EMERGING BONDS (the "Sub-Fund"), a Sub-Fund of EDMOND DE ROTHSCHILD FUND (the "Fund")

Share Class R USD (the "Class") - LU1160351380

Management Company : Edmond de Rothschild Asset Management (Luxembourg)

Objectives and Investment Policy

Investment objective: The Sub-Fund's investment objective is to outperform its benchmark over an investment horizon of three years, using discretionary management on all bond markets from Emerging Countries.

Benchmark index: The benchmark index of the Sub-Fund is JP Morgan EMBI Global Index.

The benchmark index serves only for comparison purposes. The Sub-Fund is actively managed.

Investment policy: The Sub-Fund's investment strategy consists in constructing a portfolio that represents the Investment Manager's expectations on all bond markets and currencies from Emerging Countries.

The objective of the Sub-Fund is to invest in bonds and Money Market Instruments, for minimum 80% and up to 110% of its net assets.

At least 60% of the Sub-Fund's net assets are permanently invested in emerging debt markets. The Sub-Fund may also invest up to 110% of its net assets in high yield bonds (i.e. with a rating lower than BBB- according to Standard & Poor's, or an equivalent rating)

The Sub-Fund may invest directly, for exposure or hedging purposes, in currencies. This exposure to currencies of Emerging Countries forms an integral part of the Sub-Fund's strategy, and the currency risk may account for 100% of its net assets.

The Sub-Fund may use financial derivative instruments to achieve its investment.

The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities.

The Sub-Fund's Modified Duration to interest rates will fluctuate between 0 and 15.

The recommended minimum investment period is 3 years.

Frequency of share buying or selling: Every Luxembourg and France bank business day except for Good Friday, 24 December (Christmas Eve) and the days on which the French markets are closed (official calendar of Euronext Paris S.A.) for orders received by the transfer agent on each NAV calculation day before 12:30 p.m. and processed on the basis of that day's net asset value.

Income allocation: Accumulation

Risk and Reward Profile

1	2	3	4	5	6	7
---	---	---	---	---	---	---

The definition of the risk and reward category is based on the historical performance data and/or the risk limit indicated in the Sub-Fund's investment policy. It may not be a reliable indication of the future risk profile of the Sub-Fund. The risk and reward category shown may change over time. Category 1 does not mean that an investment is risk-free. Investors should note that the Sub-Fund is not guaranteed or capital protected.

This Sub-Fund is rated in category 5, in line with the type of securities and geographic regions detailed under the heading "Objectives and investment policy", as well as the currency of the unit.

Significant risks not taken into account in this indicator:

Credit risk : When a significant level of investment is made in debt securities.

Liquidity risk : The markets for some securities and instruments may have limited liquidity. This limited liquidity could be a disadvantage to the Sub-Fund, both in the realisation of the prices quoted and the execution of orders at desired prices.

Impact of techniques such as derivative contracts : The use of derivatives instruments can infer a decrease of the asset more significant than the decrease of the invested underlying assets or markets.

Counterparty risk : Where a Fund is backed by collateral or has significant investment exposure through contracts with a third party.

Operational risk : The Sub-Fund may suffer losses due to the failure of operational processes, including those related to the safekeeping of assets.

The occurrence of any of these risks may negatively impact the net asset value.

Charges

One-off charges taken before or after you invest	
Entry charge	1.00%
Exit charge	None
This is the maximum that might be taken out of your money before it is invested or paid out.	
Charges taken from the Fund over a year	
Ongoing charges	2.23%
Charges taken from the Fund under certain specific conditions	
Performance fee The performance fee is set at 15% and is calculated by comparing the Sub-fund's share performance with that of an indexed reference asset, over the relevant Calculation Period. This fee is due even in the case of a reduction in the Net Asset Value provided that the decrease in Net Asset Value is less than the decrease in the benchmark index. The calculation method is described in the prospectus (outperformance model 2). Payable annually on September 30.	

Charges and fees are paid to cover the operating costs of the Sub-Fund, including the cost of marketing and distributing share classes. These costs reduce the potential growth of your investment.

Investors may obtain the actual amount of entry and exit charges from their advisor or distributor. In certain cases you might pay less.

The ongoing charges figure is based on the last year's expenses, for the year ending in December 2021. This figure may vary from year to year. It excludes performance fees and intermediary fees except entry and exit charges paid by the Sub-Fund when buying or selling units and/or shares of another UCI.

The performance fee paid for the preceding exercise closing on September 2021 represents 0.00% of net assets.

For more information about charges, including information on performance fees and their calculation, please refer to the Sub-Fund's data sheet in the Fund prospectus.

Past Performance

Past performance is not an indication of future performance. It may vary over time. The performance indicated does not take into account costs and fees on issues and redemptions of units, but does include ongoing charges and intermediary fees as well as any performance fees collected.

Past performances are calculated in USD, net dividends reinvested.
