

KEY INVESTOR INFORMATION

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

Metzler Eastern Europe / Class A (the "Fund"), a sub-fund of Metzler International Investments p.l.c. (the "Company") (ISIN: IE0000111876)

The Fund is managed by Metzler Ireland Limited (MIL) part of the Metzler group of companies.

Objectives and Investment Policy

The investment objective of the Fund is to increase the value of its investments over the long term.

The Fund will invest predominantly in equities and equity related securities. At all times at least 51% of the Fund's assets will be invested in eastern European equities and equity related securities. It is not anticipated that the Fund will invest more than 35% in aggregate of the Net Asset Value of the Fund in locally traded Russian stocks. The Fund may use financial derivative instruments to gain and/or reduce exposure to currency markets.

Recommendation: This Fund may not be appropriate for investors who plan to withdraw their money within 5-10 years.

Investors may redeem shares in the Fund on any Dealing Day / weekday which banks are open for business in both Dublin and Frankfurt am Main.

Net income (i.e. income less expenses) earned by the Fund, attributable to Class A, may be distributed on an annual basis.

Portfolio transaction costs are paid from the assets of the Fund. The costs are in addition to the charges set out below and can materially impact the Fund's return.

Terms to understand:

Equity securities: Securities that represent an ownership stake in a company.

Financial derivative instruments: Financial instruments whose characteristics and value depend on the performance of one or more underlying assets, typically securities, indices, currencies or interest rates.

For more information about the investment policy, please see the Investment Policy section of the prospectus fund leaflet, which is available at www.metzler-fonds.com.

Risk and Reward Profile

The indicated risk category for this Fund is 6 because it is largely invested in equities, thus being exposed to movements in equity markets generally, and to specific movements in regional equity markets.

The indicator selected is based on historical data, and such data may not be a reliable indicator of future returns.

The indicated risk category is not guaranteed and may shift over time.

The lowest risk category does not mean a risk free investment.

The Fund does not provide any guarantee or protection of capital to investors.

In addition to the risks captured by the indicator, the following risks may also be materially relevant to the Fund:

Currency Risk: This Fund may invest in assets which are priced in non-Euro currencies. Therefore, the value of your investment may fall if the Euro rises in value against those currencies.

Emerging markets risk: Some eastern European markets are considered Emerging Markets. Emerging Markets may face more social, political and economic challenges than developed countries. Therefore, there is a greater inherent risk investing in these markets.

Derivatives risk: The risk of loss in a financial derivative instrument where a small change in the value of the underlying investment may have a larger impact on the value of such instrument

For more information about risks, please see section 15 of the Company's prospectus, which is available at www.metzler-fonds.com.

Charges

One-off charges taken before and after you invest:

Entry Charge	5.00%
Exit Charge	2.00%

This is the maximum that might be taken out of your money before it is invested/before the proceeds of your investment are paid out.

Charges taken from the Fund over a year:

Ongoing Charges	1.97%
-----------------	-------

Charges taken from the Fund under certain specific conditions:

Switching/Conversion fee: None
Performance fee: 15% a year of any returns the Fund achieves above the benchmark for these fees, the MSCI EFM EUROPE and CIS IMI CUSTOM CAPPED Index. Any underperformance of the Fund compared to the benchmark is made good before MIL receive another performance fee. The performance fee charged to the Fund for the last fiscal year was 0.00%.

The charges you pay are used to pay the operating costs of the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

The entry and exit charges shown are maximum figures. In some cases you might pay less - you can find out the actual charges from your financial adviser or distributor.

The ongoing charges figure is based on expenses for the year ending September 2014. This figure may vary from year to year. It excludes performance fees and portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when the Fund buys or sells units in another fund.

For more information about charges, performance fees and the calculation of same, please see section 6 of the Company's prospectus, which is available at www.metzler-fonds.com.

Past Performance

Note: Past returns have limited value as a guide to future performance.

In the calculation of the performance figures, costs and fees are deducted excluding entry and exit charges, if any.

Past performance has been calculated in Euro.

The Fund was launched in 2000.

Class A was launched in 2000.
