Japanese Equity High Alpha Fund

30 September 2017

Standard Life
Investments

The fund aims to provide long term growth and is designed for investors who are looking for exposure to the Japanese equity market. The fund typically holds a concentrated portfolio of stocks and is actively managed, with a focus on high conviction stock selection investing predominantly in the shares of companies listed on the Japanese stock markets. Please note that the Japanese equity exposure in this fund is currently managed by Sumitomo Mitsui Trust Bank, one of Japan's leading domestic equity managers.

Past performance is not a guide to future returns and future returns are not guaranteed. The price of assets and the income from them may go down as well as up and cannot be guaranteed; an investor may receive back less than their original investment. The fund may use derivatives to reduce risk or cost, or to generate additional capital or income at low risk. Usage of derivatives is monitored to ensure that the fund is not exposed to excessive or unintended risks. The value of assets held within the fund may rise and fall as a result of exchange rate fluctuations.
