¹⁾ The calculation of the risk indicator is based on the CESR/10-673 Directive. The risk indicator is based on historic and partly simulated data; it cannot be used to predict future developments. The classification of the Fund may change in future and does not represent a guarantee. A classification into category 1 is not a risk-free investment either.

²⁾ Historical performance indications and financial market scenarios are not reliable indicators of future performance. The performance data do not take into account the commissions and costs incurred on the issue and redemption of fund units.
