Disclaimers

Performance calculations are net of management or distribution fees. Performance are shown as annual performance (365 days). Performance calculations are based on the reinvestment dividend.

Risk Ratios are calculated from gross performances. The ratings shown are those applicable at the time of publication of the document and not at the portfolio closing date. A change in rating between these two dates could therefore suggest that the rating conditions of the portfolio have not been complied with, even though the securities concerned could have been sold in the interim. If you have any questions on this subject, please contact your usual sales representative.

In the case where the currency of investment is different from the Fund's reference currency the gains are capable of varying considerably due to the fluctuations of the exchange rate.

The fund is registered for public distribution in Luxembourg. Please check the countries of registration with the asset manager, or on the web site www.axa-im-international.com, where a fund registration map is available.

The tax treatment relating to the holding, acquisition or disposal of shares or units in the fund depend on each investor's tax status or treatment and may be subject to change. Any potential investor is strongly encouraged to seek advice from its own tax advisors.
