In the case of a period of notice, the period of notice shall be that period excluding the day when the notice is given or deemed to be given and the day for which it is given or on which it is to take effect.

Share Capital

4. The initial share capital of the Company is €38,092 divided into 30,000 Subscriber Shares of €1.27 each and 500,000,000,000 shares of no par value initially designated as unclassified shares.

Directors' Authority to Issue Shares

5.
 - (a) The Directors may issue any of the unclassified shares in the capital of the Company as a class of Participating Shares in a particular Fund. Within a class of Participating Shares the Directors may designate such Participating Shares as Accumulation Shares and/or Income Shares. Where the Directors so determine notwithstanding anything contained in these Articles the Net Asset Value per Participating Share and the dividends payable on Participating Shares within a class may be adjusted to reflect different features. The Directors may, in accordance with the requirements of the Central Bank, create more than one class of Participating Shares in a Fund, including hedged and unhedged currency classes, to which different levels of Preliminary Charge, fees and expenses, Minimum Investment Amount, designated currency and such other factors as may be determined by the Directors at the date of their creation, may be applicable. The Company is an "umbrella fund" within the meaning of the Regulations with segregated liability between Funds, and accordingly on or before the issue of any Participating Share the Directors shall determine the currency in which and the Fund in relation to which such Participating Share shall be designated, and the Participating Shares shall be divided into one or more classes which may be designated in the same currency.

Participating Shares in relation to Funds may be issued and designated from time to time by the Directors with the prior approval of the Central Bank:

The Directors may from time to time issue fractions of Participating Shares. All monies payable on or in respect of a Participating Share (including without limitation the subscription and repurchase monies in respect thereof) shall be paid in the currency in which such Participating Share is designated or in such other currency as the Directors shall determine either generally or in relation to a particular class of Participating Shares or in any specific case.

- (b) The Directors may, subject to these Articles, the Prospectus, the Regulations and the Act and in accordance with the requirements of the Central Bank, create and issue at their discretion from time to time (including at times of suspension of (i) the determination of the Net Asset Value; and (ii) the allotment, redemption and conversion of Participating Shares) a new Class or Classes of Participating Shares (“**Side Pocket Class**”) and/or a new Fund (“**Side Pocket Fund**”) to which assets and liabilities of a Fund (or any part thereof) are allocated at the discretion of the Directors at any time, either on or after the acquisition thereof, as being or having become Investments that are illiquid or otherwise difficult to value or realise plus such additional assets representing a reserve for commitments and contingencies as the Directors in their discretion determine. Participating Shares in such Side Pocket Class or Side Pocket Fund shall be redeemable by the Company and/or by the holders thereof only when so determined by the Directors. The creation of a Side Pocket Class or Side Pocket Fund will involve the Directors effecting a pro-rata reduction in the number of Participating Shares held by a Shareholder attributable to the relevant Fund excluding the assets and liabilities attributable to the Side Pocket Class or Side Pocket Fund and creating for the benefit of such Shareholder a corresponding pro-rata interest in the Side Pocket Class or Side Pocket Fund. The value of assets and liabilities attributed to a Side Pocket Class or Side Pocket Fund shall be determined by the Directors in a manner consistent with Clause 18 hereof.

For the avoidance of doubt, the Directors may establish side pockets based on parameters other than those set out in these presents provided that such parameters are detailed in the Prospectus and are in accordance with requirements of the Central Bank.

- (c) Without prejudice to any special rights previously conferred on the holders of any existing shares or class of shares, any share in the Company may be issued with such preferred, deferred, or other special rights or such restrictions, whether in regard to dividend, voting, return of capital or otherwise, as the Directors may from time to time determine.
- (d) The Directors may, in their absolute discretion, refuse to accept any application for shares in the Company or may accept any application in whole or in part.
- (e) The Directors are generally and unconditionally authorised to exercise all powers of the Company to allot relevant securities up to an amount equal to the authorised but as yet-unissued share capital of the Company. The maximum amount of shares which may be issued under the authority hereby conferred shall be 500,000,000,000, provided, however, that any shares which have been repurchased shall be deemed never to have issued for the purpose of calculating the maximum amount of shares which may be issued.

- (f) The Directors on giving notice to the shareholders of the relevant class of shares shall be authorised to re-denominate issued and unissued shares currently denominated in currencies of a participating member state which has adopted the single European currency, known as the "Euro" to shares denominated as Euro shares which shares shall form part of the Euro class of shares.
- (g) The Directors shall have the power to re-denominate shares, class or classes of shares and or the currency of any Fund subject to the approval of the shareholders of the relevant shares, share class, share classes and the currency of any Fund.
- (h) The Company may from time to time by Ordinary Resolution increase its capital by such amount as the resolution shall prescribe.
- (i) The Company may, by Ordinary Resolution, alter its capital by consolidating and dividing its share capital into shares of larger amount than its existing shares, subdividing its shares into shares of smaller amount than that fixed by the Memorandum of Association, or by cancelling any shares which, at the date of such Ordinary Resolution have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the shares so cancelled.

Participating Shares

- 6. Participating Shares may only be issued fully paid and shall have no par value.
- 7. The total amount of the paid up share capital of each class of Participating Shares in the Company shall at all times be equal to the Net Asset Value of the Fund maintained for that class of Participating Shares.

Subscriber Shares

- 8. Subscriber Shares shall only be issued at par value.
- 9. Any Subscriber Shares not held by PIMCO Global Advisors (Ireland) Limited for the time being or its nominees shall be subject to requisition under Article 36.

Classes of Shares

- 10. The rights attached to any class of shares may, whether or not the Company is being wound up, be varied or abrogated with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a Special Resolution passed at a separate general meeting of the holders of the shares of that class. To every such separate general meeting the provisions of these Articles relating to general meetings shall apply but so that the necessary quorum at any such meeting for a Fund with only Non-ETF Participating Shares in issue, other than an adjourned meeting, shall be two persons holding or representing by proxy at least one third of the issued shares of the class in question present in person or by proxy and the quorum at an adjourned meeting shall be one person holding shares of the class in question or his proxy. The

quorum at any such separate general meeting (and any adjournment thereof) for a Fund with only ETF Participating Shares in issue shall be one person present in person or by proxy. The quorum at such separate general meeting for a Fund with both ETF Participating Shares and Non-ETF Participating Shares in issue, other than an adjourned meeting, shall be two persons holding or representing by proxy at least one third of the issued shares of the class in question present in person or by proxy and the quorum at an adjourned meeting shall be one person present in person or by proxy. Any holder of shares of the class in question present in person or by proxy may demand a poll.

11. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith.

Funds

12.
 - (1) All consideration, other than the preliminary charge (if any) payable to the Company (or as it may direct) as the Directors may determine pursuant to Article 14, received by the Company for the allotment or issue of Participating Shares of each class, or if there is more than one class of Participating Shares in a particular Fund, of all such classes, together with all Investments in which such consideration is invested or reinvested, all income, earnings, profits and proceeds thereof shall on the books and records of the Company and each Fund be segregated and kept separate from all other monies of the Company and such assets and any liabilities shall be allocated to each Fund in the following manner:
 - (a) For each Fund the Company shall keep separate books in which all transactions relating to the relevant Fund shall be recorded and, in particular, the proceeds from the allotment and issue of the Participating Shares, the Investments and the liabilities and income and expenditure attributable thereto shall be applied or charged to such Fund and where appropriate allocated or attributed to the relevant class of shares or type of shares in issue in the Fund subject to the provisions of this Article;
 - (b) Any assets derived from any other assets (whether cash or otherwise) comprised in any Fund shall be applied in the books of the Company to the same Fund as the asset from which it was derived and any increase or diminution in the value of such an asset shall be applied to the relevant Fund;
 - (c) In the event that there are any assets of the Company (not being attributable to Subscriber Shares) which the Directors do not consider are attributable to a particular Fund or Funds, the Directors shall with the approval of the Depositary allocate such assets to and among any one or more of the Funds in such manner and on such basis as they, in their discretion, deem fair and equitable; and the Directors shall have the power to and may at any time and from time to time with the approval of the Depositary vary such basis in respect of assets not previously allocated;
 - (d) Each Fund shall be charged solely with the liabilities, expenses, costs, charges or reserves of the Company in respect of or attributable to that Fund and

no Director, receiver, examiner, liquidator, provisional liquidator or other person shall apply, nor be obliged to apply, the assets of any such Fund in satisfaction of any liability incurred on behalf of or attributable to any other Fund of the Company.

- (e) Any such liabilities, expenses, costs, charges or reserves of the Company not attributable to any particular Fund or Funds shall be allocated and charged by the Directors with the approval of the Depositary in such manner and on such basis as the Directors in their discretion deem fair and equitable, and the Directors shall have the power to and may at any time and from time to time with the approval of the Depositary vary such basis including, where circumstances so permit, the reallocation of such liabilities, expenses, costs, charges and reserves;
- (f) Where the assets of the Company (if any) attributable to the Subscriber Shares give rise to any net profits, the Directors may allocate assets representing such net profits to such Fund or Funds as they deem appropriate;
- (g) Where hedging strategies are used in relation to a class of Participating Shares, the financial instruments used to implement such strategies shall be deemed to be assets or liabilities (as the case may be) of the relevant Fund as a whole but the gains/losses on and the costs of the relevant financial instruments will accrue solely to the relevant class of Participating Shares;

Subject as otherwise in these Articles provided, the assets held in each Fund shall be applied solely in respect of the Participating Shares of the class (or classes as the case may be) to which such Fund appertains.

- (2) Clause 12 (1) shall apply to the assets and liabilities attributable to any Class mutatis mutandis as if repeated in full in this Clause provided that where hedging strategies are used in relation to a Side Pocket Class the financial instruments used to implement such strategies shall be deemed to be attributable solely to the Side Pocket Class Shares and the gains/losses on and the costs of the relevant financial instruments will accrue solely to the relevant Side Pocket Class.

Issue of Participating Shares

13.

(1)

- (a) Subject as hereinafter provided and subject to any regulations made or conditions imposed by the Central Bank pursuant to the Regulations, on receipt by the Company or its authorised agents of:-
 - (i) an application in such form as the Directors may from time to time determine; and
 - (ii) such information and declarations as the Directors may from time to time require;

the Company may, on such day or days as the Directors may determine, make the initial issue of Participating Shares of any class at the Subscription Price per Participating Share determined by the Directors or, subsequent to the initial issue of Participating Shares of any class on any Dealing Day allot Participating Shares of that class

for cash at the Subscription Price per Participating Share determined in accordance with paragraph (2) below. For the purposes of this Article, where all the Participating Shares have been voluntarily redeemed or compulsorily redeemed in accordance with Article 17 hereof, the Directors, in conjunction with the Investment Adviser, may make an initial offer of such Participating Shares in that class at the Subscription Price per share determined in accordance with paragraph (2) below.

