

FORTIS L FUND Bond Europe Plus

The Company

FORTIS L FUND was established in Luxembourg on 29 November 1989 for an indefinite period as an open-ended investment company (société d'investissement à capital variable - abbreviated to SICAV) with multiple subfunds in accordance with the provisions of Part I of the Law of 30 March 1988 governing collective investment undertakings and subject to the provisions of Part I of the Law of 20 December 2002 governing collective investment undertakings further to the General Shareholders' Meeting of 21 June 2004.

It is governed by European Directive 85/611/EEC as amended by Directives 2001/107/EC and 2001/108/EC.

Investment objective

To provide its investors with the highest possible appreciation of capital invested while offering a broad distribution of risks.

Investment policy

This subfund invests at least 2/3 of its assets in investment-grade debt securities of issuers based in Europe and in derivative financial instruments on this type of asset. These bonds will be denominated in various currencies.

It may also invest a maximum of 1/3 of its assets in any other transferable securities, money market instruments, derivatives or cash, provided the investments in convertible bonds or bonds with options do not exceed 25% of its assets and those in shares or similar equity securities or participation rights do not exceed 10% of its assets and those in UCITS or UCI 5% of the assets.

Risk profile

Seven classes of risk have been defined. Class 0 represents the lowest risk and Class 6 the highest risk.
