basis and verified at least weekly by a person independent of the counterparty and who is approved for the purpose by the Depositary; or
 - (b) where an alternative valuation is used (i.e. a valuation that is provided by a competent person firm or association (including the Investment Manager) appointed by the Directors and approved for that purpose by the Depositary (or a valuation by any other means provided that the method is approved by the Depositary)), the valuation principles employed must follow best international practice established by bodies such as IOSCO (International Organisation for Securities Commission) and AIMA (the Alternative Investment Management Association). Any such valuation shall be reconciled to that of the counterparty on a monthly basis and if significant differences arise the Company shall arrange for these to be investigated and seek explanations from the relevant parties.
- 14.1.9 the value of forward foreign exchange and interest rate swap contracts shall be valued in accordance with Article 14.1.8 above or, alternatively, by reference to freely available market quotations. If the latter option is used there is no requirement to have such prices independently verified or reconciled to the counterparty valuation;
- 14.1.10 the value of certificates of deposit, where they do not fall under Article 14.1.1 above shall be valued by reference to the latest available sale price for certificates of deposit of like maturity, amount and credit risk at the Valuation Point or, if such price is not available, at the latest bid price or, if such price is not available or is unrepresentative in the opinion of Directors of the value of such certificates of deposit, at the probable realisation value estimated with care and in good faith by a competent person firm or association (including the Investment Manager) appointed by the directors and approved for the purpose by the Depositary;
- 14.1.11 the value of money market fund shall be valued using the amortised cost method of valuation only in relation to Funds which comply with the Central Bank's requirements for money market funds and where a review of the amortised cost method of valuation vis-à-vis market valuation will be carried out in accordance with the Central Bank's guidelines;
- 14.1.12 the value of money market instruments in a non-money market fund shall be valued on an amortised basis in accordance with the Central Bank's requirements; and
- 14.1.13 the Directors may, with the approval of the Depositary, adjust the value of any investment if having regard to its currency, marketability, applicable interest rates, anticipated rates of dividend, maturity, liquidity or any other relevant considerations, they consider that such adjustment is required to reflect the fair value thereof.

In the event of it being impossible or incorrect to carry out a valuation of a specific asset in accordance with the valuation rules set out in 14.1.1 to 14.1.13 above, or if such valuation is not representative of an asset's fair market value, the Directors (or their delegate) are entitled to use other generally recognised valuation methods in order

to reach a proper valuation of that specific asset, provided that the Directors deem it necessary and any alternative method of valuation is approved by the Depositary.

The Net Asset Value of the assets of a Fund will be expressed in the Base Currency. The value of any assets or liabilities expressed in terms of currencies other than the Base Currency will be translated into the Base Currency of the relevant Fund at prevailing market rates as determined by the Administrator.

None of the Directors, the Company, the Depositary, the Administrator or the Investment Manager shall have any liability in the event that any price or valuation used in good faith in connection with the above procedures proves to be an incorrect or an inaccurate estimate or determination of the price or value of any part of the property of the Company.

- 14.2 In the event of it being impossible or incorrect to carry out a valuation of a specific asset in accordance with the valuation rules set out in Articles 14.1.1 to 14.1.13 above, or if such valuation is not representative of an asset's fair market value, the Directors (or their delegate) are entitled to use other generally recognised valuation methods in order to reach a proper valuation of that specific asset, provided that any alternative method of valuation is approved by the Depositary.
- 14.3 The Net Asset Value of the assets of a Fund will be expressed in the Base Currency. The value of any assets or liabilities expressed in terms of currencies other than the Base Currency will be translated into the Base Currency of the relevant Fund at prevailing market rates as determined by the Administrator.
- 14.4 In addition, special situations affecting the measurement of the Net Asset Value of the assets a Fund may arise from time to time. Prospective investors should be aware that situations involving uncertainties as to the valuation of such assets could have an adverse effect on the Net Asset Value. In particular, the assets of a Fund may be invested in investment funds which are not regularly traded on an exchange and the accuracy of the Net Asset Value may be affected by the frequency of the valuations of securities provided by those funds. Fund managers who manage or advise investment funds may report on a weekly, biweekly, monthly or quarterly or less frequent basis. In calculating the value of assets of the Company and each Fund the following principles will apply, unless determined otherwise by the Directors:
- 14.4.1 every Share agreed to be issued by the Directors with respect to a Dealing Day shall be deemed to be in issue at the Valuation Point for the relevant Valuation Day and the assets of the relevant Fund shall be deemed to include not only cash, accrued interest and property in the hands of the Depositary but also the amount of any cash or other property to be received in respect of Shares agreed to be issued after deducting therefrom (in the case of Shares agreed to be issued for cash) or providing for entry charges;
 - 14.4.2 where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed, such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed unless the Directors have reason to believe such purchase or sale will not be completed;
 - 14.4.3 there shall be added to the assets of the relevant Fund any actual or estimated amount of any taxation of a capital nature which may be recoverable by the Company which is attributable to the Fund;