- (b) Payment for Participating Shares shall be made in such currency at such time, place and manner and to such person on behalf of the Company as the Directors may from time to time determine.
- (c) The Company may (at the option of the Directors) satisfy any application for the allotment of Participating Shares of any class by procuring the transfer to the applicant of fully-paid Participating Shares of the relevant class, the effective date of such transfer to be the relevant Dealing Day. In any such case, references in these Articles to allotting Participating Shares shall where appropriate be taken as references to procuring the transfer of Participating Shares.
- (d) The allotment of Participating Shares may take place notwithstanding that the information or declarations referred to in sub-paragraph (1)(a)(ii) above have not been received by the Company or its authorised agent provided that the application referred to in sub-paragraph (1)(a)(i) above has been received and provided further that if the said information or declarations have not been received within one Month (or such other period as the Directors may determine) after the Dealing Day on which such Participating Shares are allotted or payment in full for such Participating Shares has not been received within one Month of such Dealing Day (or within such other period as the Directors may determine in relation to each Fund), the Directors shall be entitled to cancel the allotment and if so canceled the relevant application monies (if any) shall be returnable to the applicant at his risk (together with such additional amount, if any, or after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the Company for its own benefit) and until returned may be made use of by the Company for its own benefit. If payment in full for any such Participating Shares is not received by the relevant Settlement Date the Directors shall be entitled to cancel the allotment and either return the relevant monies to the applicant at his risk as aforesaid or to treat such payment as payment in respect of an application for Participating Shares of the relevant class made on the Dealing Day next following receipt of such payment.
- (e) Applications within the meaning of sub-paragraph (1)(a)(i) above that are received by or on behalf of the Company on or prior to the Dealing Deadline for a Dealing Day shall, unless the Directors determine otherwise, be dealt with on that Dealing Day. Such applications as are received after the Dealing Deadline for a Dealing Day may be carried forward to the following Dealing Day provided that applications

received after the Dealing Deadline, but before the Valuation Point in respect of a Dealing Day may, at the absolute discretion of the Directors or their delegate, be processed on that Dealing Day.

- (f) On any subsequent allotment or issue of any Participating Shares of any class if the Directors, the Manager or their delegate are operating an Equalisation Account in relation to the relevant Fund on behalf of the Company (but not otherwise) the Subscription Price in respect of each such Participating Share subscribed for may be deemed to include an Equalisation Payment which shall be deemed to be repayable in whole or in part as is hereinafter provided.
- (g) The Directors may, in their absolute discretion, refuse any application for Participating Shares without assigning any reason for such refusal.
- (h) Notwithstanding the provisions of Clauses 13 (1) (a) to (g) hereof, the Directors may at any time in their discretion issue Participating Shares in a Side Pocket Class in accordance with Clause 5 (b).

(2) The Subscription Price per Participating Share issued after the initial issue of Participating Shares shall be ascertained by:-

- (a) determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant class or type of Participating Shares, (valued in accordance with Article 18 hereof as at the Valuation Point for the relevant Dealing Day, that is to say the Dealing Day referred to in sub paragraph (1)(e) above) and adding thereto such sum (if any) as the Directors may consider represents the appropriate provision for the Duties and Charges which would have been incurred on the assumption that all the Investments held by the Company in respect of the relevant Fund as at that Valuation Point had been purchased at that Valuation Point at prices equal to their respective values as at that Valuation Point divided by the number of Participating Shares of the relevant class or type. In addition to the proportion of the Net Asset Value of the relevant Fund in respect of a class or type of Participating Shares, provision may be made for any liabilities or assets specifically allocated to the relevant class or type of Participating Shares;
- (b) the resultant quotient is deemed to include the amount (if any) of the Equalisation Payment per Participating Share of the relevant class payable pursuant to paragraph (1)(f) above; and
- (c) rounding the resulting amount so determined mathematically to two decimal places or such other number of decimal places as may be determined by the Directors.

(3) For the purposes of these Articles:-

- (i) Participating Shares in a Fund which have been allotted shall be deemed to be in issue from the close of business on the Dealing Day on which they are allotted and Participating Shares whose allotment has

been canceled shall be deemed to cease to be in issue at the close of business on the Dealing Day of such cancellation;

- (ii) Participating Shares in a Fund which have been repurchased or in respect of which a purchase has been procured in accordance with Article 19 shall be deemed to cease to be in issue at the close of business on the Dealing Day on which they are repurchased but subsequent to the Valuation Point in respect of that Dealing Day.
- (iii) Where all the Participating Shares issued in a class are voluntarily repurchased, the Directors, in conjunction with the Investment Adviser, may, subsequent to the compulsory repurchase make an initial issue of Participating Shares in that class at the Subscription Price per Participating Share determined by the Directors in accordance with Article 13(1)(a) hereof.

(4) Provided that the Depositary shall be satisfied that the terms of any such exchange shall not be such as are likely to result in any material prejudice to existing Members (if any) the Directors may in their absolute discretion allot Participating Shares of any class against the vesting in the Company of assets of the type in which the subscription proceeds for the relevant shares may be invested in accordance with the investment objective and policy restrictions of the relevant Fund and in connection therewith the following provisions shall apply:-

- (a) the number of Participating Shares of the relevant class to be allotted shall be not more than that number which would have fallen to be issued for cash (comprising the total of the relevant Subscription Price plus any Equalisation Payment and any preliminary charge to which the Investment Adviser would be entitled under Article 14) hereof on the relevant Dealing Day as herein before in this Article provided on the basis that the amount of such cash was an amount equal to the value as at the Dealing Day of the Investments to be vested in the Company, as determined in accordance with sub-paragraph (c) below;
- (b) the Directors may provide that the whole or any part of the Duties and Charges arising in connection with the vesting of the Investments in the Company shall be paid by the Company or by the person to whom the Participating Shares are to be issued or partly by the Company and partly by such person;
- (c) the value of the Investments to be vested in the Company shall be determined by the Directors on such basis as the Directors may decide so long as such value does not exceed the highest amount that would be obtained on the date of the exchange by valuing the Investments in accordance with Article 18;
- (d) in the case of the initial issue of Participating Shares of any class, the Directors shall determine the number of Participating Shares of the relevant class to be allotted against the vesting in the Company of any Investments; and

- (e) no shares shall be issued until the Investments have been vested in the Depository or its sub-depositary to the Depository's satisfaction.

If the Company or any of its nominees is entitled to a preliminary charge pursuant to Article 14 hereof, a person to whom a Participating Share of any class shall have been issued pursuant to this paragraph (4) shall be deemed to have paid an amount equal to that charge which would have been payable if the Participating Shares allotted to him had been issued for cash and such amount shall be payable to the Company or as it shall direct out of the relevant Fund.

- (5) Notwithstanding Clauses 13 (1) to (4) hereof, any allotment of or placing of Side Pocket Shares in a Side Pocket Class or Side Pocket Fund in accordance with Clause 5 (b) hereof shall be made on such terms as the Directors shall in their sole discretion determine provided always that such terms shall be in the best interests of Members.
14. The Directors may require any person to whom Participating Shares of any class are to be allotted to pay to the Company or as it may direct for its absolute use and benefit a preliminary charge (or such other charge as may be outlined in the Prospectus) in respect of each Participating Share to be allotted of such amount as may be determined by the Directors but not exceeding in respect of each Participating Share to be allotted an amount equal to 5 per cent of the current Net Asset Value of a Participating Share of the relevant class (determined as aforesaid). The Directors may on any Dealing Day differentiate between applicants as to the amount of the preliminary charge (or such other charge as may be outlined in the Prospectus) required to be paid and as to the amount of preliminary charge (or such other charge as may be outlined in the Prospectus) to be levied on each class of Participating Share (subject to the maximum aforesaid).
- 15.
- (a) No Participating Shares of any particular class shall be allotted or issued during any period when the determination of the Net Asset Value of the Fund maintained for that class of Participating Share is suspended pursuant to Article 22 hereof except those for which applications have previously been received and accepted by the Company or its authorised agent.
 - (b) Where payments or other consideration received by or on behalf of the Company in respect of the issue or allotment of Participating Shares are not an exact multiple of the Subscription Price a fraction of a Participating Share shall be allotted to the incoming Member who shall be registered as the holder of such a fraction provided that any holding of Participating Shares is a multiple of 1/1000 part of a Participating Share. Rights entitlements and benefits of a holder of a Participating Share under the Articles are granted to a holder of a fraction of a Participating Share in proportion to the fraction of a Participating Share held by him and, except where the context otherwise requires or is otherwise provided herein, reference in the Articles to "share" shall include a fraction of a Participating Share. Notwithstanding anything contained in the Articles the holder of a fraction of a Participating Share may not exercise any voting rights in respect of such Participating Share.

16. The Directors may decline to issue Participating Shares of any class to satisfy any initial application unless the amount in value of the Participating Shares to which an application relates equals or exceeds the Minimum Investment Amount or its equivalent in another currency or such other amount as the Directors may from time to time determine in relation to any class of Participating Shares. Thereafter Members may make additional subscriptions for Participating Shares of any class having a value, at the then current Subscription Price of not less than the Minimum Additional Investment Amount or its equivalent in another currency or such other amount as the Directors may agree.

Compulsory Repurchase or Transfer

- 17.
- (1)
- (a) The Directors shall have power (but shall not be under any duty) to impose such restrictions as they may think necessary for the purpose of ensuring that no Participating Shares of any class are acquired or held directly or beneficially by:
- (i) any person who appears to be in breach of any law or requirement of any country or governmental authority or by virtue of which such person is not qualified to hold such shares; or
- (ii) any United States person (other than pursuant to an exemption available under the laws of the United States); or
- (iii) any person or persons in circumstances which, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons connected or not, or any other circumstances appearing to the Directors to be relevant) in the opinion of the Directors might be detrimental to the interests of the Company (including in circumstances where any person has failed to furnish such documentation, information, evidence and/or undertakings as may be required for compliance with any anti-money laundering and similar provisions applicable to the Company) or might result in the Company incurring any liability to taxation or suffering pecuniary disadvantages (including without limitation a continuous pattern of large subscriptions and repurchases in pursuit of a market timing strategy or otherwise) which the Company might not otherwise have incurred or suffered.
- (b) For this purpose, "any United States person" means, unless otherwise determined by the directors, a person resident in the United States, a citizen of the United States, a corporation, partnership or other entity created or organised in or under the laws of the United States, or any person falling within the definition of the term "US Person" under Regulation S promulgated under the United States Securities Act of 1933, as amended.

