Key investor information

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

High Conviction Europe, a compartment of GENERALI INVESTMENTS SICAV

Class: A, Share: X (Accumulation) ISIN: LU0145458328

This SICAV is managed by Generali Investments Luxembourg S.A.

Objectives and investment policy

The Fund seeks an increase of the value of your investment over a long-term by outperforming its benchmark. The Fund is managed actively and the composition of its portfolio may differ from its benchmark.

The Fund essentially invests in stocks of companies which are located or derive the majority of their revenues from operations in Europe. Stocks are mainly listed on a stock exchange of any European member of the Organisation for Economic Cooperation and Development (OECD).

The Fund may use financial derivatives to protect its portfolio against unfavorable market or currency fluctuations. The Fund may also use futures contracts to reduce other risks or to produce more revenues.

The Fund is open-ended. You may redeem shares of the Fund on any Luxembourg business day.

The Share Class makes no dividend payment.

The benchmark is 100% STOXX Europe 600 - Price Index in EUR.

Risk and reward profile

This indicator represents the annual historical volatility of the Fund over a 5-year period. Its aim is to help investors understand the uncertainties attached to gains and losses that may have an impact on their investment.

The Fund's exposure to equity markets and to foreign currency risk explains its classification in this category.

Historical data such as that used to calculate the synthetic indicator cannot be considered as a reliable indication of the Fund's future risk profile.

The risk category associated with the Fund is not guaranteed and may change over time.

The lowest risk category does not mean "risk free".

Your initial investment is not guaranteed.

Significant risk(s) for the Fund not taken into account in this indicator include the following:

Counterparty Risk: The Fund may realise losses should a counterparty fail to meet its contractual obligation, especially in the case of derivatives traded Over-The-Counter (OTC).

Concentration risk: To the extent that the Fund's investments are concentrated in a particular company, the Fund may be susceptible to losses due to adverse occurrences affecting that company.

For more information about the risks of the Fund, please refer to the risk section of the prospectus.

Charges

The charges and commissions are used to cover the Fund's operating costs, including marketing and distribution of shares. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	5.00%
Exit charge	1.00%
The percentage shown is the maximum amount that can be paid out of your investment. Your financial advisor or distributor can inform you of the associated entry and exit charges.
