Class: D, Share: X (Accumulation) ISIN: LU0145471693

This SICAV is managed by Generali Investments Luxembourg S.A.

Objectives and Investment Policy

The objective of the Fund is to provide long-term capital appreciation and to outperform its Benchmark.

The Fund shall essentially invest in equities and other participation rights of companies incorporated or having their registered office in Central and Eastern Europe, listed on the stock exchanges of Central and Eastern Europe Countries (CEEC).

The Fund may also invest on an ancillary basis in equities, in participation rights and in equity-linked securities of European issuers.

The Fund is actively managed and references the Benchmark by seeking to outperform it. The Investment Manager has full discretion over the composition of the Fund's portfolio and there are no restrictions on the extent to which the Fund's portfolio and performance may deviate from the ones of the Benchmark.

The Fund may use financial instruments and derivatives for hedging purposes, for efficient portfolio management purposes and for investment purposes.

The Fund is open-ended. You may redeem shares of the Fund on any Luxembourg business day.

The Share Class makes no dividend payment.

The Benchmark of the Fund is the 50% MSCI Poland Index (Net Return): + 15% MSCI Czech Republic Index (Net Return) + 10% MSCI Hungary Index (Net Return): + 10% MSCI Romania Index (Net Return): + 10% MSCI Austria Index (Net Return) + 5% ICE BofA Merill Lynch 0-1 Year Euro Government Index.

Risk and Reward Profile

Potentially lower rewards — **Potentially higher rewards**

1	2	3	4	5	**6**	7

This indicator represents the annual historical volatility of the Fund over a 5-year period. Its aim is to help investors understand the uncertainties attached to gains and losses that may have an impact on their investment.

The Fund's diversified exposure to emerging equity markets and to foreign currency risk explains its classification in this category.

Historical data such as that used to calculate the synthetic indicator cannot be considered as a reliable indication of the Fund's future risk profile.

The risk category associated with the Fund is not guaranteed and may change over time. The lowest risk category does not mean "risk free". Your initial investment is not guaranteed.

Significant risk(s) for the Fund not taken into account in this indicator include the following:

Liquidity Risk: Risk related to a limited market activity that could not allow the Fund to sell or buy underlying investments in suitable conditions.

Counterparty Risk: The Fund primarily concludes derivatives trades with various contracting parties. There is a risk that counterparties may no longer be able to honour their payment or settlement obligations.

Geopolitical Risk: Risk related to investments in geographic areas or sectors that may be sensitive to any event of economic, geopolitical or regulatory nature or any other events beyond the control of the Management Company that could expose the Fund to losses.

Operational Risk and Depositary Risk: The Fund may fall victim to fraud or other criminal acts. It may also incur losses due to misunderstandings or errors by employees of the management company, the depositary or external third parties. Finally, its' management or the custody of its' assets can be adversely affected by external events such as fires, natural disasters etc.

For more information about the risks of the Fund, please refer to the risk section of the prospectus.