- (c) The Directors shall, unless any Director has reason to believe otherwise, be entitled to assume without enquiry that none of the Participating Shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to sub-paragraph (d)(i) below. The Directors may, however, upon an application for Participating Shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated in sub-paragraph (a) above as they shall in their discretion deem sufficient or as they may require for the purpose of any restriction imposed pursuant thereto. In the event of such evidence and/or undertakings not being so provided within such reasonable period (not being less than 21 days after service of notice requiring the same) as may be specified by the Directors in the said notice, the Directors may, in their absolute discretion, treat any Participating Shares held by such a holder or joint holder as being held in such a way as to entitle them to serve a notice in respect thereof pursuant to sub paragraph (d)(i) below.
- (d)
- (i) If it shall come to the notice of the Directors that any Participating Shares are or may be owned or held directly or beneficially by any person or persons in breach of any restrictions imposed under (a) above (the "Relevant Shares"), the Directors may give notice to the person or persons in whose name(s) the Relevant Shares are registered requiring him to transfer (and/or procure the disposal of interests in) the Relevant Shares to a person who is in the opinion of the Directors a Qualified Person or to give a request in writing for the repurchase of the Relevant Shares in accordance with Article 19(a) below. If any person upon whom such a notice is served pursuant to this sub-paragraph does not within 21 days after the giving of such notice (or such extended time as the Directors in their absolute discretion shall consider reasonable) transfer the Relevant Shares to a Qualified Person, request the Company so to repurchase the Relevant Shares or establish to the satisfaction of the Directors (whose judgment shall be final and binding) that he is not subject to such restrictions the Directors may in their absolute discretion upon the expiration of such 21 days arrange for the repurchase of all the Relevant Shares pursuant to Article 19 below or approve the transfer of all the Relevant Shares to a Qualified Person in accordance with paragraph (iii) below and the holder of the Relevant Shares shall be bound forthwith to deliver his certificate or certificates (if any) to the Directors and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the repurchase or transfer of the Relevant Shares by the Company.
- (ii) A person who becomes aware that he is holding or owning Relevant Shares shall forthwith unless he has already received a notice pursuant to sub-paragraph (i) above either transfer all his Relevant Shares to a Qualified Person or give a request in

writing for the repurchase of all his Relevant Shares in accordance with Article 19(a) below.

- (iii) A transfer of Relevant Shares arranged by the Directors pursuant to (i) above, shall be by way of sale at the best price reasonably obtainable and may be of all of or part only of the Relevant Shares with a balance available for repurchase in accordance with the provisions of Article 19 or transfer to other Qualified Persons. Any payment received by the Company for the Relevant Shares so transferred shall be paid to the person whose Participating Shares have been so transferred subject to sub-paragraph (iv) below.
 - (iv) Payment of any amount due to such person pursuant to sub-paragraph (i), (ii) or (iii) above shall be subject to any requisite exchange control consents first having been obtained and the amount due to such person will be deposited by the Company in a bank for payment to such person upon such consents being obtained against surrender of the certificate or certificates representing the Relevant Shares previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such Relevant Shares or any of them or any claim against the Company in respect thereof except the right to receive such amount so deposited (without interest) upon such consents as aforesaid being obtained.
 - (v) The Directors shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this Article. The exercise of the powers conferred by this Article shall not be questioned or invalidated in any case on the grounds that there was insufficient evidence of direct or beneficial ownership of Participating Shares by any person or that the true direct or beneficial owner of any Participating Shares was otherwise than appeared to the Directors at the relevant date provided that the powers shall be exercised in good faith.
- (e) If it shall come to the attention of the Directors that any Participating Shares are held in breach of Article 17(a)(iii), the Directors shall be entitled to compulsorily repurchase and/or cancel such number of Participating Shares held by such person as is required to discharge any taxation or withholding tax arising as a result of the holding or beneficial ownership of Participating Shares by such person including any interest or penalties payable thereon.
 - (f) If the Company becomes liable to account for tax in any jurisdiction in the event that a Member or beneficial owner of a share in the capital of the Company were to receive a distribution in respect of his/her shares or to dispose (or be deemed to have disposed) of his/her shares in any way (a "Chargeable Event"), the Company shall be entitled to deduct from the payment arising on a Chargeable Event an amount equal to

the appropriate tax and/or where applicable, to appropriate, cancel or compulsorily repurchase such number of shares held by the Member or such beneficial owner as are required to meet the amount of tax. The relevant Member shall indemnify and keep the Company indemnified against loss arising to the Company by reason of the Company becoming liable to account for tax in any jurisdiction on the happening of a Chargeable Event if no such deductions, appropriation, cancellation or compulsory repurchase has been made.

- (g) Where the Net Asset Value of the Company, Fund or class shall be less than such amount as may be determined by the Directors in respect of the Company, Fund or class, the Directors, in conjunction with the Investment Adviser, may determine in their absolute discretion that it is in the interests of the holders of Participating Shares in the Company, Fund or class to compulsorily repurchase all the Participating Shares in issue in the Company, Fund or class. If the Directors so determine to compulsorily repurchase all the Participating Shares in issue in the Company, Fund or class, the Directors shall give notice of the compulsory repurchase to the holders of Participating Shares in the Company, Fund or class and by such notice fix the date at which such compulsory repurchase is to take effect, which date shall be for such period after the service of such notice as the Directors shall at their absolute discretion determine. The decision of the Directors shall be final and binding on all parties concerned, but the Directors shall be under no liability on account of any failure to compulsorily repurchase all the Participating Shares in issue in the Company, Fund or class pursuant to this Article.
 - (h) Where all the Participating Shares in a class are compulsorily repurchased by the Directors pursuant to Article 17(1)(g) hereof, the Directors, in conjunction with the Investment Adviser, may, subsequent to the compulsory repurchase make an initial issue of Participating Shares in that class at the Subscription Price per Participating Share determined by the Directors in accordance with Article 13(1)(a) hereof.
 - (i) The Company may by not less than four nor more than twelve weeks' notice to Members expiring on a Dealing Day, compulsorily repurchase at the Redemption Price on such Dealing Day, all of the Participating Shares in any Fund or class or all Funds or classes not previously repurchased.
 - (j) The Directors may compulsorily redeem and/or cancel such number of Participating Shares held by such person as is required to effect a pro-rata reduction in the number of Participating Shares held by a Shareholder in order to issue Side Pocket Shares in accordance with Clause 5 (b).
- (2)
- (a) Any Fund may be terminated by the Directors in their absolute discretion by notice in writing to the Depositary in any of the following events:-

- (i) if the Net Asset Value of the relevant Fund shall be less than such amount as may be determined by the Directors in respect of that Fund;
- (ii) if any Fund shall cease to be authorised or otherwise officially approved;
- (iii) if any law shall be passed which renders it illegal or in the opinion of the Directors impracticable or inadvisable to continue the relevant Fund.

The decision of the Directors in any of the events specified herein shall be final and binding on all the parties concerned but the Directors shall be under no liability on account of any failure to terminate the relevant Fund pursuant to this Article or otherwise.

- (b) The Directors shall give notice of termination of a Fund to the holders of Participating Shares in the relevant Fund and by such notice fix the date at which such termination is to take effect, which date shall be for such period after the service of such notice as the Directors shall at their absolute discretion determine.
- (c) With effect on and from the date as at which any Fund is to terminate:-
 - (i) No Participating Shares of the relevant class or classes may be issued or sold by the Company and neither the Company nor any holder of Participating Shares of the relevant class or classes shall have any right to require the cancellation or repurchase of any such Participating Shares;
 - (ii) The Investment Adviser(s) shall on the instructions of the Directors realise all the assets then comprised in the relevant Fund (which realisation shall be carried out and completed in such manner and within such period after the termination of the relevant Fund as the Directors think advisable); and
 - (iii) The Depositary shall on the instructions of the Directors from time to time distribute to the holders of Participating Shares of the relevant class or classes in proportion to their respective interests in the relevant Fund all net cash proceeds derived from the realisation of the relevant Fund and available for the purpose of such distribution, provided that the Depositary shall not be bound (except in the case of the final distribution) to distribute any of the monies for the time being in its hands the amount of which is insufficient to pay €12.70 or its equivalent amount in the relevant currency in respect of each Participating Share of the relevant class or classes and provided also that the Depositary shall be entitled to retain out of any monies in its hands as part of the relevant Fund full provision for all costs, charges, expenses, claims and demands incurred, made or apprehended by the Depositary or the Directors in connection

with or arising out of the termination of the relevant Fund and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands.

Every such distribution shall be made in such manner as the Directors shall at their discretion determine but shall be made only against production of the certificates (if any) relating to the Participating Shares of the relevant class or classes in respect of which the same is made and upon delivery to the Depository of such form of request for payment as the Depository shall in its absolute discretion require. All certificates shall in the case of an interim distribution be enfaced by the Depository with a memorandum of payments made and in the case of the final distribution shall be surrendered to the Depository. Any unclaimed proceeds or other cash held by the Depository hereunder may at the expiration of twelve months from the date upon which the same were payable be paid into court subject to the right of the Depository to deduct therefrom any expenses it may incur in making such payment.

- (d) The Directors shall have the power to repurchase Participating Shares on such terms and conditions as contained in a scheme of reconstruction and amalgamation pursuant to the provisions of the paragraph below.

The Directors shall have the power to reconstruct and amalgamate the Company or any Fund or any part thereof on such terms and conditions as set out in a scheme of reconstruction and amalgamation approved by the Directors subject to the following conditions namely:

- (i) that the prior approval of the Central Bank has been obtained; and
- (ii) that the Members of the Company or of the relevant Fund or Members of the relevant class of shares in a Fund whose rights in the opinion of the Directors are affected have been circulated with particulars of the scheme in the form approved by the Directors and a Special Resolution of the Members of the Company or of the relevant Fund or of the relevant class has been passed approving the said scheme;

then the relevant scheme of reconstruction or amalgamation shall take effect upon such conditions being satisfied or upon such later date as the scheme may provide whereupon the terms of such scheme shall be binding upon all the Members who shall be bound to give effect thereof and the Directors shall do all such acts and things as may be necessary for the implementation thereof.