- 14.4.4 there shall be added to the assets of the relevant Fund a sum representing unamortised expenses and a sum representing any interest, dividends or other income accrued but not received unless the Directors are of the opinion that such interest, dividends or other income are unlikely to be paid or received in full in which case the value thereof shall be arrived at after making such discount as the Directors or their delegate (with the approval of the Depositary) may consider appropriate in such case to reflect the true value thereof;
- 14.4.5 there shall be added to the assets of each relevant Fund the total amount (whether actual or estimated by the Directors or their delegate) of any claims for repayment of any taxation levied on income or capital gains including claims in respect of double taxation relief;
- 14.4.6 where notice of the redemption of Shares has been received by the Company with respect to a Dealing Day and the cancellation of such Shares has not been completed, the Shares to be redeemed shall be deemed not to be in issue at that Valuation Point and the value of the assets of the relevant Fund shall be deemed to be reduced by the amount payable upon such redemption; and
- 14.4.7 there shall be deducted from the assets of the relevant Fund:
- (a) the total amount of any actual or estimated liabilities properly payable out of the assets of the relevant Fund including any and all outstanding borrowings of the Company in respect of the relevant Fund, interest, fees and expenses payable on such borrowings and any estimated liability for tax and such amount in respect of contingent or projected expenses as the Directors consider fair and reasonable as of the relevant Valuation Point;
 - (b) such sum in respect of tax (if any) on income or capital gains realised on the Investments of the relevant Fund as in the estimate of the Directors will become payable;
 - (c) the amount (if any) of any distribution declared by the Shareholders of the relevant Fund or the Directors pursuant to Article 28 hereof but not distributed in respect thereof;
 - (d) the fees and expenses of the Administrator, the Depositary, the Manager, the Investment Manager, any investment investor to the Company, or any Distributor and any other providers of services to the Company accrued but remaining unpaid together with a sum equal to the value added tax chargeable thereon (if any);
 - (e) the total amount (whether actual or estimated by the Directors) of any other liabilities properly payable out of the assets of the relevant Fund (including all establishment, operational and ongoing administrative fees, costs and expenses) as of the relevant Valuation Point;
 - (f) an amount as of the relevant Valuation Point representing the projected liability of the relevant Fund in respect of costs and expenses to be incurred by the relevant Fund in the event of a subsequent liquidation; or

(g) any other liability of the type referred to in Article 2.3 hereof.

14.5 Without prejudice to Article 23.2 hereof the Directors may delegate any of their powers, authorities and discretions in relation to the determination of the value of any Investment to a committee of the Directors or to any other duly authorised person and may delegate the calculation of Net Asset Value in accordance with the requirements of the Notices. In the absence of negligence, fraud or wilful default every decision taken by the Directors or any committee of the Directors or any duly authorised person on behalf of the Company in determining the value of any Investment or calculating the Net Asset Value shall be final and binding on the Company and on present, past or future Shareholders.

15. TRANSFER AND TRANSMISSION OF SHARES

15.1 The transfer of Shares shall be effected in accordance with the following provisions.

15.2 The transfer of Shares may be effected in writing in any usual or common form, signed by or on behalf of the transferor and every transfer shall state the full name and address of the transferor and transferee and need not be under seal.

15.3 The Directors may, in such form as is satisfactory to the Directors, require:

15.3.1 the proposed transferor to guarantee the payment obligations, if any, being assumed by the transferee and/or to confirm that the proposed transferee is able to satisfy such payment obligations;

15.3.2 the proposed transferee to deliver to the Company such certificates, opinions, statements or other evidence as the Directors may reasonably require;

15.3.3 the proposed transferee to furnish such declarations as the applicant's status, identity, residence and otherwise and such undertakings, acknowledgments, representations and/or indemnities as the Directors may from time to time require; and

15.3.4 the proposed transferee to furnish such evidence and/or undertaking in connection with the matters stated in Article 9 as they shall in their discretion deem sufficient.

15.4 An Entry charge not exceeding five per cent (5%) of the Net Asset Value per Share of the Shares being transferred on the Valuation Day immediately preceding the date of the transfer may be charged for the absolute use and benefit of the Company or as the Company may direct (including without limitation, payment to the Investment Manager, any investment adviser or other person as the Directors may in their discretion determine) upon the transfer of Shares and the Directors may at their discretion waive either wholly or partially, such sales charge or differentiate between transferees as to the amount of such sales charge, if any, within the permitted limit.

15.5 The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.

15.6 The Directors may decline to register any transfer of a Share if:

15.6.1 in consequence of such transfer the transferor or the transferee would hold a number of Shares less than the Minimum Holding or the transferee (being an initial investor in the Company) would hold less than the Minimum Initial Subscription;

