PARETURN GVC GAESCO PATRIMONIAL FUND R-B (EUR) ISIN: LU1144806574

This Fund is managed by MDO Management Company S.A.

Objectives and Investment Policy

The objective of the Sub-Fund **PARETURN GVC GAESCO PATRIMONIAL FUND** is to generate a stable return investing in the equity markets avoiding the big equity markets drawdowns. The benchmark of the Sub-Fund is weekly EURIBOR plus 2% on a yearly basis and is used for reference purposes only. There will be no copyright fee paid by the Delegate Manager.

The Sub-Fund can invest in the equity markets from 0% to 100% of the assets.

Equity markets are taken into account separately in 8 different sub-markets:

- four of them have a geographic nature: geographically it can invest in European Equity indexes, US Equity indexes, Japanese Equity indexes, and Emerging Market Equity indexes;
- four of them have a style nature: from a style prospective it can invest in Small Caps indexes, in Large Cap indexes, in Value indexes and in Growth indexes.

The investment decision is taken market by market, each one of them having a maximum investable stake close to 12.5%. Investment on each market depends on the relationship between the return and the volatility of each market, based on a proprietary strategy that tends to have a positive correlation with the equity index returns and a negative one with the equity index volatility. The global exposure of the Sub-Fund to the equity market comes as a result of the decisions taken in each of the eight different equity sub-markets. It might be no less than zero and no more than 100% of the assets of the Sub-Fund. No leverage is used.

The investment in the equity markets is implemented using only equity index futures and equity index ETFs, both in organized markets. OTCs products are not going to be used. Equity Index ETFs might not be more than 10% of the assets. No shorts futures or short ETFs are used. The strategy is using only long positions.

The stake not invested in equities will be invested in monetary market and fixed income mainly nominated in euros. These investments may have both, a private

or a public issuer with an Investment Grade rating by Standard & Poor's (or equivalent) and portfolio duration lower than 2 years.

The Sub-Fund may invest in any currency other than the Reference Currency of the Sub-Fund.

Derivatives exposure plus ETFs exposure may not represent more than 100% of the assets of the Sub-Fund.

Exposure in Emerging Markets indexes might be less than 12.5% of the assets.

There can be no assurance that the Sub-Fund will achieve its investment objective.

Recommendation: The Sub-Fund may not be suitable for investors seeking to invest in less than a minimum of 12 months.

Reference currency of the Sub-Fund: EUR.

Reference currency of the present share class: EUR.

The Net Asset Value "NAV" of the Sub-Fund will be determined daily (the "Valuation Day"). If this day is a bank holiday in Luxembourg, the NAV will be dated on the next banking business day.

The subscription, redemption and conversion requests of shares shall be closed at 2 p.m. (CET) on one Business Day immediately preceding the relevant Valuation Day or if that day is an official public holiday in Luxembourg, on the next business day.

The payment of subscriptions shall be made in the reference currency of the Sub-Fund within one business day before the calculation of the applicable Net Asset Value.

Risk and Reward Profile

This risk indicator is calculated using historical data, which cannot be used as a prediction for the future risk profile of the Sub-Fund. Therefore, the risk and reward category shown is not guaranteed to remain unchanged and the categorisation of the Sub-Fund may shift over time. Even if the Sub-Fund is in the lowest risk class you can lose money, as no investments are entirely risk free.

At this time, the level of the risk and reward profile is estimated to be a SRRI category of 4, due to the nature of its investments, which include the following risks:

- **Derivatives Risk** – these financial instruments may add volatility to the performance of the underlying securities and involve peculiar financial risks.

- **Credit Risk** – potential or actual credit profile downgrades may increase the level of perceived risk.
- **Interest Rate Risk** – the risk that an investment's value will change due to a change of interest rates.
- **General Market Risk** – the value of the fund's shares will fluctuate based on the performance of the fund's investments and other factors affecting the securities markets generally.
- **Equity Market Risk** – common stocks are susceptible to general stock market fluctuations and to volatile increases and decreases in value as market confidence in and perceptions of their issuers change.

For more information about the risks of the Sub-Fund, please refer to the prospectus for further details and explanation on the abovementioned risks.