- (e) All references to "Fund" in Article 17 (2) (a), (b) and (c) shall be deemed to refer equally to "class of Participating Share" so that an individual class of Participating Shares may be terminated without any

other class in the same Fund or the Fund itself having to be terminated and the provisions of Article 17 (2) (a), (b) and (c) shall apply so that all references to "Fund" shall be deemed to refer equally to "class of Participating Share", save that notwithstanding Article 17 (2) (c) (ii) upon the termination of a class of Participating Shares, the Investment Adviser(s) shall on the instructions of the Directors realise that proportion of the assets of the relevant Fund attributable to the class of Participating Shares.

(3) If a majority (exceeding fifty per cent.) of the shares in issue in the Company, a Fund or a class of Participating Shares have been placed for repurchase on any one Dealing Day, and the Directors, in conjunction with the Investment Adviser (having regard to the size of the Company, Fund or class and the ability to meet its investment objectives) determine in their absolute discretion that it is in the interests of the remaining Members to discontinue the operation of the Company, Fund or class, the Directors have the power to compulsorily repurchase the remaining shares in issue. In the event of the above circumstances arising, all requests for the issue or repurchase of shares in the Company, a Fund or a class of Participating Shares (whichever is the case) will be suspended. To ensure equality between all Members in the Company, a Fund or a class of Participating Shares (whichever is the case), the Directors may instigate a process of liquidation of all the assets of the Company or Fund or a proportion of the assets of a Fund attributable to a class in accordance with the procedures for winding up and pay the proceeds, net of any costs and provisions for liabilities of the Company or Fund or proportion of the liabilities of a Fund attributable to a class, to Members in proportion to their shareholdings at the relevant Dealing Day. Such proceeds will be paid in one or more installments, on a basis pro rata to their shareholdings, as soon as practicable after the relevant Dealing Day, allowing for the time required to liquidate the assets of the Company or Fund or a proportion of the assets of a Fund attributable to a class and determine all outstanding liabilities.

- (4)
- (a) Notwithstanding Clause 17 (1) to Clause 17 (3) hereof, the Company shall redeem Side Pocket Shares only when so determined by the Directors and in accordance with such procedures as may be determined by the Directors from time to time.
 - (b) Where the Directors determine that any Side Pocket Shares are to be redeemed the Member holding such Side Pocket Shares will be paid a price per Side Pocket Share determined by the Directors in their sole discretion having regard to the actual realisation value of any assets attributable to Side Pocket Shares and deducting therefrom a provision for Duties and Charges and any other fees and expenses including without limitation management fees and expenses which have accrued or otherwise have become due and payable in respect of the Side Pocket Shares and the assets attributable thereto and rounding the resulting total to such number of decimal places as the Directors may determine.

- (c) Any amount payable to a Shareholder under this Clause 17 shall be paid in the Base Currency or in such other currencies as the Directors shall have determined as appropriate and shall be dispatched as soon as reasonably practicable following the realisation of the assets attributable to the Side Pocket Shares.
- (d) The Directors may satisfy any redemption of Side Pocket Shares by the transfer of assets in specie to a Member in accordance with the Articles.

Determination of Net Asset Value

18.

- (a) The Net Asset Value of a Fund shall be expressed in the currency in which the Participating Shares are designated or in such other currency as the Directors may determine either generally or in relation to a particular class of Participating Share or in a specific case, and shall be determined, subject to Article 21 hereof, in accordance with the valuation rules set out hereafter, as at every Valuation Point and shall be the value as at such Valuation Point of all of the assets comprised in the relevant Fund less all the liabilities of the relevant Fund, subject to the Regulations and any regulations made by the Central Bank pursuant to the Regulations. The Directors may employ methods to ensure that the Net Asset Value per Participating Share of any Fund is stabilised so that sales and repurchases of Participating Shares in that Fund are effected at a constant share price. In the event that classes of Participating Shares within a Fund are issued which are priced in a currency other than the base currency for that Fund, currency conversion costs together with the costs and the gains / losses of any hedging transactions will be borne by that class including without limitation any Side Pocket Class. Any transactions undertaken in relation to the hedging of a share class will be attributed to the relevant hedged currency class.
- (b) The assets of the Company, and where the context so admits or requires any Fund, shall be determined to include:
 - (i) all cash in hand, on deposit, or on call including any interest accrued thereon as at the relevant Valuation Point and all accounts receivable,
 - (ii) all bills, demand notes, certificates of deposit, and promissory notes
 - (iii) all bonds, shares, stock, debentures, debenture stock, subscription rights, warrants, futures contracts, options, commodities, asset backed securities, mortgage backed securities, swap contracts, contracts for differences, fixed rate securities, floating rate securities, securities in respect of which the return and/or redemption amount is calculated by reference to any index, price or rate, financial instruments, derivative instruments and other investments and securities owned or contracted for by the Company, other than rights and securities issued by it,
 - (iv) for the purpose of calculating the Net Asset Value of the Fund or attributable to a Class of Participating Shares the Directors may in their absolute discretion deduct an amount as of the relevant Valuation Point

representing the assets attributable to any Side Pocket Class issued in accordance with Clause 5 (b) hereof,

- (v) all stock and cash dividends and cash distributions to be received by the Company and not yet received by it but declared to stockholders of record on a date on or before the Dealing Day as of which the Net Asset Value of a Fund is determined,
 - (vi) all interest accrued as at each Valuation Point on any interest-bearing securities owned by the Company except to the extent that the same is included or reflected in, the principal value of such security,
 - (vii) all other Investments of the Company,
 - (viii) the preliminary expenses incurred in establishing the Company including those incurred by the Manager and the cost of issuing, distributing marketing and promoting shares of the Company insofar as the same have not been written off and
 - (ix) all other assets of the Company of every kind and nature including prepaid expenses as valued and defined from time to time by the Directors.
- (c) A Fund which is a money market fund is permitted to provide for the use of amortised cost as a method of valuation of assets subject to the following conditions:
- (i) The assets of a Fund are restricted to securities which comply with one of the following criteria:
 - (a) have a maturity at issuance of up to and including 397 days;
 - (b) have a residual maturity of up to and including 397 days;
 - (c) undergo regular yield adjustments in line with money market conditions at least every 397 days; and/or
 - (d) the risk profile, including credit and interest rate risks, corresponds to that of financial instruments which have a maturity of up to and including 397 days or are subject to a yield adjustment at least every 397 days.

In the case of (c) and (d), the money market instruments must also meet with the final maturity requirements of the relevant rating agency.

- (ii) The Directors or their delegates shall review or cause a review to take place of deviations between the amortised method of valuation and the market value of Investments, in accordance with the requirements of the Central Bank.

A Fund which is not a money market scheme may provide for valuation by an amortised cost method in respect of highly rated instruments with a residual

maturity not exceeding three months, in accordance with the requirements of the Financial Regulator.

- (d) Where any Investment owned or contracted for by the Company is listed or dealt in on a Market, the value thereof shall be the average of the bid and offer closing prices quoted, or (if offer and bid prices are not available) the closing price for such Investment. Where such Investment is listed or dealt in on more than one Market the Directors may in their absolute discretion select any one of such Markets for the purposes of valuation. The relevant Market shall be the one which constitutes the main market (or alternatively the one which the Directors determine provides the fairest criteria for valuing an Investment). Investments listed or traded on a Market, but acquired or traded at a premium or at a discount outside or off the relevant Market may be valued taking into account the level of premium or discount as at the Valuation Point provided that the Depositary must ensure that the adoption of such a procedure shall be justifiable in the context of establishing the probable realization value of the Investment.
- (e) The value of any Investment which is not listed or dealt in on a Market or of any Investment which is normally listed or dealt in on a Market but in respect of which no price is currently available or where the quoted prices do not in the opinion of the Directors represent fair market value shall be the probable realisation value thereof estimated with care and in good faith by the Directors or by another competent person appointed by the Directors and approved for such purpose by the Depositary. In determining the probable realisation value of any such Investment, an estimated valuation from a market-maker or other competent person qualified in the opinion of the Directors and approved for such purpose by the Depositary, shall be sufficient. Where reliable market quotations are not available for fixed income securities the value of such securities may be determined by reference to the valuation of other securities which are in the opinion of the Directors or their delegate comparable in rating, yield, due date and other characteristics.
- (f) The value of any cash in hand or on deposit, prepaid expenses, cash dividends and interest declared or accrued as aforesaid and not yet received as at a Valuation Point shall be deemed to be the face value thereof (together with interest declared or accrued but not yet received as at the relevant Valuation Point) unless in any case the Directors are of the opinion that the same is unlikely to be paid or received in full in which case the value thereof shall be arrived at after making such discount as the Directors may consider appropriate in such case to reflect the true value thereof as at any Valuation Point.
- (g) The value of any demand notes, promissory notes and accounts receivable shall be deemed to be the face value or full amount thereof after making such discount as the Directors may consider appropriate to reflect the true current value thereof as at any Valuation Point.
- (h) Certificates of deposit, treasury bills, bank acceptances, trade bills and other negotiable instruments shall each be valued by reference to the best price available for similar instruments of like maturity, amount and credit risk at each Valuation Point.

- (i) Forward foreign exchange contracts and interest rate swap contracts shall be valued in the same manner as derivative contracts which are not traded on a regulated market or, alternatively, by reference to freely available market quotations. If the latter is used, there is no requirement to have such prices independently verified or reconciled to the counterparty valuation.
- (j) The value of any derivative contracts, futures contracts, share price index futures contracts and options which are dealt in on a Market shall be the settlement price as determined by the Market in question as at a Valuation Point, provided that where it is not the practice for the relevant Market to quote a settlement price or such settlement price is not available for any reason as at a Valuation Point, such value shall be the probable realisation value estimated with care and in good faith by the Directors or by a competent person appointed by the Directors and approved for such purpose by the Depositary. Derivative contracts which are not traded on a Market may be valued on a daily basis using either a valuation provided by the relevant counterparty or an alternative valuation such as a valuation calculated by the Company or its delegate or by an independent pricing agent. Where the Company does use a valuation other than one provided by the relevant counterparty for derivative contracts which are not traded on a Market;

- it shall adhere to the principles on valuation of over-the-counter instruments established by bodies such as the International Organisation of Securities Commissions or the Alternative Investment Management Association; the valuation shall be provided by a competent person appointed by the Manager, or Directors and approved for the purpose by the Depositary; and
- the valuation must be reconciled to a valuation provided by the counterparty on a monthly basis and if significant differences arise the Company shall arrange for these to be reviewed and seek explanations from the relevant parties.