- 15.6.2 all applicable taxes and/or stamp duties have not been paid in respect of the instrument of transfer;
- 15.6.3 the instrument of transfer is not deposited at the Office or such other place as the Directors may reasonably require, accompanied by (i) the Certificate for the Shares to which it relates (if any); (ii) such evidence as the Directors may reasonably require to show the right of the transferor to make the transfer; (iii) such relevant information and declarations as the Directors may reasonably require from the transferee including, without limitation, an application form duly completed by the proper transferee, information and declarations of the type which may be requested from an applicant for Shares in the Company and (iv) such fee as may from time to time be specified by the Directors for the registration of any instrument of transfer;
- 15.6.4 where a person does not provide adequate anti-money laundering documentation or clear such anti-money laundering checks as the Directors in their absolute discretion may determine;
- 15.6.5 they are aware or reasonably believe the transfer would result in the beneficial ownership of such Shares by a person in contravention of Article 9 of these Articles or any other restrictions on ownership imposed by the Directors or might result in legal, regulatory, pecuniary, taxation or material administrative disadvantage to the Company or the relevant Fund or the Shareholders as a whole.
- 15.7 The Directors shall decline to register a transfer of Shares by a Shareholder who is the bearer of a share warrant unless the transferee is a recognised Depositary.
- 15.8 If requested to do so by the Directors a transferee shall be required to deliver to the Company such certificates, opinions, statements or other evidence required by the Directors for any of the purposes outlined in 15.6.
- 15.9 The registration of transfers may be suspended for such periods as the Directors may determine provided always that each registration may not be suspended for more than 30 days in any one year.
- 15.10 If the Directors decline to register a transfer of any Share they shall, within two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.
- 15.11 All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 15.12 In the case of the death of a Member, the survivors or survivor where the deceased was a joint holder and the executors or administrators of the deceased where he was a sole or surviving holder, shall be the only person(s) recognised by the Company as having title to his interest in the Shares, but nothing in this Article shall release the estate of the deceased Member whether sole or joint from any liability in respect of any Share solely or jointly held by him.
- 15.13 Any guardian of an infant Shareholder and any guardian or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Share or to make such transfer thereof as the Shareholder could have made,

but the Directors shall have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the Shareholder or any Shareholder.

15.14 A person so becoming entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the Share, but shall not be entitled to receive notice of or to attend or vote at meetings of the Company, nor, save as aforesaid, to any of the rights or privileges of a Shareholder unless and until he shall be registered as a Shareholder in respect of the Share PROVIDED ALWAYS that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety days the Directors may thereafter withhold all monies payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.

15.15 If the Company is required to deduct, withhold or account for tax including any penalties and interest thereon upon the transfer of Shares by a Shareholder the provisions of Article 10.16 hereof shall apply mutatis mutandis as if repeated in full herein.

- 18.4 The accidental omission to give notice to or the non-receipt of notice by any person entitled to receive notice shall not invalidate the proceedings at any general meeting.
- 18.5 Where, by any provision contained in the Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the Company have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight Clear Days (or such shorter period as the Act permits) before the meeting at which it is moved, and the Company shall give to the Members notice of any such resolution as required by and in accordance with the provisions of the Act.

19. PROCEEDINGS AT GENERAL MEETINGS

- 19.1 All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting with the exception of the consideration of the statutory financial statements and the reports of the Directors and Auditors and the appointment and the fixing of the remuneration of the Auditors.
- 19.2 No business shall be transacted at any general meeting unless a quorum is present. Subject to Article 19.3, two Members present either in person or by proxy shall be a quorum for a general meeting. A representative of a corporation authorised pursuant to Article 20.12 of these Articles and present at any meeting of the Company or at any meeting of a Fund or Class of Shareholders shall be deemed to be a Member for the purpose of constituting a quorum.
- 19.3 If within fifteen minutes after the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine and if at the adjourned meeting a quorum is not present within fifteen minutes from the time appointed for the meeting, the Members present shall be a quorum.

- 19.8 If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 19.9 The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- 19.10 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.

- 19.12 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.

- 19.13 A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- 19.14 A resolution in writing signed by all the Members for the time being entitled to attend and vote on such resolution at a general meeting of the Company (or being bodies corporate by their duly appointed representatives) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held and may consist of several instruments in the like form each executed by or on behalf of one or more Members and if described as a Special Resolution shall be deemed to be a Special Resolution within the meaning of these Articles. In the case of a corporation a resolution in writing may be signed on its behalf by a director or the secretary thereof or by its duly appointed attorney or duly authorised representative.

Notwithstanding the foregoing, an instrument of proxy relating to more than one meeting (including any adjournment thereof) having once been so delivered for the purposes of any meeting shall not be required to be delivered again for the purposes of any subsequent meeting to which it relates.

- 20.11 A vote given or poll demanded in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer or redemption of the Shares in respect of which the instrument of proxy is given, provided that no intimation in writing of such death, insanity, revocation, transfer or redemption shall have been received by the Company at the Office, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.

- 21.12 The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors. Directors are not required to retire by rotation.

22. TRANSACTIONS WITH DIRECTORS

- 22.1 A Director may hold any other office or place of profit under the Company (other than the office of Auditor) in conjunction with his office of Director on such terms as to tenure of office and otherwise as the Directors may determine.
- 22.2 No Director or intending Director shall be disqualified by his office from contracting with the Company either as vendor, purchaser or otherwise, nor shall any contract or arrangement entered into by or on behalf of the Company in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established, but the nature of his interest must be declared by him at the meeting of the Directors at which the proposal to enter into the contract or arrangement is first taken into consideration or, if the Director was not at the date of that meeting interested in the proposed contract or arrangement, at the next meeting of the Directors held after he becomes so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, at the first meeting of the Directors held after he becomes so interested. A general notice in writing given to the Directors by any Director to the effect that he is a shareholder of any specified company or firm, and is to be regarded as interested in any contract which may thereafter be made with that company or firm, shall (if such Director shall give the same at a meeting of the Directors or shall take reasonable steps to secure that the same is brought up and read at the next meeting of the Directors after it is given) be deemed a sufficient declaration of interest in relation to any such contract or arrangement.
- 22.3 Save as provided by Article 22.4, a Director shall not vote on any resolution or contract or arrangement or any proposal whatsoever in which he has any material interest or a duty which conflicts with the interests of the Company and unless otherwise resolved by the Directors a Director shall not be counted in the quorum at a meeting in relation to any resolution on which he is not entitled to vote.
- 22.4 A Director shall, in the absence of some material interest other than that indicated below, be entitled to vote and be counted in the quorum in respect of any resolution concerning any of the following matters, namely:

