FRAMLINGTON EQUITIES

AXA World Funds - Framlington Europe MicroCap

A Sub-Fund of AXA World Funds SICAV

Share class: AXA World Funds - Framlington Europe MicroCap F Capitalisation EUR pf (ISIN : LU0212993595)

This Sub-Fund is managed by AXA Funds Management S.A., part of the AXA IM Group

Objective and Investment Policy

Investment Objective

The Sub-Fund seeks to achieve long-term capital growth measured in Euro by investing in small and micro capitalisation companies domiciled or listed in the European geographical area.

Investment Policy

The Sub-Fund is actively managed in order to capture opportunities in European equity markets. Investment decisions are based on a combination of macroeconomic, sector and company specific analysis. The share selection process relies mainly on a rigorous analysis of the companies' business model, quality of management, growth prospects and overall risk return profile.

The Sub-Fund invests essentially in equities of small and micro-cap companies (with a majority on the latter) domiciled or listed in Europe, while ensuring sector diversification.

Within the limit of 200% of the Sub-Fund's net assets, the investment strategy may be achieved by direct investments and/or through derivatives. Derivatives may be used only for efficient portfolio management.

Income

For Capitalisation share classes (Cap), the dividend is reinvested.

Sub-Fund Currency

The reference currency of the Sub-Fund is EUR.

Investment Horizon

This Sub-Fund may not be suitable for investors who plan to withdraw their contribution within 8 years.

Processing of subscription and redemption orders

The subscription, conversion or redemption orders must be received by the Registrar and Transfer Agent on any Valuation Day no later than 3 p.m. Luxembourg time. Orders will be processed at the Net Asset Value applicable to such Valuation Day. The investor's attention is drawn to the existence of potential additional processing time due to the possible involvement of intermediaries such as Financial Advisers or distributors.

The Net Asset Value of this Sub-Fund is calculated on a daily basis.

Risk and Reward Profile

The risk category is calculated using historical performance data and may not be a reliable indicator of the Sub-Fund's future risk profile.

The risk category shown is not guaranteed and may shift over time.

The lowest category does not mean risk free.

Why is this Sub-Fund in this category?

The capital of the Sub-Fund is not guaranteed. The Sub-Fund is invested in financial markets and uses techniques and instruments which are subject to some levels of variation, which may result in gains or losses.

Additional Risks

Counterparty Risk: Risk of bankruptcy, insolvency, or payment or delivery failure of any of the Sub-Fund's counterparties, leading to a payment or delivery default.

Liquidity Risk: risk of low liquidity level in certain market conditions that might lead the Sub-Fund to face difficulties valuing, purchasing or selling all/part of its assets and resulting in potential impact on its net asset value.

Credit Risk: Risk that issuers of debt securities held in the Sub-Fund may default on their obligations or have their credit rating downgraded, resulting in a decrease in the Net Asset Value.

Impact of any techniques such as derivatives: Certain management strategies involve specific risks, such as liquidity risk, credit risk, counterparty risk, legal risk, valuation risk, operational risk and risks related to the underlying assets.

The use of such strategies may also involve leverage, which may increase the effect of market movements on the Sub-Fund and may result in significant risk of losses.

Charges

The charges you pay are used to pay the cost of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest

Entry Charge	2.00%
Exit Charge	none

This is the maximum that might be taken out of your money before it is invested.

Charges taken from the fund over a year

Ongoing charge	1.29%
----------------	-------

Charges taken from the fund under certain specific conditions

Performance fees	20.00%
------------------	--------

The performance fees are calculated in accordance with the methodology described in the prospectus using a participation rate of 20.00% of any returns the Fund achieves above MSCI Europe Microcap. In the fund's last financial year the performance fee was 0.00% of the share class.

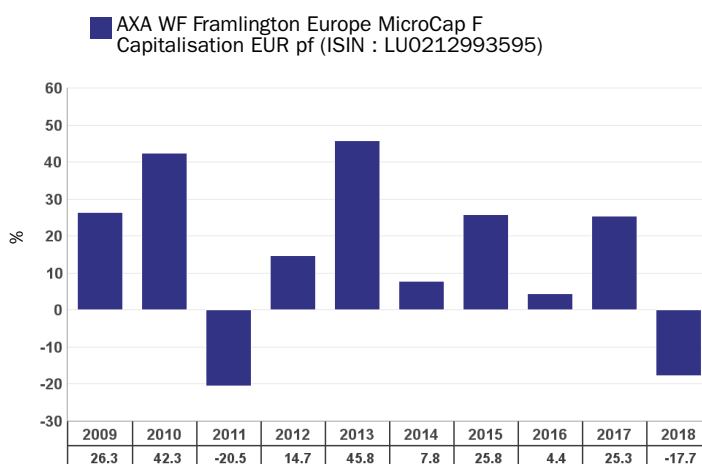

The entry and exit charges shown are maximum figures. In some cases, you might pay less - you can find this out from your Financial Adviser.

The ongoing charges figure is based on expenses for the twelve month period ending December 2018. This figure is adjusted with implemented budget changes for 2018. This figure may vary from year to year. It excludes:

- Performance fees
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Sub-Fund when buying or selling units in another collective investment undertaking

For more information about charges, please refer to the Fees and Expenses section of the prospectus which is available at www.axa-im.com.

Past Performance

Past performance is not a reliable indicator of future results.

Past performance is shown after the deduction of ongoing charges. Any entry/exit fees are excluded from the calculation.

The Sub-Fund was launched on 07/03/2005 and the share class in 2005. Past performance has been calculated in EUR and is expressed as a percentage change of the Sub-Fund's Net Asset Value at each year end.