Where the Company uses a valuation provided by the relevant counterparty for derivative contracts which are not traded on a market,

- the valuation must be approved or verified by a party who is approved for the purpose by the Depositary and who is independent of the counterparty; and
 - the independent verification must be carried out at least weekly.
- (k) The value of units or shares or other similar participation in any collective investment scheme which provides for the units or shares or other similar participation therein to be redeemed at the option of the holder out of the assets of that undertaking shall be valued at the last available net asset value per unit or share or other similar participation as at a Valuation Point or if bid and offer prices are published the price midway between the last available bid and offer prices.
- (l) Notwithstanding any of the foregoing sub-paragraphs, the Directors may with the approval of the Depositary adjust the value of any Investment, if having regard to currency, applicable rate of interest, anticipated rate of dividend,

maturity, marketability, liquidity and/or such other considerations as they may deem relevant, they consider that such adjustment is required to reflect the fair value thereof as at any Valuation Point.

- (m) If in any case a particular value is not ascertainable as above provided or if the Directors shall consider that some other method of valuation better reflects the fair value of the relevant Investment then in such case the method of valuation of the relevant Investment shall be such as the Directors in their absolute discretion shall determine with the concurrence of the Depositary, provided that the Depositary shall have fulfilled its obligation in any such case if, on being requested by the Directors to give its concurrence with any such valuation method, the Depositary confirms whether or not such method appears to it, in good faith, to be manifestly unreasonable or unsuitable.
- (n) Notwithstanding the foregoing, where at any Valuation Point any asset of the Company has been realised or contracted to be realised there shall be included in the assets of the Company in place of such asset the net amount receivable by the Company in respect thereof provided that if such amount is not then known exactly then its value shall be the net amount estimated by the Directors as receivable by the Company PROVIDED THAT if the net amount receivable is not payable until some future time after the time of any Valuation Point in question the Directors shall make such allowance as they consider appropriate to reflect the true current value thereof as at the relevant Valuation Point.
- (o) Where on any Dealing Day (i) the value of all redemption requests received by the Company exceeds the value of all applications for shares received for that Dealing Day, the Directors may value the Investments at bid prices and (ii) the value of all applications for shares received by the Company exceeds the value of all redemption requests received for that Dealing Day, the Directors may value the Investments at offer prices provided that the valuation policy selected by the Directors is applied consistently throughout the duration of the Company.
- (p) For the purposes of ascertaining or obtaining any price, quotation, rate or other value referred to in the preceding paragraphs of this Article for use in determining the value of any asset comprised in any Fund the Directors shall be entitled to use the services of any recognised information or pricing service.
- (q) Any valuations made pursuant to these Articles shall be binding on all persons.
- (r) The liabilities of the Company and where the context so admits or requires any Fund, shall be deemed, without limitation, to include unless otherwise provided:-
 - (i) the costs of dealing in the property of the Company;
 - (ii) interest on borrowings incurred in effecting or varying the terms of such borrowings;

- (iii) the total amount (whether actual or estimated by the Directors) of any liabilities properly payable out of the assets of any Fund (including all establishment, operational and ongoing administrative fees, costs and expenses) as of the relevant Valuation Point;
- (iv) any costs incurred in respect of meetings of members convened on a requisition by members not including the administrator or an associate of the administrator;

- (x) costs and expenses incurred in respect of the formation of the Company and in obtaining a listing on a stock exchange on the occasion of the initial offer or otherwise, which costs and expenses may be amortised over such period or periods as the Directors may determine;
- (xi) taxation and duty payable in respect of the property of the Company or the sale of shares;
- (xii) any costs incurred in modifying the Articles, the Depositary Agreement and any other agreement entered into in relation to the Company from time to time including costs incurred in respect of meetings of shareholders convened for purposes which include the purpose of modifying the Articles where the modification is (i) necessary to implement any change in the law including changes required by the Regulations or (ii) expedient having regard to any change in the law made by or under any fiscal enactment and which the Directors and the Depositary agree is in the interests of shareholders, or (iii) to remove from the Articles obsolete provisions;
- (xiii) fees, expenses and disbursements (together with a sum equal to the value added tax chargeable thereon (if any)) of the Depositary, (and any sub-depositary appointed by it), the Manager, the Investment Manager the Investment Adviser, the administrator, any market maker and any other provider of services to the Company including any performance fees payable;

- (xiv) secretarial fees and all costs incurred by the Company in making its annual return and in complying with other statutory requirements imposed upon it;

- (xvi) any fees of any regulatory authority in a country or territory outside Ireland including, if applicable, any fees levied by the Central Bank;

- (xxv) legal and other professional fees and expenses incurred in any proceedings instituted or defended to enforce, protect, safeguard, defend or recover the rights or property of the Company;
- (xxvi) an appropriate provision for taxes (other than taxes taken into account as Duties and Charges) and contingent liabilities as determined from time to time by the Directors; and

(xxvii) all other liabilities of the Company of whatsoever kind and nature except liabilities represented by shares in the Company and reserves (other than reserves authorised or approved by the Directors for Duties and Charges or contingencies).

In determining the amount of such liabilities the Directors may calculate administrative and other expenses of a regular or recurring nature on an estimated figure for yearly or other periods in advance and accrue the same in equal proportions over any such period.

- (s) For the purposes of this Article and in particular for the purposes of the calculation of the Net Asset Value of the relevant Fund:-
- (i) Monies payable to the Company in respect of the allotment of Participating Shares of any class shall be deemed to be an asset of the relevant Fund as of the time at which such Participating Shares are deemed to be in issue in accordance with Article 13(3) hereof;
 - (ii) Monies payable by the Company on the repurchase by the Company of Participating Shares pursuant to repurchase requests or monies payable by the Company as a result of the cancellation of allotments shall be deemed to be a liability of the relevant Fund from the time at which such Participating Shares are deemed to cease to be in issue in accordance with Article 13(3) hereof. Monies payable by the Company as a result of the cancellation of allotments shall be deemed to be a liability of the relevant Fund from the time at which such Participating Shares are deemed to cease to be in issue in accordance with Article 13(3) hereof; and
 - (iii) Monies due to be transferred from one Fund to another pursuant to exchange notices shall be deemed to be a liability of the first Fund and an asset of the second Fund immediately after the Valuation Point for the Dealing Day on which the exchange notice is received or deemed to be received in accordance with Article 20 hereof.
 - (t) Where the current price of an Investment is quoted "ex" any dividend (including stock dividend), interest or other rights to which the relevant Fund is entitled but such dividend, interest or the property to which such rights relate has not been received and is not taken into account under any other provisions of this Article, the amount of such dividend, interest, property or cash shall be taken into account.
 - (u) Any assets held, including funds on deposit and amounts payable to the Company and any liabilities and amounts payable by the Company, in respect of any Fund in a currency other than that in which that Fund is designated shall be translated into the currency of that Fund at such rate of exchange as the Directors may think fit.

- (x) If it is impossible or incorrect to carry out a valuation of an Investment in accordance with the above rules owing to particular circumstances the Directors or their delegate with the approval of the Depositary shall use other generally recognised valuation principles, which can be examined by the Auditors, in order to reach a proper valuation of the total assets of the Company.
- (y) Fees and expenses may be charged to capital in respect of any Fund or any class of Participating Shares of a Fund.
- (z) Where the Net Capital Activity in respect of a Fund on a given Dealing Day leads to (i) a net inflow of assets in excess of the Threshold in the relevant Fund, the Directors may determine that the Net Asset Value per Share used to process all subscriptions, redemptions or conversions in that Fund on that Dealing Day be adjusted upwards by the Swing Factor; (ii) a net outflow of assets in excess of the Threshold in the relevant Fund, the Directors may determine that the Net Asset Value per Share used to process all subscriptions, redemptions or conversions in that Fund on that Dealing Day be adjusted downwards by the Swing Factor. “Net Capital Activity” means the net cash movement of subscriptions and redemptions into and out of a particular Fund across all Share Classes on a given Dealing Day.

“Threshold” means the threshold amount applicable to “Net Capital Activity”, as determined by the Directors from time to time, beyond which threshold amount the Swing Factor shall apply.

Repurchase

19.

- (a) Subject to the provisions of the Act and the Regulations and subject as hereinafter provided the Company shall on receipt by it or its authorised agent(s) of a request (which request may at the Directors, discretion, either generally or in relation to any specific request, be made in writing, by facsimile or by telex or in such other form as the Directors may from time to time determine) by a holder of Participating Shares of any class ("the Applicant") repurchase all or any portion of Participating Shares held by the Applicant at the repurchase price for each such Participating Share of the class

concerned determined in accordance with paragraph (b) of this Article ("the Repurchase Price"), or procure the purchase thereof at not less than the Repurchase Price. Shares may also be redeemed in cash and/or by the delivery of securities held in the Fund's portfolio. Securities allocated for redemptions are valued in accordance with the provisions of the section "Determination of Net Asset Value" hereof. Such request to repurchase must be accompanied by the duly endorsed certificate or certificates (if any) issued for the Participating Shares to which it relates.

PROVIDED THAT:-

- (i) The repurchase or purchase of Participating Shares of any class pursuant to this Article shall be made on a Dealing Day in respect of such requests received on or prior to the Dealing Deadline by the Company or its authorised agent or on such other Business Day as the Directors at the request of the Applicant may agree.
- (ii) Any such request received after the Dealing Deadline for a Dealing Day may be deemed by the Directors to have been received by the next following Dealing Deadline.
- (iii) Subject as hereinafter in this Article provided, the Applicant shall not be entitled to withdraw a request duly made in accordance with this Article.
- (iv) If the determination of the Net Asset Value of any particular Fund is suspended on any Dealing Day by reason of a declaration by the Directors pursuant to Article 22 hereof (suspension of the determination of Net Asset Value) the right of the Applicant to have his Participating Shares repurchased or purchased pursuant to this Article shall be similarly suspended and during the period of suspension he may withdraw his request for repurchase. If the request is not so withdrawn the repurchase or purchase of the Participating Shares shall be made on the Dealing Day next following the end of the suspension or on such earlier Business Day following the end of the suspension as the Directors at the request of the Applicant may agree.
- (v) Any proceeds of redemption effected by cash payable to the Applicant in connection with the repurchase or purchase of Participating Shares shall at the risk and cost of the Applicant be paid in the same currency as that in which that class of Participating Shares is designated or in such other currency as the Directors shall agree either generally or in relation to any class of Participating Shares or in any particular case. Any such amount may at the option of the Directors and at the request of the Applicant but at his risk and cost be remitted by telegraphic transfer to the bank account specified in the Applicant's repurchase request not later than the relevant Settlement Date. In all other instances any such amount may, if requested, be posted in the form of a negotiable instrument at the Applicant's risk by or on behalf of the Company to the Applicant not later than the Settlement Date for that Fund. If the amount to be paid by the Company as aforesaid shall not be expressed in the currency in which the Participating Shares which

the Company has repurchased were designated then the rate of exchange between that currency and the currency agreed for payment shall be such rate as the Directors shall consider appropriate. The cost of conversion (if any) shall be debited from the converted payment. The certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons.

