This SICAV is managed by Generali Investments Luxembourg S.A.

Objectives and Investment Policy

The objective of this Fund is to achieve a positive expected return in excess of the performance of the FTSE All-Share Index and achieve long-term capital growth through a selection of stock which offer attractive dividend yield with sustainable growth in dividend payments in addition to capital appreciation.

The Fund invests at least 75% of its net assets in listed equity securities issued by UK companies, whereas UK companies are companies listed or incorporated in the UK.

The Fund may also invest in other transferable securities, money market instruments, deposits. It may also invest on an ancillary basis in equity-

linked securities such as, but not limited to, debt securities convertible into common shares, preference shares and warrants on transferable securities as well as in shares or units of UCITS, UCIs and ETFs.

The Fund may use financial instruments and derivatives for hedging, for efficient portfolio management and for investment purposes.

The Fund is open-ended. You may redeem shares of the Fund on any Luxembourg business day.

The Share Class makes no dividend payment.

The benchmark is FTSE All-Share Index.

Risk and Reward Profile

This indicator represents the annual historical volatility of the Fund over a 5-year period. Its aim is to help investors understand the uncertainties attached to gains and losses that may have an impact on their investment.

The Fund's exposure to equity markets explains its classification in this category.

Historical data such as that used to calculate the synthetic indicator cannot be considered as a reliable indication of the Fund's future risk profile.

The risk category associated with the Fund is not guaranteed and may change over time. The lowest risk category does not mean "risk free". Your initial investment is not guaranteed.

Significant risk(s) for the Fund not taken into account in this indicator include the following:

Counterparty Risk: The Fund may realise losses should a counterparty fail to meet its contractual obligation, especially in the case of derivatives traded Over-The-Counter (OTC).

For more information about the risks of the Fund, please refer to the risk section of the prospectus.

Charges for this Fund

The charges and commissions are used to cover the Fund's operating costs, including marketing and distribution of shares. These charges reduce the potential growth of your investment.