- 22.4.1 the giving of any security or indemnity to him in respect of money lent or obligations incurred by him at the request of or for the benefit of the Company or any of its subsidiaries or associated companies;
 - 22.4.2 the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the Company or any of its subsidiaries or associated companies for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;
 - 22.4.3 any proposal concerning an offer of Shares or debentures or other securities of or by the Company or any of its subsidiaries or associated companies for subscription or purchase in which offer he is or is to be interested as a participant in the underwriting or sub underwriting thereof;
 - 22.4.4 any proposal concerning any other company in which he is interested, directly or indirectly and whether as an officer or shareholder or otherwise howsoever PROVIDED THAT he is not the holder of or beneficially interested in five per cent (5%) or more of the issued shares of any class of such company, or of any third company through which his interest is derived, or of any of the voting rights available to shareholders of the relevant company (any such interest being deemed for the purposes of this Article to be a material interest in all circumstances); or
 - 22.4.5 any proposal concerning the purchase of any policy of insurance against directors' and officers' liability.
- 22.5 Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employment with the Company or any company in which the Company is interested, such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not otherwise debarred from voting) shall be entitled to vote and be counted in the quorum in respect of each resolution except that concerning his own appointment.
- 22.6 If any question shall arise at any meeting as to the materiality of a Director's interest or as to the entitlement of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the chairman of the meeting and his ruling in relation to any Director shall be final and conclusive except in a case where the nature or extent of the interests of the Director concerned has not been fairly disclosed.
- 22.7 For the purpose of this Article, an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and, in the case of an alternate Director, an interest of his appointor shall be treated as an interest of the alternate Director.
- 22.8 Any Director may act by himself or through his firm in a professional capacity for the Company, and he or his firm shall be entitled to remuneration for professional services as if he were not a Director, provided that nothing herein contained shall authorise a Director or his firm to act as Auditor.
- 22.9 The Directors may from time to time appoint one or more of their body to be the holder of any executive office on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may at any time revoke any such appointment.

- 22.10 A Director holding any such executive office shall receive such remuneration, whether in addition to or in substitution for his ordinary remuneration as a Director and whether by way of salary, commission, participation in profits or otherwise or partly in one way and partly in another, as the Directors may determine.
- 22.11 The Directors may entrust to and confer upon any Director holding any executive office any of the powers exercisable by them as Directors upon such terms and conditions and with such restrictions as they think fit, and either collaterally with or to the exclusion of their own powers, and may from time to time revoke, withdraw, alter or vary all or any of such powers.
- 22.12 Any Director may continue to be or become a director, managing director, manager or other officer or shareholder of any company promoted by the Company or in which the Company may be interested or associated in business, and no such Director shall be accountable for any remuneration or other benefits received by him as a director, managing director, manager, or other officer or shareholder of any such other company. The Directors may exercise the voting power conferred by the shares in any other company held or owned by the Company or exercisable by them as directors of such other company, in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, managers or other officers of such company, or voting or providing for the payment of remuneration to the directors, managing directors, managers or other officers of such company).
- 22.13 The Company may by Ordinary Resolution suspend or relax the provisions of this Article to any extent or ratify any transaction not duly authorised by reason of a contravention hereof.

23. POWERS OF DIRECTORS

- 23.1 The business of the Company shall be managed by the Directors (outside the United Kingdom), who may exercise all such powers of the Company as are not by the Act or by these Articles required to be exercised by the Company in general meeting, subject, nevertheless, to these Articles, the provisions of the Act and directions by the Members given by a general meeting being not inconsistent with these Articles or the Act provided that no such direction shall invalidate any prior act of the Directors which would have been valid if such direction had not been made. The general powers given by this Article shall not be limited or restricted by any special authority or power given to the Directors by this or any other Article.
- 23.2 The Directors may, whether by standing resolution, power of attorney or otherwise, delegate all or any of their powers, authorities or discretions for such period and subject to such conditions as they may think fit including without limitation but subject to the Notices relating to the issue and redemption of Shares, the calculation of the Net Asset Value per Share, the declaration and payment of dividends and the management, investment management and administration of the Company, to any duly authorised company, firm or other person subject to such terms and conditions as the Directors in their absolute discretion may resolve and, subject to the Notices, may also authorise any such company, firm or person to delegate all or any of the powers, authorities and discretions so delegated.
- 23.3 All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments drawn on the Company, and all other receipts for monies paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine.

23.4 Subject as provided in this Article, the Directors may exercise all the powers of the Company to invest all or any funds of the Company or the subscription proceeds of any Shares in any securities and other assets permitted by Article 16 hereof.