- (vi) Subject to written instructions from the Applicant to the Company (or its authorised agent) directing otherwise, the Company (or its authorised agent) shall pay the proceeds of repurchase to the Applicant.
- (b) The Repurchase Price for a Participating Share shall be an amount as determined by the Directors on the relevant Dealing Day that is to say the Dealing Day referred to in sub-paragraph (a)(i) or (a)(ii) above by:
- (i) determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant class or type of Participating Shares, (valued in accordance with Article 18 hereof as at the Valuation Point for the relevant Dealing Day, that is to say the Dealing Day referred to in Article 13(1)(e) above) and adding thereto such sum (if any) as the Directors may consider represents the appropriate provision for the Duties and Charges which would have been incurred on the assumption that all the Investments held by the Company in respect of the relevant Fund as at that Valuation Point had been purchased at that Valuation Point at prices equal to their respective values as at that Valuation Point, divided by the number of Participating Shares of the relevant class or type. In addition to the proportion of the Net Asset Value of the relevant Fund in respect of a class or type of Participating Shares, provision may be made for any liabilities or assets specifically allocated to the relevant class or type of Participating Shares;
 - (ii) the resultant quotient (for any repurchase made before the declaration of the first dividend in respect of a Participating Share) is deemed to include the amount (if any) of the Equalisation Payment per Participating Share of the relevant class payable pursuant to paragraph (1)(f) of Article 13 above while the resultant quotient (for any repurchase made subsequent to the declaration of the first dividend in respect of a Participating Share) is deemed to include an amount representing net income accrued since the last dividend was declared and determined by reference to the Net Asset Value of the Participating Share on the first Dealing Day following the date upon which the last dividend was declared or determined by such other procedure as may be introduced by the Directors or the Manager with the consent of the Depositary from time to time; and
 - (iii) rounding the resulting amount so determined mathematically to two decimal places or such other number of decimal places as may be determined by the Directors.

- (c) Payment of the Repurchase Price shall be satisfied at the discretion of the Directors, by way of transfer of Investments as referred to in Clause 19 (k), in cash or by way of the transfer of Investments as aforesaid and/or in cash.
- (d) Such portion of the Repurchase Price of any Participating Shares repurchased on a Dealing Day (except a Dealing Day which is a record day for the declaration of a dividend) as the Directors in their absolute discretion consider appropriate shall be deemed to be a distribution to the relevant Applicant of the proportion of the undistributed net revenue accrued to the relevant Fund up to such Dealing Day attributable to the Participating Shares in respect of which such Repurchase Price is payable.
- (e) The Directors may on any Dealing Day require an Applicant to pay to the Company or as it shall direct a repurchase fee (or such other charge as may be outlined in the Prospectus) in respect of each Participating Share to be repurchased of not more than 3 per cent of the current Repurchase Price of a Participating Share of the relevant class prevailing on that Dealing Day. The amount of any such charge may be deducted from the amount to be paid by the Company to the Applicant in respect of the Participating Shares to be repurchased. The Directors may at their discretion waive, either wholly or partially, such repurchase fee or differentiate between Shareholders as to the amount of such repurchase fee, if any, within the permitted limit.
- (f) The repurchase or purchase of Participating Shares under the provisions of this Article shall be deemed to be effected immediately after the Valuation Point for the relevant Dealing Day or such other day as may be agreed or determined pursuant to sub-paragraph (a)(i),(a)(ii) or (a)(iv) above but such Participating Shares shall remain in existence until they cease to be in issue in accordance with Article 13(3)(ii).
- (g) Upon the repurchase of a Participating Share being effected pursuant to these Articles, the Applicant shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such repurchase being effected) and accordingly his name shall be removed from the Register with respect thereto and the Participating Shares shall be treated as cancelled and the amount of issued share capital in respect of such class of Participating Shares shall be reduced accordingly.
- (h) The Company may decline to repurchase or procure the purchase of Participating Shares if such repurchase or purchase shall reduce the number of Participating Shares of a particular Fund held by the Applicant below the Minimum Shareholding and any request which would have such an effect may be treated by the Company as a request to repurchase the Applicant's entire holding PROVIDED ALWAYS that the provisions of this paragraph shall not prevent a repurchase of the whole of a holding of Participating Shares of any class less than the Minimum Shareholding nor shall this paragraph apply in circumstances where as a result of the Company restricting pro rata a request for repurchase in accordance with the provisions of paragraph (g) of this Article a Member's holding of Participating Shares is reduced below the Minimum Shareholding.

- (i) If repurchase requests (or instructions to effect Fund exchanges in accordance with Article 20) in respect of any Participating Shares are received by the Company the implementation of which on any Dealing Day will, in the opinion of the Directors, necessitate the realisation of Investments at a discount below their value as calculated in accordance with Article 18, the Repurchase Price shall be reduced by a proportionate part of such reduction in value or penalty which will be suffered by the relevant Fund in such manner as the Directors may consider fair and equitable. Alternatively, the Directors may arrange for the Company to borrow funds in accordance with Article 114 hereof and the costs of such borrowings shall be apportioned as aforesaid to such extent as the Directors may consider fair and equitable.
- (j) If the number of shares of a particular Fund in respect of which redemption requests have been received on any Dealing Day is equal to one tenth or more of the total number of shares in issue in that particular Fund in respect of which redemption requests have been received on that day then the Directors may in their discretion refuse to redeem any shares in excess of one tenth of the total number of shares in issue in that Fund in respect of which redemption requests have been received as aforesaid and, if they so refuse, the requests for redemption on such Dealing Day shall be reduced pro rata and the shares to which each request relates which are not redeemed by reason of such reduction shall be treated as if a request for redemption had been made in respect of each subsequent Dealing Day until all the shares to which the original request related have been redeemed.
- (k) The Company may, at the discretion of the Directors and with the consent of the relevant Member, satisfy any request for redemption of shares by the transfer in specie to those Members of assets of the relevant Fund having a value (calculated in accordance with Article 18) equal to the Redemption Price for the shares redeemed as if the redemption proceeds were paid in cash less any redemption charge and other expenses of the transfer as the Directors may determine. A determination to provide redemption in specie may be solely at the discretion of the Company where the redeeming Shareholders requests redemption of a number of Shares that represents 5% or more of the Net Asset Value of the relevant Fund. In this event, any Member requesting redemption shall be entitled to request the sale of any asset or assets proposed to be distributed in specie and the distribution to such Member of the cash proceeds of such sale, the costs of which shall be borne by the relevant Member. The nature and type of assets to be transferred in specie to each Member shall be determined by the Directors on such basis as the Directors in their discretion shall deem equitable and not prejudicial to the interests of the remaining Members in the relevant Fund or Class and shall be subject to the approval of the Depositary.
- (l) In respect of any Member who holds less Participating Shares of a particular Fund or Class than the Minimum Shareholding, the Directors may at any time (i) request in writing the redemption of such Participating Shares in accordance with Article 19 hereof and/or (ii) compulsorily redeem such Participating Shares upon notice to the Member.

Fund Exchanges

20. Subject to these Articles, to any restrictions the Directors may impose in their absolute discretion and as hereinafter provided a Member holding Participating Shares of any class in a Fund (the "first class") on any Dealing Day shall have the right from time to time to exchange all or any of such Participating Shares for Participating Shares of another class in another Fund (the "new class") (such class being either an existing class or a class agreed by the Directors to be brought into existence with effect from that Dealing Day) on the following terms:-

- (a) The Member must satisfy the criteria laid down by the Directors for investment in the new class.
- (b) The Member shall give to the Company or its authorised agent(s) instructions (hereinafter called an "Exchange Notice") in such form as the Directors may from time to time determine.
- (c) The exchange of the Participating Shares specified in the Exchange Notice pursuant to this Article shall occur on a Dealing Day in respect of Exchange Notices received on or prior to the Dealing Deadline for that Dealing Day (or prior to such other time of day as the Directors may determine either generally or in relation to a particular class of Participating Shares or in any specific case) by the Company or its authorised agent(s) or on such other Dealing Day as the Directors at the request of the shareholder may agree.
- (d) Exchange of the Participating Shares of the first class specified in the Exchange Notice shall be effected in the following manner, that is to say:-
 - (i) such Participating Shares of the first class shall be repurchased by the issue of Participating Shares of the new class;
 - (ii) the Participating Shares of the new class shall be issued in respect of and in proportion to (or as nearly as may be in proportion to) the holding of the Participating Shares of the first class which is being exchanged; and
 - (iii) the proportion in which Participating Shares of the new class are to be issued in respect of Participating Shares of the first class shall be determined in accordance with the following provisions of this Article;

Provided always that the right of a Member to exchange his Participating Shares for Participating Shares of another class conferred by this Article shall be conditional upon the Company having sufficient available share capital to enable the exchange to be implemented as aforesaid.

- (e) The Directors shall determine the number of Participating Shares of the new class to be issued on exchange in accordance with the following formula:-

$$S = R \times \frac{(RP \times ER)}{SP}$$

where:-

- R** is the number of Participating Shares of the first class specified in the Exchange Notice which the holder thereof has requested to be exchanged; and
- S** is the number of Participating Share of the new class to be issued; and
- SP** is the Subscription Price per Participating Share for the new class as calculated as at the Valuation Point for the Dealing Day on which the exchange is to be effected; and
- ER** in the case of an exchange of Participating Shares designated in the same currency, is 1. In any other case is the currency conversion factor determined by the Directors on the relevant Dealing Day as representing the effective rate of exchange applicable to the transfer of assets between Class Funds relating to the first and the new classes of Participating Shares after adjusting such rate as may be necessary to reflect the effective costs of making such transfer; and
- RP** is the Repurchase Price per Participating Share of the first class as calculated as at the Valuation Point for the Dealing Day on which the exchange is to be effected.

AND the number of Participating Shares of the new class to be created or issued pursuant to this Article shall be so created or issued in respect of each of the Participating Shares of the first class being exchanged in the proportion (or as nearly as may be in the proportion) S to R where S and R have the meanings ascribed to them above.

