#### Important Legal Information

- **Source: Federated Investors, Inc. The performance shown is based upon changes in NAV of shares or units. Past performance may not be a reliable guide to future performance. Income (yield) may fluctuate in accordance with market conditions and taxation arrangements. Changes in exchange rates may have an adverse effect on the value price or income of the product, depending on an investor's home currency.**
- An AAAM rating by Standard & Poor's is obtained after S&P evaluates a number of factors, including credit quality, market price exposure and management. S&P monitors the portfolio weekly for developments that could cause changes in the ratings. Money market funds and bond funds rated Aaa by Moody's are judged to be of an investment quality similar to Aaa-rated fixed income obligations, that is, they are judged to be of the best quality. Fitch's ratings are an assessment of the safety of invested principal and the ability to maintain a stable market value of the fund's shares. Ratings are based on an evaluation of several factors, including credit quality, diversification, and maturity of assets in the portfolio, as well as management strength and operational capabilities. Ratings are subject to change and do not remove market risks.
- Total return represents the change in value of an investment after reinvesting all income and capital gains. Total return was not calculated according to the BVI method.

#### About Federated

Federated, a pioneer in developing and managing investment funds, has been helping U.S. investors build their wealth since 1955.

The firm has been a leader in developing stock and bond investments for the past three decades, creating one of the first U.S. government bond funds in 1969 and one of the first U.S. high yield bond funds in 1972. Today, Federated is one of the largest investment fund companies in the United States, managing approximately US\$355 billion in mutual funds and separate accounts. In the offshore marketplace, Federated has been managing investments for more than 20 years and today manages more than US\$6.7 billion across a full range of stock, bond and money market funds that invest in worldwide markets. Federated has established a growing presence in the offshore marketplace. Through Federated International Management Limited, its subsidiary in Dublin, Ireland, Federated provides funds and services exclusively for investors who are citizens of countries other than the U.S. or residents of countries other than the U.S. or Ireland. In Germany, Frankfurt-based Federated Asset Management GmbH offers an array of investment funds designed to meet German investing needs.