24. BORROWING POWERS

Subject to any limits imposed by the Notices and any derogations therefrom permitted by the Central Bank, the Directors may exercise all powers of the Company to borrow or raise money (including, without limitation, the power to borrow for the purpose of redeeming Shares) or securities and to transfer, mortgage, pledge or charge its undertaking, property and assets or any part thereof and to issue bonds, notes, debentures, debenture stock or other securities whether outright or as security for any debts or obligations of the Company.

25. PROCEEDINGS OF DIRECTORS

25.1 The Directors may meet together (outside the United Kingdom) for the dispatch of business, adjourn and otherwise regulate their meetings as they think fit. Questions arising at any meeting shall be determined by a majority of votes. In case of an equality of votes, the chairman shall have a second or casting vote provided the chairman is not resident in the United Kingdom. A Director may, and the Secretary on the requisition of a Director shall, at any time summon a meeting of the Directors.

25.2 Subject to the provisions of these Articles, the Directors may regulate their proceedings as they think fit. A Director may, and the Secretary at the request of a Director shall, call a meeting of the Directors. Any Director may waive notice of any meeting and any such waiver may be retrospective. If the Directors so resolve, it shall not be necessary to give notice of a meeting of Directors to any Director or alternate Director who, being a resident of the State, is for the time being absent from the State.

25.3 Notice of a meeting of the Directors shall be deemed to be duly given to a Director if it is given to him personally or by word of mouth or sent in writing by delivery, post, cable, telegram, telex, telefax, electronic mail or any other means of communication approved by the Directors to him at his last known address or any other address given by him to the Company for this purpose.

25.4 The quorum necessary for the transaction of business of the Directors may be fixed by the Directors, and unless so fixed at any other number shall be two.

25.5 The continuing Directors or a sole continuing Director may act notwithstanding any vacancies in their number but, if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with these Articles, the continuing Directors or Director may act for the purpose of filling vacancies in their number or of summoning general meetings of the Company, but not for any other purpose. If there be no Directors or Director able or willing to act, then any two Members may summon a general meeting for the purpose of appointing Directors.

25.6 The Directors may from time to time elect and remove a chairman and, if they think fit, a deputy chairman and determine the period for which they respectively are to hold office.

25.7 The chairman or, failing him, the deputy chairman shall preside at all meetings of the Directors, but if there is no chairman or deputy chairman, or if at any meeting the chairman or deputy chairman is not present within five minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting save that no Director shall participate in such meeting from the United Kingdom.

- 25.8 Any Director or alternate Director may participate in a meeting of the Directors or any committee of the Directors by means of conference telephone or video link or other telecommunications equipment by means of which all persons participating in the meeting can hear each other speak and such participation in a meeting shall constitute presence in person at the meeting.
- 25.9 A resolution in writing signed by all the Directors for the time being entitled to receive notice of a meeting of the Directors or of a committee of Directors and to vote thereat shall be as valid and effectual as a resolution passed at a meeting of the Directors or of a committee of Directors duly convened and may consist of several documents in the like form each signed by one or more of the Directors, and for the purposes of the foregoing signature by any alternate Director shall be as effective as the signature of the Director by whom he is appointed.
- 25.10 A meeting of the Directors for the time being at which a quorum is present shall be competent to exercise all powers, authorities and discretions for the time being exercisable by the Directors.
- 25.11 The Directors may delegate any of their powers or authorities or the exercise of discretion to committees consisting of such members of their body as they think fit. The meetings and proceedings of any such committee shall conform to the requirements as to quorum imposed under these Articles and shall be governed by the provisions of these Articles regulating the meetings and proceedings of the Directors so far as the same are applicable and are not superseded by any regulations imposed on them by the Directors.
- 25.12 All acts done by any meeting of Directors, or of a committee of Directors or by any person acting as a Director shall, notwithstanding it be afterwards discovered that there was some defect in the appointment of any such Directors or person acting as aforesaid, or that they or any of them were disqualified, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed, and was qualified and had continued to be a Director and had been entitled to vote.
- 25.13 The Directors shall cause minutes to be made of:
- 25.13.1 all appointments of officers made by the Directors;
 - 25.13.2 the names of the Directors present at each meeting of the Directors and of any committee of Directors; and
 - 25.13.3 all resolutions and proceedings of all meetings of the Company and of the Directors and of committees of Directors.
- 25.14 Any such minutes as are referred to in Article 25.13 of these Articles, if purporting to be signed by the chairman of the meeting at which the proceedings took place, or by the chairman of the next succeeding meeting, shall, until the contrary be proved, be conclusive evidence of their proceedings.
- 25.15 The Directors, from time to time and at any time by power of attorney under the Seal or otherwise, may appoint any company, firm or person or any fluctuating body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under these Articles) and for such period and subject to such conditions as they may think fit. Any such power of attorney may contain such provisions for the protection of persons dealing with any such attorney as the Directors may think fit and may also authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him.

Notwithstanding the generality of the foregoing, the Directors may appoint an attorney for the purpose of exercising their power to allot relevant securities pursuant to these Articles.