- (f) The exchange of the Participating Shares of the first class specified in the Exchange Notice for Participating Shares of the new class shall (subject to paragraph (b) above) take place on a Dealing Day in respect of Exchange Notices received on or prior to the Dealing Deadline for the Dealing Day and the holder's entitlement to Participating Shares as recorded in the Register shall be altered accordingly with effect from that Dealing Day.
- (g) on any exchange of Participating Shares pursuant to this Article, the Directors may add to the Subscription Price for the Participating Shares of the new class to be issued a fee, for payment to the Company or the Manager as appropriate out of the Class Fund relating to the Participating Shares of such class, not exceeding 5 per cent of the Subscription Price for the total number of Participating Shares in the new class to be issued calculated as at the Dealing Day on which the exchange is effected.
- (h) Requests for the exchange of Participating Shares as an initial investment in a Class Fund will only be made if the value of the Participating Shares to be exchanged is equal to or exceeds the Minimum Shareholding for the relevant Class Fund. The Directors may refuse to give effect to any Exchange Notice if to do so would cause the relevant Members holding in the Class Fund relating to the first class to fall below the Minimum Shareholding specified for that Class Fund.
- (i) Where there is more than one class of Participating Shares in a Fund and the holder of Participating Shares wishes to exchange shares of one class of Participating Shares in a Fund for another class of Participating Shares in a

Fund the Member must satisfy the criteria laid down by the Directors for investment in the new class of Participating Shares in the Fund.

- (j) Nothing herein shall compel the Directors to convert Side Pocket Shares into any Participating Shares of any other Fund or Class at the request of any Shareholder. Notwithstanding the foregoing, the Directors may in their sole discretion convert Side Pocket Shares into Participating Shares of another Fund or Class either existing or established as provided herein provided that the Side Pocket Shares proposed to be converted have not previously been the subject of a request for redemption of Participating Shares. The number of Participating Shares of the new class to be issued on conversion of Side Pocket Shares shall be determined by the Directors in accordance with Clause 20. (e) hereof provided that the reference to Net Asset Value shall be understood to mean the price at which Side Pocket Shares may be redeemed by the Directors in accordance with Clause 17 (4) hereof.

Compulsory Exchange

21. The Company may, without prejudice to any rights previously conferred on the holders of any existing class of shares, compulsorily exchange all or any Participating Shares of one class in a Fund (the "X Class") for Participating Shares of any class of the same Fund (the "Y Class") by not less than four weeks notice expiring on a Dealing Day to holders of Participating Shares in the X Class (the "Compulsory Exchange Notice") on the following terms:-
- (i) The exchange of the Participating Shares specified in the Compulsory Exchange Notice pursuant to this Article shall occur on the Dealing Day the Compulsory Exchange Notice expires;
- (ii) Exchange of the Participating Shares of the X Class as specified in the Compulsory Exchange Notice shall be effected in the following manner, that is to say:-
- such Participating Shares of the X Class shall be repurchased by the issue of Participating Shares of the Y Class;
 - the Participating Shares of the Y Class shall be issued in respect of and in proportion to (or as nearly as may be in proportion to) the holding of the Participating Shares of the X Class which is being exchanged; and
 - the proportion in which Participating Shares of the Y Class are to be issued in respect of Participating Shares of the X Class shall be determined in accordance with the following provisions of this Article.
- (iii) The Directors shall determine the number of Participating Shares of the Y Class to be issued on exchange in accordance with the formula as outlined in Article 20 (e);
- (iv) The exchange of the Participating Shares of the X Class for Participating Shares of the Y Class shall take place on the Dealing Day as specified in the Compulsory Exchange Notice and the holder's entitlement to Participating Shares as recorded in the Register shall be altered accordingly with effect from that Dealing Day.

- (v) A compulsory exchange of Participating Shares as an initial investment in a Class Fund will only be made if the value of the Participating Shares to be exchanged is equal to or exceeds the Minimum Shareholding for the relevant Class Fund.
- (vi) In the event of a compulsory exchange as set out in this Article 21 where there is more than one class of Participating Shares in a Fund the exchange can only be effected where the holder of Participating Shares of the X Class satisfies the criteria laid down by the Directors for investment in the Y Class of Participating Shares in the Fund.

Suspension of Determination of Net Asset Value, Repurchase and Exchanges

22.

- (a) The Directors may at any time declare a temporary suspension of the determination of the Net Asset Value of any Fund and issue/repurchase of any particular class of Participating Shares and the exchanging of Participating Shares in one Fund for those of another during:-
 - (i) any period when any of the principal Markets on which a substantial portion of the Investments of the relevant Fund are quoted is closed, otherwise than for ordinary holidays, or during which dealings therein are restricted or suspended;
 - (ii) any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors disposal or valuation of Investments of the relevant Fund is not reasonably practicable without this being seriously detrimental to the interests of owners of Participating Shares of the relevant class or if, in the opinion of the Directors, Repurchase Prices cannot fairly be calculated;
 - (iii) any breakdown in the means of communication normally employed in determining the price of any of the Investments or when for any other reason the current prices on any Market of any of the Investments of the relevant Fund cannot be promptly and accurately ascertained;
 - (iv) any period when the Company is unable to repatriate funds required for the purpose of making payments on the repurchase of Participating Shares from Members or during which any transfer of funds involved in the realisation or acquisition of Investments or payments due on repurchase of such Participating Shares cannot in the opinion of the Directors be effected at normal prices or rates of exchange;
 - (v) during the whole or part of any period when a Master Fund (in which Shares of the particular Fund or Class are invested) suspends the determination of its Net Asset Value and the issue, redemption and conversion of its Shares; or
 - (vi) any other period or for any other reason as may be specified from time to time in the then current prospectus issued in respect of the Company.

- (b) Any such suspension shall take effect at such time as the Directors shall declare but not later than the close of business on the Business Day next following the declaration and thereafter there shall be no determination of Net Asset Value and issue/repurchase of any particular class of Participating Shares until the Directors shall declare the suspension at an end except that the suspension shall terminate in any event on the first Business Day on which:-
 - (i) the condition giving rise to the suspension shall have ceased to exist; and
 - (ii) no other condition under which suspension is authorised under paragraph (a) of this Article shall exist.

23.

- (a) Any such suspension shall be publicised in a newspaper circulating in the European Union and (if required by the relevant regulatory authority) in such other jurisdiction in which the shares of the Company are registered for sale if in the opinion of the Directors it is likely to exceed fourteen (14) days.
- (b) Any such suspension of issue and repurchase shall be notified to the Central Bank and the Stock Exchange immediately and in any event within the same working day and shall be notified to the regulatory authorities in the Member States in which the relevant class of Participating Shares is marketed. It shall also be notified to investors requesting issue or repurchase of the relevant class of Participating Shares by the Directors at the time of application or the making of the irrevocable request to repurchase. Any such request which is not withdrawn shall, subject to Article 19, be dealt with on the first Dealing Day after the suspension is lifted.
- (c) Any such suspension of exchanges of Participating Shares in one Fund for those of another shall be notified to the Members requesting such exchange and, where the relevant Exchange Notice is not withdrawn, any such exchange shall, subject to Article 22, be dealt with on the first Dealing Day after such suspension is lifted.
- (d) At the end of any period of suspension as aforementioned, unless the original publication of the suspension in accordance with Article 23(a) above had indicated that the Directors had expected the period of suspension to end within a specified period and the suspension had in fact ended within the specified period, the Directors shall cause another notice to be placed in a newspaper circulating in the European Union or in any other jurisdiction in which the shares are registered stating that the period of suspension has ended and shall notify the authorities referred to in Article 23(b) accordingly.

Trusts Not Recognised

24. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or (except only as by these Articles or by law

otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the Member. This shall not preclude the Company from requiring the members or a transferee of shares to furnish the Company with information as to the beneficial ownership of any share when such information is reasonably required by the Company.

Share Certificates and Confirmations of Ownership

- 25.01 Subject to the Securities Regulations, the Directors or the Manager (without consulting the holders of any class of shares) may resolve that a class of shares is to become a Computerised Security or that a class of shares must cease to be a Computerised Security.
- 25.02 Subject to the Securities Regulations and the facilities and requirements of the Relevant System, the Directors or the Manager may implement any arrangement in relation to the holding of a class of shares in dematerialised form and the transfer of the title to that class of shares by means of a Relevant System.
- 25.03 Subject to the Securities Regulations, the facilities and requirements of the Relevant System and the consent of the Directors or the Manager, a Member may change a share which is a Computerised Security from a share held in certificated form to a share held in dematerialised Form and vice versa.
- 25.04 While a class of shares is a Computerised Security, these presents only apply to a share of that class to the extent that they are consistent with the holding of shares of that class in dematerialised form, the transfer of title to shares of that class by means of a Relevant System and the Securities Regulations.
- 25.05 While a class of shares is a Computerised Security, the Company or the Manager or their delegate shall enter on the Register the number of shares each Member holds in dematerialised form and certificated form and shall maintain the Register in accordance with the Securities Regulations and the Relevant System.
- 25.06 Notwithstanding any provision of these presents, a class of shares is not to be treated as two classes by virtue only of that class comprising both shares in certificated and dematerialised form or as a result of any provision of these presents or the Securities Regulations applying only in respect of shares in certificated or dematerialised form.
- 25.07 Subject to the Securities Regulations, every Member shall receive a written confirmation of entry in the Register of the number of shares held by him, or may, at the discretion of the Directors, be entitled on written request to be issued with a share certificate or share certificates representing the number of shares held by him. The Directors may refuse to issue share certificates at their discretion. No person shall be entered on the Register unless the value at the then current Subscription Price of the Participating Shares subscribed for or acquired by such person is equal to or greater than the Minimum Investment Amount.

If any Member shall surrender for cancellation a share certificate representing shares held by him and request the Company to issue in lieu two or more share certificates representing such shares in such proportions as he may specify, the Directors may, if they think fit, comply with such request. Where a Member transfers part only of the

shares comprised in a certificate the old certificate shall be cancelled and a new certificate, for the balance of such shares, issued in lieu without charge. Any two or more certificates of any one class held by any Member at his request may be cancelled and a single new certificate for such shares issued in lieu without charge unless the Directors otherwise determine. However, the Company shall not be bound to register more than four persons as the joint holders of any shares (except in the case of executors or trustees of a deceased Member) and, in the case of a share held jointly by several persons, the Company shall not be bound, where a request for a certificate has been made, to issue more than one certificate therefor and delivery of a certificate to one of such persons shall be sufficient delivery to all.

Every certificate shall be sealed with the Seal and signed by the Depositary and the Company (whose signatures may be reproduced mechanically) and shall specify the number, class and distinguishing numbers (if any) of the shares to which it relates and the fact that they are fully paid. No share certificate may be issued until the full Subscription Price has been paid to the Company.

