

UBS Swiss Opportunity Q-acc

Fund Fact Sheet

UBS Equity Funds > UBS Opportunity Equity Funds > UBS (Lux) Equity SICAV - Swiss Opportunity (CHF)

Fund description

- Very actively managed equity fund. The portfolio is primarily focused on securities from large companies though strategically supplemented by securities from small and medium-sized companies.
- The fund manager is given great flexibility to take focused views on the most attractive stocks and exploit the best opportunities, unconstrained by the reference index.
- The fund offers investors a broader diversification compared to the index including lower maximum single stock weights (max. 10%) and a more balanced sector allocation.

Benefits

The fund draws on the knowledge of proven investment specialists based in Zurich (Switzerland). Due to the significant deviation from the reference index, the fund offers the potential to outperform the reference index. UBS's proprietary fundamental valuation approach allows consistent selection of attractive Swiss companies. Investors benefit from a global investment platform of UBS Asset Management.

Risks

UBS Opportunity Equity Funds invest in equities and may therefore be subject to high fluctuations in value. For this reason, an investment horizon of at least five years and corresponding risk tolerance and capacity are required. As these UBS Funds pursue an active management style, each Fund's performance can deviate substantially from that of its reference index. All investments are subject to market fluctuations. Every Fund has specific risks, which can significantly increase under unusual market conditions. The fund can use derivatives, which may result in additional risks (particularly counterparty risk).

Please note that additional fees (e.g. entry or exit fees) may be charged. Please refer to your financial adviser for more details. Investors should read the Key Investor Information Document (KIID), Prospectus and any applicable local offering document prior to investing. For a definition of financial terms refer to the glossary available at www.ubs.com/am-glossary.