26. SECRETARY

The Secretary shall be appointed by the Directors. Anything required or authorised to be done by or to the Secretary may, if the office is vacant or there is for any other reason no Secretary capable of acting, be done by or to any assistant or deputy Secretary or if there is no assistant or deputy Secretary capable of acting, by or to any officer of the Company authorised generally or specially in that behalf by the Directors PROVIDED THAT any provisions of these Articles requiring or authorising anything to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

27. THE SEAL

27.1 The Directors shall provide for the safe custody of the Seal. The Seal shall be used only by the authority of the Directors or of a committee of Directors authorised by the Directors in that behalf. The Directors may from time to time as they see fit determine the persons and the number of such persons who shall authenticate the affixing of the Seal, and until otherwise so determined shall be authenticated by two Directors or by one Director and the Secretary, or some other person duly authorised by the Directors, and the Directors may authorise different persons for different purposes.

27.2 The Directors may by resolution determine whether generally or in any particular case or cases that the signature of any such person authenticating the affixing of the Seal or the Official Seal may be affixed by some mechanical means to be specified in such resolution.

28. DIVIDENDS AND RESERVES

28.1 Subject to the provisions of the Act, the Directors may declare such dividends on Shares as appear to the Directors to be justified.

28.2 The Directors may, before recommending or declaring any dividend, set aside out of the funds legally available for distribution such sums as they think proper as a reserve or reserves which shall, at the discretion of the Directors, be applicable for meeting contingencies, or for equalising dividends or for any other purpose to which those funds may be properly applied and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments as the Directors may from time to time think fit.

28.3 The Directors may:

28.3.1 if they think fit declare and pay such dividends in respect of any Shares of any Fund or Class in the Company as appear to the Directors to be justified, subject to any policy statement in relation to dividends in the Prospectus;

28.3.2 in their absolute discretion differentiate between the Shares in any Fund and Shares in different Classes within the same Fund as to the dividends declared on such Shares.

28.4 The dividend policy for each Fund or Class will be specified in the Prospectus.

28.5 The amount available for distribution in respect of any Accounting Period or part thereof shall be the net income of the relevant Fund (whether in the form of dividends, interest or otherwise) and/or net realised gains (i.e. realised gains net of realised and unrealised

losses) and/or net realised and unrealised gains (i.e. realised and unrealised gains net of realised and unrealised losses) and/or the capital of the relevant Fund during the Accounting Period, subject to such adjustments as may be determined by the Directors to be appropriate under the following headings:

- 28.5.1 addition or deduction of a sum by way of adjustment to allow for the effect of sales or purchases, cum or ex dividend;
 - 28.5.2 addition of a sum representing any interest or dividend or other income accrued but not received by the Company in respect of the relevant Fund or Class at the end of the Accounting Period and deduction of a sum representing (to the extent that an adjustment by way of addition has been made in respect of any previous Accounting Period) interest or dividends or other income accrued at the end of the previous Accounting Period;
 - 28.5.3 addition of the amount (if any) available for distribution in respect of the last preceding Accounting Period but not distributed in respect thereof;
 - 28.5.4 addition of a sum representing the estimated or actual repayment of tax resulting from any claims in respect of corporation tax relief or double taxation relief or otherwise;
 - 28.5.5 deduction of the amount of any tax or other estimated or actual liability properly payable out of the income or gains of the Company in respect of the relevant Fund or Class;
 - 28.5.6 deduction of a sum representing participation in income paid upon the cancellation of Shares during the Accounting Period;
 - 28.5.7 deduction of such sum as the Company may think appropriate in respect of expenses of the relevant Fund or Class including but not limited to the Establishment Expenses, Duties and Charges, fees and expenses due to the Auditors, the Secretary, the legal and other professional advisers of the Company, the Directors, the Depositary, the Administrator, and any Distributor or Investment Manager or investment adviser appointed by the Company, all expenses of and incidental to any amendments to the Prospectus and the Memorandum of Association and these Articles expenses comprising all costs, charges, professional fees and disbursements bona fide incurred in respect of the computation, claiming or reclaiming of all taxation reliefs and payments, and any interest paid or payable on borrowings to the extent that such sum has not already been, nor will be deducted pursuant to Article 2.3 of these Articles PROVIDED ALWAYS that the Company shall not be responsible for any error in any estimates of corporation tax repayments or double taxation relief expected to be obtained or of any sums payable by way of taxation or of income receivable, and if the same shall not prove in all respects correct, the Directors shall ensure that any consequent deficiency or surplus shall be adjusted in the Accounting Period in which a further or final settlement is made of such tax repayment or liability or claim to relief or in the amount of any such estimated income receivable, and no adjustment shall be made to any dividend previously declared.
- 28.6 The Directors may, with the sanction of an Ordinary Resolution of the Fund, distribute in kind among the Shareholders of such Fund by way of dividend or otherwise any of the assets of the relevant Fund provided that the Company shall if any Shareholder so requests sell any asset or assets proposed to be so distributed and distribute to such Shareholder the

cash proceeds of such sale less the costs of any such sale which shall be borne by the relevant Shareholder.