26. If a share certificate be defaced, lost, or stolen or destroyed, a new certificate may be issued in lieu thereof on such terms (if any) as to evidence and indemnity and the payment of out-of-pocket expenses of the Company in investigating evidence as the Directors think fit.

Share Warrants

27. The Directors with respect to Participating Shares may issue warrants (hereinafter called "share warrants") stating that the bearer is entitled to the Participating Shares therein specified, and may provide by coupons or otherwise for the payment of future dividends on the Participating Shares included in such warrants. The Directors may determine and from time to time vary the conditions upon which share warrants shall be issued and upon which a new share warrant or coupon shall be issued in the place of one worn out, defaced or destroyed, but no new share warrant or coupon shall be issued to replace one that has been lost unless the Directors are satisfied beyond reasonable doubt that the original has been destroyed. The Directors may also determine and from time to time vary the conditions upon which the bearer of a share warrant shall be entitled to receive notices of and attend and vote at general meetings or to join in requisitioning general meetings, and upon which a share warrant may be surrendered and the name of the bearer entered in the Register in respect of the Participating Shares therein specified. Subject to such conditions and to these Articles the bearer of a share warrant shall be a Member to the full extent. The bearer of a share warrant shall hold such warrant subject to the conditions for the time being in force with regard to share warrants whether made before or after the issue of such warrant. Every share warrant shall be issued under the Seal and shall be signed by the Company and the Depositary whose signatures may be reproduced mechanically.

Calls on Subscriber Shares

28. The Directors may from time to time make calls upon the Members in respect of any monies unpaid on their Subscriber Shares provided that (except as otherwise fixed by the conditions of application or allotment) no call on any Subscriber Share shall be payable at less than fourteen days from the date fixed for the payment of the last preceding call, and each Member shall (subject to being given at least fourteen day's notice specifying the time or times and place of payment) pay to the Company at the

time or times and place so specified the amount called on his Subscriber Shares. A call may be made payable by instalments. A call may be revoked or postponed as the Directors may determine.

29. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.
30. The joint holders of a Subscriber Share shall be jointly and severally liable to pay all calls and other monies due in respect thereof.
31. If a sum called in respect of a Subscriber Share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate as the Directors may determine, but the Directors shall be at liberty to waive payment of such interest wholly or in part.
32. Any sum which by the terms of issue of a Subscriber Share becomes payable upon allotment or at any fixed date thereafter shall for all purposes of these Articles be deemed to be a call duly made and payable on the date on which by the terms of issue, the same becomes payable, and in case of non-payment all the relevant provisions of these Articles as to payment of interest or otherwise, shall apply as if such sum had become payable by virtue of a call duly made and notified.
33. The Directors may make arrangements on the issue of Subscriber Shares for a difference between the Members in the amount of calls to be paid and in the times of payment.
34. The Directors may, if they think fit, receive from any Member willing to advance the same all or any part of the money uncalled and unpaid upon the Subscriber Shares held by him beyond the sums actually called up thereon as a payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the Subscriber Shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the Subscriber Shares in respect of which it has been received.

Transfer of Shares

35. All transfers of shares in certificated form shall be effected by transfer in writing in any usual or common form or in any other form approved by the Directors but need not be under seal. No transfer of Subscriber Shares may be effected without the prior written consent of the Company. No transfer of any share may be made to a United States person except pursuant to an exemption available under the laws of the United States and with the approval of the Directors or their duly authorised agent.
36. The Directors may at any time direct that any Subscriber Shares not held by PIMCO Global Advisors (Ireland) Limited for the time being or its nominees shall be compulsorily purchased from the holder thereof at the price stated in paragraph (b) hereof in the following manner:
 - (a) The Directors shall serve a notice (hereinafter called a "Purchase Notice") upon the person appearing in the Register as the holder of the Subscriber Shares to be purchased ("the Vendor") specifying the Subscriber Shares to be

purchased as aforesaid, the price to be paid for such Subscriber Shares, the person in whose favour such holder must execute a transfer of such Subscriber Shares and the place at which the purchase price in respect of such Subscriber Shares is payable. Any Purchase Notice may be served upon the Vendor by mailing the same in a pre-paid registered envelope addressed to the Vendor at his address shown in the Register. The Vendor shall thereupon forthwith be obliged to deliver to the Company within 10 days from the date of the Purchase Notice a duly executed transfer of the Subscriber Shares specified in the Purchase Notice in favour of the person specified in the Purchase Notice.

- (b) The price payable for each Subscriber Share transferred pursuant to this Article shall be the lesser of the amount of the nominal capital paid up thereon and €1.27.
 - (c) In the event of the Vendor failing to carry out the sale of any Subscriber Shares which he shall have become bound to transfer as aforesaid, the Directors may authorise some person to execute a transfer of any such Subscriber Share(s) in accordance with the direction of the Directors and may give a good receipt for the purchase price of such Subscriber Shares, and may register the transferee or transferees as holder or holders thereof and thereupon the transferee or transferees shall become indefeasibly entitled thereto.
37. The instrument of transfer of a share shall be signed by or on behalf of the transferor. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof.
38. The Directors, may in their absolute discretion and without assigning any reason therefor, decline to register any transfer of shares in a certificated form (not being fully paid shares) and, in addition, may decline to register any transfer of shares in circumstances in which as a result of such transfer, the transferor or transferee would hold less than the Minimum Shareholding for the relevant Fund.
39. The Directors may decline to recognise any transfer of shares unless:-
- (a) the instrument of transfer and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer is deposited at the office or such other place as the Directors may reasonably require; and
 - (b) the instrument of transfer relates to shares of one class only.
40. If the Directors decline to register a transfer of any share they shall, within two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.
41. The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine PROVIDED ALWAYS that such registration shall not be suspended for more than 30 days in any year.
42. Subject to Article 145 below all instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may

decline to register shall (except in any case of fraud) be returned to the person depositing the same.

43. A transfer of shares in dematerialised form shall be made in accordance with and subject to the Securities Regulations and facilities and requirements of the Relevant System and in accordance with any arrangements made by the Company or the Manager pursuant to 25.01 to 25.06.
44. The Directors may compulsorily redeem any shares that have transferred to a person who is not a Qualified Person or where a transfer has taken place that is unlawful.

Transmission of Shares

45. In case of the death of a Member, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having title to his interest in the shares, but nothing in this Article shall release the estate of the deceased holder whether sole or joint from any liability in respect of any share solely or jointly held by him.
46. Subject to these presents and in the case of Shares held in dematerialised form, to the facilities and requirements of the Relevant System, any guardian of an infant Member and any curator or other legal representative of a Member under legal disability and any person entitled to a share in consequence of the death or bankruptcy of a Member shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the share or to make such transfer thereof as the deceased or bankrupt Member or Member under a disability could have made. If a Member elects to be registered himself he shall notify the Company or the Manager in writing of that election. If he elects to have another person registered and the share is in certificated form, he shall execute an instrument of transfer of the share to that person. If he elects to have himself or another person registered and the share is in dematerialised form, he shall take such action as the Company or the Manager requires to enable himself or that person to be registered as the holder of the share. The Directors shall in any case have the same right to refuse or suspend registration as they would have had in the case of a transfer of the share by the infant or by the deceased or bankrupt Member before the death or bankruptcy or by the Member under legal disability before such disability.
47. A person becoming entitled to a share in consequence of the death or bankruptcy of a Member shall have the right to receive and may give a discharge for all dividends and other monies payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the shares PROVIDED ALWAYS that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety days the Directors may thereafter withhold all dividends or other monies payable or other advantages due in respect of the share until the requirements of the notice have been complied with.

Variation of Share Capital

- 48.
- (a) The Company may from time to time by Ordinary Resolution increase its capital by such amount as the Ordinary Resolution shall prescribe.
 - (b) All new shares shall be subject to the provisions of these Articles with respect to transfer, transmission and otherwise.
49. In addition to any right of the Company specifically conferred by these Articles to reduce its share capital the Company may by Special Resolution from time to time reduce its share capital in any way, and in particular, without prejudice to the generality of the foregoing power may:-
- (a) extinguish or reduce the liability on any of its shares in respect of share capital not paid up; or
 - (b) with or without extinguishing or reducing liability on any of its shares:-
 - (i) cancel any paid-up share capital which is lost, or which is not represented by available assets; or
 - (ii) pay off any paid-up share capital which is in excess of the requirements of the Company.
50. The Company may by Ordinary Resolution from time to time alter (without reducing) its share capital by:-
- (a) consolidating and dividing all or any of its share capital into shares of larger amount than its existing shares;
 - (b) sub-dividing its shares, or any of them, into shares of smaller amount than that fixed by its Memorandum of Association so, however, that in the sub-division the proportion between the amount paid and the amount, if any, unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived; or
 - (c) canceling any shares which, at the date of the passing of the ordinary Resolution in that behalf have not been taken, or agreed to be taken, by any person, and diminish the amount of its share capital by the amount of the shares so canceled.

Income Equalisation

- 51.
- (a) In the event of an Equalisation Account being operated in respect of any Fund, all Equalisation Payments received in accordance with Article 13(1)(f) hereof, or deemed to have been received, shall be credited to the Equalisation Account in respect of the relevant Fund. Accrued income or interest may also be credited to the Equalisation Account. Any amounts payable out of the Equalisation Account shall be paid in accordance with paragraph (b) below.

- (b) The holder of a Participating Share on which an Equalisation Payment was paid or deemed to be paid on its issue shall be deemed to receive from the relevant Equalisation Account of a capital sum usually equal to the Equalisation Payment on (i) the repurchase of such Participating Share in accordance with Article 19 prior to payment of the first dividend thereon or (ii) the payment of the first dividend thereon after the date of issue of such Participating Share. The holder of a Participating Share in a class of shares in respect of which accrued income or interest is credited to an Equalisation Account shall be deemed to receive a net income payment out of the Equalisation Account equal to the relevant portion of income or interest accrued in the Equalisation Account on (i) the payment of any dividends thereon (subsequent to the payment of the first dividend thereon) or (ii) the repurchase of such Participating Share in accordance with Article 19 subsequent to the payment of the first dividend thereon or (iii) on the occurrence of such other event as determined by the Directors or the Manager with the consent of the Depositary.
- (c) Any capital sums deemed repaid to a Member in accordance with the provisions of this Article shall release the Company from any liability to repay to the Member the Equalisation Payment paid, and such Member shall accept any such deemed capital sum in full and final satisfaction of any Equalisation Payment otherwise payable.
