INVESTMENT OBJECTIVE

The Sub-fund seeks to achieve long-term capital growth in line with a reasonable risk diversification by investing the Sub-fund's assets primarily in shares and other equity-related securities of companies all over the world. The investment focus is such that at least 75% of the Sub-fund's assets (excluding cash and cash equivalents) is invested in shares and other equity-related securities of companies that are based in the eurozone or conduct most of their business in the eurozone. Depending on the actual situation, the investment focus may be on large-cap companies or also on small and mid caps.

PERFORMANCE IN % ^{1,2)}

¹⁾Value developments of the past are not a reliable indicator for future value developments.

²⁾The value development is calculated in Euro and in accordance with the BVI (German Funds Association) method, i.e. taking into account all costs and fees except for the subscription fee. For more information on the specific terms see: www.mainfirst.com/compliance.

Model calculation ^{1,3)}

¹⁾Value developments of the past are not a reliable indicator for future value developments.

³⁾Model calculation: With an investment amount of Euro 1,000 for a typical investment period of 5 years the investment result for the investor would be reduced as follows: On the first day of the investment by the subscription fee of Euro 50 (5%), as well as annually by the incurred deposit and management costs.