- 28.7 All Shares, unless otherwise determined by the Directors or issued on terms providing that they shall rank for dividend as and from or after a particular date or to a particular extent shall rank for dividend as and from the beginning of the Accounting Period in which they are issued.
- 28.8 Any resolution declaring a dividend on any Shares may specify that the same shall be payable to the persons registered at the close of business on a particular date (which may be a date prior to that on which the resolution is passed) as Shareholders of such Shares which have not been redeemed prior to the date of the resolution declaring the dividend and the dividend shall be payable to them on such date as the Directors may determine but without prejudice to the rights inter se of transferors and transferees of such Shares in respect of such dividend.
- 28.9 The Company may transmit any dividend or other amount payable in respect of any Share at the risk and cost of the relevant Shareholder by cheque or warrant sent by ordinary post to the registered address of the Shareholder, or, in the case of joint Shareholders, to the person whose name and address appears first on the Register or to such person and address as the Shareholder or joint Shareholders may direct, or by wire or electronic transfer at the risk and cost of the relevant Shareholder or Shareholders to a designated account and payment of every such cheque or warrant and transmission by wire or electronic transfer shall constitute a good discharge to the Company and the Company shall not be responsible for any loss arising in respect of such payment or transmission.
- 28.10 No dividend or other amount payable to any Shareholder shall bear interest against the Company. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the relevant Fund until claimed. Payment by the Company of any unclaimed dividend or other amount payable in respect of a Share into a separate account shall not constitute the Company a trustee in respect thereof. Subject to Section 307 of the Companies Act 1963 any dividend unclaimed after six years from the date when it first became payable or on the winding up of the Company, if earlier, shall be forfeited automatically and shall revert to the relevant Fund, without the necessity for any declaration or other action by the Company.
- 28.11 At the request of any Shareholder in a particular Fund or Class, the Directors may apply all dividends declared on all Shares held by such Shareholder in the issue to that Shareholder of such number of additional Shares in the relevant Fund or Class as are as nearly as possible equal in value to but not in excess of the amount of such dividends at the date of issue of such additional Shares and otherwise on such terms as the Directors from time to time may resolve unless the Shareholder elects on the Company's Application Form for the dividend to be paid.
- 28.12 Subject to Article 28.15 hereof the Directors may determine that Shareholders will be entitled to receive in lieu of any dividend (or part thereof) in respect of any Shares in any Fund or Class an issue of additional Shares in proportion to the number of Shares held by them in the relevant Fund or Class credited as fully paid and in any such case the following provisions shall apply:
- 28.12.1 the number of additional Shares (including any fractional entitlement) to be issued in lieu of any amount of dividend shall be as nearly as possible equal in value to but not in excess of the amount of such dividend at the date of issue of such additional Shares;

- 28.12.2 for such purpose the Directors shall capitalise a sum equal to the aggregate value of dividends in respect of which additional Shares are proposed to be issued and apply the same in paying up in full the appropriate number of additional Shares for issue to the relevant Shareholders credited as fully paid up;
- 28.12.3 the additional Shares so issued shall rank pari passu in all respects with the fully-paid Shares then in issue save only as regards participation in the relevant dividend (or share election in lieu);
- 28.12.4 the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation, with full power to the Directors to make such provision as they may think fit in the case of Shares becoming distributable in fractions so that fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the Company or the Company issues fractions of Shares; and
- 28.12.5 the Directors may on any occasion determine that Shares in lieu of dividends shall not be issued to a Shareholder with a registered address in any territory in which, in the absence of a registration statement or other special formalities, the issue of additional Shares would or might be unlawful and in such event the provisions aforesaid shall be read and construed subject to such determination.
- 28.13 An applicant for or transferee of Shares may subject to Article 28.11 hereof, and at the discretion of the Directors, elect by service of notice in writing on the Company, at the time of application for or other acquisition of Shares, to receive cash in lieu of additional Shares in satisfaction of the whole of any dividends that may be payable on all Shares of the particular Fund or Class which may thereafter be registered in his name and may on the giving of one month's notice in writing to the Company or such lesser period as the Directors may determine revoke any election so made with respect to dividends declared after the expiration of such notice period.
- 28.14 An election made pursuant to this Article shall be personal to the holder of Shares concerned in his capacity as a holder and, in respect of any Shares transferred, shall automatically cease to have effect upon registration of the transfer or transmission of the relevant Shares but shall continue in effect in respect of Shares retained.
- 28.15 (a) Where the amount of any distribution payable to an individual Shareholder would be less than such amount as the Directors from time to time determine, the Directors in their sole discretion may determine that such amount shall not be distributed but shall be retained and reinvested within and for the benefit of the relevant Fund or Class.
- (b) Where the amount of any dividend payable to an individual Shareholder would be less than such amount as the Directors from time to time determine, the Directors in their sole discretion may determine not to pay any such dividend and instead issue and credit to the account of the relevant Shareholder such number of Shares in the relevant Fund or Class as are as nearly as possible equal in value to but not in excess of the amount of such dividends. An entry charge shall not be deducted from such amount.
- 28.16 If several persons are registered as joint holders any one of them may give receipts for dividends or monies payable to them in respect of Shares.
- 28.17 Before recommending any dividend, whether preferential or otherwise, the Directors may carry to reserve out of the profits of the Company such sums as they think proper. All

sums standing to reserve may be applied from time to time in the discretion of the Directors for any purpose to which the profits of the Company may be properly applied and at the like discretion may be either employed in the business of the Company or invested in the acquisition of such Investments as the Directors may lawfully determine. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they may lawfully determine. Any sum which the Directors may carry to reserve out of the unrealised profits of the Company shall not be mixed with any reserve to which profits available for distribution have been carried. The Directors may also carry forward, without placing the same to reserve, any profits which they may think it prudent not to divide.

