An investment in the Fund involves risks, for more information please refer to the Prospectus and the relevant Key Investor Information Document which can be found on our website at <http://www.bmogam.com/kiids/>.

This document is intended to be of general interest only and does not constitute legal, tax or investment advice nor is it an offer or solicitation to purchase shares of the Fund, and may not comply with all local laws applicable to marketing materials. Financial advisers are responsible for determining whether an investment in the Fund, and which share class, is suitable for their clients.

BMO Global Asset Management is a trading name of F&C Management Limited, which is authorised and regulated by the Financial Conduct Authority.

BMO Global Asset Management recognises the important role that environmental, social and governance (ESG) considerations play in the creation of superior long-term investment returns. We believe through engagement and the active use of voting, investors and companies can work together to improve the management of risk and create conditions for long term out performance.

For more information on our engagement activities on environmental, social and corporate governance issues, see the latest report at www.bmogam.com
