

Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

Sectoral Global Healthcare Fund

ISIN: LU1561670370, share class: P, currency: USD

a sub-fund of Variopartner SICAV

This fund is managed by Vontobel Asset Management S.A., which is part of Vontobel Group.

This fund is authorised in Luxembourg and regulated by the Commission de Surveillance du Secteur Financier (CSSF).

Objectives and investment policy

The sub-fund aims to achieve capital growth in USD.

- The sub-fund primarily invests in equities and equity-like securities.
- The sub-fund primarily invests in securities from issuers worldwide in the following healthcare sectors: Pharmaceuticals, Biotechnology, Healthcare Equipment & Supplies and Healthcare Providers & Services.
- The sub-fund can use derivatives for hedging (incl. currency hedging) and to achieve the investment objective.
- The portfolio manager can make investments for the sub-fund at his or her own discretion within the predefined investment limits.

- Any income generated will be reinvested and included in the value of your shares.
- The charges for buying and selling securities are paid by the sub-fund. They are payable in addition to the charges listed and reduce the sub-fund's return.
- You can redeem shares in the sub-fund on any working day. The only exceptions are on public holidays in Luxembourg or if a large number of stock exchanges and markets in which the sub-fund invests are closed.

Risk and reward profile

Lower risk Higher risk

---	---	---	---	---	---	---

The indicator above does not signal the risk of a potential loss, but indicates the fluctuations in the sub-fund's share price in the past.

- The share class is assigned to this category because its share price can fluctuate sharply due to the investment policy applied.
- The historical data taken to calculate the profile cannot be used as a reliable guide to the future risk profile of the sub-fund.
- The risk category shown is not guaranteed and may change.
- Even the lowest risk category is not entirely free of risk.

When assigning a sub-fund's share class to a risk category, it may be the case that not all risks are taken into account due to the calculation model used. Such risks include risks in connection with exceptional market events, operational errors, legal and political events. You can find a detailed list of the risks in the "Notice regarding general risks" section of the General Part and the "Risk profile" section of the Special Part of the sales prospectus.

The following risks have no direct influence on this category, but may still be important:

- The use of derivatives generally creates leverage. The sub-fund is also subject to corresponding valuation risks and operational risks.
- The portfolio has lower risk diversification as the focus lies on companies within a specific industry.

Charges

The charges you pay are used to pay the costs of running the fund, including the costs for managing, marketing and distributing it. These charges reduce the return on your investment.

One-off charges taken before or after you invest

Entry charge	5.00%
Exit charge	1.00%
Conversion fee	1.50%

This is the maximum that might be taken out of your money before it is invested / before the proceeds of your investment are paid out.

Charges taken from the fund over a year

Ongoing charges	1.88 %