- 28.18 If the Company is required to deduct, withhold or account for tax including any penalties and interest thereon upon the payment of a distribution to a Shareholder (whether in cash or otherwise), the provisions of Article 10.16 hereof shall apply mutatis mutandis as if repeated in full herein.

29. EQUALISATION ACCOUNT

- 29.1 The Directors may from time to time at their discretion operate an equalisation account for each Fund, so as to ensure that holders of Shares participate in the income on such Shares on an equitable basis including (without prejudice to the generality of the foregoing) providing for the payment out of such account capital sums to equalise the amount available for allocation attributable to such holders of Shares upon such basis as the Directors in their discretion determine.

- 29.2 The Directors are also empowered to approve such arrangements as they consider appropriate whereby adjustments are made to the Subscription Prices and Redemption Prices and value of Shares to ensure, so far as practicable, inter alia, that all Shares of the same Class have the same Net Asset Value per Share, that Members have the same capital per Share of the same Class at risk in the Company and participate on an equitable basis in the profits and losses of the Company. Without prejudice to the generality of the foregoing, the Directors may in their discretion make such arrangements as are required for an equitable treatment of Members as to any performance, incentive or similar fees due from the Company including those referred to in the Prospectus, which arrangements may include redeeming a portion of a Member's shareholding either for no consideration, or at par value, in which case the Company shall retain the aggregate par value of the redeemed Shares (and in either case applying the value of such Shares in payment of fees) on receiving from a Member on subscription an additional sum by way of equalisation credit to be held toward a potential future subscription for Shares in order to equitably adjust such Member's aggregate holding.

- 29.3 The Directors may in their discretion issue Shares of each Class and may convert by way of a re-designation or otherwise one or more Class into Classes of the same Share, to the extent and in such circumstances as they may deem it necessary or desirable including, without limitation, in order to effect or facilitate any arrangements or adjustments referred to in Article 29.2 above, each Classes ranking equally in priority and preference with every other Class of the same Shares except to the extent specified by the Directors and necessary or desirable for the foregoing purposes.

30. ACCOUNTS

- 30.1 The Directors shall cause to be kept such adequate accounting records of the Company as are necessary in relation to the conduct of its business or as are required by the Act so as to enable the accounts of the Company to be prepared.

- 30.2 The accounting records shall be kept at the Office, or at such other place or places as the Directors shall think fit, and shall at all times be open to the inspection of the Directors, but no person, other than a Director or Auditor shall be entitled to inspect the books, accounts, documents or writings of the Company, except as provided by the Act or authorised by the Directors or by the Company in general meeting.
- 30.3 Statutory financial statements shall be made out as at each Accounting Date and laid before the Company at its annual general meeting and such statutory financial statements shall contain a general summary of the assets and liabilities attributable to each Fund. The statutory financial statements shall be accompanied by a report of the Directors as to the financial state and condition of the Company and the relevant Fund, and the amount (if any) which they have carried or propose to carry to reserve, together with a revenue/profit and loss account. The statutory financial statements and the report of the Directors shall be signed on behalf of the Directors by at least two of the Directors. The Auditors' report shall be attached to the statutory financial statements. The Auditors' report shall be laid before the annual general meeting.
- 30.4 The Company shall prepare an un-audited half yearly report for the first six months of each Accounting Period (the "Half Yearly Report"). Such report shall be in a form acceptable to the Central Bank and shall contain the information required by the Regulations.
- 30.5 Copies of the Half Yearly Report shall be sent to Shareholders not later than two months from the end of the period to which it relates.
- 30.6 The Directors shall cause to be audited and certified by the Auditors an annual report relating to the management of the Company as of the Accounting Date in each year (an "Annual Report"). Such Annual Report shall be in a form approved by the Central Bank and shall contain such information required by it.
- 30.7 Copies of the said Annual Report shall be sent by the Company to all Shareholders at least once in every year within the timeframes specified in the Prospectus.
- 30.8 The Auditors' certificate appended to the Annual Report and statement referred to in these Articles shall declare that the accounts or statement attached respectively thereto (as the case may be) have been examined with the books and records of the Company in relation thereto and that the Auditors have obtained all the information and explanations they have required and the Auditors shall report whether the accounts are in their opinion properly drawn up in accordance with such books and records and present a true and fair view of the state of affairs of the Company, and whether the accounts are in their opinion properly drawn up in accordance with the provisions of these Articles.

31. AUDIT

Auditors shall be appointed and their duties regulated in accordance with the Act.

32. NOTICES

- 32.1 Any notice or other document required to be served upon or sent to a Member may be given by posting or delivery by hand to or leaving the same at his address as appearing on the Register or by transmitting the same by fax or other means of electronic communication to a fax number, e-mail address or other electronic identification provided to the Company or its delegate or by such other means as the Directors may determine and notify in advance to Members. Any such notices or documents shall be deemed to have been duly given if sent by pre-paid post 24 hours after posting and if delivered by hand to or left at the Member's address as appearing on the Register on the day of delivery or on the next working day if delivered or left outside usual business hours and if sent by fax on
